

2017 Summer Camp Guide

Welcome

Dear Community Members,

As I welcome you to our wonderful summer 2017 camp offerings I gaze out my window and decide it would be interesting to check the current temperature with wind chill. -2 degrees. Summer cannot come soon enough. And perhaps one way for us to get through this time of the year is to look ahead and to begin planning our summers.

This is where the Birmingham Public Schools Community Education Department can be a huge help. For this coming summer our Community Education Department features over 100 camps related to technology, swimming, theatre, athletics, dance, chess, arts, science, pre-k, leadership, and others. Among the options available this summer:

- Science & Discovery Camps: astronomy, nature, dinosaurs, CSI, experiments and more.
- Technology: technology and computer camps.
- Art, Dance & Theatre: Pottery, acting, fashion design, dance, cheer, and jewelry making.
- Skills: Chess, cooking, babysitting, gardening, sewing, rocket building, creative writing.
- Athletics: Volleyball, track and field, floor and street hockey, golf, tennis, soccer, baseball, basketball, and fencing.
- Swimming: Open swim times, swim lessons and water play games.
- Kids Empowerment: Friendship, leadership and assertiveness.
- Preschool options: cooking, nature, arts, crafts and recreation, too.
- Academic options: High School and Middle School Academic Summer School and Elementary Academic Review.

This summer camp guide provides great information about these wonderful offerings which not every community can provide to their community members. So yes, while it is freezing cold outside, there is much to be proud of especially as you consider the enclosed program offerings. And as I close this letter I also want to thank you as community members for supporting our schools and specifically the passage of our recent bond renewal election.

Thank you for all you do to support our schools.

Sincerely,

Dr. Daniel A. Nerad, Superintendent of Schools

FULL DAY CAMP COMBINATIONS AND KIDS CLUB OPTIONS

Create your day of fun...

mix and match with camps at Berkshire!

Campers (Grades K-8th grade) attending camps at BERKSHIRE MIDDLE SCHOOL FROM JUNE 26-AUGUST 11 have several options:

- Combine a morning (9 a.m.-12 p.m.) and afternoon (12:30-3:30 p.m.) camp to create a full day of camp activities with a supervised lunch.
- Add before (7:30-9 a.m.) and/or after (3:30-6 p.m.) Kids Club (latchkey), for an additional charge.
- Add open swim or swim lessons to your week, for an additional charge. (See below.)

The location of Kids Club is in the Berkshire Middle School Cafeteria. Kids Club activities will include arts and crafts, games, free time and outdoor play. Register online to enroll your child in Kids Club. Enrollment is limited. Drop-in Kids Club (latchkey) is not available. There is a late fee of \$25 for pickup between 6:00 and 6:15 p.m.; and an additional charge of \$2.00 per minute after 6:15 p.m. Repeated late pick-ups may result in loss of this service.

AM KIDS CLUB: 7:30-9 a.m. \$30/week (Week of July 5-7 - \$18/3 days)

PM KIDS CLUB: 3:30-6 p.m. \$40/week (Week of July 5-7 - \$24/3 days)

SUPERVISED LUNCH OPTION

Campers (Grades K-8th grade) attending camps at Berkshire Middle School from June 26-August 11 attending a morning (9 a.m.-12 p.m.) and an afternoon (12:30-3:30 p.m.) camp in the same week, may stay for supervised lunch (12-12:30 p.m.). Register online for this free option by selecting the appropriate "Lunch Option" in addition to the summer camps you are registering your child(ren) for. Parents also need to indicate the lunch option on your child's morning camp sign-in sheet when arriving at camp. Campers will need to bring their lunch and drink in a non-breakable container. There is NO food service onsite.

BIRMINGHAM COMMUNITY EDUCATION

Summer Fun Camps • JULY 5-7

(NO CAMP ON MONDAY & TUESDAY, JULY 3 & 4)

REMIX CLASS DESCRIPTIONS

REMIX: MULTI-SPORT & GAMES

Multi-Sport and Games program is a compilation of our favorite childhood recess and gym class activities. Participants will play Kickball; Capture the Flag, Dodge Ball and Frisbee Golf. In addition to learning the proper techniques and rules of these games, the children will be taught life lessons through these sports. This will include the importance of Sportsmanship, Leadership and Respect for their opponents, coaches and officials.

REMIX: WATER GAMES (ON LAND AND IN THE POOL)

Campers need to bring or wear their swim suit and bring a towel. We will be playing a variety of water games on land where participants will learn teamwork, sportsmanship, and leadership all in a safe environment. If time, open swim will follow.

REMIX

This three day camp will offer 4 classes daily (water games/open swim, mix-it-up team sports, science, and team building). Come ready to have FUN! Wear gym shoes, pack your swimsuit and towel — be ready for anything! Campers will be grouped according to grades and rotate to a different age appropriate activity. Campers will need to bring a lunch and drink in a non-breakable container.

#10418 Grade K-8 W-F July 5-7
9am-3:30pm \$170

REMIX: COOL AND SIZZLING ART SCIENCE

This is a unique camp where children will explore art and science at the same time. There are many different ways to experience art and a lot of it involves science. This camp will inform children about hot and cold temperatures. They will explore and experiment creating art with heat and cold sources and learn about science using color.

REMIX: TEAM BUILDING

Being part of something larger than yourself and working toward a common goal is important. Team building camp will collaborate in a variety of games and activities that encourage cooperation and fun. Teams of campers may build bridges, boats, egg car seats, catapults, and towers using

strange and unusual materials. A variety of team based activities will encourage self esteem, communication skills, critical thinking skills, and developing strong working relationships with others.

BIRMINGHAM COMMUNITY EDUCATION

DOUG BALTZ IS BACK!!! PHYSICS IN ACTION AND OPERATION STEM

PHYSICS IN ACTION (Grades 4-7)

A summer camp favorite! Come join the action-packed science of physics. Discover how our world works with scientific and fun activities ranging from motion, robotics, Physics of sports (NEW), magnetic levitation, and the physics of music. Physics In Action will engage students in various hands-on experiments to learn more about fields like mechanics, electromagnetism, and optics. Themes will include: team building, problem solving, seeking questions about phenomena, scientific tools, mathematics, character building and science history. Fantastic physics demonstrations, outside activities and discussions will occur daily. Students should bring lunch and beverage in a non-breakable container. Presented by Doug Baltz, Seaholm Physics Instructor. Location: Seaholm High School, Room B108.

#10324 M-Th June 19-22 9am-2pm \$200

OPERATION STEM 2017 (Grades 4-7)

Come and be an active participant in Operation STEM 2017 at Seaholm High School. Students will carry out investigations and engineering design projects related to core ideas in the disciplines of science, technology, engineering, and mathematics. Interpreting data, computational thinking, constructing explanations, and designing solutions while working with lasers, photovoltaic cells, alternative energy, and much more. Operation STEM 2017 will also incorporate activities/ideas to explore from various engineering organizations and professionals from our community. Yes, we will definitely visit Seaholm's Alternative Energy Lab! Outside activities and discussions will occur daily. Students should bring lunch and beverage in a non-breakable container. Presented by Instructor Doug Baltz, Seaholm Physics Instructor. Seaholm High School, Room B108.

DISCOVER ART WITH SARAH SMITH

SARAH SMITH is an art teacher with Birmingham Public Schools; she currently works at Pembroke Elementary. She has been teaching art for 11 years. She loves to work on furniture and ceramics in her spare time.

POTTERY VESSELS AND ANIMALS (Grades 1-5)

This pottery class would allow students to create several different ceramic pieces. Students will make bowls, wall vases, animals, fantasy creatures and more. Students leave this camp with ceramic pieces glazed and painted that they can enjoy for years to come. They will learn different pottery techniques such as pinch pots, slab building, coil pots, slip and more. Bring a snack and beverage. Instructor Sarah Smith. Location: Berkshire Middle School, Room 102

Science Made Fun!

ENRICHMENT CAMPS

HIGH TOUCH HIGH TECH / SCIENCE MADE FUN!

Science summer camp programs are geared for the kindergartener through fifth grade camper and provide fun and safe science activities for children that will keep their minds active during the summer months. Your inquisitive campers will enjoy, "Doing science, not viewing science", as they participate in hands-on science experiences that are age and academically appropriate. High Touch High Tech scientists are trained to foster a creative and non-competitive environment in which all campers are encouraged to share their knowledge and ideas while interacting with their peers in our summer camp programs. All materials are included and many programs provide take home experiments. Each of your campers will be recognized for their contributions and accomplishments by receiving a science certificate of participation. Our enriching science summer camp activities provide inspiring experiences and opportunities for the curious camper to investigate a wide variety of science topics in ways that will be both meaningful and memorable.

HIGH TOUCH HIGH TECH – LET'S ROCK, ROCKET AND MORE! (Grades K-6)

Science In Action© Get ready for a day packed with Science Action! We'll launch rockets, experiment with spinning Gyroscopes, have FUN with air pressure and much more! Let's Rock Day© Discover rocks and minerals. Search for beautiful gems and keep what you find! Grow crystals, learn about erosion erupt volcanoes and much more! Icky Sticky Day© It's time – Icky Sticky time! Have fun as we make glow in the dark silly putty, slime, and make colors explode! Fearless Phenomenon© Discover earthquakes, volcanoes, hurricanes, tornadoes, asteroids, craters and more! H2OK Day© Explore a watershed, discover the wonders of water, make a geyser, make ice cream and more! Bring two snacks, lunch and beverage. Presented by High Touch High Tech. Location: Berkshire Middle School, Room 102

Create your day of fun... mix and match with camps at Berkshire!

Campers (Grades K-8th grade) attending camps at BERKSHIRE MIDDLE SCHOOL FROM JUNE 26-AUGUST 11 have several options:

- Combine a morning (9 a.m.-12 p.m.) and afternoon (12:30-3:30 p.m.) camp to create a full day of camp activities with a supervised lunch.
- Add Kids Club (latchkey), for an additional charge. (Page 2)
- Add open swim or swim lessons to your week, for an additional charge. (Page 2)

GAME CRAZY

ROBOTICS CAMP (Ages 5-13)

AGES 5-8: Does your child love to play soccer? Now, using Game Crazy's LEGO robots, your kids can build out all the components of a soccer game and play LEGO soccer matches against other kids! On the first day, kids will learn how to build and program a kicker and goalie robot using axels, levers, wheels and more. In subsequent days, they will build cheering fans who will jump up and down and make cheering sounds when the ball passes by them by making use of motion sensors and more. Using simple drag and drop programming, kids will learn to bring these robots to life and put them together to play soccer matches while learning to keep score, work in teams and much more. Highly fun and educational LEGO camp for your little soccer player.

AGES 9-13: Using LEGO NXT Robots, we transport kids to a far off planet where they build autonomous robots to make the planet habitable by humans. Young campers learn to build and program these robots to navigate challenging terrain and carry out various complex missions like excavating lake water, transporting rocks and more. In the process, campers will learn Science, Technology, Engineering and Math concepts in a "minds-on hands-on" environment. Campers will use a variety of sensors like sound sensors, ultrasonic sensors, color sensors and touch sensors to make their robots self-aware. Using an easy to learn drag and drop programming, campers will learn to make their robots autonomous. Will your child be able to solve the missions that await? This is one camp that your child will not want to miss out on! Campers should bring a snack and water bottle. Presented by Game Crazy. Location: Seaholm High School, Room C104

#10335 M-F June 19-23 9am-12pm \$150

MINECRAFT REDSTONE CAMP (Ages 8+)

Students will use the popular video game Minecraft to learn about electronic circuits, electricity and wiring in a fun, game filled environment. Redstone is a fictional element in Minecraft that can power all the things that your child creates - from doors, lamps, rail tracks to houses and much more. Students will learn the basics of powering their world using Redstone and learn to build amazing creations like password protected doors, a collapsing bridge, secret mazes and many other challenges that will get them thinking, learning and building! Along the way, your child will learn about electronic circuits, AND and OR gates, inverters, repeaters and much more! Bring a snack and beverage. Presented by Game Crazy. Location: Seaholm High School, Room C104

#10328M-F June 19-23 12:30-3:30pm \$150

NEW POKEMON AND STAR WARS STOP MOTION ANIMATION CAMP (Ages 6+)

From a galaxy far, far away, Star Wars comes to life! Work on a stop-motion animated LEGO® Star Wars movie. Use our Star Wars action figures to star in your own mini-movie ... the possibilities are endless! Star Wars action figures, LEGO bricks and backdrops will be available for filming in class. Handle all of the technical details including using a digital movie camera, filming scenes, stop-motion animation, digital editing and adding finishing special effects and transitions to the movie. In this exciting hands-on learning class, learn the entire digital film making steps from start to finish NOTE: Please have your child bring a 8GB USB flash drive to class every day so that they can take their animations home. Bring a snack and beverage. Presented by Game Crazy. Location: Berkshire Middle School, Room 112

#10329 M-F July 17-21 9am-12pm \$150

NEW POKEMON GO MINECRAFT (Ages 7+)

If you enjoy Minecraft and Pokemon, then you're definitely going to love this class! We add nearly 300 of the cute critters to Minecraft! Everything from wild pokemon in the grass to eager wandering trainers is waiting for you in this new world that brings together Minecraft and Pokemon. This will add a whole new element to adventure mode! This is a very popular class with limited seats, so join today! Bring a snack and beverage. Presented by Game Crazy. Location: Berkshire Middle School, Room 112

#10331 M-F July 17-21 12:30-3:30pm \$150

RASPBERRY PI PROGRAMMING (Ages 9+)

No, this is not pie that you can eat! It's a credit card sized computer that you program! It introduces your child to programming and creative problem solving. Kids will learn how to build and set up a Raspberry Pi computer. By looking "under the hood," kids learn that a computer is a powerful tool - one they can use to create amazing projects of their own. They will then learn basic Python programming. We'll cover basic interaction with the Python console using statements to manipulate numbers and text. Next, we'll move on to introducing loops and functions. Finally, we'll create some games and animations to round out the week. Bring a snack and beverage Presented by Game Crazy. Location: Berkshire Middle School, Room 112

#10333 M-F July 31 -Aug 4 9am-12pm \$150

NEW POKEMON GO THEMED VIDEO GAME DESIGN (Ages 8+)

Pokemon Go has become the #1 game of all time. Now your child can build their own Pokemon Go game in Scratch! They will immerse themselves in all aspects of video game design - from game ideation to storyboarding to the iterative development process of prototyping and testing. They also get to take home their video games! NOTE: Please bring a 8GB USB flash drive to class every day so that your child can take their animations home. Bring a snack and beverage. GENIUS EDUCATION

Mr. Groseclose (aka "Mr. Genius") is an experienced and fun-loving instructor with a special gift for working with children and youth. He has a way of connecting with young people and engaging them to have fun while reaching their full potential. He has taught Birmingham Public Schools' Camp Super Summer and other afterschool classes.

ENRICHMENT CAMPS

GENIUS VEHICLE ENGINEERING 101 (GVE101) (Grades 1-6)

Let's build some Lego® cars! In this exciting STEAM enrichment class, students will use design booklets and our special Lego® Education kits as they learn to build and then modify numerous vehicles. These vehicles include everyday vehicles, concept cars, construction machines, and more. Once they have built a number of cars using the provided designs, students will also be challenged to design and build their very own creative vehicle using their imagination and the skills they have developed. Students strengthen teamwork skills using kits in groups of 2-3 students. Bring a snack and beverage. Location: Berkshire Middle School, Room 124

#10254 M-F August 7-11 9 am-12pm \$160

GENIUS VEHICLE ENGINEERING 201 (GVE201) (Grades 3-8)

Calling all Lego® car enthusiasts! Students will build as many as 10 different motorized vehicles using our unique Lego® Education kits. Builds include everyday vehicles, concept cars, construction machines, and more. Students will gain a good understanding of basic engineering principles, gearing and gear ratios, electric motors and energy, friction, forces, motion, and mechanics. Students strengthen their teamwork skills as they engage in groups of 2-3 students per kit. Bring a snack and beverage. Location: Berkshire Middle School, Room 124

PULLBACK CAR ENGINEERING 101 (PCE101) (Grades 1-6)

Build and keep your own motorized pullback cars! Pullback Car Engineering is a popular STEAM enrichment class that develops problem solving and creativity as students build their very own motorized pullback cars specifically selected to fit each student's grade and building skill level. Students will build their own fleet of cars using a design pamphlet for each vehicle and become junior engineers challenged to design new creations using their BanBao car kits. Over the course of the class, students participate in activities and experiments, challenges and races designed to demonstrate science and engineering concepts and laws such as gravity, potential and kinetic energy. Students build different cars every time! BanBao kits are made of quality bricks that are comparable to and fully compatible with other major brands like Lego®. **Students TAKE HOME EVERYTHING they build!** Bring a snack and beverage. Location: Berkshire Middle School, Room 124

VIDEO GAME MAKING 100S (VGM100S) (Grades 3-8)

Create your own video games! Students design and modify their own exciting arcade-style video games from start to finish. They will learn how to create and control characters, objects, and outcomes in their games. Students can increase difficulty settings, add levels and more! The graphic design allows for easy game development and students will also explore graphic animation. No previous experience required, and advanced programming options are available. The video game making classes are not inherently sequential so they can be taken in any order, and classes are tailored toward beginner, intermediate and advanced skill levels. In addition to the week of class, this includes 7 weeks of online access to tutorials and program downloads. Email access and flash drive are strongly recommended. Students will create different games every time! **All games, program and downloads are the STUDENT'S TO KEEP!** Bring a snack and beverage. Location: Berkshire Middle School, Room 124

KIDS EMPOWERED CAMPS

Girls and Boys Empowered/Kids Empowered has provided empowerment (extra space) programs for thousands of children for over 18 years. Each camp is designed to focus on different self-esteem and confidence building activities, social skills, and practical strategies to deal with the issues kids face with their friends and classmates at recess, in the lunch room, in the hallways, and in LIFE! We teach the Kids Empowered curriculum through interactive games, role playing, crafts, poster activities, team building, and physical fitness. Emotional Intelligence matters, learning these skills and strategies can benefit every kid no matter what their level of confidence. Each week has a different focus and themed activities. ENRICHMENT CAMPS

THE EMPOWERED GIRL'S TOOL BOX FOR THE QUEEN BEE OF THE PLAYGROUND (Ages 4-5th Grade)

Focus: Develop playground social skills to manage unfriendly situations with girls who are always deciding the activity, making negative comments or excluding. Build social skills that help girls be connected by knowing how to manage playground sticky situations and how to join groups. The playground is where most hurt feelings and sticky situations happen. This camp will help girls build their toolbox of confidence, assertiveness, and strategies to deal typical situations that happen at recess. Girls will learn the roles kids play in social situations and how to deal with the Queen Bee. They will learn how to problem solve to be inclusive, deal with the rule changers and rule breakers, and be a good winner and loser. Girls will learn words, tone of voice and how their body language should look. We will play games (everything from jumping rope to foursquare) and role play situations that happen at recess. Daily pool time for full day. Full day campers bring a snack, bag lunch and beverage in non-breakable container and a swim suit and towel. Half day campers should bring a snack and water bottle in a reusable container. Presented by Girls Empowered. Location: Berkshire Middle School, Room 110

THE EMPOWERED BOY'S TOOL BOX FOR THE KING OF THE PLAYGROUND (Ages 4-5th Grade)

Focus: Develop playground social skills to manage unfriendly situations with boys who are always picking the team, making negative comments or excluding. Build social skills that help boys be connected by knowing how to manage playground sticky situations and how to join groups. The playground is where most adversity and sticky situations happen. Some boys tell others boys they run faster, throw further, and are better at this or that. Some boys pick the team and tell other boys they can't play or they are on the loser team. This camp will help boys build their toolbox of confidence, assertiveness, and strategies of typical situations that happen at recess. Boys will learn how to problem solve to be inclusive, deal with rule changers, and be a good winner and loser. Boys will learn words, tone of voice and how their body language should look. We will play games (everything from tag to foursquare) and role play situations that happen at recess. Boys will learn frustration management techniques and coping skills to help them be calm in sticky situations so they can "act", not "react". Daily pool time for full day. Full day campers bring a snack, bag lunch and beverage in non-breakable container and a swim suit and towel. Half day campers should bring a snack and water bottle in a reusable container. GIRLS EMPOWERED: YOGA GIRLS (Ages 4-8th Grades)

Focus: Develop coping skills and strategies for managing stress, worries and daily challenges. Girls are faced with immense pressure to be popular and the best at everything they do from sports to grades. Many girls feel overscheduled, pressured to look a certain way and feel if they don't measure up they are not good enough. Often girls are dealing with friendships that are hot/cold, lack loyalty and are cliquy. Many girls try so hard to fit in & please friends that they often give up who they are. We'll explore how yoga, meditation and self-care can promote better self-esteem, a greater sense of confidence and emotional balance. This week of camp will include daily yoga & address significant areas of stress for girls. Girls will get the benefits from yoga of strengthening their bodies & relaxing their minds while learning how to be grounded to deal with hot/cold friendships, trying to fit in and the pressure to be popular. We will look at journaling, music, creativity, the importance of building a supportive network, and everyday ways to cope with stress. Girls will walk away with the visuals to build a yoga toolbox full of empowering tools. Wear comfortable clothing & bring a Yoga mat/towel. Full day campers bring a snack, bag lunch and beverage in non-breakable container. Half day campers should bring a snack and water bottle in a reusable container. Presented by Girls Empowered.

GIRLS EMPOWERED INSIDE OUT (Ages 4 -6 and Grades 2-5)

Focus: Managing emotions and having social skills to respond appropriately to social and family situations. Emotional regulation is our ability to manage our emotions in how we respond to situations. It is one of the most important predictors of success. If we do not have the tools in our tool box our emotional response may cause us to overreact in a negative way that impacts our self-esteem and confidence and in the future lead to depression, eating disorders and negative self-worth. Sometimes when we react emotionally and we inflame a situation. We will use the movie Inside Out to teach girls healthy ways to deal with feelings. We will celebrate the things that give us joy. Girls will learn how to manage their emotions whether it is dealing with an unfriendly friend, a Queen Bee, a sibling, family issues or facing a fear they have. Developing our emotional regulation builds confidence in ourselves, helps us respond appropriately to social situations and problems, increases our emotional intelligence and helps us with friendships. Girls will have fun doing Inside Out themed crafts, poster activities and being physically active. Daily pool time for full day. Full day campers bring a snack, bag lunch and beverage in non-breakable container and a swim suit and towel. Half day campers should bring a snack and water bottle in a reusable container. ENRICHMENT CAMPS

IT'S A BUG'S WORLD (Grades K-3)

What is the buzz about creepy and crawly bugs? Come and discover the world in which we share with other critters called bugs. Bugs are everywhere. Explore the bug world in their environments and experiment with creating their habitats. Students will study the anatomy, metamorphosis, what they eat, and the communities they live in. Have fun creating bugs and projects that can be shared and will be taken home. The highlight for each day will be a bug hunt, where students will go outside and collect bugs on their own and classify them. Bring a snack and beverage. Presented by Kathy Segal. Location: Berkshire Middle School, Room 100

FUN CAMPS WITH MR. MALDONADO

CHEMISTRY, ELECTRICITY AND MAGNETS (Grades K-3)

Younger kids will enjoy tons of hands-on experiments that introduce and explain basic concepts of science. This is a fast-paced, interesting, digital class in which kids will learn to work together as a team, use the scientific method, and share what they have learned. Campers will keep science journals to record facts, figures, and concepts about heat, gravity, states of matter, electricity, magnetism, and planets. Instructor Birmingham Teacher Rick Maldonado. Location: Berkshire Middle School, Room 116

#10360 M-F June 26-30 12:30-3:30pm \$140

CRIME SCENE INVESTIGATIONS (Grades 3-6)

Does your child love looking for clues, finger printing, solving mysteries, and being a detective? Then this is the class for him/her! Campers will learn techniques to analyze crime scenes, such as preserving evidence, ink chromatography, and dental impressions. This class appeals to a range of children because it's dramatic, scientific, hands-on, group centered, and fun! A murder mystery party will be held on Friday, and students will be invited to dress in character to use all their new knowledge to solve a final crime. Instructor Birmingham Teacher Rick Maldonado. Location: Berkshire Middle School, Room 116

#10361 M-F June 26-30 9am-12pm \$140

LEGO ROBOTICS AND COMPUTER GAMES (Grades 4-6)

In this class campers will create and build fully-functional robots using Lego Mindstorm kits. The kids will program their robots to accomplish complex tasks, solve problems, and just to have fun with it. This interactive camp is a great introduction into robotics and programming. Kids will also visit a variety of user-friendly websites where learning and skill building can be fun. Instructor Birmingham Teacher Rick Maldonado. Location: Berkshire Middle School, Room 117

#10362 M-F July 10-14 12:30-3:30pm \$140

CREATIVE CAMP (Grades 4-6)

In this new hands-on creative camp, campers will be challenged, occasionally stumped and probably messy. Campers work individually, with partners and groups on activities like robotics, simple machines, science experiments, painting, and many more. Camp focuses on finding solutions, thinking under pressure, teamwork and exploring each camper's own creative potential. Instructor Birmingham Teacher Rick Maldonado. Location: Berkshire Middle School, Room 116

#10365 M-F July 10-14 9am-12pm \$140

BREAK IT AND BUILD IT (Grades 3-6)

Bring in machines or devices that you no longer want, and we will take them apart. No televisions please! Campers will learn how their machine works, and at the same time, they will learn about simple machines, such as gears, pulleys, levers, wheels and axles and inclined planes. Kids will use a variety of materials, including the parts of their stripped machines and lego kits to create an invention. Instructor Birmingham Teacher Rick Maldonado. Location: Berkshire Middle School, Room 116

#10367 M-F July 17-21 9am-12pm \$140

SPY ACADEMY (Grades 3-6)

Become a spy for the week and learn about espionage. Spies will learn secrets by making and breaking codes, riddles, and puzzles. This class offers tons of engaging, hands-on activities, like creating a secret identity and participating in a laser beam obstacle, and watching spy movies and videos. Instructor Birmingham Teacher Rick Maldonado. Location: Berkshire Middle School, Room 116

#10369 M-F July 17-21 12:30-3:30pm \$140

INTRODUCTION TO COMPUTERS (Grades K-6)

Students will learn fundamental computer concepts and skills in this course. They will also become familiar with a variety of computer applications, including word processing, Excel spreadsheets, and multimedia presentations. Campers will also improve their typing skills. Each camper will be encouraged and taught how to create their own unique projects while having fun during this course. Instructor Birmingham Teacher Rick Maldonado. Location: Berkshire Middle School, Room 117

RATA2EE

RATA2EE COOKING CAMP (Ages 7-12)

ENRICHMENT CAMPS

Children learn healthy cooking skills, through fun and play, without the Chef Gordon Ramsey yelling! Each day of this 1-week camp, kids will make and eat a morning snack, get in some fun exercise activities, cook and eat a 3-course meal, learn basic gardening, play nutrition games, and end their day with yoga. Rata2ee teaches cutting techniques (with kid-safe knives), weights and measures, stove and kitchen safety, and sanitation. Kids also learn where food comes from and what makes a healthy plate. This well-rounded camp takes a holistic approach to healthy living. Each day start and ends with a theme word that promotes character-building. Camps are taught by ServSafe Certified Chefs and elementary teachers who already work within local schools. As part of the registration process, parents must sign a liability waiver for any child to attend. A week before the camp starts, an email with important information (like what to wear, what is ok and not ok to bring to the classroom, drop off and pick up information) will be sent. All recipes are nut free; however, all allergies must be listed on the registration/waiver form and will be followed up with a discussion with the chef prior to the session starting. Please note, there is no kids club (latchkey) available with this camp. Sessions are limited, so sign up NOW to get the week you want with your friends! Instructor Mary Golonka, A Seaholm teacher.

CHESS WIZARDS (GRADES K-6)

Chess Wizards is a fun way to have kids experience the excitement of chess. With half and full day classes, kids will play in mini tournaments, have interactive lessons with chess pros and play cool chess variants like bug house. It is proven that chess enhances cognitive development in children, improves both verbal and mathematical skills, and increases all levels of academic performance! Playing chess stimulates the mind and helps children strengthen skills such as focusing, visualizing goals, abstract thinking, and forming concrete opinions. Instructors (who are called "Wizards") provide all the materials necessary for your child to participate in the class and no additional purchase is required to attend. Snacks will be provided but full day kids should bring a lunch. All students will receive a trophy and wizards t-shirt. View video at <https://chesswizards.wistia.com/medias/0uxzsmjsu3>. SKYHAWKS SPORTS ACADEMY

Skyhawks provides a wide variety of fun, safe and positive programs that emphasize critical lessons in sports and life, such as teamwork, respect and sportsmanship. Our programs are designed to give each child a positive introduction into sports while fostering a lifelong love for an active, healthy lifestyle. Our patient and knowledgeable staff use a variety of skill-building games and activities to give each athlete a complete understanding and overview of the sport. Since 1979 Skyhawks has taught over one million boys and girls life lessons through sports. Please view our website at www.skyhawks.com for further information.

MULTI-SPORT & GAMES (Grades 1-7)

Skyhawks Multi-Sport and Games program is a compilation of our favorite childhood recess and gym class activities. Participants will play Kickball, Capture the Flag, Dodge Ball and Frisbee Golf. In addition to learning the proper techniques and rules of these games, the children will be taught life lessons through these sports. This will include the importance of Sportsmanship, Leadership and Respect for their opponents, coaches and officials. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes and sunscreen. Participants will receive a t-shirt and merit award. Location: Berkshire Middle School, Gym

SKYHAWKS GOLF (Grades K-7)

One of our most popular programs, Skyhawks Golf focuses on building the confidence of young athletes through proper technique and refining the essential skills of the game. As we know, golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting and body positioning. To assist in this training, Skyhawks has adopted the SNAG (Starting New At Golf) system which uses modified equipment to its curriculum developed by PGA professionals, SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy & effective transition onto the golf course. No need to bring your own clubs, all equipment is provided. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes and sunscreen. Participants will receive a t-shirt and merit award. Location: Berkshire Middle School, Gym

TRACK & FIELD (Grades 2-7)

Skyhawks Track & Field was developed to introduce young athletes to this sport rich in tradition and history. These programs combine technical development and fundamental techniques with safety and a major focus on fun! Using special equipment, our staff teaches exercises and drills that prepare athletes for a future in cross-country, track & field events, and distance running while inspiring a love for running and being active. The fundamentals of body positioning, stride, proper stretching, and cool-down techniques are covered in this unique program. Participants will put it all together for one fun-filled day at the end of the week at the Skyhawks track meet! Participants should wear appropriate clothing; bring a water bottle, running shoes, sunscreen and snacks. Participants will receive a t-shirt and merit award. Location: Berkshire Middle School, Gym

SKYHAWKS VOLLEYBALL (Grades 2-7)

Skyhawks Volleyball takes the energy and excitement of this great team sport and puts it together into one fun-filled camp. All aspects of the game are taught through drills and exercises that focus on passing, setting, hitting and serving. This co-ed program is designed for the beginning and intermediate player. Our volleyball staff will assist each athlete in developing fundamental skills through game-speed drills and daily scrimmages aimed at developing the whole player. Participants should wear appropriate clothing, bring a snack and water bottle. Participants will receive a t-shirt and merit award. Location: Berkshire Middle School, Gym

BRENT DAVIES GOLF CAMP FOR BOYS AND GIRLS (GRADES K-8)

Come join us for lots of fun learning how to play golf or building on skills of current players. Our golf camp instructor, Brent Davies, is a United States Golf Teachers Federation Certified Golf Teaching Professional, World Golf Coaches Alliance Certified Golf Coach, Golf Teaching Professional at Heather Highlands Golf Club, Swing Coach for the Boys Varsity Golf Team at Fenton High School and the 2015 Canadian Golf Teachers Federation Canadian Cup Champion. During this four day-one week camp students will learn the fundamentals of the golf swing, from grip

to set-up, to posture and alignment. The tee shot, iron play from the fairway, chips and pitches around the green, long and short putting etiquette, and basic rules will also be discussed. All equipment will be provided. Students are welcome to bring their own clubs. Camp runs for 1.5 hours a day. Coach Davies designed and teaches this camp to ensure kids have fun in a low pressure environment introducing your child or teen to the game of golf. No camp on Wednesday, July 26. RECREATION CAMPS

CHALLENGER SPORTS, BRITISH SOCCER CAMPS

Challenger Sports' British Soccer Camp is the most popular soccer camp in the country. Hundreds of Challenger coaches each year have helped develop one of the most innovative approaches to coaching youth soccer in the US. Our experienced staff study the game at all levels and we have identified the key techniques and skills that young players need to work on and master to reach their true potential. Each day includes individual foot skills, technical drills, tactical practices, small-sided games, coached scrimmages, and a daily World Cup tournament.

FIRST KICKS (Ages 3-4)

Our innovative camp curriculum introduces young players to the soccer basics through fundamental activities, games and fun challenges. We strive to create a perfect learning environment with maximum participation, lots of repetition and of course as much fun as possible. Your young campers will come away from the magical week not only with a better understanding of soccer, but with a true love for the game! Bring a water bottle. Presented by Challenger Sports, British Soccer Camps. Location Seaholm High School, Midvale Soccer Field

#10201 M-F July 10-14 9-10am \$115

MINI - SOCCER (Ages 4-5)

Fun games, low key competition and challenging skill-building activities will captivate and enlighten your younger players. A longer and slightly more advanced program for younger players to learn and develop their individual skills with fun games and practices. Sessions remain upbeat and fun but emphasis is placed on learning correct techniques and ensuring no bad habits are picked up at an early age. Players are also exposed to small sided games where a basic understanding of rules and strategy is introduced. Bring a water bottle. Presented by Challenger Sports, British Soccer Camps. Location Seaholm High School, Midvale Soccer Field.

#10204 M-F July 10-14 10:10-11:40am \$140

HALF DAY PLAYER DEVELOPMENT CAMP (Ages 6-18)

A three hour daily coaching program that provides technical and tactical instruction in all areas of the game. Emphasis is placed on individual skill development and mastery of core techniques through individual drills, small group practices and coached games. This program also includes our famous World Cup tournament. During the World Cup campers are split into teams (countries) and they represent that country throughout the week in scrimmages and challenges. This week long competition encourages our "Champions of Character" and concludes on Friday during our closing ceremony. Bring a water bottle. Presented by Challenger Sports, British Soccer Camps. Location Seaholm High School, Midvale Soccer Field.

TETRA BRAZIL HALF DAY ADVANCED CAMP (Ages 8-18)

The Tetra Brazil camp provides players with authentic Brazilian coaching right in their own community. The curriculum has been designed by our professional coaches to provide players with the same expert level of training received by professional clubs in Brazil. Our youth program will give each player the opportunity to work with some of the highest level coaches currently working in professional Soccer clubs in their homeland. Players are grouped according to age, size and ability in an atmosphere set to challenge each player to raise their game to new heights. Learn how to play the Brazilian Way. Bring a water bottle. Location Seaholm High School, Midvale Soccer Field. Presented by Challenger Sports, British Soccer Camps.

2017 Camp Registration Information

REGISTER ONLINE at www.communityed.net: Registration begins February 15, 2017. Registrations are taken on a first-come, first-served basis. Receipts AND ALL CORRESPONDENCE are sent by email ONLY — please make sure we have your correct email address in your “Household” profile. REGISTER EARLY — SPACE IS LIMITED! Resident discount does not apply to summer camps.

NO REFUNDS ONCE A CAMP HAS STARTED.

There is no prorated fee for campers arriving after the start of the week or leaving before its completion. Cancellation and switching week fees will be assessed at \$10/ per camper/per switch. Switching weeks may also limit availability. If camps are cancelled due to severe weather, power failure or other circumstances beyond our control, we regret that we cannot issue refunds.

Camp Location Changes

Birmingham Community Education reserves the right to change a camp’s location due to unforeseen building closures and scheduling changes.

Please Do Not Bring To Camp

Birmingham Public Schools and Community Education are NOT responsible for any item lost, stolen or broken during camp. Please leave the following items at home: personal video game players, cell phones, skate shoes (heelys), MP3 players/i-pods/lpads and computers. Please leave valuables at home!

Discipline Policy

Our camp provider’s policy is to create a safe, nurturing environment for campers and staff. Behavior that is emotionally or physically harmful, either to oneself, or another camper or a staff member will not be tolerated. If a camper is verbally or physically abusive, a warning will be given. This will be documented and the parents will be contacted. If the camper repeats the offense a second time, it will result in complete expulsion from summer 2017 programs. Absolutely no refund will be given. The camp reserves the right to immediately dismiss a camper under certain circumstances.

Extra-Special Attention

Please let us know if your child has special needs: i.e. physical, emotional, educational, or medical. Please call us at 248-203-3822. Advise us of any severe allergies or chronic illness. This includes information regarding food or airborne allergies. PLEASE select camps that will not trigger or aggravate a medical condition.

Medication

If your child requires medication during camp hours, it must be administered by staff and requires the completion of an “Administration of Medication Form.” This form is available on the homepage at the Community Education website: www.communityed.net. Bring the completed form (SIGNED BY YOUR PHYSICIAN), an attached picture of your child, and the medication to the first day of camp.

Daily Dismissal Information

Campers must be picked up promptly at camp dismissal time. PHOTO I.D. IS REQUIRED AT PICK-UP! For safety reasons, children will not be allowed to meet their parents in the parking lot. Campers who walk to and from camp must have a letter from their parent/guardian.

We Do Our Very Best To Get It Right.

We take great care to check the accuracy of all information in our brochures and on our website. However, we cannot be responsible for inadvertent and unintentional errors and we reserve the right to correct them.

Photography/Video Policy

Occasionally a photographer may take pictures of students for use in Birmingham Public Schools or local media publications. ***If you do not wish publication of a photograph of your child, it is YOUR responsibility to send a written request to the Community Education Office prior to the start of camp.***

Camp Cancellations

Register Early! The most common reason for cancellation is low enrollment. Birmingham Community Education reserves the right to limit the enrollment or cancel any camp or class due to insufficient registrations. Every effort will be made to notify registrants that a camp has been cancelled. ***Notification of cancellations are sent via email.*** Any person registered in a cancelled camp will receive a full refund or may transfer to another camp, if spots are available.

Notice of Nondiscrimination

The Board of Education is committed to maintaining a learning/working environment in which all individuals are treated with dignity and respect, free from discrimination and harassment. There will be no tolerance for discrimination or harassment on the basis of race, color, national origin, religion, sex, sexual orientation, marital status, genetic information, disability or age. The District prohibits harassment and other forms of discrimination whether occurring at school, on District property, in a District vehicle, or at any District related activity or event. The Superintendent will designate compliance officers and develop and implement regulations for the reporting, investigation and resolution of complaints of discrimination or harassment. The following people have been designated to handle inquiries regarding the nondiscrimination policies: Students - Inquiries related to discrimination on the basis of disability should be directed to: Executive Director of Special Education, 31301 Evergreen Road Birmingham, MI 48025, 248.203.3000. Direct all other inquiries related to discrimination to: Assistant Superintendent of Human Resources, 31301 Evergreen Road, Birmingham, MI 48025, 248.203.3000.

Injuries and Personal Property Damage and Loss

We are frequently asked: “Are my children or am I injured by Birmingham Public Schools in the event of injury while participating in a school district program?” A follow-up question is: “Does the district have insurance to protect personal property that I or my children may bring to school?” The answer is “no.” BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers’ tax dollars to provide for these risks. Your homeowner’s policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.

PLEASE NOTE:

WE CANNOT ACCOMMODATE GUESTS.
