What is Science?

Dan Ward

Professor of Biology, Waubonsee Community College

The "Nature of Science" consists of those seldom-taught, but very important features of working science, e.g., its realm and limits, its levels of uncertainty, its biases, its social aspects and the reasons for its reliability. Understanding the "Nature of Science" is essential for personal decision-making, participation in civic and cultural affairs and economic productivity.

Registration Information and Payment Policies

EARLY REGISTRATION IS ADVISED because many classes fill rapidly. Also, early registration can help avoid class cancellation because of lack of enrollment.

NOTE: Unpaid fees will prevent registration for additional courses.

REMINDER! ABOUT PAYMENT POLICY

- Full or partial payment is due at the time of registration.
- More payment options — the sooner you register, the smaller your payments!

Payment options:

- **Full Payment** — Tuition and fees totaling less than \$200 require full payment.
- **Partial Payment** — Pay the required first installment and the remaining balance in monthly payments. (A \$25 nonrefundable service fee is charged for selecting this option; it's automatic when you make the first payment.) The sooner you register, the more time to pay!
- **Employer Payments** — If your employer is paying your tuition and fees, and should be billed directly, a letter from your company, including the contact name and company address (on company letterhead), is required at the time of registration.

Questions? Call or visit the Bursar Office, second floor of the Student Center, (630) 466-7900, ext. 5705.

Additional Fees

- Insufficient funds charge: \$25.00
- Late payment fee: \$20.00
