Greetings Parents!

At Delta College, we pride ourselves on creating enriching camps that provide campers the opportunity to build their skills in the arts and science, become a better student, experience new things and, of course, have fun! Whether you've been with us before or are exploring Delta College Summer Camps for the first time, we appreciate your interest and are confident you'll find the right camps for your child.

We would be happy to answer any questions you have about Delta's Summer Camps. You can also visit www.delta.edu/summercamps to browse all available camps and register online. You will also find a registration form in the back of this booklet for your convenience.

We look forward to spending the summer with your family!

The Staff of Delta College Lifelong Learning

THE ART OF SCIENCE & CELL DIVISION

Entering Grades: 4th - 6th
Dates: June 17 - 20, 2013
Days: Monday - Thursday
Times: 8am - 4:30pm
Camp Fee: \$189
Course Number: CYC-1500

The Art of Science/Cell Division is designed to expose campers to the concept of cell division at a young age. Campers will learn to take notes, engage in group discussions, and complete two projects during the four day camp. Topics will include Mitosis and Meiosis. Campers will present one of their projects to other participants on the final day of camp.

THE ART OF PUBLIC SPEAKING & THEATER PRODUCTION

Entering Grades: 7th - 10th
Dates: June 17 - 20, 2013
Days: Monday - Thursday
Times: 8am - 4:30pm
Camp Fee: \$189
Course Number: CYC-2010

This class mixes the skills of public speaking half the day and the other half is dedicated to theater. In public speaking, campers will learn how to speak confident and sure. Communication is vital to having a great career. Expressing oneself is a key to success. This will help campers form their thoughts, opinions and share them in a clear and concrete way. Using theater and public speaking to tell stories, participants will learn about the traditional forms of theater and the non-traditional theater such as Guerilla and Puppet Theater. Creating stories that are participant inspired, campers will learn about set design, costumes, directing and acting. Most importantly, campers will learn how to tell their stories in an inexpensive and effective way. Campers are required to bring a notebook and flash drive.

GOLF FOR LIFE YOUTH CAMPS

Entering Grades:	1st - 12th
Dates:	June 17 - 21, 2013 or June 24 - 28, 2013 or July 15 - 19, 2013 or July 29 - August 2, 2013
Days:	Monday - Friday
Times:	9am - 4:30pm
Locations:	Delta College Main Campus Friday, Maple Leaf Golf Course
Camp Fee:	\$175 Registration Fee \$200 Late Registration (Within 10 days of camp) Camp fee includes daily lunch.

This camp offers beginner to advanced curriculum for young golfers. No equipment or prior experience is required. Each child will receive forty hours of professional instruction and will be taught the game, core values and proper technique. Each camp culminates on Friday with a round of golf at Maple Leaf Golf Course, and a coupon for a \$1 round of golf when accompanied by an adult.

For a full camp activity schedule and registration information, visit the Bullseye Golf Foundation website at www.tricityjrgolf.org.

BEGINNING SPANISH

Entering Grades:	K - 3rd
Dates:	June 17 - 20, 2013
Days:	Monday - Thursday
Times:	8am - 4:30pm
Camp Fee:	\$189
Course Number:	CYC-2030

El gusto es mio (The pleasure is mine) to teach you Spanish! Whether campers have never studied Spanish before or if they are just brushing up on what they've learned before, the information covered in this camp may enrich the rest of their lives. This series of lessons is designed to help beginning Spanish students or anyone else learning the language with the fundamentals needed for further learning and study.

EXPLORE & EXPERIENCE

Entering Grades: 2nd - 6th
Dates: June 24 - 27, 2013
Days: Monday - Thursday
Times: 8am - 4pm
Location: Delta College Planetarium, Bay City
Camp Fee: \$189
Camp fee includes daily lunch & transportation.
Course Number: CYC-1505

Campers will participate in fun and interactive learning activities at multiple sites: arts & crafts including pottery; science including astronomy, biology and ecology; full day exploring nature at Tobico Marsh and the Bay City Recreation area; swimming & exercise at the new Bay Family Y; technology and adventures which stimulate curiosity and creativity. Campers will arrive and depart daily from the Delta College Planetarium & Learning Center in downtown Bay City.

MASTER STUDENT

Entering Grades: 6th - 8th
Dates: June 24 - 27, 2013
Days: Monday - Thursday
Times: 8am - 4:30pm
Camp Fee: \$189
Course Number: CYC-2510

The Master Student is a fun, interactive camp designed to prepare campers for the new school year. Campers will learn test taking strategies, memorization strategies, note taking skills, and time/stress management. They will participate in group discussions and hands-on activities throughout the camp. Campers will walk away from this course feeling more confident and well prepared for the upcoming school year.

PBS SUPER WHY! READING CAMPS

THE THREE LITTLE PIGS

Entering Grades: Preschool - 1st
Dates: June 24 - 27, 2013
Days: Monday - Thursday
Times: 8am - 12pm
Camp Fee: \$129
Course Number: CYC-2500-SP100

HANSEL & GRETEL

Entering Grades: Preschool - 1st
Dates: July 22 - 25, 2013
Days: Monday - Thursday
Times: 8am - 4:30pm
Camp Fee: \$189
Course Number: CYC-2500-SU100

The SUPER WHY! Reading Camp will be an interactive reading adventure for your young learner. Every day will be a new adventure. During the four day camp we will explore letter identification, rhyming with word families, letter sounds and spelling, and vocabulary and comprehension. At the end of the week, campers will be able to take away skills that they can continue to work on throughout the summer.

ASTHMA CAMPS

Dates: Monday, June 24, 2013 for Grades 1st - 4th
Wednesday, June 26, 2013 for Grades 5th - 7th
Times: 9am - 3pm
Camp Fee: FREE

These one-day camps provide an opportunity for youth to learn about asthma. They provide interaction with other campers with asthma in a fun and safe environment. Asthma Camp supervisors are Registered Respiratory Therapists and the mentors are second-year Delta College Respiratory Therapy students. Campers attending should bring rescue and midday medications, a towel, swim suit, and tennis shoes. Breakfast and lunch will be provided. Contact Tim Heinz at 989-686-9435 to register.

EXPLORING OUR HUMANITY!

Entering Grades: 6th - 9th
Dates: July 15 - 18, 2013
Days: Monday - Thursday
Times: 8:45am - 4pm
Camp Fee: \$129
Course Number: CYC-2000

The Humanities Learning Center at Delta College offers campers a unique and challenging summer learning experience. Campers will move through three class sessions each day. Classes are taught by members of Delta's innovative faculty and will introduce campers to a variety of humanities and related disciplines. All sessions share a common, underlying theme that demonstrates the importance of civility to a fully functional society.

Session Topics Include:

- You? A Professional?
- Digital Storytelling
- The Black Death and Other Medieval Disasters
- Quest for the Best!
- Studio Production
- Weihnachten in Juli (Christmas in July)
- Understanding Our Environment
- Philosophy's Big Ideas: The Perennial Questions of Philosophy
- Character in Cinema

GOLF FOR LIFE

For Youth entering grades 1st - 12th

Brought to your family by the Bullseye Golf Foundation, in partnership with Delta College.
Camps available in June, July & August.

See Page 4 for Camp details.

MULTI MEDIA & PHOTOGRAPHY 101

Entering Grades: 7th - 10th
Dates: July 15 - 18, 2013
Days: Monday - Thursday
Times: 8am - 4:30pm
Camp Fee: \$189
Course Number: CYC-2200

The use of Photography and planned photo shoots will be essential for campers to access their creativity. Throughout the week, campers will make use of sketching mockups, as well as draw and preview thumbnails necessary for the graphic design of printed and web work. Skills such as writing, camera operation, design and leadership using a team concept will be developed. Campers are required to bring a digital camera and flash drive.

EXPLORATIONS IN CONSTRUCTION & TECHNOLOGY

Entering Grades: 7th - 12th
Dates: July 15 - 18, 2013
Days: Monday - Thursday
Times: 8am - 4:30pm
Camp Fee: \$189

Explorations in Construction and Technology Summer camp is a unique four day camp for middle school and high school age campers in the Great Lakes Bay Region to explore the technical skilled trades through a typical workday experience. Hands on active sessions include Welding, Carpentry, CAD/Machine Tool, Solar and Wind Technology, and Automotive Technology.

For full camp details and registration information, visit www.mcesa.k12.mi.us.

COLOR WHEEL PAINTING

Entering Grades: 3rd - 6th
Dates: July 15 - 18, 2013
Days: Monday - Thursday
Times: 12:30pm - 4:30pm
Camp Fee: \$129
Course Number: CYC-2201-SU100

Entering Grades: 7th - 12th
Dates: July 29 - August 1, 2013
Days: Monday - Thursday
Times: 8am - 4:30pm
Camp Fee: \$189
Course Number: CYC-2201-SU101

Color Wheel Painting is designed to cover all the basics of painting and color. Campers will discuss the color wheel and the interesting tones created by mixing paints. This camp will explore the freedom of creativity through a fun painting process and lively discussions. Campers will decide the most interesting ways to layout still life subjects so they are the most appealing to the eye. Several types of brushes will be used and activities will show how each lay down paint quite differently. Most importantly, campers will have a ton of fun and realize there are no mistakes in painting.

INVENTORS WORKSHOP

Entering Grades: 4th - 6th
Dates: July 29 - August 1, 2013
Days: Monday - Thursday
Times: 8am - 4:30pm
Camp Fee: \$189
Course Number: CYC-1020

Experimentation and imagination help to develop one's play instinct. The camp instructor will set up the room and invite campers to tinker and play. There will be everything from building blocks to robotic kits. Campers will participate in brainstorming sessions and create innovative solutions. Campers will create a unique product out of a box full of miscellaneous supplies. They will present their inventions by acting out a 30 second commercial to the group.

LEGO® ENGINEERING CAMPS

ELEMENTARY ENGINEERING

Entering Grades:	4th - 8th
Dates:	July 22 - 25, 2013
Days:	Monday - Thursday
Times:	9am - 12pm
Camp Fee:	\$129
Course Number:	CYC-1100

Using our unique LEGO® kits, campers will creatively build and modify machines applying basic engineering principles. This is an integrated science and math class. Campers will learn a variety of concepts and apply their acquired knowledge about gearing and gear ratios, simple machines, problem solving, and communication skills, throughout this class. This challenges campers to incorporate the traits of an Engineer in a classroom setting. Please note, campers will not get to bring home any of the LEGO® projects they create.

COLLISION CARS

Entering Grades:	4th - 8th
Dates:	July 22 - 25, 2013
Days:	Monday - Thursday
Times:	1pm - 4pm
Camp Fee:	\$129
Course Number:	CYC-1101

Campers will use our unique LEGO® kits to build a variety of cars that they will battle. This is a class of exploration, problem solving, and risk-taking with a goal of learning and experimenting on how machines work and compete. Campers will learn a variety of concepts throughout this class including basic engineering principles, gearing and gear ratios, electric motors and energy, problem solving, and communication skills. Please note, campers will not get to bring home any of the LEGO® projects they create.

JUNIOR ENGINEERING

Entering Grades: Kindergarten - 3rd
Dates: July 29 - August 1, 2013
Days: Monday - Thursday
Times: 9am - 12pm
Camp Fee: \$129
Course Number: CYC-1102

Exploration of simple machines at an entry level are applied and discussed in depth. Activities provides great hands-on learning and building experiences. Campers will creatively build and modify machines through basic engineering skills using our unique LEGO® kits and curriculum. Please note, campers will not get to bring home any of the LEGO® projects they create.

JUNIOR VEHICLE ENGINEERING

Entering Grades: Kindergarten - 3rd
Dates: July 29 - August 1, 2013
Days: Monday - Thursday
Times: 1pm - 4pm
Camp Fee: \$129
Course Number: CYC-1103

Campers will creatively build and modify different vehicles including everyday vehicles, concept cars, construction machines and more using our unique LEGO® kits. Please note, campers will not get to bring home any of the LEGO® projects they create.

COLOR WHEEL PAINTING

Entering Grades: 7th - 12th
Dates: July 29 - August 1, 2013

See Page 9 for Camp details.

August Camps

SPACE & EARTH EXPLORERS

Entering Grades:	4th - 6th
Dates:	August 5 - 8, 2013
Days:	Monday - Thursday
Times:	8am - 12pm
Location:	Delta College Planetarium, Bay City
Camp Fee:	\$129
Course Number:	CYC-1506

Come and explore with us our wonderful planet Earth as well as learn about space exploration including the International Space Station, rocketry, robotics, aeronautics, astronauts, remote sensing, satellites and NASA missions. Included will be Astronomy demonstrations, interactive activities, and educational experiences about stars, Earth and other planets in our Solar System. This is your chance to explore our universe!

ACT PREP

Entering Grades:	9th - 11th
Dates:	August 5 - 8, 2013
Days:	Monday - Thursday
Times:	8am - 4:30pm
Camp Fee:	\$189
Course Number:	CYC-2511

College Bound/ACT Prep is designed to give campers a glimpse of what to expect when they take the ACT Test. Campers will take four practice tests including English, Math, Science, and Reading. Prior to each, campers will discuss strategies on how to approach each test. Campers will also complete a writing prompt and present to the class.

RADIO BROADCASTING & JOURNALISM: IN YOUR WORDS

Entering Grades: 7th - 10th
Dates: August 12 - 15, 2013
Days: Monday - Thursday
Times: 8am - 4:30pm
Camp Fee: \$189
Course Number: CYC-2011

Campers will acquire the skills to run radio program, print journalism and how to report stories that are relevant to their realities by utilizing computers, handheld recorders, audio interfaces, software and their community. They will learn advanced editing techniques in the latest audio editing software and how to produce a series of podcasts. They will also learn basic journalistic techniques for print and the internet. Upon completion of the program we hope campers will have a better understanding of their community and how to use radio and print journalism to give a voice in their community. Students need to bring a flash drive and digital recorder, if possible.

MEAP PREP 101

Entering Grades: 4th - 6th
Dates: August 12 - 15, 2013
Days: Monday - Thursday
Times: 8am - 4:30pm
Camp Fee: \$189
Course Number: CYC-2512

MEAP Prep 101 is a fun, interactive class that is designed to give campers a jump-start in preparing for the fall MEAP test. Campers will learn tips and techniques to complete all areas of the test through small group and individual discussions. Campers will practice writing prompts, discuss sample writings, practice math problems, and work on reading techniques.

REFUNDS

A 100% refund will be granted prior to the first day of camp. No refunds will be granted on or after the first day. To request a drop, please contact the LifeLong Learning office at (989) 686-9444.

CANCELLATIONS

Delta College reserves the right to cancel any class that does not receive the minimum number of registrations. Parents will be contacted by phone if this occurs and can select another camp if available or request a full refund.

PAYMENTS

Full payment is due at the time of registration for all Delta College Summer Camps.

FOOD SERVICES

Unless noted in the Camp description near the Course Fee, lunches, snacks, and beverages are not provided. Campers are encouraged to bring a lunch or try some of the lunch choices available for purchase in our Red Brix Café.

ADVERSE WEATHER / CAMPUS CLOSURE POLICY

In the event that the College must make any adjustments to its normal operation, all closing messages will be posted to Delta's homepage (www.delta.edu), Delta College Quality Public Broadcasting, Q-TV (Channel 19 or Charter Cable Channel 9) or Q-90.1 FM. You may also call the Delta College Information Line at (989) 686-9179.

CAMPUS LOCATIONS

The College main campus is located on a 640-acre campus complex in Bay County bordered by Hotchkiss, Mackinaw and Delta Roads. Noted for its beautifully landscaped center garden, the College has miles of nature trails, running and fitness trails, tennis courts, and archery and golf areas, as well as a covered bridge. The main campus site, at University Center, Michigan, lies almost midway between the three counties' major cities of Saginaw, Bay City, and Midland. For directions and a printable map to Delta College's main campus and off-site centers, please visit www.delta.edu/aboutdelta/campus-locations.

LifeLong Learning Personnel has made every reasonable effort to determine that everything stated in this guide was accurate at the time it was printed. Programs and Testing Services offered and related fees, with other matters contained therein, are subject to change or cancellation without notice by Delta College LifeLong Learning for reasons related to student enrollment, or for any reason, at the discretion of the college. Delta College LifeLong Learning reserves the right to cancel class and test sessions.

Delta College is an Equal Opportunity Organization, committed to excellence through inclusiveness and diversity.

REGISTRATION OPTIONS

Register In Person

Register In Person at the Registrar's Office in B-100 or in the LifeLong Learning office in the H-wing of Delta College's Main Campus.

Register Online

Students are responsible for making sure pre-requisites have been completed and verified prior to online registration. Payment is due at the time of registration. If the class you wish to register for is FULL you must call LifeLong Learning to be added to the WAITLIST.

STEP 1: Go to Delta College's HOME PAGE, www.delta.edu, and Select link to "My Delta"

STEP 2: Select "Register for LifeLong Learning/CEU Sections"

STEP 3: At the "Register and Pay" screen, enter the course number (or search by key words) and hit "SUBMIT"

STEP 4: Select Class from the list provided and hit "SUBMIT"

STEP 5: Enter your information (required) and hit "SUBMIT"

STEP 6: "Additional Registration Info" screen and hit "SUBMIT"

STEP 7: You are now ready to "Pay for Classes". Have your credit card ready and complete all required fields. Hit "SUBMIT" to complete registration.

STEP 8: Upon successful registration, the system will send an email confirmation.

Register By Phone

Register by phone and make credit card payments by calling (989)686-9305 or (989)686-9444.

Register By Mail

Print a registration form online and send with payment; make checks payable to Delta College.

Mail to: Delta College LifeLong Learning
1961 Delta Road, H-Wing
University Center, MI 48710

Please contact

Delta College

LifeLong Learning

Learn. Work. Grow.

Delta College LifeLong Learning is excited to bring your family opportunities for summer fun and education through Delta College Summer Camps!

LifeLong Learning has been a part of Delta College since it opened its doors in 1961. Many of our Career Training courses have been offered for nearly 50 years, including Phlebotomy and Health Unit Coordinator! Student success has always been our focus and we pride ourselves with our quality programming, informed instructors and community partnerships.

Over the years, LifeLong Learning has expanded its catalog to include programs for a variety of demographics. We offer classes for those looking to grow in their career and meet professional requirements, pursue interests and hobbies, enrich and improve their life or simply learn something new.

- Career Training
- Continuing Education & CEUs for Professionals
- Personal Enrichment
- General Education
- Testing Services
- 50+... Just Like Gold
- Online Courses
- Youth Programs
