## Discovery Learning Preschool Registration Guide

## Discovery Learning Preschool...an ISD 728 Early Childhood Program

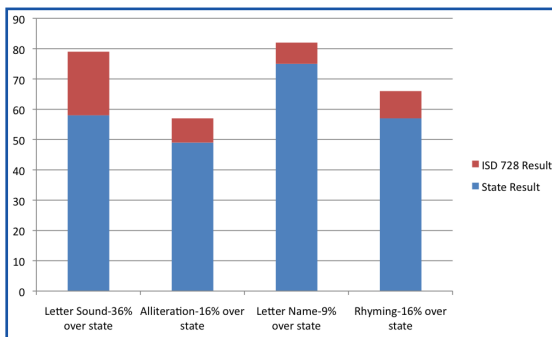

### Success starts with Early Childhood Family Education (ECFE)

Choosing the right preschool program is essential for giving your child the tools needed to be successful in school and in life. Discovery Learning Preschool, offered through District 728 Early Childhood Family Education, is a highly recognized and sought-after program to attend. Professionally trained, caring teachers customize preschool experiences for your child in a safe environment. Conveniently offered in Elk River, Rogers and Zimmerman with a variety of daytime and evening programming, Discovery Learning Preschool is sure to fit your child's needs.

### Unparalleled Results

With unmatched programming in the state of Minnesota, ISD 728 Discovery Learning Preschool is seeing unprecedented results with their customized classroom experiences. During the spring of 2011, four year olds were tested and compared to their peers across the state of Minnesota in the following categories:

The results speak for themselves: our program is successful and prepares your child for a successful K-12 experience and provides the tools needed to become a fluent reader by grade three.

### Comprehensive Curriculums Embedded in Each Class

Discovery Learning Preschool has revolutionized their curriculum and embedded core fundamentals in each of their classrooms.

- **Creative Curriculum:** Focusing on the 50 key components of how children learn, Creative Curriculum uses the learning environment and the different areas of development including social-emotional, cognitive, math, literacy and language.
- **Minnesota Reading Corps Curriculum:** Minnesota Reading Corps staff work within the classroom where specific reading skills are assessed and taught throughout the year. One-on-one and small group activities are built into the student's day.
- **Child Development Curriculum:** Observation and note taking are used to look at the whole child in four areas of development: Cognitive, Social-Emotional, Physical and Language. Growth and development are assessed throughout the year.
- **LANA Nutrition Curriculum:** This curriculum concentrates on serving healthy snacks, introducing nutritional choices and recognizing children with allergies and diet alterations by adjusting snacks to meet their needs.
- **Overall:** Opportunities for learning are provided through individual and group times. Literacy, mathematics, science, social studies, the arts, technology and process skills are part of the program curriculum.
- **Building Blocks Math Curriculum:** A research-based curriculum that includes a computer used in the classroom and at home.
- **EZ Write Handwriting Curriculum:** This program matches the ISD 728 K-5 program to ensuring continuity upon Kindergarten entry.
- **Pyramid Model (TACSEI) Curriculum:** Centers on supporting children and families by building social-emotional skills and build social emotional skills for life for all children. Provides support and development of new skills when there are behavior concerns.

## Highly Trained Staff

Of utmost importance to parents, is the relationship their child has with their teacher. With Discovery Learning Preschool, not only do you receive highly trained staff members, you also receive warm, caring adults committed to your child's success. Staff is trained in child development, CPR, First Aid, cultural diversity and continuous professional development throughout the school year. In addition, they are experienced, dedicated and truly love their work.

## Engaging Environments

When looking for the right location for your child's preschool, be sure to consider the convenience of Discovery Learning Preschool. Class locations cover all ends of the school district and are conveniently located at Zimmerman Elementary, Rogers Elementary and The Handke Center in Elk River. There are several important components to our program:

- 60 minutes of choice time in an environment planned for learning
- Outdoor or gym time • Small group time • Circle time • Snack time
- Learning centers include blocks, dramatic play, toys and games, art, library, discovery, sand and water, music and movement, cooking, computers and outdoors.
- Many opportunities for large motor activities exist with access to a gym, riding bikes and playgrounds.
- The Nature Classroom (Elk River location) is a learning environment outside the traditional classroom walls that enhance the overall preschool experience.

## Safety is Top Priority

Your child's safety is of utmost importance to us. At all three locations, regular safety drills are conducted, classroom doors are locked, teachers use walkie-talkies on the playground, and there is access to district health services department.

## Customization To Meet Your Child's Needs

As we know, each child is special and unique in their own way and Discovery Learning can enhance each child's experience to meet their needs.

- Gifted and Talented - Discovery Learning enhances and enriches the curriculum in order to engage and challenge children who are ready for more.
- Many classrooms provide inclusion opportunities for children with special needs and are co-taught with staff from Early Childhood Special Education.
- Different learning styles are used through out the day: large group, small group, individual lessons, hands-on learning as well as different materials.
- Response to Intervention (RTI) is used in a combination of high quality, culturally and linguistically responsive instruction; assessment; and evidence-based intervention.

## Parent Education and Involvement

Core to our program is parent education. A professional and highly trained Parent Educator is assigned to each classroom. The Parent Ed component focuses on not just the child's experience in preschool, but the family as a whole. Parent days are offered where parents and /or grandparents can interact and experience school with their children together. Parent involvement is also key. There are many ways parents can be involved such as volunteering to prepare materials, working at the Book Fair or joining our Parent Advisory Council.

## Technology

Technology continues to evolve and is a key component in the Discovery Learning Program. Each teacher has their own classroom website where families can access information, tips, blogs, newsletters and more at a click of a button. In addition, the math curriculum utilized within the program uses computers in the classroom and at home.

**Discovery Learning Preschool... the right choice for you and your child.**

## Registration for 2012/13 Discovery Classes

- **We are doing in-person Discovery Learning registration this year.** We will be able to answer your questions, collect the information we need to complete your registration, and schedule screenings if needed, all at the same time, eliminating or reducing the need for additional emails and follow up. Registration stations will reduce wait time and eliminate long lines. In addition, we will be taking in-person registrations at our Rogers and Zimmerman sites.
- **You must complete the registration forms packet** at the time of registration. All forms must be received for your registration to be considered complete.
- **Registration for Rogers & Zimmerman ONLY** begins Tuesday, March 27th, 6-8pm, in the ECFE classrooms at Rogers and Zimmerman Elementary schools on a first come, first serve basis. Registration for Elk River will NOT be taken at Rogers and Zimmerman.
- **Registration for Elk River** will begin Thursday, March 29th 6-8pm, in the gym at the Handke Center, on a first come, first serve basis. You may also register for Rogers and Zimmerman at the Handke location.
- **After March 29** you may register at our office, by mail, fax, or in person at the ECFE office, Handke Center, Elk River. Registration continues until classes fill. Waiting lists are maintained for all full classes.
- **Fees are divided into 9 monthly payments.** Payments begin in September and end in May. Fees are rounded up to the nearest dollar. A registration fee of \$49 which is non-refundable is due when you register. This fee does not apply to the total cost.
- **Information regarding our sliding fee scale** is included in the forms section. If you have any questions, please call the ECFE office at 241-3524. No one will be turned away because of inability to pay. We accept Visa and Mastercard.
- **Child care is available during Parent/Child classes** at an additional fee; please note on the registration form if child care is needed.
- **Please note:** Classes may be cancelled or times and locations may change due to unforeseen circumstances or low enrollment.

## About Discovery 3's

In the 3's classes there is a parent/child day one time every week. A typical parent/child day starts with activities for parents and children to do together. Later the parents meet together while the children continue in early childhood learning activities in the classroom. Parent time provides time for parents to talk and learn with other parents and the Parent Educator.

A variety of additional parent involvement opportunities are provided including; volunteering on child alone days, preparing materials for classes, trying activities at home with your child. Conferences are held in the middle and at the end of the year.

Parent involvement is critical to a child's learning. It's easy and fun for parents to be involved in the Discovery Learning Preschool program!

## About Discovery 4's

In the 4's class parents attend 3 parent discussion sessions scheduled throughout the year. On these days the class starts with activities for parents and children to do together. Later the parents meet together while the children continue in early childhood learning activities in the classroom. Parent time provides time for parents to meet, talk and learn with other parents and the Parent Educator.

In addition to discussions, we will have a parent/child activity time in the classroom one day a month. At this time special activities for parents and children to do together will be available in the classroom.

A variety of parent involvement opportunities are provided throughout the year, including; ECFE parent discussion opportunities, volunteering on child alone days, family fun nights, preparing materials for classes, trying activities at home with your child. Conferences are held in the middle and at the end of the year.

Parent involvement is critical to a child's learning. It's easy and fun for parents to be involved in the Discovery Learning Preschool program!

All classes begin mid-September, and end late-May. You will receive more information regarding start date, classroom and teacher in an August mailing.

### Early Childhood Screening

Early Childhood Screening is a simple check to identify health or developmental needs of children during the early years. Screening appointments are available throughout the school year and in June and August. The State of Minnesota requires children be screened prior to public school kindergarten enrollment. There is no cost. Appointments can be made at the ECFE/SR office. For more information call 763 241-3525.

#### Early Childhood Screening includes:

- Immunization record review
- Hearing and vision screening
- Speech and developmental screening
- Height and weight checks
- Summary interview with parents

#### What Happens During Screening?

The parent attends the entire screening process with their child along with a team of specialists.

Your child will start with activities to screen his/her developmental progress. Next, a review of your child's vision, hearing, height, weight and immunization history will be conducted by one of our health professionals. The parent/s will then participate in a family factors interview to review the screening process and talk about any concerns that they may have and learn about resources available.

Children who attend Discovery Learning Preschool must be screened prior to starting class!

If your child has not already been screened - we will contact you to set up an appointment before your child begins Discovery Learning Preschool.
