Minneapolis Community Education Youth Programs

Summer Fun & Learning at Northeast Middle School

June 15 through July 30, 2015

For Youth in Grades 1-7

A program of the Minneapolis Public Schools

Register online at www.mplscommunityed.com

Summer Youth Programs at Northeast

How to Register

You can register online at www.mplscommunityed.com, by calling 612.668.1590, or use the registration form in this brochure to register by mail. All registrations are on a first-come, first-served basis. Sign up early to ensure your place. Class fees include costs of supplies and materials unless otherwise specified. Limited partial scholarships are available—please call 612.668.1590 for more details.

Class Logistics

Classes in this brochure are held at Northeast Middle School, 2955 Hayes St. NE, Minneapolis, MN 55418.

Most classes are for children entering first through eighth grades in Fall of 2015. Grades indicated in the course descriptions refer to the grade the child will enter in Fall 2015. Children entering kindergarten this Fall (2015) are not eligible to attend classes.

Super Summer classes are offered in the mornings and afternoons Monday through Thursday. Classes begin the week of June 15.

Summer Explorers classes are offered Monday through Friday in the afternoons. Please see page 11 for more details on the program. There are no classes on Friday, July 3.

Class Times

Super Summer classes at Northeast are scheduled mornings between 9 am-12 pm and afternoons from 12:30-4:00 pm. For classes that are 1.5 hours long, there are scheduling options for taking two classes back-to-back.

Cancelations & Refunds

If a class is canceled due to low enrollment, a full refund will be granted. Participants who drop out of a class at least three business days in advance of the start date will receive a full refund minus a \$10/class processing fee.

No Transportation

Community Education does not provide transportation to Super Summer or Summer Explorers programs or transportation between summer sites.

Have questions about the programs in this brochure? Please contact:

Sandi McDonald 612.668.1590 sandi.mcdonald@mpls.k12.mn.us

Week One

June 15-18, Mon-Thu

Advanced Chess (Grades 1-8)

For students who have had a beginning class and who already know the moves and rules of chess. We will work on chess notation, famous games and learning more complex strategies.

10:30 am-12 pm \$30

Butterfly in the Sky (Grades 1-5)

These beautiful insects are declining in numbers. Learn how to help! We will explore their migration paths, investigate how to conserve their habitat and start our own Monarch flutter!

9 am-12 pm \$70

Chess & Chi (Grades 1-5)

Exercise the brain, exercise the body! This class will examine the ancient yet strategic game of chess. We will also explore Tai Chi and Chi Gung—an ancient form of mind body exercise.

9:00-10:30 am \$35

Digital Dinosaurs (Grades 1-5)

We can't quite bring dinosaurs back to life...but we can simulate them! We'll each pick a dinosaur to research then program in interactive online form.

9:00-10:30 am \$35

Glitter & Glam (Grades 1-5)

Do you like things that sparkle? In this class, we'll make a variety of projects covered in glitter, sequins, gems and more. Get ready to shine!

10:35 am-12:05 pm \$35

Modeling Mayhem (Grades 1-5)

Learn how to make your own modeling clay, then ‘mold’ it into your own creation! Hands-on fun!

9:00-10:30 am \$35

Paleontology Puzzles (Grades 1-5)

In pairs and teams, we’ll create a variety of puzzle computer games related to dinosaurs, ancient history, and fossils!

10:35 am-12:05 pm \$35

Quick & Easy Snacks

Cooking Class (Grades 6-8)

Learn some quick and easy recipes for when you’re on the go or just want a nice snack! These delicious treats can be made without a stove or an oven! Students will also learn valuable kitchen safety rules and receive guidance on how to keep meal preparation sanitary!

9 am-12 pm \$75

Rocketry (Grades 6-8)

Learn the science of space flight and space exploration. We will examine our solar system and forces of nature. We will build model rockets and launch them—the sky’s the limit!

1:00-4:00 pm \$25

Sports Sampler

Participants will have fun learning the basic fundamentals of a variety of sports including floor hockey, basketball, bowling, soccer, kickball, curling and more! Please wear gym shoes.

Section 1 (Grades 1-5)

9:00-10:30 am \$35

Section 2 (Grades 1-5)

10:35 am-12:05 pm \$35

Week Two

June 22-25, Mon-Thu

Android App Boot Camp (Grades 4-8)

This class will be a crash course in creating mobile applications for entertainment! Apps will run at home on any Android phone or tablet, but this class will be fun and rewarding even for students without access to one.

1:00-4:00 pm \$25

Beginning Guitar (Grades 1-5)

Learn guitar basics while having fun: chords, strumming and songs.

Section 1 (Grades 1-5)

9:00-10:30 am \$35

Section 2 (Grades 1-5)

10:35 am-12:05 pm \$35

Calling All Cyclists! (Grades 6-8)

Have fun learning bike safety and exploring the St. Anthony Falls area!

12:30-4:00 pm \$25

Quick & Easy Snacks

Cooking Class (Grades 6-8)

Learn some quick and easy recipes for when you’re on the go or just want a nice snack! These delicious treats can be made without a stove or an oven! Students will also learn valuable kitchen safety rules and receive guidance on how to keep meal preparation sanitary!

2:00 pm-4:00 pm \$30

Red Cross Babysitting (Ages 12+)

Are you interested in earning money and ready to take the steps into job responsibility? How about babysitting? During the American Red Cross babysitter training course, these sitters-in-training will learn leadership, safety, basic child development, safe play, rescue breathing and first aid. Students receive a certificate of completion, textbook and CD. Students must attend all classes to receive certificate.

10:35 am-12:05 pm \$70

Slip Sliding Away

Squish and stick together secret ingredients to make your own slime and other fun stuff!

Section 1 (Grades 1-5)

9:00-10:30 am \$35

Section 2 (Grades 1-5)

10:35 am-12:05 pm \$35

Softball (Grades 1-5)

Learn the fundamentals of baseball and softball as well as basic motor development and coordination. This class will help develop motor function and hand eye coordination. Boys and girls welcome.

9:00-10:30 am \$35

Soccer (Grades 1-5)

Dribble, pass, score! Come learn the basics of soccer. Teamwork and sportsmanship will be emphasized.

10:35 am-12:05 pm \$35

Week Three

June 29-July 2, Mon-Thu

Advanced Solar (Grades 6-8)

Continue to develop your prior skills with building advanced solar powered cars and machines. There will be plenty of time to design different vehicles. Taught by GoSolar!

12:30-4:00 pm \$90

Arts & Crafts Class

Explore your creative mind with some fun arts and crafts ideas! Students can work on special projects for a specific event or just come in and create a craft just for the fun of it. We will work with a variety of art materials and supplies! Art work will be showcased at Waite Park!

Section 1 (Grades 1-5)

9:00-10:30 am \$35

Section 2 (Grades 1-5)

10:35 am-12:05 pm \$35

Creative Chefs (Grades 1-5)

Make delicious summer treats while we create a cooking show DVD! you will receive a copy of the DVD to take home.

9:00 am-12:00 pm \$70

Dinosaur Days 1 (Grades 1-5)

Have you ever thought about what it was like during the dinosaur days? Come find out as we explore the history and mystery of these giants of past!

9:00-10:30 am \$35

Dinosaur Days 2 (Grades 1-5)

We'll take our dinosaur studies a step further and create some dinosaur eggs and your very own dinosaur to take home (a mini version)!

10:35 am-12:05 pm \$35

Flag Football (Grades 1-5)

Classes will teach football mechanics including stance, grip, releases, ball handling, alignment, footwork, hand/eye coordination; teamwork and sportsmanship will be emphasized.

9:00-10:30 am \$35

Introduction to Solar Energy (Grades 1-5)

Solar cars, robots and machines! Build multiple solar powered race cars and machines. Hands on and learning fun! Taught by GoSolar!

9:00 am-12:00 pm \$90

Our classes fill quickly—register today to ensure your spot!

NE Trekkers (Grades 6-8)

Have fun hiking and exploring the Minnehaha Creek area!

12:30-4:00 pm \$25

Secret Agent (Grades 2-5)

Can you outwit the Mad Science Spy? James Bond's gadgets weren't all science fiction. Discover the science behind some real spy technology as you listen to distant voices and sounds. Learn about different secret codes, their use in clandestine communications and a little of the history behind them. Experiment passing your messages using a spy technique called a "dead drop." Build an alarm system, a secret safe and attempt to defeat several security systems. Taught by MadScience.

9 am-12 pm \$100

Tennis (Grades 1-5)

Designed for the child who has had little or no prior tennis experience. Students will learn basic strokes as they develop enthusiasm for the game.

10:35 am-12:05 pm \$35

Wacky Wonderful Web Design (Grades 6-8)

Learn fundamentals of HTML, CSS, and Javascript to create your own online choose-your-own-adventure story!

1:00-4:00 pm \$25

Wild Wild West on the Web (Grades 1-5)

Learn fundamentals of HTML, CSS, and Javascript to create your own online choose-your-own-adventure Western! No programming background necessary, but typing skills a plus.

9:00 am-12:00 pm \$70

Swimming

Offered Weeks 1-7

Learn basic strokes and water safety so you can stay safe while having fun in the water this summer. There will be no more than a 7-to-1 student to teacher ratio. **Sign up according to your child's swim skill level.**

Beginning Swimming 1

For children who are new to the water and swimming. Learn the basics of water safety and swimming. Includes 15 minutes of free time in the pool.

9:00-9:45 am \$35

Beginning Swimming 2

Youth will learn swimming basics and work on improving their skills in a small group setting. Includes 15 minutes of free time in the pool.

10:00-10:45 am \$35

Open Swim

Come have fun with your friends in the pool during open swim time! Lifeguards will be on duty.

11:00-11:45 am \$35

Register for classes online at www.mplscommunityed.com

Week Four

July 6-9, Mon-Thu

Advanced Solar (Grades 6-8)

See Week 3 for class description.

12:30-4:00 pm \$90

Basketball (Grades 1-5)

Jump, shoot, score! This class is designed for the beginning basketball player. Players will have 45 minutes of skills training and 45 minutes of game play. Players will work on various skills such as dribbling, passing, shooting, rebounding, offense and defense.

9:00-10:30 am \$35

Bowling (Grades 1-5)

Turkey! Learn the correct approach, delivery and scoring for this fun game.

10:35 am-12:05 pm \$35

Crazy Chemists (Grades 1-5)

Dabble in science and create things like chalk, edible blobs and other new and exciting things!

10:35 am-12:05 pm \$35

Geology Rocks (Grades 1-5)

Become a Mad Science Geologist as we explore Earth and its hidden treasures. Discover the wonders of rocks, fossils, dinosaurs, minerals and geological phenomena like earthquakes, mountains and volcanoes. Start your own rock and mineral collection, grow a crystal, build a sedimentary stacker and prepare a fossil to take home. Taught by MadScience.

9:00 am-12:00 pm \$100

Introduction to Solar Energy (Grades 1-5)

See Week 3 for class description.

9:00 am-12:00 pm \$90

Mucking It Up 1 (Grades 1-5)

Come on in and get dirty! No one's going to be upset with you when you make a mess in this class! We'll discover fun and exciting ways to get down and dirty! Please wear clothes that you don't mind getting dirty.

9:00-10:30 am \$35

Mucking It Up 2 (Grades 1-5)

Who thought getting dirty could be so much fun? We'll continue our messy ways and find some new messes to make until lunch time. Come on in and get dirty! Please wear clothes that you don't mind getting dirty.

9:00-10:30 am \$35

Outback Online Adventures (Grades 6-8)

We'll research plant and animal life in the land down under, consult with an expert on Australian wildlife, then work together to program an interactive safari adventure using what we've learned.

12:30-2:00 pm \$25

Scavenger Hunters (Grades 6-8)

Use your detective skills and GPS/geocaching to explore Northeast!

12:30-4:00 pm \$25

Science of Cooking (Grades 1-5)

Learn about science in the kitchen! Discover the scientific processes behind your favorite tasty meals and delicious treats.

9:00 am-12:00 pm \$75

Team Turing (Grades 4-8)

Named for Alan Turing, whose work with computing and math helped break Nazi codes, this week will be an adventure in using computer programming to solve difficult math challenges and even crack a code! No experience required.

2:00-4:00 pm \$25

Wii Sports Mania (Grades 1-5)

Bored? Rainy days? No worries. Challenge yourself and others to indoor sports and games!

9:00-10:30 am \$35

Register for classes online at www.mplscommunityed.com

Week Five

July 13-16, Mon-Thu

Arts & Crafts Class

See Week 3 for class description.

Section 1 (Grades 1-5)

9:00-10:30 am \$35

Section 2 (Grades 1-5)

10:35 am-12:05 pm \$30

Baseball, Softball & Wiffleball (Grades 1-5)

Basic skills of baseball, softball and wiffleball will be covered, including hitting, fielding, throwing, base running, game rules and strategy. Children should bring their own glove if possible, all other equipment is provided.

10:35 am-12:05 pm \$35

Creative Chefs (Grades 1-5)

See Week 3 for class description.

9:00 am-12:00 pm \$75

Crazy Chemists (Grades 6-8)

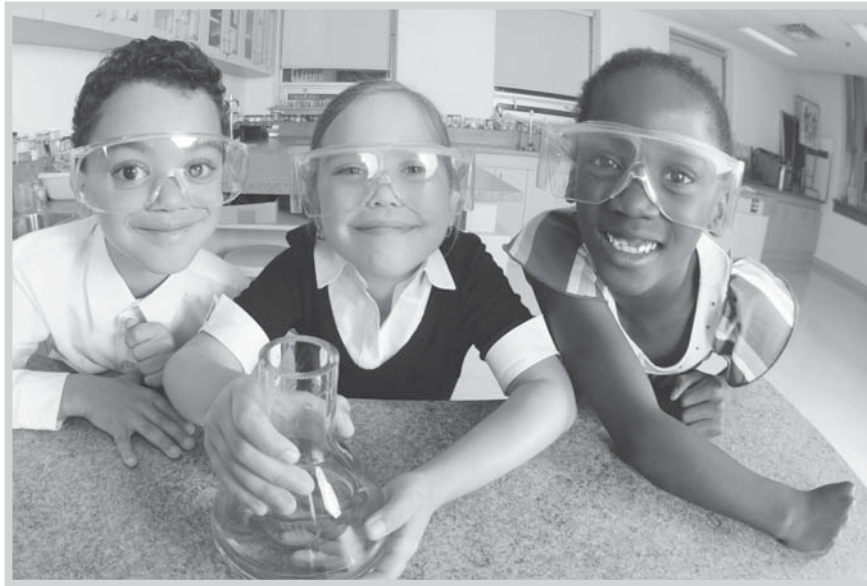

See Week 4 for class description.

12:30-2:00 pm \$35

Games Galore (Grades 1-5)

Come play these old time favorites with your friends: dodgeball, foursquare, horse, to name a few. Sportsmanship and fun will be emphasized.

9:00-10:30 am \$35

Week Five

Continued from page 5

Jr. Scientist (Grades 1-3)

Have you ever wanted to be a chemist, geologist, biologist, illusionist, or paleontologist? These are just some of the Mad Science scientists you will become while learning about bugs, sea life, fossils, minerals, optical illusions, magic and what makes slime slimy and putty sticky. Enjoy hands-on fun and experiments as you explore a different theme each day. Taught by MadScience.

9:00 am-12:00 pm \$100

Quick & Easy Snacks Cooking Class

See Week 1 for class description.

Section 1 (Grades 1-3)

9:00-10:30 am \$35

Section 2 (Grades 1-3)

10:35 am-12:05 pm \$35

Sticky Business (Grades 6-8)

Create fun, useful things like bags, bracelets, bows, belts and more with duct tape!

2:00-4:00 pm \$35

Looking for more Summer fun?

Northeast also offers the Summer Explorers program for Grades K-5. See page 10 for more details.

Week Six

July 20-23, Mon-Thu

Ada Academy (Grades 6-8)

Girls: this is your chance to explore computers in a no-boys-allowed environment! We'll take a computer apart, learn about famous women in the tech world, play lots of games, and build a mobile app together! **This class is for girls only.**

1:00-4:00 pm \$35

Fitness & Sports

Students will have fun playing some old games and learning some exciting new ones. We'll play team sports and individual games in the Northeast indoor gym as well as outside. Students will also get a chance to design their own games.

Section 1 (Grades 1-5)

10:30 am-12:00 pm \$30

Section 2 (Grades 1-5)

10:30 am-12:00 pm \$30

Galactic Game Design

(Grades 3-5)

Programming doesn't have to be rocket science—we'll spend the week creating our own space-themed computer games!

9:00 am-12:00 pm \$35

Handball (Grades 1-5)

This beginning class will help students develop the basic game skills necessary to play handball.

9:00-10:30 am \$35

Kites (Grades 1-5)

Learn to make your own kite and how to fly it.

10:35 am-12 pm \$35

Monarch Mayhem (Grades 1-5)

After shoring up our Monarch butterfly knowledge, we will release our Monarch flutter that we began with in the Butterfly in the Sky class on Week 1!

9:00 am-12:00 pm \$70

NE's Got Talent (Grades 1-5)

Sing, dance, or juggle your way to an end of the week talent show!

10:35 am-12:05 pm \$35

Pony Bead Express (Grades 6-8)

Create beaded animal art for your backpack, key rings, necklaces and more!

2:00-4:00 pm \$25

Wearable Art

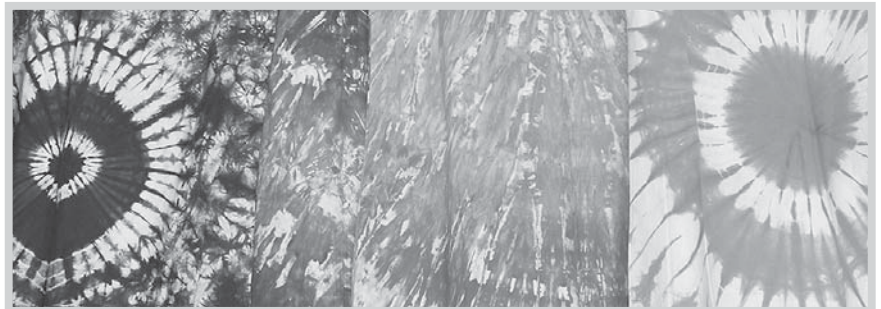

Wear your art on your sleeve or around your neck! Bring t-shirts, bandanas or something else to try tie dying and wax crayon art wearable creations!

Section 1 (Grades 1-5)

9:00-10:30 am \$35

Section 2 (Grades 6-8)

12:30-2:00 pm \$25

Week Seven

July 27-30, Mon-Thu

Animal Kingdom 1 (Grades 1-5)

Come learn the different animals found in NE and their habitats. We'll keep a journal of animals we see and study and make some mini animals of our own to take home and keep in our care.

9:00-10:30 am \$35

Animal Kingdom 2 (Grades 1-5)

Let's continue our animal studies and expand them to different parts of the world! What do koala bears eat? How big is a Joey when it's born? How big does a killer whale get?

10:35 am-12 pm \$35

Arts & Crafts Class

See Week 3 for class description.

Section 1 (Grades 1-5)

9:00-10:30 am \$35

Section 2 (Grades 1-5)

10:35 am-12:05 pm \$35

Bike Club

Bike on over to NEMS and join us as we go on a tour of nearby sites. If you don't have a bike, walk over and use one of the NEMS bike fleet. We'll explore NE and search for GPS points of interest.

Section 1 (Grades 1-5)

9:00 am-12:00 pm \$35

Section 2 (Grades 6-8)

12:30-4:00 pm \$35

Creative Chefs (Grades 1-5)

See Week 3 for class description.

9:00 am-12:00 pm \$70

NE's Got Talent (Grades 6-8)

See Week 6 for class description.

2:05-4:00 pm \$35

Open Sports

What's your favorite game? Basketball, football, floor hockey, hop scotch, golf? It's your time to decide what you want to play! Bring a friend and let's have FUN!

Section 1 (Grades 1-5)

9:00 am-10:30 am \$35

Section 2 (Grades 1-5)

10:35 am-12:05 pm \$35

Wii Sports Mania (Grades 6-8)

See Week 4 for class description.

12:30-2:00 pm \$25

Register Today!

Register now and get into your favorite classes! Visit us online at www.mplscommunityed.com.

Afternoon Classes

These classes for middle school youth meet 2 days a week for 7 weeks in the afternoons.

Strengthening & Conditioning (Grades 6-8)

Exercise and tone the body with an emphasis on goal setting and proper resistance training techniques.

Tue & Thu 7 weeks
2:30-4:00 pm \$25

Science (Grades 6-8)

Learn the scientific method and have fun exploring our world and the physical laws we have to live with. This is a class where making a mistake is a good thing, and a necessary step in the cycle of learning! STEM = science, technology engineering and math.

Mon & Wed 7 weeks
2:30-4:00 pm \$25

Dance (Grades 6-8)

Exercise and tone your body while learning different dance moves (Hip Hop, Ballet, etc.). We'll have a final performance at the end of the summer for all to see!

Mon & Wed 7 weeks
1:00-2:30 pm \$25

-----> **NEW FOR 2015!** <-----

Summer Youth Martial Arts Classes

Offered in collaboration with MN Karate & Fitness

Week One—June 15-18, Mon-Thu

Youth Karate

For youth in Grades 1 to 6

New and returning students welcome! Quality karate training helps strengthen student's sense of balance, focus, self-esteem and self-discipline in a non-violent, inclusive atmosphere. Our instructors are kid-friendly black belts who emphasize each student's individual needs, both on and off the karate mat. This class is for all belt levels. Students will be challenged physically and mentally through fast-paced classes that combine basic karate punches, kicks, and blocks while incorporating body-weight strength and endurance training. Current students are not required to bring uniforms.

10:30 am-12:00 pm

Cost: \$50

Week Two—June 22-25, Mon-Thu

Teen Kickboxing

For youth in Grades 6 to 8

Beginners welcome! Teen kickboxing participants will learn a combination of American Kickboxing and Muay Thai techniques, striking combinations, and pad drills in a fun inclusive environment. Student's will be challenged physically and mentally through fast-paced classes that combine proper technique with endurance and stamina training. Whether you want to learn how to be a competitor or just want a fun class to get in shape, this is the class for you!

1:00 pm-2:30 pm

Cost: \$50

To register, use the registration form in this brochure, call 612.668.1590 or register online at www.mplscommunityed.com.

Registration Form for NE Summer Classes

This form may be used to register for Super Summer Classes and/or Summer Explorers at Northeast. Enter each class for which the child is going to register under the appropriate week. You can register your child for either one 3-hour class or one or two 1.5-hour morning and/or afternoon classes per week. He/she can attend the program for 1 to 7 weeks.

Please return this form with your payment to:

Waite Park Community Education
 Attn: Sandi McDonald/Northeast Summer
 1800 34th Ave. NE, Minneapolis, MN 55418

Four Easy Ways to Register

1. Online

Register online and pay using your American Express, Discover, MasterCard or Visa at www.mplscommunityed.com.

2. By Mail

Mail the registration form on page 11 with your credit card information or a check or money order made payable to **Special School District #1** to:

Waite Park Community Ed.
Attn: Sandi McDonald/
NE Summer Programs
1800 34th Ave NE
Minneapolis, MN 55418

3. By Phone

Credit Card payments only—American Express, Discover, MasterCard or Visa. You may also call for more information about programs or to inquire about fee reductions—limited partial scholarships available.

Sandi McDonald: 612.668.1590

4. In Person

please call for office hours.

Confirmations

Confirmations will be emailed to persons who register at least one week before a class starts. If you do not have an email address, you may call to confirm your registration. For those who register later than one week before a class starts, we will only call if you did not get a spot in the class.

Cancelations & Refunds

If a class is canceled due to low enrollment, a full refund will be granted. Participants who drop out of a class at least three business days in advance of the start date will receive a full refund minus a \$10 per class processing fee.

Summer Explorers Program

For youth in Grades K-5 • June 15 through July 24
Monday-Friday, 12:30-4:00 pm (No classes Friday, July 3.)

Traveling Around the World and Through Time—7 Places in 7 Weeks!

This summer's theme is Time Travelers! Seven eras in seven weeks! Children will be placed in groups and will take part in 45-55 minute rotations between activities including arts and crafts, drama, music, reading club, cooking, and interactive outdoor games based on different eras designated by our summer staff. Passports will be made to keep track of all of our travels.

Weekly Destinations:

Week 1: Dinosaur Days

Week 2: Antarctica

Week 3: Wild Wild West

Week 4: Australia

Week 5: Space/
Undersea Adventures

Week 6: Rain Forest

Week 7: Into the Future

Eligibility:

The Super Explorers program is open to any child who has completed grades K-5 who wishes to participate in the program. Registration must be complete—including the appropriate permission slips—no later than Monday, June 8.

Fees & Scholarships:

Fees are for all 7 weeks of the program.

Before May 15:

\$350 for Minneapolis residents or \$450 for Non-Residents.

After May 15:

\$400 for Minneapolis residents or \$500 for Non-Residents.

If payment is a problem, please ask about our scholarship opportunities.

How to Register:

Permission slips and registration may be mailed to:

Sandi McDonald
Waite Park Community Ed.
1800 34th Ave. NE
Minneapolis, MN 55418

Alternatively, you can register by calling 612.668.1590 or online at www.mplscommunityed.com.

If you choose to register online, please fill out the corresponding permission slip (the left side of the form on page 11) and return it to the address above or fax a copy to 612.668.1610* Attn: Sandi McDonald.

*After June 10, fax permission forms to Northeast at 612.668.1510.

Registration Form for NE Summer Classes

This form may be used to register for Super Summer Classes and/or Summer Explorers at Northeast. Enter each class for which the child is going to register under the appropriate week. You can register your child for either one 3-hour class or one or two 1.5-hour morning and/or afternoon classes per week. He/she can attend the program for 1 to 7 weeks.

Please return this form with your payment to:
