Saturday Childcare Programs

Please arrive early to check in prior to the workshop

Child Care Provider: Heartsaver Pediatric First Aid CPR AED

The Heartsaver Pediatric First Aid CPR AED course is designed to meet the regulatory requirements for child care workers in all fifty United States. It teaches child care providers to respond to and manage illnesses and injuries in a child or infant in the first few minutes until professional help arrives. It covers the four steps of first aid and first aid skills such as finding the problem, stopping bleeding, bandaging and using an epinephrine pen, as well as child CPR AED, infant CPR and optional modules in adult CPR AED, child mask, infant mask and Asthma Care Training for Child Care Providers. Registration one week prior to course start date is required. No transfers between sessions or refunds given within five business days of class date. Due to the nature of the course you must arrive on time. No admittance after stated start time. Bring a lunch. No refund for late arrival. Attendance Training Policy: As a quality training program, we are required by the DHSS Section for Licensing and Child Care Regulation training to follow specific guidelines for our sessions. Therefore, workshops listed expect participants to arrive on time, be fully present during the session, adhere to break schedules and attend the entire session. Any participant who does not adhere to these requirements will not receive a certificate or a refund. For Child Care Providers ONLY. Child Care Providers needing Approved Clock Hours MUST enroll in this course.

New The Importance of Early Experience

- **Incredible Value**
- **One-Time Session ONLY**
- **International In-Demand Speaker**
- **REGISTER EARLY: Limited Enrollment, First-Come, First-Served**

In the style she has become famous for, Lisa Murphy shares many observations, lessons, and anecdotes about how early childhood has changed along the way reflecting on her own experiences where, at the young age of three, she decided to become a teacher. Participants will be motivated to get back in touch with their personal teaching decision and ask themselves: if it WAS their only day, what will they remember? Learn several things you need to do with children each day to support the house of learning which includes reading, writing, and math. By making time to create, move, sing, discuss, observe, read and play we are getting children ready not just for kindergarten, but for life!
