Create a Fictional World

Do you love to read and write stories? Are your favorite stories the ones that take place in “worlds” of their own? If you love science fiction and fantasy like Harry Potter, Star Wars, and Eragon, this class is for you! Go behind the scenes of some of literature's most famous fantasy/sci-fi settings, and then create one of your own. Develop a “world” journal that will help you establish the rules of your own special

fictional place. Design your world's geography, history, weather, plants, and animals — even the people. Then just add stories! In this class, we'll do some writing, plus lots of hands-on activities like building a 3-D map, creating a diorama, and sculpting a creature or person from your world. Class Limit: 14

Things That "Go Bump" in the Classroom: Reading and Writing the Macabre

Does your body move with the seasons while your brain is forever stuck in Halloween? Speaking of your brain, do you ever contemplate what zombies might do with it? Appetizer, main course or dessert?

Then this class is for you. The undead will be resuscitated through a hands-on study of classic and modern macabre literature and film and through your own writing. You will read excerpts of Mary Shelley's Frankenstein, Bram Stoker's Dracula and Max Brooks' World War Z. You will scour the HCC campus for disembodied scavenger hunt items; you will research vampire legend and lore; you will experiment with zombie make-up and costume and enact zombie scenes; you will create and lead a fictional ghost tour of HCC. You will have as much spooky fun as possible outside the month of October. Class Limit: 14

Public priorities don't always wait for the supply chain to react to needs. In addition, budgets are too tight for "just in case" inventories waiting for policy-makers to decide whether to install more "children at play signs" or provide additional environmentally-friendly trash bags at parks. How does today's procurement professional proactively prepare to satisfy client needs? One answer may be an effective warehouse and inventory control system. This course focuses on optimizing the development/management/maintenance of a supply chain that includes a warehousing and inventory management strategy. It enables the procurement professional to gain command of the key elements of a successful operation and provides a guide to complementing procurement activities with prudent inventory management techniques. Can these concepts help your procurement function add value to meet often unpredictable demands? Check it out!

Jewelry

Instructor Bio—Candace Stribling

Join Candace Stribling, a passionate jewelry maker for the past four years and owner of Beadnicity Designs, for our innovative and fun jewelry making classes. Candace draws her inspiration for her unique hand-crafted work from other countries following along the ancient Silk Road trading route. She is fascinated by taking raw materials like metal (copper, brass, or sterling silver) or paper, making necklace cords using an ancient Japanese braiding called Kumihimo and transforming all the pieces into beautiful jewelry.

Paper Bead Jewelry

Discover this popular new jewelry-making method and learn how to turn newspaper, scrapbook paper, or gift wrap into lovely jewelry to wear or give as gifts. Jewelry made from paper beads is becoming very popular because it reuses discarded paper. This basic level class will teach you how to make beads from paper and turn them into necklaces, bracelets, or earrings. In this class, you will learn how to: make paper strips using templates; roll a paper bead using the patented Paper Girl Bead roller; seal and finish the paper beads; and string them into a necklace. At the end of the class, participants will have a completed necklace (and a pair of earrings if time permits) and the know-how to do your own projects. Supplies: Materials include Paper Bead Girl patented paper bead roller, templates, precut paper strips, clasps, crimp beads, beading wire to make a necklace or bracelet. Materials fee \$15 paid to instructor at the time of the class. Class Limit: 10

Kumihimo—Japanese Braid Making

Do you have a beautiful pendant that you want to wear but don't have the right necklace to show it off? Come to this fun class to learn the ancient art of Kumihimo, a form of Japanese braid-making, to make elegant necklaces. Participants will make an 8-strand satin spiral bracelet or necklace and learn techniques for finishing the braid ends as well as attaching end caps. Materials kit includes braiding loom, 8 bobbins, thread/cord, clasp, end caps, and crimp beads. Materials fee of \$20 paid to instructor on day of class. Students should bring tape measure and scissors. Class Limit: 10

Music

.....
Instructor Bio—Ernie Bradley

Ernie Bradley began playing the banjo at age five. His father and grandfather both played the banjo and were the beginning influences in his musical career as well as others such as Don Reno, Raymond Fairchild, Earl Scruggs and Jay Barte. Ernie has given award winning performances at the Maryland, Pennsylvania, Virginia and West Virginia state banjo championships and touring with the great Charlie Daniels' Band; as well as the Grand Ole Opry on Tour, Renfro Valley, Turner Music Theater and many other venues up and down the east coast. The banjo is his first instrument, but he is an expert at the guitar, bass, dobro, mandolin, fiddle, autoharp and vocals. Ernie developed his own style of picking at an early age and is now recognized as one of the finest bluegrass and country banjo pickers in the business and has been teaching young and old to pick and sing for twenty years.

Glorious Gardening

Creativity and entertaining in the lovely months of summer are a highlight for all who love summer gardens! The warm weather lifts our senses as we walk through our yards and gardens; creating a retreat of flowering shrubs, warm beckoning perennials and glorious annuals! Join floral designer Denny Warrenfeltz for this new Glorious Gardens class focusing on wonderful new ways to attract humming birds and other feathered friends to your garden. Learn how to select the right plants and plant materials that will make your garden a happy haven for hummingbirds and more!

First Session—Monday, May 20 – “Creating Your Summer Garden”

Learn how to select the best plants and plant materials to attract Hummingbirds and more! This innovative evening will take place at Trayers Farm & Greenhouse, 11452 Welsh Run Road, Mercersburg, PA. Denny will lead us on a guided tour exploring unusual evergreens, shrubbery, and herbs that may be grown in your garden, yard or a container garden and then used in a creative summer arrangement. Denny will conclude this session with plant material arrangement demonstration and refreshments. Please bring a folding chair to this session.

Second Session—Monday, June 17

We will join Denny and his wife Shaven for a special visit to their lovely home and gardens in Keedysville, Maryland. This will be an evening of decorating dreams come true with a special focus on the innovative decorating concept of summer entertaining arrangements. We invite you and your friends to join us as we take a summer stroll through Denny's varied gardens, filled to the brim with decorating possibilities! Refreshments will be served at the conclusion of this entertaining evening.

A directional letter for the location of Trayers Farm and Greenhouse and the Warrenfeltz residence will be sent to you one week prior to the first class session.

The Reconstruction Era

This program deals with the successes and failures of the social, political, and economic governmental policies of Reconstruction following the Civil War. It explains why Reconstruction was not one well thought-out program, but rather a hodge-podge of policies and programs operating to the detriment of freedmen. It details the efforts of Southern states to reassert their authority within the former Confederacy and Border South. Finally, it explains why the national Republican Party shifted emphasis from one of social and political equality to priority given to electoral politics by the time of the Hayes administration (1877 - 1881). Ancient Greek Beginnings of Philosophy and Science

What has been called “a genuine revolution—a paradigm shift of the first order” took place between 600 and 400 BCE when a number of thinkers emerged and took the first tentative steps toward philosophy and science. Known as the Presocratics and Sophists, they are the subject of this lecture by Karen Gray who surveys some of the foremost of these thinkers and highlights what was new in the way they looked at the world and tried to understand it. Examples are selected from the ancient sources to illustrate the thought of such men as Heraclitus, Parmenides, Zeno, Protagoras, and Antiphon. Dr. Gray’s PowerPoint-illustrated lectures include a brief break midway through and end with a half hour of discussion. Class Limit: 30

NORA ROBERTS

Writing Institute

at Hagerstown Community College

"I'm delighted to lend my name to the Nora Roberts Writing Institute at Hagerstown Community College. As a longtime resident of Washington County, I know from personal family experience every program presented by the college offers a quality learning experience that comes from extensive preparation and knowledge.

Writing is a solitary craft, so I know the value of finding the company of other writers. The give and take of other perspectives brings on a renewed sense of excitement and enthusiasm about the craft.

I encourage you to take part fully in this brand new program, and to open yourself to finding your individual path to your best writing."—Nora Roberts

August 2 – August 3, 2013

For the beginning and aspiring writer, here is the chance to learn more about the craft and techniques of fiction writing.

Named after local resident and international best-selling author Nora Roberts, HCC presents a weekend retreat filled to the brim with all the information you need to create a solid foundation for your writing.

The Writing Institute will feature keynote speakers:

- *New York Times* Best Selling Author—Sylvia Day
- Critically Acclaimed Author—Erica Bauermeister

Learn the fundamentals from professionals in over 15 breakout sessions.

Whether you want to write a fictionalized memoir, or a mystery series, there's something for everyone at the HCC Nora Roberts Writing Institute.

- July 4—Independence Day—College Closed

Employer's Tuition Assistance

If your employer is paying for your course, we must receive a purchase order or a letter on company letterhead along with your registration form. The purchase order or letter must state what the employer is paying (i.e. tuition, material fee), your name, and the course(s) in which you are enrolling. Registrations will not be processed without this paperwork. If the employer is paying for your textbook, a separate letter or purchase order must be submitted to the Bookstore at the time of purchase.

Tuition and Fees

Any Maryland resident 60 years of age or older and who enrolls in a Maryland funded course, is exempt from payment of tuition but must pay the \$35 fee (or higher fee if indicated in the course description) and any other applicable fees. Tuition does not include any fees or costs associated with a self-supporting program.

All students who enroll in continuing education classes which are not eligible for State funding—shall pay full tuition and fee.

All students registering for an open enrollment course shall pay a \$7 registration fee. Checks should be made payable to Hagerstown Community College. There will be a "returned check fee" of \$35 for checks returned for insufficient funds.

For information concerning tuition assistance for individuals with disabilities, please call 240-500-2273.

Refund Policy

A full refund will be granted when a class is filled or cancelled. A refund will be given when a student withdraws from a course, subject to the following limitations:

- Withdrawal prior to the second class—100% of fee will be refunded.
- Seminars or one-day classes must be cancelled at least 1 day in advance to receive a 100% refund.
- Refunds for all trips are subject to availability based upon agreements with all vendors. Please call the Continuing Education Department for more information.

College for Kids Refund Policy

- The College must be notified 48 hours in advance of the first class session
- Refunds will not be processed after the first class session
- To request a refund, please call 240-500-2236

Course Cancellations

Each non-credit class requires a minimum number of enrollees to run. The decision to hold or cancel a class is made in most cases three business days prior to the start of the class. The college, however, reserves the right to cancel a class at any time due to unexpected circumstances.

Admission

Anyone 16 years of age or older is eligible for admission (unless specified otherwise).

Registration Confirmation

You will receive confirmation of your registration. Attend class on the date and time indicated.

Books and materials may be returned for a cash refund or exchange when accompanied by the original cash register receipt. Books must be returned in the original condition by the second class. The Bookstore Refund Policy is posted in the Bookstore.

Bookstore: 240-500-2271

Parking

Display the confirmation letter on your car's dashboard to serve as your parking permit when attending classes on the HCC campus. Parking for seminars is in Lot F. Parking for other courses available in student lots.

Emergency Closing

In case of severe weather or other emergency conditions, you should listen to local radio or television announcements of closings.

Listen for specific mention of the College, since we will not necessarily close when the public schools do. When the public schools are closed due to weather or emergencies, all classes at public school locations are cancelled. When the College closes, all classes at off-campus sites are cancelled.

Classes cancelled due to inclement weather or emergencies will be made up.

Non-Credit/Credit Shared Courses

Selected courses may be taken for either academic credit or on a non-credit basis. Should the student desire to transfer from non-credit to credit, the student must transfer by the second week of class. In order to transfer from non-credit to credit, the student must first drop the course through Continuing Education and then register in the Registrar's Office. Students who have completed the non-credit course will receive a Certificate of Completion but will not be awarded college credits and may not earn college credit for the credit course by exam.

Certificate/CEU Information

Students do not receive grades for Continuing Education courses. Some non-credit courses offer Continuing Education Units (CEUs). You must inform the instructor if you need CEUs.

Code of Student Conduct

Hagerstown Community College has established rules of behavior that must be followed so that the teaching/learning process is not disrupted. A copy of the student handbook is available in the Continuing Education Office or the Student Government Office.

Smoking Policy

The State law prohibits smoking on the premises of any Washington County Public School. Smoking is also prohibited in the buildings on the HCC campus and the Valley Mall Center.

Equal Opportunity College

Hagerstown Community College does not discriminate against any individual for reasons of race, sex, color, religion, national or ethnic origin, age, sexual orientation, or conditions of disability in the admission and treatment of students, educational programs and activities, scholarship and loan programs, hiring of faculty and staff, or any terms and conditions of employment. The College is committed to affirmative action.

Individuals requiring special accommodations are requested to contact the Office of Student Services at 240-500-2240, to make arrangements no later than ten (10) days prior to the meeting or course.
