XCELERATE *your summer!*

SUMMER CODING ACADEMY

Ages 11-14 | June 12-23, 2017 | 9:30 a.m. – Noon

THERE HAS NEVER BEEN A BETTER TIME TO LEARN HOW TO CODE!

Our newest Xcelerate Academy is the perfect opportunity for highly motivated middle-school age students to learn the foundational principles of coding and begin their exploration of computer science.

Following a curriculum developed exclusively for Waubonsee by an experienced programmer, students begin with the basics of computer hardware and machine language and progress to the concepts of object-oriented programming. Hands-on exercises and projects reinforce learning and allow students to apply the concepts taught.

For complete details see the course listing on page 10.

Prior experience with coding is not required

Xcelerate Summer Coding Academy (Ages 11-14)

This could be the start of something big! The newest Xcelerate Academy is the perfect opportunity for highly motivated middle school age students to learn the foundational principles of coding and begin their exploration of computer science. Learning to code requires a base of conceptual understanding, followed by language-specific details and hands-on application. Developed and taught exclusively for Waubonsee by an experienced programmer, the Academy curriculum is designed to help students: Gain an understanding of the principles of coding and how coding is used. Gain a basic understanding of structured programming logic. Gain an introductory understanding of object oriented programming. Students begin with the basics of computer hardware and machine language and progress to the concepts of object-oriented programming. Hands-on exercises and projects reinforce learning and allow students to apply the concepts taught. Note: Prior experience with coding is not required. Participants are expected to be comfortable with desktop computers/basic software and must be motivated to undertake a rigorous program of study and fully participate as an active learner.

Registration Information and Payment Policies

EARLY REGISTRATION IS ADVISED because many classes fill rapidly. Also, early registration can help avoid class cancellation because of lack of enrollment.

NOTE: Unpaid fees will prevent registration for additional courses.

REMINDER! ABOUT PAYMENT POLICY

- Full or partial payment is due at the time of registration.
- More payment options—the sooner you register, the smaller your payments!

Payment options:

- Full Payment—Tuition and fees totaling less than \$200 require full payment.
- Partial Payment—Pay the required first installment and the remaining balance in monthly payments. (A \$25 nonrefundable service fee is charged for selecting this option; it's automatic when you make the first payment.) The sooner you register, the more time to pay!
- Employer Payments—If your employer is paying your tuition and fees, and should be billed directly, a letter from your company, including the contact name and company address (on company letterhead), is required at the time of registration.

Questions? Call or visit the Bursar Office, second floor of the Student Center, (630) 466-7900, ext. 5705.

Additional Fees

- Insufficient funds charge: \$25.00
- Late payment fee: \$20.00
