Caring for Kids
Continuing Education

Caring for Kids Program

St. Louis Community College offers a variety of workshops for those employed in the child care field or for those interested in learning more about working with children.

All clock hour training from St. Louis Community College has been approved by the Department of Health and Senior Services. Register for the workshops now -- Don't wait until December!

For more information, call 314-513-4391.

To register call 314-984-7777.

Discipline for School-Agers

Learning to manage groups of school-agers (ages 5-10) is always a challenge. We will look at ways to enrich the environment and increase developmentally appropriate choices for school-agers to reduce discipline challenges. You will gain positive techniques and tips to manage group activities and your day will go smoother.

Heartsaver Pediatric First Aid CPR AED for Child Care Providers

The Heartsaver Pediatric First Aid CPR AED course is designed to meet the regulatory requirements for child care workers in all fifty United States. It teaches child care providers and others to respond to and manage illnesses and injuries in a child or infant in the first few minutes until professional help arrives. It covers the four steps of first aid and first aid skills such as finding the problem, stopping bleeding, bandaging and using an Epinephrine pen, as well as child CPR AED, infant CPR and optional modules in adult CPR AED, child mask, infant mask and Asthma Care Training for Child Care Providers. Registration one week prior to course start date is required. Due to the nature of the course you must arrive on time. No admittance after stated start time.

New Encouraging the Love of Books for Preschoolers

Learn how to grow readers by engaging your preschoolers with stories, books, nursery rhymes and other activities that help promote the reading readiness skills. Participants in the workshop will explore high quality children's books, discover new ways to make books and stories come alive, and learn how to make connections between books and the child's world. Participants will take home a wealth of ideas and a variety of books to use with preschoolers. Presented by Annette Harrison, dynamic educator and storyteller. This class is designed for preschool teachers and caregivers. Co-sponsored by the Missouri Humanities Council.

Child Care Providers Saturday Seminars

6 clock hours for each program

Quality Infant/Toddler Seminar

Morning Session-Social Emotional Development for Terrific One and Two Year Olds: Learn how to support one and two year old children's social and emotional growth and development by helping them to regulate themselves. The nurturing child care provider is attuned to each child. In this interactive workshop you will gain strategies to build relationships, promote self-esteem and better understand and help the children deal with the challenging behaviors of a toddler's stage of development. Afternoon Session-Feeding the Picky Infant and Toddler: You will engage in activities and discussion to expand your knowledge of feeding infants and toddlers. This session will focus on parent/caregiver collaboration, establishing effective mealtime routines, and identifying approaches for interacting with families of picky eaters and children who have challenges with eating. You will gain an understanding of causes for children's feeding challenges and basic intervention strategies.

Nature and Young Children

Morning Session - No Child Left Inside: Outdoor play to explore nature and science! Explore the natural world outside through new fun science activities you can integrate into your daily schedule. Help children wonder, explore, and discover with hands-on activities planned for the outdoors. Afternoon Session - Connecting with Nature: Gardening and cooking with children! Encourage healthy eating as you help children learn about fruits and vegetables and take produce from the garden to the table. Hands-on, simple recipes, cooking activities and gardening tips will be shared. Our goal is to encourage children to learn to taste, eat and enjoy more fruits and vegetables. You will see new teaching materials, "Early Sprouts Cookbook" and "Lana's Favorite Recipes."
