A note from our Director

We hope this summer catalog of opportunities inspires you to think about all you can do and learn, when the days are longer and the temperatures are warmer. It's time to forget about the unusually cold winter we experienced and give ourselves and our family members the gift of continuing education, physical exercise and fun. Our summers seem to pass by so quickly so you will want to check out some of the "get ready for fall" activities such as Jump Start Kinder Camp, Youth Football, Kid Connection and Stepping Stones Care programs and Wee Tigers Preschool. We hope to see you through the summer and into the school year where we "Discover, Pursue and Achieve!"

Heidi Cunningham

Earth and Arbor Day

Saturday, April 26, 2014

11:30 am - 12:30 pm

Rambling River Center

Join the City of Farmington and Farmington Area Community Education for a morning of entertainment and fun things to do! You, your friends and families are invited to join us for FREE! Details on page 5.

Summer is time for Swimming!

Rain or Shine - the Pool is Open!

Dodge Middle School Pool offers aquatics classes for everyone. Whether you are just learning to swim, want to swim better, learn to dive, join a competitive team, or pursue your goal of completing a triathlon, we have a class or activity for you. Check out our new Water Games and Sports class on page 26.

Save money by purchasing a Summer Swim Pass and join us for open swim all summer. Find all the details starting on page 23!

SUMMER FUN

Looking for fun things to do with your friends this summer?

Drop in on Kid Connection Field Trip Days!

Preregistration is required.

Kid Connection welcomes students on a part time and drop in basis for selected field trip days and also for fun, event filled days at school. Field trips may include movies, museums, waterparks, and bowling, as well as other unique opportunities designed for fun and enrichment. The cost of field trips is included in the daily tuition, so no extra fees to pay! Tuesdays and Thursdays are our field trip days, check out our schedule online at www.FarmingtonKidConnection.com.

Community Education Theater Productions

The Farmington Community Education Youth Enrichment Program produces theater performances 3 times per year. These productions let children grow in confidence and poise, and provide families a great opportunity to get together and view a wonderful show. Put these dates on your calendar today!

Student Performance of "The Lady Pirates of Captain Bree"

Performances Friday, May 30 at 7 pm
Saturday, May 31 at 1 pm

Boeckman Middle School Auditorium,
800 Denmark Ave, Farmington
Admission \$6 for Adults and \$5 for
Children

Student Performance of "The Elves and The Shoemaker"

Performances Thursday, June 19 at 7 pm
Friday, June 20 at 2 pm

Recycle Your Crayons!

We will be collecting old, broken crayons to recycle into fresh, new ones! Please LEAVE THE WRAPPERS ON THE CRAYONS (they are easier to sort).

The Earth & Arbor Day Celebration is a partnership between the City of Farmington and Farmington Area Community Education and is sponsored in part by the Dakota County Board of Commissioners and the MN Pollution Control Agency.

THE ORIGIN OF FOOD –Early Farming in Dakota County 1860s-1920s

A Family Event! No Admission Charge. Educational and Fun!

Sunday, May 4 – 1pm to 4pm- Dakota City Heritage Village

(at Dakota County Fairgrounds, 4008-220th Street West, Farmington, MN. 55024)

Watch teams of Belgian draft horses plowing fields in preparation for planting corn. Try your hand at milking a cow. Inspect farm implements used in the 1860s to early 1900s – before mechanical tractors and other motorized farm implements were used in the fields. Hear from John Day – a farmer who represents four generations of farming in Castle Rock in Dakota County. Learn how our staple foods – corn, wheat, soybeans – made the journey from field to your table as food.

Other planned activities include: Free trolley rides to and from the planting field, time to wander through Dakota City Heritage Village's 1900 era agricultural village (22 historic buildings) and museum. Finish the afternoon with a delicious grilled pork chop dinner (including scalloped potatoes, coleslaw, roll) and beverage for only \$6.

This program is co-sponsored by the Dakota County Historical Society and Dakota City Heritage Village. For more information contact Dakota City Heritage Village at 651-460-8050.

*Barn raising on the Stapf farm, Castle Rock; Maple Leaf Farm, Greenvale.
From the collections of the Dakota County Historical Society.*

SPRING CLASSES

Junior Veterinarian Technician

Dr. Christy Hutchins and Nicole Nieman, CVT

Grades 3-5 with a Parent or Guardian

Do you have a child who is crazy about animals? Veterinary medicine is an exciting field. Helping keep animals healthy and happy is very rewarding. Students will get a behind-the-scenes peek at veterinary medicine as they learn about radiography(x-rays), general animal care, and practice physical examination techniques on animals. Space is limited, so sign up soon! Live animals will be present; you will be asked to sign a waiver when you arrive on site. Class is held on the Lakeville Campus at the Minnesota School of Business. 17685 Juniper Path, Lakeville

Th May 8 1 Session \$15

"My son enjoys math. Math by Mail was a great summer class for him!"
~ parent

Math by Mail: Grades K-One

Jill Yeager MA Ed

Completed Grades K-1

This course has been developed to review and enrich math concepts for kindergarteners and first graders. Students practice previously learned concepts to keep skills sharp and build confidence. Participants will receive ten weeks of lessons. After they have completed a week's worth of work, mail it in and we'll make corrections, provide comments and mail it back. Students work at their own pace. Kids love receiving their returned assignments each week in the mail! When all lessons are completed, students will receive a certificate of achievement. Course materials will be sent out beginning June 7. No registrations accepted after June 30.

CMP-MATHA

10 weeks \$79

Math by Mail: Grades 2-6

Jill Yeager MA Ed

Completed Grades 2-6

Keep your math skills sharp over the summer! Materials that students cover during the summer review and support concepts they have encountered during their previous school year. Students take a pre-test and fill out a questionnaire to individualize their program. Students receive nine weeks of materials that direct practice of previously learned concepts to keep skills sharp and build confidence. Completed packets are returned by mail for corrections and feedback. Students may start and finish the course at their own pace. When all lessons are completed students will receive a certificate of achievement. Course materials will be sent out beginning June 7. No registrations accepted after June 30.

CMP-MATHB

9 weeks \$79

Math by Mail: Middle School/High School Prep

Tanya Ravenholdt and Brent Lackas

Completed Grades 5-9

It's here! Keep young minds active with the Math-By-Mail curriculum; math practice accompanied by enrichment activities for the upcoming summer months. Created by middle school math teachers with 40+ years of combined experience! Minnesota State Standards Math Frameworks MCA strands and current Minnesota Benchmarks are the foundational basis for this curriculum. With creative problem solving, multiple choice, short answer and vocabulary, embedded into an 8 week course of independent study, students will maintain or increase the level of their math understanding in addition to reviewing the recommended targets suggested by grade level in the Minnesota School Academic Standards of Mathematics. Each student will be given a pretest to assess the appropriate skill level necessary to strengthen their individual math needs, unlike other programs that are exclusively grade level driven. Students will receive 8 packets to complete at their own pace throughout the summer. As students finish packets, they are mailed back for feedback and then returned to the students. All packets are due back by August 13 in order to provide timely feedback before the 2014-15 school year begins. Registration closes Friday, June 27.

CMP-MATHC

8 weeks \$85

ACT Prep Class

Advantage Educational Programs

Entering Grades 10-12

The ACT and SAT/PSAT Preparatory Courses are designed for those who wish to improve their test-taking skills and their overall scores on the college entrance exams. Advantage provides valuable instruction for the ACT, SAT, and the PSAT. The courses include diagnostic testing, strategies for answering questions in all testing areas, instruction in time management, essay writing, and more.

Students can choose to attend classes at Farmington High School or at other area schools.

- ◆ To enroll at Farmington High School, register online at www.farmingtonCE.com.
- ◆ To enroll in an ACT or SAT /PSAT course at another site, please call Advantage Prep directly at (612) 222-5108 and mention you are a student from Farmington.

Once you are registered, you will be contacted by email or phone with your classroom assignment approximately 7-10 days before classes begin. For a complete list of ACT and SAT/PSAT prep classes please visit www.AdvantagePrep.net

Boeckman Middle School Theatre

Theatre Production of "The Elves and the Shoemaker"

Based on the story by The Brothers Grimm Adapted by Karen Boetcher-Tate

The Play's the Thing Productions, Directed by Ethan Quist and Dayna Railton

Ages 7-15

Lockhart Cobblestone, the shoemaker, has a kind heart but little money in his pocket. Moved by the plight of an old beggar woman, he gives her his last pair of shoes. Poor Lockhart has leather enough to make only one more pair of shoes and sets it out to work on the next morning. Then, the fun begins! Out pop five weird, endearing little elves: Mortz, Schwartz, Hazel, Gracie and Studebaker, who whip up the most fantastic and magical shoes the town of Clankbottom has ever seen. Here's an upbeat, fast-paced retelling of an old favorite, filled with delightfully wacky characters and clever dialogue. This upbeat, whimsical romp of a fantasy also holds a gentle message about the nature of kindness. 15 roles-all who sign up will be given a role.

Theater Production of "Magic Golden Apples"

The Plays the Thing Productions Directed by Dayna Railton

Ages 7-17

Tomorrow is the quadruplet princesses' big day — their 17th birthday — and four brave lords have come to Lah-dee-dah to woo and wed the princesses. However, when they arrive, they discover there are only three princesses, and they think they're triplets. The poor princesses don't even realize that when they were born, they were cursed by the evil Worm Wizard, making one of them disappear and the other three each suffer their own unique, eccentric (and funny!) curse. Luckily, Sweet Bliss, the good fairy queen, presented the royal family with four magic golden apples, which would release the curse upon being eaten by all four princesses on their 17th birthday. If only they knew where the fourth princess was! To makes matters worse, Worm Wizard steals the magic golden apples, and it looks as though the princesses' curse will never be lifted! Loaded with fun and quirky characters, including Dogster the narrator, and entertaining audience participation, this lighthearted comedy has humor for all ages! 17 roles-all who sign up will be given a role.

TEEN ACTIVITIES

Law Enforcement Challenge

Matt Stiehm

Ages 13-18

Teenagers will be challenged to solve a real world crime. After an introductory session on how to collect evidence, interview suspects, and laws, the students will be set loose in teams to solve a crime. The crime selected will be local to the Dakota County area. Real evidence, transcripts and materials will be used in the investigation. Teenagers will attempt to determine if there is enough evidence to arrest and convict. Additionally the teams will be playing against each other to determine who is the most effective criminal investigation team.

JULY CAMPS

Camp Invention®

Director: Mike Larson

For students entering grades 1-6

We're building the future one thinker at a time

Led by local educators, the weeklong Camp Invention experience immerses elementary children in hands-on activities that reinvent summer fun. Throughout the week, children work in teams to solve real-world challenges. Some activities include:

- ◆ Explore the science behind the five senses to design a bionic ear, eye, and hand
- ◆ Experiment with circuits and gears
- ◆ With inspiration from famous inventors, create your own invention
- ◆ Build a motorized “morphing” vehicle to take home!
- ◆ Design an epic, insect-themed pinball machine

July 14-18, Meadowview Elementary School
M-F, 9 am-3:30 pm

To register: (800) 968-4332 or www.campinvention.org
Early registration and sibling discounts, see website for details

Girls with Glitter

Abrakadoodle

Ages 5-11

Does your daughter love art? Does she love bright colored paint, glitter and rhinestones? If so, this is the camp for her. We'll make colorful Paper Mache hearts, paint batik designs on canvas bags, and create masterpieces on canvas board in addition to creating a sparkly seahorse and other things! Along the way we'll listen to music, paint our nails and have lots of fun! Sign up with friends! Please bring a beverage and nut free snack.

Kung Fu

*National Treasure Kung Fu Inc., Directed by Al Lam,
 Former Hong Kong champion with over 30 years teaching experience.*

Ages 5-12

This is a year-round progressive training program. Certification from White to Black Belt is available. Not just a kicking, punching, self-defense class, Kung Fu will teach awareness of self and your surroundings and will improve your self-esteem and confidence. Join a fun, non-competitive, full participation class that will focus on helping students develop leadership, discipline, concentration, and coordination skills for a healthy mind and body. Learn the lifelong benefits of Kung Fu—the Chinese art of fitness and self-defense. Note: qualified instructor's aides are used in the teaching of this course. Parents are welcome to join and progress in the youth classes. Adult classes are also available following youth classes. Our summer location is at Meadowview Elementary School. Extra fees are required for uniforms and belt testing, payable to the instructor.

Sports Injury Education and Prevention

To help ensure the health and safety of young athletes, the Centers for Disease Control (CDC) has developed the Heads Up: Concussion in Youth Sports initiative to offer information about concussions to coaches, parents, and athletes involved in youth sports.

As part of this effort the Community Education staff members who work with youth sports have completed training to increase your child's safety by working to prevent concussions as well as to recognize the signs and symptoms, and respond if necessary. As a parent you also need to become familiar with the information and educate your child about concussions. You can obtain information about concussions from your child's coach, program supervisors, or the Community Education office.

Materials are also online at

www.cdc.gov/concussioninyouthsports

Basketball - Tiger Boys Camps

Shane Wyandt -FHS Varsity Boys Coach and Staff

Boys entering grades 3-9

Hoop it up this summer with Coach Wyandt and the FHS Tiger Basketball staff and players! Tiger Boys Basketball Camps are a great place for any young player who is looking to improve his skills, work hard, make new friends and have fun! Campers can expect to practice and develop all of their basketball skills - shooting, passing, dribbling, rebounding and defense. Future Tigers will also have the advantage of learning terminology, philosophies, strategies and systems from the FHS coaching staff and players.

Basketball - Scoring and Position Camp

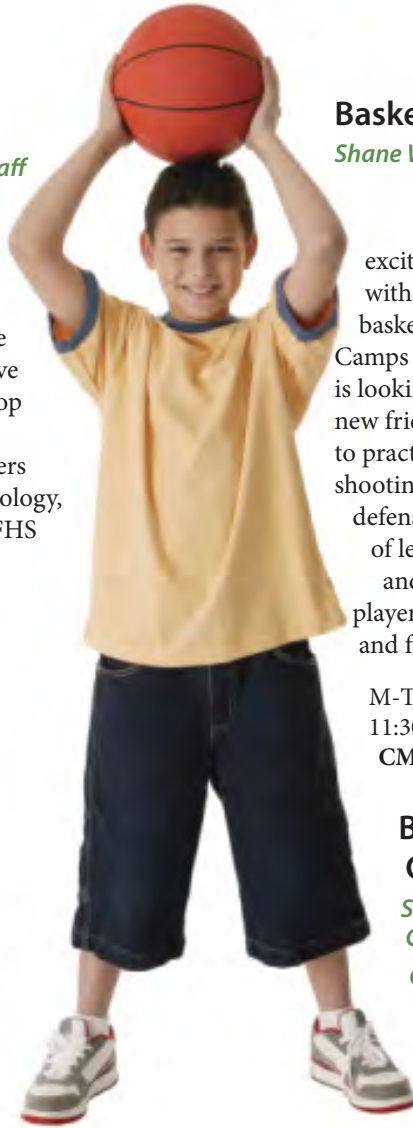

Shane Wyandt -FHS Varsity Boys Head Coach

Boys entering grades 3-9

Perfect your shot through intense, repetitive drills that lock the necessary shooting technique into your muscle memory. This will enable you to execute proper, fundamentally-sound shooting mechanics. There's more to shooting than just shot form, so particular attention will be paid to pass receiving, technique, footwork and balance. Beyond shooting instruction, you will work on post and perimeter position breakdown work. High/low post moves, perimeter dribble and non-dribble moves, passing and offensive rebounding will all be intensely drilled during this camp. Future Tigers will also have the advantage of learning terminology, philosophies, strategies, and systems from the FHS coaching staff and players.

M-Th Jul 14-17 4 Sessions \$70

Is your family included on the School District Census?

Has there been a birth in your family? Have you recently moved into your neighborhood? Is there a new family in your neighborhood? District #192 wants all families to know about our programs and activities. Being on the School District Census also ensures that your 3 to 4 year old will automatically receive information about Early Childhood Screening. This also ensures your child is notified with kindergarten materials. To be added to the census please call the School District Census Office at 651-463-5052.

It's not too early to be thinking about

Dodge Middle School Pool Rules...

Be Cool, Follow the Rules

General Rules Include:

- ◆ Never enter the pool unless lifeguard(s) are on duty
- ◆ No running on the deck
- ◆ Only dive in approved areas
- ◆ No rough play
- ◆ No inflatable arm bands allowed
- ◆ Only shoot basketballs from in the water
- ◆ NO prolonged breath holding or underwater swimming contests

Lifeguard Signals

- ◆ 1 whistle = stop and look
- ◆ 3 whistles = everyone stop and get out

Patron safety is the highest responsibility of the staff at the pool.

The Head Lifeguard has both the right and the responsibility to remove anyone not able or willing to comply with these rules. If you have any questions or concerns about these rules, please contact the Aquatics Coordinator at (651) 460-1515.

GROUP LESSONS

Farmington Community Education Aquatics Programs provide parents and children with important and useful information about strokes, skills, and water safety. We help teach people to swim and to be safer in, on and around water and what to do in the event of an emergency. A grid indicating the dates and times that courses are offered can be found on page 27.

FOR YOUNG CHILDREN

Aqua Kids

(parent/child class)

Aqua Kids is for young children new to swim lessons. Skills range from water adjustment to movement in the water with flotation to some independent swimming. Guided sessions help students learn elementary skills including: water entry and exit; bubble blowing; front and back floats; kicking; rolling over with assistance; arm strokes with assistance; life jackets; and more. An adult must be in the water with each student.

Bobbers-1

Preschool 1

This course is for 3 to 5 year olds that are new to swim lessons. This class is very similar to Aqua Kids but is for children that are able to participate without assistance from an adult. Skills include: water entry and exit; bubble blowing; front and back glides; kicking on front and back; rolling over with assistance; arm strokes; life jackets; and more.

Prerequisites: Ages 3 to 5 and comfortable in the water without assistance from an adult.

Bobbers-2

Preschool 2

This preschool course helps 3 to 5 year olds feel comfortable in the water; enjoy the water safely; and begin to move in the water. This class is the same as Beginner-1 but for children ages 3 to 5. Skills include: enter and exit the water; blow bubbles; bob underwater; pick up a submerged object; front and back floats for 5 seconds each; front and back glides; roll over from front to back and back to front; paddle stroke on front 5 yards; finning stroke on back 5 yards; and more.

Prerequisites: Ages 3 to 5 and successfully demonstrate skills from Bobbers-1.

Beginner-1

This course helps students ages 6+ feel comfortable in the water, enjoy the water safely, and begin to move in the water. This class is the same as Bobbers-2 but is intended for children ages 6 and up. Skills include: enter and exit the water; blow bubbles; bob underwater; pick up a submerged object; front and back floats for 5 seconds each; front and back glides; roll over; paddle stroke on front 5 yards; finning stroke on back 5 yards; and more.

Prerequisites: Age 6 or older and comfortable in the water without assistance from an adult.

Beginner-2

This course helps increase comfort and movement in the water. Skills include: jump into chest-deep water; submerge entire head; front and back floats for 10 seconds each; front and back glides with return to wall; tread water for 10 seconds; and more.

Strokes include: paddle stroke on front and finning stroke on back for 15 yards each.

Prerequisites: Successfully demonstrate Bobber-2 or Beginner-1 skills.

Intermediate-1

Your child will build on skills learned in Beginner levels and venture into deeper water. Skills include: jump and dive into deep water from the side of the pool; tread water, survival float, and back float for 30 seconds each; and more. Strokes include: front crawl, back crawl, and elementary backstroke 15 yards each; and breaststroke kick for 15 yards.

Prerequisites: Successfully demonstrate Beginner-2 skills.

Intermediate-2

Your child will develop confidence in skills learned as well as continue to learn new skills. Skills include: standing dive from the side of the pool; swim under water 5 yards and retrieve an object; feet-first surface dive and retrieve an object; open turns on front and back; somersaults; tread water for 1 minute; reaching and throwing assists; and more. Strokes include: front crawl, back crawl, and elementary backstroke 25 yards each; breaststroke 15 yards; and butterfly kick for 15 yards.

Prerequisites: Successfully demonstrate Intermediate-1 skills.

Advanced Swimming

Your child will work on coordination and refinement of strokes, as well as build endurance. Skills include: shallow-angle dive from the side of the pool; head-first surface dive and retrieve object; front and back crawl flip turns; tread water for 2 minutes; scull 15 yards; and more. Strokes include: front crawl, back crawl, and breaststroke 100 yards each; butterfly and sidestroke 25 yards each.

Prerequisites: Successfully demonstrate Intermediate-2 skills.

Adaptive Swim Lessons

This program provides a safe learning environment for students with mild disabilities. While students follow the outlines from one of our swimming levels, modifications are made to strokes and skills as necessary. A specially designed hydraulic lift allows us to accommodate participants who have difficulty entering the pool on their own. Please contact the Aquatics Coordinator to discuss any special needs. This helps us prepare to teach the safest and most appropriate lessons possible.

Semi-Private Lessons

Students learn skills and strokes in smaller groups. Classes will have a maximum of three students per instructor. Once a participant's "level" is determined, they will work towards earning a passing certificate. Classes for Bobbers through Advanced are available.

Adults 18 years & older should call the pool office at (651) 460-1515 to make arrangements for lessons.

AQUATICS

Springboard Diving

Develop and improve basic skills required for springboard diving. Skills include stretching exercises; approach and hurdle techniques; press and lift; forward jump–tuck position; forward dive–tuck position; and backward jump–tuck position. Additional skills and dives will be added as necessary for returning participants.

Prerequisites: Ability to comfortably swim 25 yards and do a head first dive from the edge of the pool. \$54
See grid for times and dates.

Competitive Swimming

This course helps those who are new to competitive swimming or are preparing to join a swim team, such as the girls or boys school team, or a swim club. In addition to working on (learning, or improving) the four competitive strokes, participants will learn about starting blocks, relay starts, turns, dry-land drills, and workout sets.

Prerequisites: Successfully demonstrate Intermediate-2 skills. \$54
See grid for times and dates.

Water Games/Sports

This course is all about playing in the water. *Fun & Funny* activities will include: relay races; mat races; climbing wall; water polo; underwater polo (with torpedo); a diving contest; boating; magnetic fishing; underwater tic-tac-toe; water basketball; a mini swim meet; a triathlon on the last day; and more.

Prerequisites: Successfully demonstrate Intermediate-2 skills. \$54
See grid for times and dates.

Levi Dodge Triathlon

This course is all about preparing for and completing a triathlon at Dodge Middle School. Participants will focus on distance swimming using front crawl and breaststroke and will also spend some time (weather permitting) running and biking at/near the school. There will be a timed triathlon on the last day.

Prerequisites: Successfully demonstrate Intermediate-2 skills. \$54
See grid for times and dates.

Lifeguard Training

This course teaches lifeguard candidates the skills and knowledge needed to recognize, prevent and respond quickly and effectively to aquatic emergencies and to prevent drownings and injuries.

Prerequisites:

Age 15 by the last scheduled class day.
Pass a swimming pretest on the first day.

T-F Jun 10-13 4 Sessions \$220
8:45 am-4:30 pm DMS Pool
AQ81-114

American Red Cross WSI (Water Safety Instructor) ~ New materials 2014!

This course trains instructor candidates to teach courses and presentations in the Red Cross Swimming and Water Safety program by developing their understanding of how to use the course materials, how to conduct training sessions and how to evaluate participants' progress. Successful candidates are eligible to teach parent / child classes, preschool classes, Learn-to-Swim courses, Basic Water Rescue, Personal Water Safety courses and more.

Prerequisites:

Age 16 on/by the last class session
and pass a swimming pretest on the first day.

T-F Jun 10-13 4 Sessions \$235
8:45 am-4:45 pm DMS Pool
AQ82-114

Basic Water Rescue

Learn the knowledge and skills necessary to prevent, recognize and respond to many types of aquatic emergencies. Keep yourself safe while assisting others. Note: this course does NOT provide participants with all the knowledge and skills needed to be certified as a lifeguard.

Prerequisites: Comfortable going/being in chest-deep water.

Hypnosis Weight Loss and Stop Smoking and Chewing

Dr. Mary Fischer

Hypnosis can help you control your eating habits. You will learn to desire the right foods, push your plate away when full, and motivate yourself to exercise. Hypnosis can help you stop smoking or chewing immediately, without withdrawal, cravings, or gaining weight.

All behavioral changes must occur at an unconscious level to be lasting. The experience is relaxing and you are fully aware, conscious and in control at all times. If you would like, please feel free to bring a sleeping bag, blanket or favorite pillow. More information can be found at www.hypnosisclinic.net.

Fee includes a reinforcement tape, and a card which allows participants to attend future seminars free, if reinforcement is desired. Check-in starts at 6 pm.

Baby Signs® Sign, Say and Play class

Carol Hedberg

The Baby Signs® Sign, Say & Play™ Class is a six-week series of fun and entertaining play classes for parents and babies 6 months to under 3. The SSP class teaches useful everyday signs using games, songs, and activities while highlighting important language development skills. Each week a new theme is introduced. Within that theme, you will learn 6-7 signs to use with baby. It's as easy as teaching your baby to wave bye-bye.

New to Farmington?

Community Education classes are a great way to meet new friends! Community Ed classes are fun and informative. Many of our instructors are from the community and have lots of information to share. Come try us out! Questions? Call 651-460-3200.

Great Photos

Adam Grim

Are your photographs dull? Have you captured great moments with your camera, only to find that they were over or under exposed (rats!)? Discover how to consistently take great photographs. Learn the secrets of lighting, angles and composition. Get to know what all of those knobs and buttons on your camera actually do (shutter speed, F-stops, digital effects). Both digital and film cameras are welcome. Bring your great (and not so great) photos to first class for discussion. This class got an outstanding rating by everyone who has taken this course!

W Apr 23-May 7 3 Sessions \$55

In The Field Photography

Adam Grim

Looking to advance your photography skills? Consider joining award winning photographer Adam Grim in his next class, In the Field Photography. This class is a perfect follow up to his intro class, Great Photos, or for those who are looking to advance their outdoor photography skills. Class will meet three times in the field. The outdoor sessions will take place on Sundays with start times between 2 and 6 pm. Both digital and film cameras are welcome. Class will meet at a convenient south metro location before driving to the "field site". Instructor will communicate with students by email to choose a location.

How to Get Into College and Pay for It

Gloria Wenblatt

College costs are escalating rapidly and are one of the largest investments your family will make. It is critical to understand the mistakes that families make that can result in a poor academic or financial choice. Understand what college actually costs and how to reduce your costs, minimize debt and make college affordable. Class covers: What to focus on during high school, how to make the student more attractive to colleges, how to prevent the common mistakes made in the selection process, myths about colleges and college aid, how the FAFSA works, how college grants and loans work. Developing a strategy in the college selection process is vital in selecting the right college and minimizing debt. Appropriate for any family with children in high school or community college and planning to go to a community college or four year school.

W Apr 16 1 Session \$19

Thinking about Retiring... "Is it time to Downsize?"

and Other Questions You May Have About Real Estate.

Michael Finstad

Are you or a loved one retiring and looking at selling the family home? Thinking about downsizing? According to AARP, for the next 18 years, baby boomers will be turning 65 at a rate of about 8,000 per day. That is a lot of people who are reaching retirement age and starting to think about the next stage of their life. For many of these folks and their loved ones, what to do for housing is a big part of this decision. Is it time to downsize? Is town home living for me? How does retiring impact my qualifying? Should I be looking at renting? When I buy, what should I be careful of? These questions and more will be answered in this class.

Our Mission

The mission of Farmington Area Community Education, the essential link between the community, schools, and home is to inspire each individual to grow and reach their highest potential throughout their lifespan by:

- ◆ Offering opportunities to spark passion, encourage exploration and cultivate collaboration through shared experiences.
- ◆ Preparing and nurturing learners for academic and life success in an ever-changing world.
- ◆ Progressively and dynamically reaching out to our diverse community.
- ◆ Establishing meaningful, lasting and productive relationships between and within schools and the community.

READY for Kindergarten

Entering Kindergarten 2014

Kindergarten is coming! This class is a three-week session to give children and parents information on what to expect when beginning Kindergarten. Parents and their future Kindergarten children will do fun activities and get a taste of what Kindergarten is all about! Parents will have the opportunity to ask questions they may have about their child's experience at school. Classes will be held at Riverview and Meadowview. If your child is attending one of these sites it will better acquaint them with their future school building. All are welcome to attend either site. Child care is available for siblings, registration is required. Children must be eligible for Kindergarten in the fall of 2014.

To register online visit www.farmingtonCE.com under ECFE .

Jump Start Kinder Camp

Children entering Kindergarten in the Fall of 2014

Purpose:

The two week, full day sessions give children exposure to a variety of experiences, which promote social skills, recreational interaction, and growth. Children will have opportunities to gain readiness skills that will be needed for Kindergarten and to experience a full day of class.

Classes are structured by licensed teachers, to educate children through play. The class will give children the prerequisite skills for reading and math taught in the later grades. Learning to cooperate and respect their peers is an important aspect in successful use of communication and social skills. Introduction of literature and math through hands on methods will enhance the child's desire to learn.

Must be 5 by Sep 1, 2014

Monday - Friday Aug 4-15 Fee: \$150
9-2:30 pm 10 day session
#KRC100

Tuition assistance is available upon qualification.

Do we have everyone?

Have you registered your baby, toddler, or preschooler with the Farmington School District census?

Having your child's name on the census will ensure:

- ◆ Receiving all Early Childhood mailings
- ◆ Notification of Early Childhood Screening
- ◆ Registration information about Kindergarten
- ◆ Notification about Kindergarten Round-up

You can help!

If you have moved to or within Farmington School District 192, changed your phone number, or had a new baby, you will need to update the census information.

Multiple Locations in the Farmington School District

Classes offered for 3, 4, & 5 year olds, 1-4 days per week depending on age

Visit the Farmington Community Garden at Meadowview!

The Farmington Area Community Garden, located at Meadowview Elementary School, was established in 2010 as a joint venture between Farmington Area Community Education and the City of Farmington, with funding provided by BlueCross BlueShield and the Statewide Health Improvement Program (SHIP) of the Minnesota Department of Health.

There are 22 plots in the garden, 21 of which are rented to local gardeners. There is one plot maintained by volunteers, and the produce is donated to the Farmington Food Shelf. Volunteers tend the foodshelf garden, and are always welcome. Contact Barb Pierce at bpierce@farmington.k12.mn.us or (651) 460-3203 if you are interested in volunteering or have questions.

We're Looking for You!

The person with a special interest, talent or subject knowledge that you'd like to share with others.

We're looking for teachers who want to help community members discover new areas of interest, pursue passions, and achieve new knowledge and skills. You don't need to be a licensed teacher, and we can help you with promoting your classes, and do all we can to help you succeed.

But it's not just about Community Ed, it's about you contributing to your community to make it a better place to be and your own personal growth. Contact us at (651) 460-3200 and let's get together and talk possibilities!

River Valley Project Explore serves adults with disabilities. Project Explore provides customized educational, social and recreational opportunities and encourages inclusion in community activities. Participants enjoy a wide variety of classes and activities including:

- Arts and Crafts
- Cooking
- Life Skills
- Dances
- Sports
- Excursions and more!

Farmington Yellow Ribbon Network

In continuing Minnesota's proud history of supporting our nation's military, Farmington's Yellow Ribbon Network is a diverse group of citizens dedicated to engaging local communities by; organizing family support, providing community education and recognizing service members, veterans and their families.

If you are a veteran or military family in need of assistance or resources we can help! If you would like to volunteer to support service members, veterans and their families in our community, join our Volunteer Group. If you would like to be part of our Core Committee, meetings are held the fourth Tuesday of every month from 6:30-8PM at Farmington City Hall. "Like" us on Facebook: Farmington Yellow Ribbon Network. Contact us at 651.460.2248 or Farmingtonyellowribbonnetwork@gmail.com.

Five Easy Ways to Register

Online

At www.farmingtonCE.com choose Online Registration and search for classes by name. Registrations can be charged to Visa, MasterCard or Discover.

By Phone

Phone class requests are accepted only when charged to Visa, MasterCard and Discover. Call (651) 460-3200, Monday-Friday, 7:30 am-4:30 pm.

By Mail

Send completed registration form with payment (one check for each class) to:

Farmington Community Education
6100 195th St W
Farmington, MN 55024

In Person

Register in the Community Education Office- 6100 195th St W, Farmington

By Fax

(651) 460-3210 Fax your registration form 24 hours a day using Visa, MasterCard or Discover for payment. (Please use white paper when faxing.)

Visa, MasterCard and Discover

For your convenience, we accept payments made with Visa, MasterCard and Discover! Charge in person, by phone, mail or fax.

Refund Policy

Community Education reserves the right to cancel any activity due to insufficient enrollment. When an activity is cancelled the department will make every effort to contact registrants 48 hours before the scheduled start of the activity. Complete refunds are given when this occurs.

If you need to cancel your registration please call 651-460-3200 as soon as possible to request a refund.

If you contact us more than 5 business days before the class you can:

- ◆ Receive a refund minus a \$5 processing fee
- ◆ OR select a different class in the same brochure

If you cancel your registration less than five (5) business days prior to the start of the class or activity, there will be no refund.

Photos

District 192 Community Education periodically takes pictures of participants in our classes and during other sponsored activities. These photos may be used in the Community Education catalog or other promotional materials. If you do not wish to have your picture taken or published you must provide us written notice in advance.

Non-Discrimination

It is the policy of Independent School District #192 not to discriminate on the basis of race, color, national origin, creed, religion, sex, marital status, parental status, sexual orientation, status with regard to public assistance, age, disability, family care leave status, or veteran status.

Discounts

Seniors

Anyone age 65 and older who lives in the Farmington School District may register for Community Education Classes at a 10% discount. However, you will be charged full price for any materials used in class. Some classes not eligible for discounts. See class descriptions for details.

Scholarships

A limited number of funds are available each year for ISD 192 youth to participate in selected youth enrichment classes, activities and sports through Farmington Community Education. These scholarships are generously funded by the Louis Schmitz Foundation. To request a scholarship application, please call (651) 460-3200. A child is eligible for one scholarship award per quarter, scholarships are awarded up to one half of the registration fee. More information about the Louis Schmitz Foundation at www.louisschmitzfoundation.org.

All UCare members may take up to a \$15 discount per class on most classes. If a class is less than \$15, the member may take the class free of charge. Members must be enrolled with UCare at the time of registration, and throughout the duration of the course. Members will need to include their UCare ID number when registering. Please call to obtain a UCare discount.

Register Early!

Prompt registration helps avoid disappointment when classes fill quickly. It also helps avoid the disappointment of cancelling a class due to low enrollment, only to find that last minute registrations would have filled it. Early registrations make it easier if we need to contact you for any reason before your class begins.

Easy Online Registration!

REGISTRATION

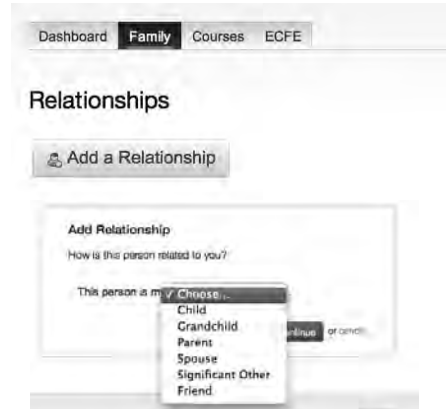

Create a New Online Account

Farmington Community Education has a new registration system! This new system keeps all your family's Community Education registration and payment activity in one convenient location. If you have not participated in a Community Education program this summer you will need to create a new account before you are able to register yourself and your family members in any class or activity. If you have questions please call Community Education at (651) 460-3200 for assistance.

Login Set-up:

Go to www.farmingtonCE.com

Click on "Online Registration" on the left hand bar
 Select Create an Account in the upper right corner
 Enter information into the required fields.

Add Relationships (family members) to Your Account

Log in to your Account
 Relationships on this Account are shown under the Family tab.
 Select Add a Relationship.
 Choose the relationship and click on Continue to add the family member's information.

Tip: If you create your account by signing into Facebook please be sure to add your address and phone number(s) so we can contact you in case of an emergency.

**Independent School District #192 Community Education, 6100 195th St W, Farmington, MN, 55024
 (651) 460-3200, Fax: (651) 460-3210**

The information requested is for the purposes of registering and paying for Community Education classes and activities. This information is necessary to provide services to participants and will not be released.

Please send a separate check for each class. Make checks payable to Farmington Community Education. Paper registrations cannot be accepted for Gymnastics classes. Please register online or by telephone.
