Frequently Asked Questions

What should my camper bring?

All campers must have an medical release form the first day of camp. Forms are available online, in your parent packet, or at camp. Multiple children may use the same form if they are in the same camp. Campers should also bring a morning snack, a sack lunch, and a water bottle. Please read the field trip glossary for specific information regarding those days.

How are school site locations selected?

Summer camp sites are chosen each year based on school site availability in Foster City. Camp sites are different each year due to school maintenance needs and summer school locations.

How do I register for camp?

Registration for summer camp are currently being accepted and will continue until filled. Registration information will be available at the Recreation Center, Community Center, Library and The Vibe. Parents must submit an official summer camp registration form found in the Activity Guide, Summer Day Camp Guide, or individual camp grids. **General registration forms will not be accepted.**

What if I need to change to a different program/session?

Once confirmation is received, you may request to transfer to any other summer camp program with an opening. Transfer requests may be submitted via phone or in person. All program balances must be paid in full at the time of the request.

My child is enrolled in Extended Care. What time should they arrive to camp?

We ask that campers arrive **no later than 9am** each day for camp. Our programs tend to be mobile and late drop-off can be disruptive to the program and your camper's schedule.

What are the qualifications for summer staff?

All summer camp staff have been interviewed, fingerprinted, and have successfully completed a week-long, intensive training program. Core summer staff are supported by Counselors In Training (middle school/high school age). Responsible individuals who enjoy working with children and want to apply may contact the Youth Program Coordinator at (650) 286-3387 for job information. Application deadline is March 19. Minimum age to apply is 16.

What are the child to staff ratios?

The Foster City Summer Day Camps offer an excellent camper to staff ratio for all of our camp programs. Kamp Koala is a 7 to 1 ratio; Camp Outback has an 8 to 1 ratio. Camps Wayoutback and Camp Breakaway have a 10 to 1 ratio.

What services are included in the session fees?

Session fees cover staff costs, field trip transportation, entrance fees, program supplies (afternoon snacks and activity supplies), and a camp t-shirt. Each camp has separate fees based on field trip fees, staffing needs, and program hours.

Typical Daily Schedule

This is an example of what your campers day may look like. Fieldtrip schedules may alter depending on check in time. Please make sure your camper arrives at 9am on field trip days. Children must arrive to camp no later than 9am on field trip days unless otherwise noted. **Parents are responsible for reviewing weekly calendars for field trip departure/arrival times.** Campers are solely responsible for money brought to purchase food, souvenirs, etc. on field trips. Refunds, pro-rated fees, or additional childcare will not be provided for those campers who choose not to attend the field trip. ***For safety reasons and staffing purposes, we are unable to provide additional care for those who wish to stay back from a field trip.***

Camp T-shirts

Each child will be given *one* camp t-shirt. A second t-shirt is available for a fee of \$10. For safety reasons, anyone who does not wear a camp t-shirt on field trips will not be permitted to attend.

Clothing

Please make sure your child is dressed comfortably and safely. Camp can be messy so we ask that you do not send your child in special clothes. **Closed-toe shoes are required, Tennis shoes are highly recommended. (NO sandals or flip-flop shoes unless otherwise noted).** Please pack a hat, sweatshirt/windbreaker & sunscreen in a backpack for all of your camper's needs.

Injury

Minor cuts, scrapes, and bruises will be washed covered with a band aide and or given ice depending on the injury. Parents will be notified at the end of the day. Bee stings will be treated with meat tenderizer and swiped out. Parents will be notified immediately and the camper will be monitored for an allergic reaction. **In the event of an emergency**, our staff will attend immediately to your camper's needs and then contact you. Depending upon the degree of the injury, you may be asked to pick-up your camper from wherever we are that day. Camp Leaders do their best to asses the situation and respond as trained to do so. We would like to remind you that Camp Leaders are *not* medical providers.

Toys from home are highly discouraged and may be confiscated by program staff if they become problematic. The Department is not responsible for lost or stolen items. Toys may be confiscated until the end of the day if they become problematic.

Foster City Youth and Teen Foundation

The Foster City Youth and Teen Foundation was established to help fund the development of a new teen center in Foster City. The teen center provides a safe alternative for latchkey kids and is purposely made accessible to help ease the stress on today's working families. In June of 2009, we opened our permanent home, a 9,800 square foot facility which not only accommodates more participants but staff has been able to implement a variety of new programs and activities. Approximately 200-300 teens a week benefit from the new facility and programs, skate park, and basketball court.

The Foster City Youth and Teen Foundation's purpose is to provide resources and funding for amenities and supplies for the City's youth and teen programs. With the community's help, we can continue to enhance our facilities and programs for our local youth and teens. For more information on the Youth and Teen Foundation or to make a tax-deductible donation, please contact Tiffany Hall at 650.286.3395 or thall@fostercity.org.
