## International Dinner/Lecture Registrations

An unpaid phone registration will only hold your space until the Tuesday before the dinner. If your fee has not been received by then, your registration will be cancelled.

## Class Confirmations/Cancellations

Classes are filled on a first-come, first-served basis. You will be sent a confirmation if you request one or register online. Proceed to your class unless you hear otherwise.

We reserve the right to cancel any course that does not have sufficient enrollment.

## Refund Policy

A full refund is automatically processed if you cancel 10 days or more before the first class session, except for theatre trips. A cancellation fee of \$5 will be charged for cancellations nine days or less before the start of a course.

Refunds for limited enrollment courses and theatre trips will be granted only if your space can be filled from a waiting list.

Refunds are not given once the class begins except for Ed2GO ONLINE courses. For online courses, a refund, less \$5, will be given up to four working days after the course has begun.

## Weather Conditions Resulting in Class Cancellation

Seldom does the university close due to weather conditions but, should this occur, we will notify those who have provided a daytime phone number and/or e-mail address. Arrangements will be made by the instructor with the class for a make-up session.

**Like us on Facebook** and find out the latest news on trips and other events.

## Looking for Instructors

Instructors interested in teaching for Continuing Education should send a résumé and course proposal to the Continuing Education Office, UWMC, 518 S. 7th Avenue, Wausau, WI 54401 or send an e-mail to [vickie.richmondhawkins@uwc.edu](mailto:vickie.richmondhawkins@uwc.edu).

### *New!* LEGAL CERTIFICATE COURSES

UWMC has partnered with The Center for Legal Studies to offer the following courses online.

#### ► Paralegal Certificate Course

This 14-week Paralegal Certificate Course® is designed to prepare students for jobs in the legal field, giving them the knowledge and skills needed to earn a salary as quickly as possible. Training focuses on providing a comprehensive knowledge of the American judicial system. It will also teach practical skills, including how to assist trial attorneys, interview witnesses, investigate complex fact patterns, create legal documents, research the law, and assist in preparing cases for courtroom litigation.

#### ► Advanced Paralegal Certificate Course

The Advance Paralegal Certificate picks up where the Paralegal course left off. These substantive law classes provide students with more in-depth coverage of specific topics of law. Each topic is completed in one 7-week online session, and students can take up to three topics per session. Students can take as many or as few topics as they choose; however, a certificate is only issued when six topics are completed.

Some of the topics are: Advanced Legal Research, Victim Advocacy, Criminal Law, Bankruptcy Law, Family Law, Water Law, Immigration Law and many more.

#### ► Legal Nurse Consultant Certificate Course

This program prepares medical professionals for careers in the legal field as legal nurse consultants. Building on your medical education and possible clinical experience, this course provides you with the fundamental skills necessary to advise law firms, health care providers, insurance companies and governmental agencies regarding medical issues and provide testimony in court as an expert witness.

This continuing nursing education activity is approved by the Western Multi-State Division, an accredited approver by

the American Nurses Credentialing Center's Commission on accreditation.

We also are offering these certificates:

- Legal Secretary Certificate Course
- Software Essentials for the Law Office Certificate Course
- Employment Law Certificate Course

### Fall Session II begins October 19

## CERTIFICATE IN DATA ANALYSIS \$495

Data analysis is quickly becoming one of the most sought-after skills in the workplace. Companies have vast amounts of data, but it is rare to have someone with the ability to analyze that data to see trends and make predictions. Add a whole new skill set to your portfolio, and make a big difference in the success of your organization by acquiring data analysis skills.

\$195 for each one-month online course or \$495 for all three and the certificate; John Rutledge, Mary Dereshiwsky, and Jeff Kritzer, instructors.

## BUSINESS RESEARCH CERTIFICATE \$495

Discover the specific knowledge needed to succeed in researching and utilizing the best and most appropriate data for decision making for your work organization. Get the skills needed to effectively communicate research results to a specific audience for maximum impact and effective decision making. For business professionals, entrepreneurs, and anyone who needs specific information about a business such as market potential, competitive intelligence, standard industry practice, productivity improvement, etc. This course will give you the specific knowledge you need to succeed in your research quest.

Three one-month online courses (only available as a certificate). Mary Dereshiwsky and Cathy Boys, instructors.

## MOBILE MARKETING CERTIFICATE \$595

The way consumers are interacting with brands and connecting to the world is changing because of mobile technologies and applications. Find out about location-based marketing, mobile payments, QR codes, applications, and mobile coupons. You will learn how mobile marketing can increase your capabilities to retain current customers and gain new ones.

Then get step-by-step instructions on how non-technical users can build, deploy and market smartphone applications across Android, iPhone and Blackberry platforms.

Finally, get the knowledge needed to implement a mobile

marketing plan for your organization. Find out about proximity marketing, mobile marketing metrics, and developing a mobile marketing campaign.

Three one-month online courses. Heather Dimitt, Dan Belhassen, Susan Hurrell, and Simon Salt, instructors.

## REAL ESTATE LAW

Fee: \$99

Start on the 3<sup>rd</sup> Wednesday of the month

Explore the legal issues involved in real estate law, from investing to title examinations. You'll not only master the essentials, but you'll receive hands-on applications and examples that will show you how to use this knowledge in a day-to-day real estate practice or in personal real estate investing.

Each lesson proceeds from an explanation of theory to application, helping you build a strong knowledge base as you discover how legal concepts are put into practice every day. In addition to clearly worded descriptions of real property concepts, we'll identify key words and phrases and define them on the spot to help you comprehend them. You'll also benefit from a wealth of additional materials including extensive real estate forms and practical applications of the lesson material.

Go to: [www.ed2go.com/uwmcconed](http://www.ed2go.com/uwmcconed)

*The instructor is obviously very knowledgeable. He approaches the subject of real estate armed with his knowledge but, more importantly, with his great sense of humor and genuineness. He really helped to break down the course material in a way that is easy to digest. I now have a firmer grasp on the subject, and this course will no doubt assist me with future decisions that I need to make regarding my career and personal projects.*

## SURVIVAL KIT FOR NEW TEACHERS

Fee: \$99

**Start on the 3rd Wednesday of the month**

Feel a little trepidation before entering your classroom? You're not alone! Whether you're already teaching, a newly credentialed graduate, or a substitute looking to transition to full-time, this course will provide you with proven tools, tips, and tricks to make your early years in the classroom a breeze.

Teaching is a balancing act, and it requires a blend of subject expertise and classroom skills to reach all of your diverse learners. In this informational and interactive six-week course, you'll learn the particulars of running a motivational classroom that will feel like home to your students.

You'll find out how to write winning lesson plans, reach diverse learners through differentiated instruction, communicate clearly, plan memorable events and, most important, keep stress at bay so you can feel good about going to work every morning.

Much like a virtual mentoring program, Survival Kit for New Teachers will provide you with benefits gained through many years of first-hand classroom experience.

Go to: [www.ed2go.com/uwmcconed](http://www.ed2go.com/uwmcconed)

*"Thanks for a great course. We've placed a few more pieces into the jigsaw puzzle of my knowledge base. The picture is getting clearer. On to the next course!"*

## CREATING A CLASSROOM WEBSITE

Fee: \$99

**Start on the 3rd Wednesday of the month**

Learn how to create a classroom website in this fun, easy-to-understand course for teachers. In no time, you'll build a site with text, images, animations, tables, links, and more. Then you'll create a WebQuest and a blog to add to your site.

You'll also learn how students can use site builders to create their own websites in minutes. As we move along, you'll be amazed by how simple creating a classroom website can be and all the ways in which having one can make you a more effective and dynamic teacher.

By the end of this course, you'll have your own published classroom website, and you'll feel energized by your great new teaching tool!

## CREATING THE INCLUSIVE CLASSROOM: STRATEGIES FOR SUCCESS

Fee: \$99

**Start on the 3rd Wednesday of the month**

In this professional development course for teachers, you'll get the training you need to reach the diverse mix of students you face every day—learning proven strategies for inclusion that turn diversity into opportunity. With a mix of students with learning disabilities, neurobiological disorders, and physical challenges, the modern classroom requires an efficient and effective teacher

who can prioritize under tight deadlines and be creative on demand. Over the next six weeks, you'll learn how to be the kind of super teacher who can guide every student toward academic success. And do you know what the best part is? You don't have to tear your hair out to adapt each lesson so that it makes sense for all your students!

Over the course of 12 lessons, you'll discover creative, low-budget strategies for turning your inclusive classroom into a nurturing, supportive learning environment that helps every student. If you're looking for the right way to get all your students excited about coming to school, this is the course for you!

*"The content was practical and useful. I found many ideas I'd like to use in my own teaching..."*

**Graduate credit is available for teachers from Madonna University for these and many other Ed2Go courses.**

## TRAVEL PHOTOGRAPHY FOR THE DIGITAL PHOTOGRAPHER

**Fee: \$99**

**Start on the 3rd Wednesday of the month**

The lure of travel is surpassed only by the inevitable desire to bring home pictures and share your adventures. Since the late 1800s when George Eastman produced the first traveling camera with the slogan, "You press the button, we do the rest," travel and photography have been eternally joined. With the added benefits of digital photography so readily available to consumers today, the field is full of new opportunities and new challenges.

Join us and discover this fascinating world through a photographer's eye. This course will address the special needs and techniques digital photographers need to capture scenes from around the world and bring them home. We'll focus on specific tips for digital photographers, and how to use both traditional techniques as well as those unique to digital equipment.

We'll look at subjects such as wildlife on land and at sea, and how to get the best shots of animals in captivity as well as those in the wild. We'll discuss ways to blend in with nature for this popular area of photography and the best kind of equipment for specialized shooting.

### PRINCIPLES OF RETIREMENT PLANNING

**3 sessions, Tuesdays**

**September 29, October 6 & 13**

**6 – 9 PM**

**Room 238**

**Instructor: *Navi Dowty, CFA***

**Fee: \$49 Plus material fee: \$10 per couple**

This course provides a fundamental working knowledge of the principles of conservative investing as they apply to retirement planning. The materials cover varied aspects of conservative investing, such as changes in investing paradigms, history of markets, impact of bear markets, retirement budgeting, aspects of financial decisions, and more, while highlighting the ABC Model of Investing. You will increase your awareness of the overall risk in the markets, as well as possible asset allocation models to help manage exposure to risk. This course also covers conservative investing, income planning, asset allocation, and appropriate financial decisions. It is not designed to give specific solutions to individual needs.

This is not a financial seminar. This is a financial course where you gain the knowledge and confidence to make financial decisions suited to your level of risk and in-line with the investment goals and objectives you establish.

Navi Dowty is a Chartered Financial Analyst the owner of Navi Dowty & Associates, Inc. and Associated Retirement Planners, Inc. He has been working in the financial services industry for over 40 years.

## SAT/ACT TEST PREP, Part 1 or 2

Online – sessions start every month

**\$99 for each part**

Choosing to attend college is probably one of the most important decisions you'll ever make, and your performance on college entrance exams is instrumental in determining your college choice. Universities and colleges throughout the U.S. require applicants to take the SAT or ACT as part of their evaluation package. This course will prepare you for both tests.

**The ACT and the SAT** both contain verbal and math questions. SAT/ACT Preparation Part I will give you all the information you need to do well on the verbal questions of the ACT and the new SAT. The ACT verbal sections are called the Reading Test, the English Test, and the Science Test. The Reading Test and the English Test assess your knowledge of English usage, grammar, and reading comprehension. This course will provide you with a grammar and usage review specifically geared to the rules that you'll be tested on in the ACT. You'll also learn how to maximize your time on reading comprehension passages and the passages in the science test.

The *New York Times* calls it "A stirring crowd pleaser". It has "terrific songs – buoyant melodies by Alan Menken and rousing lyrics by Jack Feldman – and a

sweet, funny, emotionally satisfying book by Harvey Fierstein. A musical worth singing about! Even for the cynics among us, "Newsies" has a stirring, old-school sincerity that's hard to resist."

### THE COCOANUTS

**Guthrie Theater, 1PM, Saturday**

A delightful musical with sun, sand and shtick. The service stinks but the gags are four-star in this Marx Brothers romp, a jazz-age musical with songs by Irving Berlin. Groucho owns a bum hotel in Florida and peddles dubious real estate to gullible Northerners seeking a place in the sun. He's after a rich society dame, who's after an eligible match for her daughter, who's in love with the hotel's head clerk. Trouble rolls in when the other Marx Brothers arrive and mama's eligible match turns out to be anything but. This deliciously silly musical is perfect holiday entertainment.

### BEAUTIFUL

**Orpheum Theatre  
8 PM, Saturday**

The Carole King Musical tells the inspiring true story of King's remarkable rise to stardom, from being part of a hit songwriting team with her husband Gerry Goffin, to her relationship with fellow writers and best friends Cynthia Well and Barry Mann., to becoming one of the most successful solo acts in popular music history. Along the way, she made more than beautiful music, she wrote the soundtrack to a generation. It is a winner of two 2014 Tony® Awards.
