P = Partnership class

Classes marked with a "P" are not eligible for scholarships. Families may call Community Education at 328.4000 for additional information.

CE Weatherline

If Rochester Public Schools are canceled for the day, all Community Education day and evening classes are canceled.

If school begins late, Community Education classes will not meet in the AM session. Classes that begin at noon or after will be held.

If school dismisses early, all after-school Community Education classes are canceled. A decision about evening classes will be made by 3 PM and posted on the Weatherline.

If school is not canceled, but the weather is hazardous, evening classes may be canceled by 3 PM. Please call the weatherline for more information.

For weather related announcements, call CE Weatherline at: 507.328.4010

Archery (Gr. 3-5 & 6-8) P

At Archery Headquarters you will safely learn how to use a bow and arrow. You'll be taught correct form in stance and how to correctly hold, aim, and shoot the bow. Safety is a high priority at Archery Headquarters and your attention is required the entire time. All equipment

is provided. Sign up and learn a great recreational sport that will stay with you all your life. Classes are held at Archery Headquarters, 3440 Northern Valley Place NE. Located off CTY RD 22, east of Shopko North, behind US Bank.

(Gr.3-5)

Table Tennis 101 (Gr. 3-8)

Your instructor for Table Tennis is Wei Qi, a former player on the Beijing Professional Table Tennis Team. He originally came to the US to train players for the 2012 London Olympics Team. Table Tennis is good for the body, mind, and soul. This complex physical activity is beneficial for the player in more ways than one. Table Tennis can efficiently develop a great number of skills, like flexibility, strength, speed or endurance, as well as building motor skills. In this class, you will train with Wei Qi to learn the fundamentals of Ping Pong, do some technical training with multiple-balls and other fun drills and activities, including physical training. No experience necessary. Wear comfortable clothes and tennis shoes. Classes are held at Salem Road Covenant Church, 3401 Salem Rd SW.

Prairie Walls: Rock Climbing for Kids: Beginning Skills (Gr. 1-3) P

Climbing is fun and exciting, but it can sometimes be intimidating, especially for young climbers. This class focuses on getting kids comfortable with the wall, with a goal of getting to the top consistently. Each class will begin with a fun climbing-related game, then focus on becoming comfortable with heights, familiar with climbing terms, basic safety when bouldering, and climbing routes. Each climber can advance at their own pace, with the instructor's encouragement, to find their own climbing success. This class has a 8:1 student/teacher ratio to ensure personalized instruction, guidance, and supervision for the best climbing experience. Harness and shoes will be provided. Classes are held at Prairie Walls, 4420 19th St NW.

Prairie Walls: Rock Climbing for Kids: Advanced Skills (Gr. 4-8) P

This class is designed for climbers who are comfortable on the wall, and will focus on basic technique to broaden their knowledge and skill set in climbing. We will work on body positioning, and individualized instruction on more advanced technique. For those who are ready to learn more skills we will teach knot tying and an introduction to belay. Class will include climbing-related warm up games and instruction geared toward setting and meeting age-appropriate climbing goals. Class is staffed with a student/teacher ratio of 8:1, so each climber receives the personalized instruction, guidance, and supervision to provide the best experience possible. Harness and shoes will be provided. Classes are held at Prairie Walls, 4420 19th St NW.

CE Weatherline

If Rochester Public Schools are canceled for the day, all Community Education day and evening classes are canceled.

If school begins late, Community Education classes will not meet in the AM session. Classes that begin at noon or after will be held.

If school dismisses early, all after-school Community Education classes are canceled. A decision about evening classes will be made by 3 PM and posted on the Weatherline.

If school is not canceled, but the weather is hazardous, evening classes may be canceled by 3 PM. Please call the weatherline for more information.

For weather related announcements, call CE Weatherline at: 507.328.4010

Learn To Draw (Gr. K-5)

Do you love to draw or wish you could learn? Our classes are designed for artists at every level. Come for a step-by-step approach to the basics or a chance to perfect and add to techniques you already know. Remember drawing is not just about art; drawing is about fine motor coordination, self-esteem, and creative confidence. Different drawing curriculums will be used in each session. **6 Sessions | Fee: \$42 | 3:35-4:40PM**

Egg Decorating “Egg” Stravaganza (Ages 3-Gr. 5 w/Adult)

Have you ever wished you could try more than one of the new egg decorating kits, but you just didn't want that many colored eggs? Bring a special grown-up in your life and come to our “Egg-stravaganza” to try a bunch of different kits all on the same day! We'll even top off our party with our own plastic egg hunt! We will provide the hard-boiled eggs for decorating and the plastic candy-filled eggs for the hunt. An adult must attend with each child, but does not need to register.

2362.261 **Sa Mar 25** **9:30-11 AM**
Northrop-Rm 112 **1 Session** **\$19**

Valentine Party Prep (Ages 5-Gr. 5 w/Adult)

This is a celebration all about sweetness. We will make sweet candy-favors to decorate our table or give as gifts, and we will learn some basic cake decorating techniques as we decorate Valentine cookies with frosting and candies. An adult must attend with child, but does not need to register.

2319.261 **Sa Feb 4** **9-10:30 AM**
Northrop-Rm 112 **1 Session** **\$17**

Mother/Daughter “Spa” Day (Ages 4-Gr.5/Adult)

Come to the “Northrop Spa” for stress-relieving fun! If mom isn't available, bring another adult friend along. Make bath soaps, fizzy bath bombs, and other spa treasures. Finish the day by painting each other's nails and enjoying a sweet spa treat! An adult must attend with child, but does not need to register.

Health + Safety

Back to Nature

Backyard Chicken Ranching (Ages 8 & Up w/Adult)

Keeping up to three hens as backyard pets in Rochester is legal with a permit. A few hens make quiet, inexpensive and entertaining environmental backyard pets. Come learn the basics of keeping urban chickens. Following a "how to" discussion, we will board the Quarry Hill Critter Coach for a parade of local backyard chicken homes. An adult must attend with the child.

3581.261 Sa Apr 15 1:30-3 PM
Quarry Hill Nature Center 1 Session \$40 Adult/child

Raise Your Own Butterfly (Age 3-Gr. 1/Adult & Gr. 2-5)

Witness the wonder of the butterfly life cycle with this child-and-insect friendly habitat that you will create. Take your caterpillar and habitat home and watch the transition as it matures, changes into a chrysalis, and finally emerges as a Painted Lady Butterfly.

Class includes instructions, habitat, supplies, butterfly larvae, and food. An adult must attend with child ages 3-Gr. 1.

ATV-All Terrain Vehicle Safety (Ages 11 & Up) P

If you are interested in driving an ATV in Minnesota and you are between 11-16 years old, you are required to take the ATV Safety course. Upon completion, the student will receive a certificate that is honored in most states including Iowa and Wisconsin. OHM operators under 16 years old are required to have an OHM Certificate to operate on public lands, frozen waters, and state or grant-in-aid trails in Minnesota. DNR ATV/OHM Safety Training class includes topics on: Basic operation, common parts, and controls, operating safely and responsibly, trail riding, rules and laws, riding skills and protecting the environment. Complete the MN ATV/OHM Rider's Safety Class online at: Offroad-ed.com (the fee for the online course is \$29.50) for students 11-16 years old. The DNR Information Center number is 888-646-6367 or 651-296-6157 for questions. Or call Community Ed at 507-328-4000. Part 2 takes place on May 13. You MUST BE 11 years of age or older BEFORE the class start date to be eligible to take this class. Class will include safety techniques, riding methods, legal requirements, first aid, and hands-on riding skills. Parents must accompany their child to class to sign the DNR forms. Class is taught by DNR Safety Instructors. Bring your lunch including beverage. The classroom instruction will be held in the cafeteria at Mayo and the driving test will be held on the west practice field. Students can bring their own ATV to class. **Please bring a helmet, birth certificate, and a printed copy of the completion certificate to class.**

Home Alone (Gr. 3-7) P

Just mention the words "Home Alone," and children think of the excitement depicted in the movies of the same name. The reality of being home alone can evoke fear and anxiety in many children. Whether left alone for an hour after school or several hours a day during the summer, children should feel comfortable being alone. This workshop for children will address several topics relating to being "Home Alone". Topics include personal safety tips, stranger danger, basic first aid, fire safety, handling the unexpected, internet safety, dealing with loneliness and boredom, storm safety, dealing with siblings as well as trust and honesty. **Please bring a drink and snack.**

Be Prepared...NOT Scared! (Gr. K-2) P

Have you ever seen someone fall over and hurt their leg? Or perhaps you know someone who's been very ill? Have you ever been near an accident? Imagine being able to help out in each of these situations - that's what First Aid is all about. Children can make a difference in an emergency situation and the most important thing is for them to know simple basic first aid steps to follow in different situations. Topics include: recognizing an emergency and knowing what to do, calling 911, basic first aid techniques, personal safety tips, stranger danger, and gun and fire safety. **Please bring a drink and snack.**

Master the Challenge

City-Wide Spelling Bee (Gr. 2-5)

Join the fun! The Bee will start promptly at 1:00 PM. Participants will start in the championship round. When a word is missed, continue in the consolation round. Certificates and refreshments will be given to each participant. Parents/adults are welcome. Check-in is from 12:30 PM-12:50 PM ONLY. Registrants will compete with students in their own grade level. Practice word lists can be obtained on the Community Education website by clicking www.rochesterce.org/youth. While these words will comprise the vast majority of the words used in the event, the judges WILL INCLUDE WORDS NOT CONTAINED IN THE PRACTICE WORD LIST. Awards ceremony immediately follows the spelling rounds. Volunteers are needed. If interested in volunteering, please contact Kathy Jensen at Kljensen10@charter.net or (507)951-7746 (Co-sponsored by Rochester Area PTSA Council, Rochester Optimist Club, Community Education, and the Century National Honor Society. **Registrations will NOT be accepted at the door on the day of the event.**

Century High School-Cafeteria 1 Session \$5

Chess (Gr. 1-5)

Participation in chess has been shown to increase test scores in reading and math. Chess helps develop critical thinking, problem solving abilities, concentration, memory, attention span, patience, sportsmanship, and other skills. Students will learn basic principles and strategy of how to open a chess game, how to conduct the middlegame, and how to win (or avoid losing) in the endgame. Many other basic to advanced level tactics are also taught. Class is for beginning to advanced players.

Doorway to College ACT Prep Seminar

(Gr. 10-12) P

The national ACT exam will be given to all juniors in Rochester Public Schools on Tuesday, February 28th.

This intensive test preparation seminar is designed to coach high school students to do their best on the ACT Test. The participants can expect to:

- Learn tips for improvement in all sub-tests.
- Practice strategies to eliminate wrong answer choices.
- Prepare to write a well-organized, persuasive essay.
- Take shortened practice tests that mirror the actual testing experience.
- Reduce test anxiety and gain confidence.
- Receive a comprehensive Study Guide and practice-test workouts.

There will be a 45 minute lunch break, during which students are responsible for their own lunch. Please bring two pencils and a calculator to the seminar.

Advantage ACT Test Preparation

(Gr. 10-12) P

The national ACT exam will be given to all juniors in Rochester Public Schools on Tuesday, February 28th.

Advantage Educational Programs provides an introduction to the ACT format and strategies for answering questions as well as instruction for the specific subject areas to be tested. This course is designed for students who wish to improve their test-taking skills and overall score on the ACT college entrance exam. Focal points of the program include: * Diagnostic testing * Science reasoning * Intensive mathematical review * Reasoning comprehension improvement * Concentration improvement * Overcoming test anxiety * Time management. Please bring notebook paper, pencils, calculator, and a small 3-ring binder or folder.

Rocket Science 101: Water Bottle Rockets (Gr. 1-5)

Start your career as a rocket scientist today! We will be designing, building, and launching our own water and air powered rockets. We will learn rocket science concepts including Newton's Law of Motion, aerodynamics, and principles governing rocket stability. We will

also learn how to measure how high our rockets go, and see who can build a rocket that flies the highest. Parents/guardians and siblings are encouraged to attend the launch.

3097.161 **Sa Apr 22** **9 AM-12 PM**
Mayo High School-Rm 2-221 **1 Session** **\$32**

Engineering Exploration (Gr. 2-6)

Engineers take scientific knowledge and make useful things from it. Make a variety of polymers with different properties. Learn about load demands by building a simple structure. Analyze an old appliance (such as a hair dryer, toaster, clock, radio) that is ready for the scrap heap. BRING an old appliance if you have one to discard. Parents, please cut off the electrical cord before sending the appliance with your child. We may have extra appliances on hand if your child can't bring one.

3041.361 **Sa Apr 22** **9 AM-12 PM**
Northrop-Rm 316 **1 Session** **\$21**

Robotic Builders (Gr. K-3) P

Yes, we CAN learn about Robotics! With the LEGO® WeDo Robotics System, young children can build and program their own robotic creations.

Possible models may include: Dancing Birds, Hungry Alligator Robot, and a Smart Spinner Robot. Students working in teams will work with simple machines, program models they design and create, measure time and distance, write, and much more! Your students will build LEGO models featuring working motors, tilt sensors, motion detectors, and LEGO USB Robotics Hub. **Class will be held at Northrop in room 109 on 4/15 and room 201 on 4/22. Please bring a drink and snack.**

Instructor: Computer Explorers

Northrop-Rm 109 & 201 2 Sessions \$83

3D Video Game Design (Gr. 3-6) P

Learn to create 3D games and challenge your friends.

Kodu, Microsoft's award-winning game design platform, is a new visual programming language that runs on Windows PC's.

Students working in pairs will learn the art of rapid game design and develop an understanding of underlying game mechanics. Students can choose from 20 different game characters – including flying saucers, submarines, and a Pac Man-like Kodu main character – then use an interactive terrain editor, a bridge and path builder, and other tools to create their own 3D game world. Bring a USB drive to save your games. **Please bring a drink and snack.**

3030.261P Sa Feb 4-Feb 11 9 AM-12 PM
Northrop-Rm 109 2 Sessions \$83

Robotic Engineering with LEGO EV3 (Gr. 3-6) P

Combining the versatility of the LEGO® building system with the most advanced technology LEGO has developed; unleash the creative powers of the new LEGO MINDSTORMS EV3. We will teach students math, engineering, and robotic concepts by working through step-by-step building projects, and example programs, to create these amazing robots. **Please bring a drink and snack.**

Instructor: Computer Explorers
3031.261P Sa Mar 4-Mar 11 9 AM-12 PM
Northrop-Rm 109 2 Sessions \$83

Mindstorm EV3 Battlebots (Gr. 4-8) P

New Class with new builds and challenges! Combining the versatility of the LEGO® building system and the Mindstorms EV3 (the most sophisticated microcomputer brick ever made by LEGO), this class will energize and excite students. Working in teams, students will construct fun LEGO models, experiment with programs, and compete in robotic challenges. Robot building, block programming, and teamwork will be part of the activities. Final challenges will be centered on target hitting and a sumo battle. **Please bring a drink and snack.**

Instructor: Computer Explorers
3034.261P Sa May 6-May 13 9 AM-12 PM
Northrop-Rm 112 2 Sessions \$83

Robotic Builders: Sports & Adventure (Gr. 1-4) P

New Models, using the LEGO® WeDo Robotic System! Learn basic programming skills, simple engineering concepts, and how to use robot components. Models may include a soccer player, goal keeper, and racer. This is a great way to prepare your young robotic enthusiast for our more advanced Robotic programs! Your student will build LEGO models featuring motors, tilt sensors, motion detectors, & USB Robotics Hub. **Please bring a drink and snack.**

Math Masters Boot Camp (Gr. 5) P

Math Masters Competition TRAINING is for students currently in 5th grade that are interested in competing in the Math Master's Program starting in the fall of 2017/2018 school year. This class will be made up of practice fact drills and tricks to finish all of the 75 problems in 5 minutes. Topics covered will include: types and properties of numbers, fractions, decimals and percents, money and problem solving, linear equations and systems, distance, speed, and time, pie chart and bar graph, patterns and sequences, beginning geometry, elementary statistics and probabilities. Curriculum is based on the previous year's Math Masters tests. Students from around Rochester areas are also welcome. Class fee includes a \$95 charge for CD tests. Instructor: Xianshu Wang, PhD (Smart Math LLC).

GATEway Science Fair (Gr. 3-6)

Saturday, February 25, 2017
12:30-4:30 PM
Mayo Clinic Gonda Building
Landow Atrium

GATEway's Annual Science Fair is open to ALL interested students in grades 3-6 currently enrolled in any public, private, or home school in the greater Rochester area.

Before the science fair, think of a topic that interests you and then do an experiment at home to learn more about it. Explain your experiment with pictures, words, and graphs on a display board. Bring your board to the Science Fair to explain your project to the reviewers. You'll see a fun Science Museum of MN presentation and receive a certificate of participation, written reviews of your project, and a cool T-shirt!

Please see rules and full information at <http://www.rochestergateway.com>. Registration deadline is February 1st, late registrations will be accepted as space allows; however, late registrants are not guaranteed a T-shirt. There will be no refunds after February 6, 2017. An adult must attend with student; family members are welcome to attend free. When registering, please indicate T-shirt size (youth S, M, L or adult S, M, L, XL) and project category (biology, chemistry, physics, consumer science, earth/environment, engineering/math, or other/undecided). If you are working with partners, each member of the group must register separately and identify each other as partners when registering. Please note: pictures for publication WILL BE TAKEN at the fair. Park in the Damon Ramp.

Watch for electronic communications from Rochester Public Schools or check our website for more registration details. Monitor our website for upcoming information.

The Science Fair is run by volunteers who would welcome your help. Contact Dee at 285-1658 with questions, to inquire about financial assistance for project expenses or to volunteer.

“Matilda The Musical” at the Orpheum

(Ages 6 & Up w/Adult)

“Matilda The Musical” is the story of an extraordinary girl who, armed with a vivid imagination and a sharp mind, dares to take a stand and change her own destiny. Based on the beloved novel by Roald Dahl, Matilda continues to thrill sold-out audiences of all ages on Broadway and in London’s West End. The Wall Street Journal says, “The makers of Matilda have done the impossible – triumphantly! It is smart, sweet, zany and stupendous fun.” “REJOICE. It is even more glorious than promised.” – The New York Times “WELCOME TO THE DELIRIOUSLY AMUSING, HEARTWARMING, HEAD-SPINNING WORLD OF MATILDA THE MUSICAL. YOU WON’T WANT TO LEAVE.” – Bloomberg News

Middle School Prep

This is your chance to get a sneak peek and insider tips that will help you survive your first year of middle school. Middle School Prep will take place from 8:00 AM-12:00 PM on June 12-16. During the four hours each day that you will spend with us, you will get an opportunity to become familiar with the middle school you will be attending next fall. Middle School Prep will give you a taste of what a typical school day would look like as you move from class to class and hit topics such as "6th Grade Survival Skills," "The EXTRAS," the CLASSics 101," "Fine Arts", and "The EXTRAS." Don't miss your chance to get a head start to the school year.

Kepler Star Wheel and Rochester at Night-Planetarium (3 Years-Gr.3/Adult)

Families participate in a simple, hands-on project to construct a Kepler Star Wheel. This take-home tool will help you find visible stars in the night sky that have planets orbiting them, including planets outside our solar system! After construction, we will use the star wheel while taking a tour of the current night sky above Rochester. An adult must accompany and participate with child. Class is held at **Mayo High School, 1420 11th Ave SE, Rochester.** Please enter through

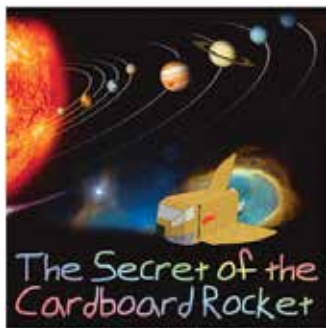

door #6.

Registration Information

Prompt registration is encouraged as space is limited and classes may fill quickly. Additional class times may be added if needed. Please call Community Ed at 328-4000 with any questions regarding class openings.

Class Cancellation Policy Prior to Start Date

Class cancellation must be made a minimum of one week prior to the class starting date for a full refund (unless otherwise noted). If you cancel with less than a week notice, prior to the first class, you may be issued a refund minus a \$5 processing fee and any costs incurred (including supplies, food, and salaries). **No refunds 72 hours prior to class start date.**

Class Withdrawal Policy After Start Date

You may withdraw from classes of three sessions or more after attending the first session. You must notify the Enrichment Office, 328-4000 of your intent to withdraw prior to the second class. Unless otherwise indicated you will be issued a prorated refund minus a \$5 processing fee and any costs incurred.

Inclement Weather

If Rochester Public Schools are canceled for the day, all Community Education day and evening classes are canceled.

If school begins late, Community Education classes will not meet in the AM session. Classes that begin at noon or after will be held.

If school dismisses early, all **after-school** Community Education classes are canceled. A decision about evening classes will be made by 3 PM and posted on the Weatherline.

If school is not canceled, but the weather is hazardous, evening classes may be canceled by 3 PM. **Please call the CE Weatherline for more information at: 507.328.4010**

Transportation

Parents are responsible for their student's transportation unless noted otherwise. When picking up your student from class, please be prompt, as additional supervision is not provided after class.

Scholarships

Families who have an income that would qualify them for the free or reduced lunch program may receive a 50 percent reduction in class fees up to \$25 per child, per brochure. Families may call Community Education at 328-4000 for additional information.

Waiver of Liability Notice

I understand that Independent School District #535 and Community Education are not responsible for any injury to my son or daughter, and I have my own insurance and/or I will be responsible for all services provided by a health care provider, hospital, and/or ambulance service.

Email Note: It has been brought to our attention that some families with Hot-mail, or other email providers, have not been receiving emails from Community Education. We recommend that you add our domain (rochester.k12.mn.us) as a Safe or Trusted Sender to your email account.

REGISTRATION FORM (Please read)

Step one: The information you provide here will be entered and payment processed. You will receive a confirmation email or phone call when step one is complete and you are registered.

Step two: Please follow the link in your confirmation email to share any information we may need to know to keep you safe and to serve you to the best of our ability (e.g., health concerns or special needs). You may update this information in your account at any time.

Please call 328-4000 for assistance. Although Community Education is part of Rochester Public Schools, we do not have access to information you may have provided to other departments of the school district.

"This initiative is funded in part by a Federal 21st Century Community Learning Center grant through the Minnesota Department of Education."
