Welcome

Welcome to the 2011 Fall Rockwood Community Education program brochure! As we head towards the start of another school year, we're excited to be bringing back our most popular programs, as well as introducing several new programs for Rockwood patrons. Here is just some of what you can look forward to this fall:

- **Basketball, Indoor Soccer, Tennis and Volleyball programs** will once again offer an opportunity for all children in grades pre-K-8 to get great exercise while having fun (grade levels vary by sport). The sports programs are open to all children living inside or outside the district, including those attending private schools. See pages 21 – 24 for more information.
- **e • hour** is back and better than ever featuring several new program partners! Choose from a variety of elementary after school enrichment classes that appeal to all likes and interests. See page 18 for more information.
- A new **evening driver's education program** is being offered at Lafayette High school this fall that will include classroom instruction, behind the wheel drive time and in-car observation. In addition, drive time only is being offered at all high schools for students registered in the district's school year driver's education program. See page 19 for more information.
- **Holidazzle** is back this December with all new performances by Rockwood's own Intermediate Honor Orchestra and Show Choir. Join us as we dance, sing and play our way through this annual tradition. See page 26 for more information.
- The **Rockwood Magic Troupe** is a new district-wide group that will teach individual and team magical feats to be showcased in a performance for family and friends this December. See page 20 for more information.
- Beginning with the 2011 – 12 school year, all **district science adventure trips** will now be administered by the Community Education department through the Babler Outdoor Education Center. Join us as we set off to explore science and nature across the country! See page 17 for more information.
- Starting this fall, **SwimAmerica** is now offering Saturday swim lessons for youth at Rockwood Summit High School. In addition, beginner swim lessons for adults are being offered on Saturdays at Crestview Middle School. See pages 8 – 14 for more information.

Patron Testimonial

The Rockwood Adventure Club program provides my child with a positive, structured learning environment. He enjoys interacting with his peers and all the activities the program offers. I am thankful that a quality after school childcare program like Adventure Club exists at a reasonable price. When my son is at Adventure Club, I know he's being well-taken care of.

DeAnn Gould-Lancaster, Adventure Club patron

I have been an Adventure Club mom for 4 years now, and have always been impressed with how much the staff cares about my children and how hard they work. When speaking with parents from other districts, I am constantly thankful that my kids get to go to Adventure Club in Rockwood—it's the best and I recommend it wholeheartedly to any parent for their children.

SwimAmerica is a state-of-the-art, learn to swim program developed by the American Swim Coaches Association that is goal driven and technique oriented. All instructors are trained and certified by the SwimAmerica site supervisors.

SwimAmerica is taught in ten stations:

Station 1: Bubbles

Station 6: Backstroke

Station 2: Floats & Glides

Station 7: Breaststroke

Station 3: Kicking

Station 8: Butterfly

Station 4: Crawl Stroke

Station 9: Lifetime Strokes

Station 5: Freestyle

Station 10: Individual Medley

SwimAmerica teaches more than just how to swim. Proper techniques are emphasized, with attention given to correct body position, movement of arms and legs, breathing and timing of the strokes. In all stations, the students will focus on safety, fitness, health and fun.

Each new student will be evaluated and placed in the station that best suits their ability. A returning student will be placed in the station they were working on at the end of the last session. The site supervisor will track each student's progress and station placement. Please remember that all students learn at a different rate.

After station ten of the SwimAmerica program, the student will be able to swim 300 yards of freestyle and be proficient in all four Olympic Strokes: butterfly, backstroke, breaststroke and freestyle. They will also have the skills necessary to join the Rockwood Swim Club, one of the premier USA swim teams in the country.

Registration Policy: There is a high demand for SwimAmerica classes, so early enrollment is encouraged. Classes are filled on a first-come first-served basis. We reserve the right to limit enrollment

Refund Policy: A \$3 processing fee will be charged for all refunds. You must call and cancel at least five business days prior to the start of class to receive a refund. Refunds will be given at the end of the session if a class is cancelled. Cancellation of classes will be at the discretion of the Rockwood Community Education office. **There will be no make-ups if you are unable to attend a class.**

Patron Testimonial

“After trying other programs, I have found that SwimAmerica is the most effective program for teaching my children how to swim, and how to improve their swimming techniques. The instructors are watchful and helpful. I highly recommend the SwimAmerica program.”
