

Richmond COMMUNITY COLLEGE

College & Career Readiness

Welcome to RCC's College and Career Readiness! Our mission is to assist adults to learn and to obtain the knowledge and skills necessary for employment and self-sufficiency, assist adults who are parents to obtain the educational skills necessary to become full partners in the educational development of their children, and assist adults in the completion of a high school education. College and Career Readiness classes provide educational opportunities for adults to improve their reading, writing, mathematics, and communication skills through five major program components – Adult Basic Education (ABE), Adult High School (AHS), Compensatory Education (CED), English as a Second Language (ESL) and General Educational Development (GED). In all program areas, students follow individual learning plans designed to help them meet their unique goals. This enables students to learn at their own pace with one-on-one assistance from an instructor as needed.

Admission Requirements

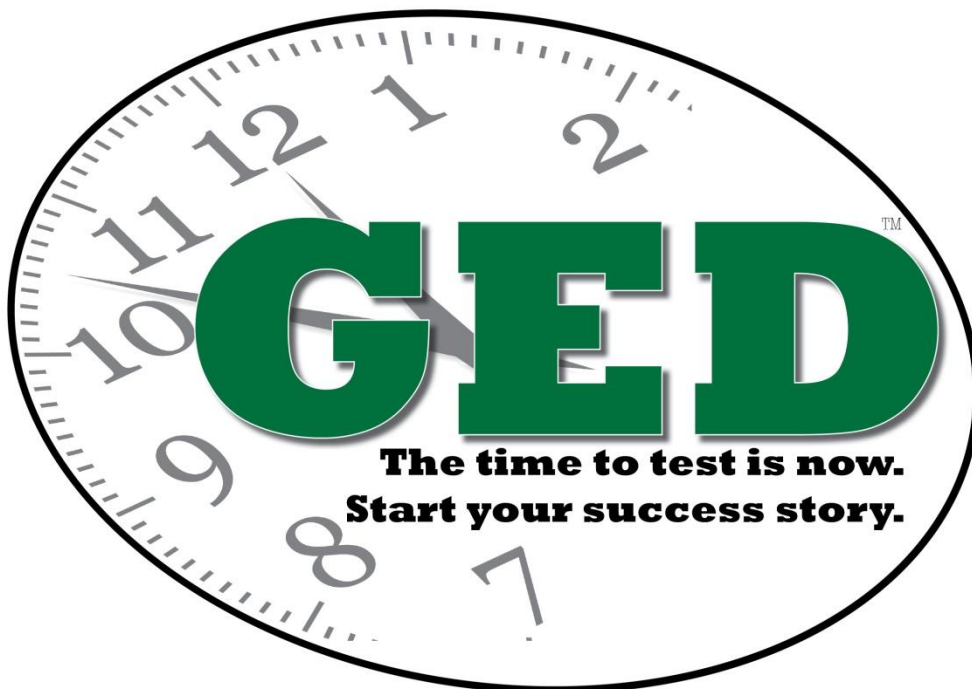

- Adults 18 years of age or older who have not completed high school
- 16 and 17 year olds must submit additional forms before acceptance into any program.
- Completion of an Assessment/Orientation session is required for all students.

Class Locations

- Classes are provided in locations throughout Richmond and Scotland counties.
- Morning, afternoon and evening classes are offered.
- Computer-assisted labs are available.

Fees

- Instruction is provided free of charge to all students in College and Career Readiness classes.
- Books and other study materials are furnished at no cost to the student.
- \$35.00 GED Testing

Adult Basic Education (ABE) / General Education Diploma (GED)

ABE classes are open enrollment and self-paced. You work on your own timetable based on your assessment. There are no grades for class assignments. At times, you will work individually on your independent study plan while your instructor acts as a facilitator, offering assistance when you need assistance. At other times, your instructor will lead the class in daily lessons and activities.

Throughout your time in class, there will be periodic assessments to determine your progress. When your goal is reached in reading, math and language skills, you may move to a GED preparation class or an Adult High School class.

GED classes prepare adult students to learn or review basic high school subjects. Classes are offered by RCC both on and off campus. Students are assessed with a practice GED test, which qualifies them to take the official GED test. Students study in five areas – writing skills, social studies, science, reading and mathematics.

Adult High School (AHS)

In the Adult High School diploma program, a diploma is earned by completing the required course credits. Credit is given for courses completed in traditional high school. A transcript must be submitted for evaluation by AHS staff to determine the number and subject of credits required for diploma completion. Classes are offered in a lab setting and provide course work in English, mathematics, social studies, science, and electives. Course placement is based on previous high school transcripts and assessment scores. There are no tuition fees; however, student will be required to purchase personal supplies.

Compensatory Education (CED)

CED classes are for documented intellectually challenged adults 17 years of age and older. Classes are designed to help students develop basic life and work skills needed to (1) become more independent and (2) meet and manage community, social, work, and personal adult responsibilities. Classes are offered in partnership with other agencies.

English as a Second Language (ESL)

English as a Second Language (ESL) is a community college program designed for non-English speaking adults. The goal of the program is to provide instruction and tools needed for non-English speakers to obtain the English skills needed to be successful in the community, workplace and with child involvement. You can improve your reading, writing, speaking, listening, and employability skills. The classes also prepare you for the naturalization exam to become American citizens.

ESL workplace literacy program focuses on the individual needs of companies in our area. The program provides instruction to non-English learners based on the needs of the company. The program has enjoyed great success and continues to be popular among local companies.

Basic Skills Plus

Accelerating Opportunity and Basic Skills Plus are programs designed for students with a goal of enrolling in a college setting to obtain a post-secondary education. Students enrolled in these programs will work on obtaining their Adult High School or GED Diploma and take college credit courses at the same time. The Accelerating Opportunity program provides employability skills, job-specific occupational and technical skills, and college course instruction to students concurrently enrolled at RCC leading to a high school diploma or equivalent certificate.
