[www.waubonsee.edu/Xcelerate](http://www.waubonsee.edu/Xcelerate)

### Just For Preschoolers

#### Build It! (Ages 4-6)

Explore physics and challenge your engineering skills! Use LEGO® Duplo®, and other blocks and recyclable materials to create pulleys, levers, gears, wheels and axles while investigating the concepts of energy, buoyancy and balance. Learn about various tools and safety while constructing your very own toolbox - to keep! CLASS FEE: \$69

163SCI703.001 (30839) 9:15am- 11:45am MTWThF A154 Luna  
Meets between: June 6-June 10

#### My Size Science (Ages 4-6)

Slime, catapults and rockets... oh my! Come experience the life of a scientist while engaging in hands on activities. Be amazed by the laws of motion, chemical reactions, magnetic forces and so much more. Each camper will even help create their very own science experiment kit to take home at the end of the week!

CLASS FEE: \$69

163SCI700.001 (30843) 9:15am- 11:45am MTWThF A154 Luna  
Meets between: June 13-June 17

#### NEW! Reading Readiness (Ages 4-6)

This unique reading readiness camp focuses on the development of phonemic awareness and comprehension. Pre-reading skills such as: listening, rhyming, alliteration, writing and phonics are emphasized. You'll practice your new-found reading skills by participating in fun games, making music, and various art projects including the creation of storyboards and props. Each camper will also have an opportunity to write and illustrate their very own storybook to take home!

CLASS FEE: \$69

163LAR705.001 (30842) 12:30pm- 3:00pm MTWThF A154 Tigges  
Meets between: June 13-June 17

#### All Things Frozen (Ages 4-6)

What better time than summer to explore all things frozen? Learn about the properties of ice and water and then help the Snow Princess build an ice castle. Make a frozen fractals collage. Experiment with and compare different types of crystals and create snowflakes and rock candy with everyday household items. Make a snowman's favorite treat – ice cream! And, of course, you'll finally discover what happens to snowmen in summer! CLASS FEE: \$69

163SCI730.001 (30846) 9:15am- 11:45am MTWThF A154 Luna  
Meets between: June 20-June 24

#### NEW! Math Readiness: Easy as 1,2,3! (Ages 4-6)

Count your way to a fun time as you discover the world of mathematics! Learn math concepts through fun activities that provide stimulating, creative and hands-on experience. Become a math star as you explore numbers, sorting, classifying, patterning, measuring, estimating and more. See how fun math can be while you play, cook, make music and art. You'll even create math games to take home. CLASS FEE: \$69

163MTH700.001 (30844) 12:30pm- 3:00pm MTWThF A154 Tigges  
Meets between: June 20-June 24

#### NEW! Movin' and Groovin' (Ages 4-6)

Don't miss this camp filled with musical delight! Play and experiment as you explore music from various cultures and historical time periods. Check out different musical styles while you discover musical concepts and get hands-on experience with real instruments. You'll have a blast writing your own songs and creating your own dance moves. Make music with everyday objects and even make instruments to take home!

CLASS FEE: \$69

163MUS721.001 (30848) 9:15am- 11:45am MTWThF A154 Tigges  
Meets between: June 27-July 1

**Story Time S.T.E.M. (Ages 4-6)**

Some of our favorite storybook characters need your help! You'll use S.T.E.M. (Science, Technology, Engineering and Math) concepts to help them out of some sticky situations. Engineer a bridge for the Gingerbread Man to safely cross the river. Design a way for Humpty Dumpty to be protected from his great fall. Construct a sturdy house for the Three Little Pigs. You'll even help Cinderella get ready for the ball! Are you up to the challenge of helping these characters and more? CLASS FEE: \$69

163SCI731.001 (30850) 9:15am-11:45am MTWThF A154 Folkerts  
Meets between: July 11-July 15

**3, 2, 1.....Blast Off! (Ages 4-6)**

Discover what it takes to be an astronaut! Learn about rocket science, then design and build a puff rocket. Make and eat some rehydrated food, just like real astronauts. Find out where the sun goes at night and how the moon gets its light. Experiment to discover how the moon's regolith and craters were formed. Take a closer look at the planets, stars and comets. Even try out some astronaut training exercises! CLASS FEE: \$69

163SCI705.001 (30851) 9:15am-11:45am MTWThF A154 Folkerts  
Meets between: July 18-July 22

**Digging for Dinosaurs (Ages 4-6)**

Dig into the past and travel to a time when dinosaurs roamed the earth. What did dinosaurs look like? Sound like? Can you tell an herbivore from a carnivore? Are you bigger than a dinosaur? Explore the history of life on Earth with hands-on activities while hypothesizing and problem solving to discover the answers to these questions and more. Junior paleontologists will love excavating at our dig site while searching for a Tyrannosaurus Rex. Each participant will also find and remove the sediment from their own trilobite fossil to take home! CLASS FEE: \$69

163SCI701.001 (30853) 9:15am-11:45am MTWThF A154 Folkerts  
Meets between: July 25-July 29

**Robotics and Engineering****Robotics for Beginners (Ages 7-10)**

Test your technical and problem-solving skills as you learn to create and program robots! You'll work in pairs to build a robot using LEGO® WeDo kits and special software. Then, make your robots take action with your commands, and try out even more feats of engineering using unique K'NEX® kits. On the last day, you'll get a small LEGO® gift to take home! CLASS FEE: \$179

163INT704.001 (30785) 9:00am-12:00pm MTWThF HCC105 Moss  
Meets between: June 20-June 24

**LEGO® Robot Battles (Ages 11-14)**

Work in pairs to design and build a fighting robot using LEGO® Mindstorms kits and special programming software. Then, see the laws of physics in action as you unleash your best creation against your classmates' best creations in a battle for supremacy. On the last day of the elimination tournament, the members of the winning team will each receive a LEGO® kit worth up to \$50. Everyone will receive a small LEGO® gift to take home! CLASS FEE: \$179

163INT705.001 (30787) 1:00pm-4:00pm MTWThF HCC105 Moss  
Meets between: June 20-June 24

**NEW! LEGO® Story Starters (Ages 7-10)**

Use your imagination and LEGO® bricks and figures while working in pairs to create a story filled with a colorful cast of characters. Then, use StoryVisualizer software to photograph, write, and publish your stories. Used by teachers everywhere, StoryVisualizer is an innovative way of teaching a wide range of essential skills including writing, language, reading comprehension and communication skills. On the last day, you'll get a small LEGO® gift to take home! CLASS FEE: \$179

163INT711.001 (30788) 9:00am-12:00pm MTWThF HCC103 Moss
