Be Great Go Green!!!

If we all do our part,
we can make a difference.

*Join us this summer
as our camps "Go Green."*

What can we do?

- Ride the camp buses where provided to reduce emissions and the number of cars on the road. See camp descriptions for this symbol  and jump on board.
- Pack your lunch in reusable or recyclable materials. Fill your own water bottle everyday instead of using a disposable one.
- We'll recycle everything we can.
- We'll use green friendly products wherever possible.
- We'll use recyclable materials for art and crafts.

Bring your own ideas
to camp and join the fun.

It's easy to make a difference!

What's *new* for 2014?

Our Summer Camp Bus Transportation is Convenient While Helping the Environment...

Did you know most camps offer easy, convenient bus transportation from many of Rockville's neighborhoods? Make your life easier by signing up to use the buses. You'll also help improve your environment by reducing emissions and the number of cars on the road! Look for this symbol by the camps that include bus transportation. NOTE: For planning purposes, register for transportation only if planning on using the service.

Here's how it works:

Transportation is provided by MCPS buses. Buses pick up campers at designated stops between 8-8:40 a.m., returning between 3:15-3:45 p.m. An exact time at each bus stop can not be specified due to traffic, road construction, etc. Bus pick-up/drop-off stops are not staffed.

- Campers should arrive at their bus stop by 8 a.m., particularly on the first two days of each camp session. By the third day of a session, a more accurate time schedule will have been established for each bus stop.
- Campers are picked up at the designated bus stops in the morning and bused to Welsh Park. Campers are then reassigned, with the assistance of camp staff, to their specific camp bus and transported or walked to camp. In the afternoon, this procedure is followed in reverse. Every effort will be made to follow an established bus schedule; however, mechanical failures and traffic conditions may cause delays or detours.
- Parents/guardians must meet their child at the bus stop in the afternoon. If your child is permitted to walk home alone, a written note must be given to the bus driver to verify this. Also, it is important that parents communicate in writing with camp staff when their child's transportation arrangements change.
- In order to reduce the amount of time campers are on the buses and to maximize efficiency of camp transportation, the City may eliminate bus stops where there are fewer than five campers registered. Notification will be made.
- Bus routes are subject to change at the start of each new camp session. This may change pick-up and drop-off times.

About Welsh Park...

Welsh Park serves as the hub of the bus transportation system. All buses leave from Welsh Park in the morning at approximately 8:50 a.m. and return in the afternoon at approximately 3:10 p.m. If you have children in several camps that include bus transportation, dropping at Welsh Park is a convenient option. Children should not be dropped off at Welsh Park until 8:45 a.m. and should be picked up no later than 3:15 p.m. If you must park to drop off or pick up, use the Swim Center parking lot.

A separate registration form is required for each child. Registration form may be duplicated. Separate payment is necessary for each family. Each registration is processed separately. Every effort will be made to accommodate requests that children be placed together, though there is no guarantee. Note: Of each camp fee, \$25 is a non-refundable deposit.

- Payment must be made upon registration using credit card or check, made payable to the City of Rockville. Note: There is a \$35 returned check charge. Do not send cash. See Camp Payment Plan for additional information.
- Registrations cannot be transferred from one child to another due to waiting lists.

Camp Payment Plan

The payment plan divides the total amount due into four equal payments: 25% of the total fees will be due at the time of registration, with the remaining payments due April 1, May 1 and June 2. Register early to take full advantage of this opportunity as payment due dates will not be changed. For example, if you register for programs in April, 50% of the fees will be due, with the remaining installments due May 1 and June 2. If you register for programs in May, 75% of the fees will be due, with the remaining installment due June 2. A debit or credit card is necessary to access the payment plan option. This option must be selected at the time of registration.

To sign up for the payment plan option, check the "Schedule Payments" box on the internet display screen or the payment plan box on the registration form. Payment plans will not be available after June 2. All payment plans will be assessed a 3% late fee if the payment is received more than five days after the due date. Outstanding balances after June 8 could result in the child being withdrawn from the program.

Registration Information

Camp	Dates	Reg. Deadline
Session 1	6/16-6/27	5/21
Session 2	6/30-7/11	6/4
Session 3	7/14-7/25	6/18
Session 4	7/28-8/1	7/2
Session 5	8/4-8/8	7/9
Session 6	8/11-8/15	7/16
Session 7	8/18-8/22	7/23

If the deadline has passed, call 240-314-8620 to check the status of the camp in which your child is interested. Late registrations are accepted if space is available. Register early! Avoid having your camp cancelled due to low enrollment. A camp may be cancelled due to insufficient enrollment. A decision will be made by the registration deadline at which time participants will be notified.

Age Requirement

Participation in most programs is based on child's age as of Sept. 1, 2014 (per MCPS). Note: Most Preschool Camps require that children be the appropriate age at the start of the camp. See specific camp descriptions for details.

Camp Confirmation

Notification of camp status will be emailed within one week of registration for those registering via fax or mail. Make sure your email is current in our system.

Refund Policy

Refund requests must be received, in writing, at least two weeks prior to the start of the program. This will allow for accurate decisions on staffing, planning and the purchase of supplies and equipment.

You may choose either a credit to be placed on your recreation account or a refund. Note: All credit or refund requests are less the \$25 non-refundable deposit per program. No refunds can be issued after the two-week deadline.

Transfer Request

Transfer requests from one camp to another are subject to space availability. All requests must be in writing. Registrations cannot be transferred from one child to another if there is a waiting list.

Waiting List

If your desired camp is filled, you will be notified and placed on the waiting list and your payment will be returned.

We will make every effort to accommodate those on the waiting list. When and if an opening becomes available, we will go to the waiting list to fill the camp.

Am I a Resident?

City residents are those individuals residing within the City's corporate tax limits and therefore pay the resident rate for camp fees. Verify your residency to avoid disappointment. Do not assume that a Rockville mailing address is within the City's corporate tax limits. Proof of residency may be requested via a driver's license or water bill.

If that is not possible, camp will be cancelled.

Unavoidable Changes

On rare occasions, we may need to change the starting date of a program or move the location of a program to an alternate site. Parents will be notified of all changes.

Camp Certification

The City of Rockville Department of Recreation and Parks strives to maintain the highest quality programs and professional standards. In conjunction with this goal, the camp program is certified under the State Department of Health and Mental Hygiene and undergoes periodic inspections. As a result of this certification, there are specific policies, procedures and forms the City must follow to comply with regulations. All forms are available at www.rockvillemd.gov
Note: Forms can be duplicated if your child is attending multiple camps.

• Participant Health and Information Form

This form will be sent electronically along with other Important Information and forms prior to the start of each camp session. Please be sure to complete and send with your child on the first day of camp. This form also includes important dismissal information.

• Prescription/Non-prescription Medication

If your child will be taking medication during camp time, specific medical forms must be completed prior to attending. The forms may either be downloaded from our website at www.rockvillemd.gov/camps or call 240-314-8620. These forms must be signed by your physician.

• Immunizations

If your child is not currently attending a school in the State of Maryland, you must provide a copy of proper immunizations upon registration. Note: This will apply particularly to those entering Kindergarten.

Frequently Asked Questions

Q: My child is attending several camp sessions, why do I have to fill out the same forms over and over?

A: Staff onsite at the camp need your child's most up-to-date contact, dismissal and health information from the time your child arrives. Therefore, the forms need to arrive with your child. To make this process easier for parents, we have consolidated forms and made them fillable. You can type your child's information directly on the form, print and send with your child on the first day of each new camp session. If information has not changed, you can reprint the same form and use it for each session. Camp information and forms will be emailed to you approximately 10 days prior to the start of your child's camp. Please make sure your email is correct in our system. The forms are also available at <http://www.rockvillemd.gov/camps>

Q: My child won't be the correct age when the camp starts but will be the correct age before Sept. 1, 2014. May I register?

A: Yes, your child may register for the program as long as he/she is the correct age by Sept. 1, 2014, the age deadline set by MCPS (exception for most preschool camps). See individual camp descriptions for details.

Q: What about the camp staff who will be supervising my child?

A: Our camp staff is selected for their experience, enthusiasm, desire and ability to work well with children. Staff training includes safety procedures, program planning, child development and techniques in working with children. Staff is certified in CPR and First Aid training. Reference and background checks, including fingerprinting, are also part of the hiring process.

Q: Can I enroll in my child in the same camp all summer?

A: Yes, but please be aware that certain specialty camp activities and trips are repetitive. Some children enjoy repeating activities that they have enjoyed and other children like having new experiences each week/session. One suggestion is to register for the same camp at the beginning of the summer and then maybe later in the summer to break it up a bit.

Q: How can I access the bus transportation? How does it work?

A: See Transportation Information on page 19 for details.
