### Mr. Burns, a post-electric play

**by Anne Washburn, Score by Michael Friedman**

**Lyrics by Anne Washburn**

**Saturday, April 18, 2015**

**Depart UWMC at 8 AM; Return about 9:30 PM**

**Fee: \$159**

What will endure when the apocalypse arrives? Anne Washburn's imaginative dark comedy begins immediately after the fall of civilization with a group of people trying to recreate the iconic "Cape Feare" episode of "The Simpsons." Seven years later, the same clan is recounting episodes of the show professionally. Flash forward 75 years, and the story is told in an entirely different way. *Mr. Burns* is an exploration of how the pop culture of one era might evolve into the mythology of another. The *New York Times* named *Mr. Burns* one of the Top Ten Plays of 2013, saying it will "leave you dizzy with the scope and dazzle of its ideas." *Time* magazine called the play "both scary and sweet, funny but dead serious, unique and wonderfully theatrical." Don't miss the play everyone will be talking about this season!
