## Cinderella-The Play's the Thing Production

*The Play's the Thing Production*

Ages 6-14

Cinderella (by Kaye Umansky) wants to go to the ball, but can't because her truly ugly sisters, Ravioli and Semolina, won't allow it. It's the story of *Cinderella* with some very funny characters and splendidly silly and sing-able songs. Despite the outrageous behavior of the truly ugly sisters, Ravioli and Semolina, the Fairy Godmother makes absolutely sure that Cinderella goes to the Ball...

Care is available on most Non School Days. These days are not included in the regular tuition and may be selected as needed. (See Non School Days below.)

#### Activities

Students involved in Kid Connection will have the opportunity to participate in a variety of learning experiences each day. Science and math exploration, literacy and homework time, gym, and outside play are just some of the available activities. Activities in Kid Connection are choice based so that your child will have the opportunity to self select areas of interest while learning crucial responsibility and decision making skills. Kid Connection welcomes students of all abilities and will provide reasonable accommodations to help all students participate fully and successfully in our program.

#### Non School Days

Care on Non School Days is located at Meadowview and North Trail Elementary schools. Activities include field trips, cooking, sports, music, and arts. Breakfast and an afternoon snack, as well as any field trip, costs are included in the daily tuition.

Field trips may include movies, museums, waterparks, bowling, skating and parks as well as other unique opportunities. Space is limited, so register now!

## Wee Tigers

**Ages 3-5 years**

*Discovering the Fun in Learning*

Half day, Part week, September through May

The Wee Tigers Program offers each child a positive learning environment, and prepares the child for Kindergarten entrance. Learning is individualized through play, focusing on age appropriate core areas: critical thinking, personal and social development, phonemic awareness and letter recognition, reading and math concepts, science, art and discovery.

*Tuition is monthly September - May*

*Locations: Meadowview, Riverview, North Trail*

## Stepping Stones

**Ages 3-5 years**

*Providing the Foundation for Life Long Learning*

Full day, Full week, Year round

Stepping Stones provides the perfect stepping stone into Kindergarten!

We encourage children to progress at their own pace, according to individual needs and abilities. Play-based learning centers for math, science, dramatic play, music, and creative art provide opportunities to balance and stimulate both shared and independent learning experiences. This full day option is open 6 am – 6 pm. Children enrolled in Stepping Stones have the option to attend Wee Tigers one, two, three, four or five days per week (depending on the child's age) or Stepping Stones only.

*Tuition is weekly, 12 months*

*Locations: Meadowview, Riverview, North Trail*

## Time for Kids

**Ages 3-5 years**

*Where Every Day is an Adventure*

Half day, Part week, September through May for qualifying families

Time for Kids grants children and their parents two opportunities for learning. Time for Kids offers a two- day a week “children only” Early Childhood class. The children will participate in age appropriate preschool activities. Time for Kids is a collaboration with the Early Childhood Special Education program. These classes give typically developing children an opportunity to learn to play with their peers who have special needs. Family Events are scheduled several times throughout the school year. These events offer a time for parents and children to play together and a session for parents to get valuable information about their child. Parents are encouraged to attend all of the Family Events for each session. The Family Events are included in the class fees.

*Tuition is determined by a sliding fee scale. Families must qualify. Tuition is paid four times per school year.*

*Location: Instructional Services Center ISC*

## Children gain skills and experience in:

- ▶ **Phonemic awareness and letter recognition**
- ▶ **Awareness of print and early reading concepts**
- ▶ **Number recognition and early math concepts**
- ▶ **Cooperative Learning**
- ▶ **Critical thinking**
- ▶ **Science, dramatic play, art, music and discovery**

## What makes our Programs Supreme?

- ▶ **Curriculum** - Developmentally appropriate, our integrated curriculum helps children make connections between content areas, build on previous learning, and strengthen their understanding of concepts. For optimal learning, our curriculum offers both child-guided and adult-guided experiences.
- ▶ **The Environment** - Our classrooms are equipped with age appropriate materials and toys just the right size!
- ▶ **Preparation for Kindergarten entrance** - We provide an environment and curriculum alignment with the kindergarten standards, that allows for a smooth transition to the Elementary Schools.
- ▶ **Our Well-Trained Teachers and Staff** - Our highly educated and qualified teachers and staff are intentional in planning lessons and activities and selecting strategies that promote learning and support the growth of the whole child. They are enthusiastic and passionate about teaching young children and provide a loving and warm atmosphere for learning.
- ▶ **Multiple and Flexible options** - Our programming is scheduled with flexible options, with full or half days, 1-5 days per week, school-year, summer, or year-round choices.

## Learn to Swim with Community Education

*All classes are held at Dodge Middle School*

Farmington Community Education Aquatics Programs provide parents and children with important and useful information about strokes, skills, and water safety. We help teach people to swim, to be safer in, on and around water and what to do in the event of an emergency. Please read the course descriptions carefully.

### Aqua Kids (parent/child class)

Aqua Kids is for young children new to swim lessons. Skills range from water adjustment to movement in the water with flotation to some independent swimming. Guided sessions help students learn elementary skills including: water entry and exit; bubble blowing; front and back floats; kicking; rolling over with assistance; life jackets; and more. An adult must be in the water with each student.

### Refund Policy

Community Education reserves the right to cancel any activity due to insufficient enrollment. When an activity is cancelled the department will make every effort to contact registrants 48 hours before the scheduled start of the activity. Complete refunds are given when this occurs.

If you need to cancel your registration please call 651-460-3200 as soon as possible to request a refund.

If you contact us more than 5 business days before the class you can:

- ♦ Receive a refund minus a \$5 processing fee
- ♦ OR select a different class in the same brochure

If you cancel your registration less than five (5) business days prior to the start of the class or activity, there will be no refund.

### Photos

District 192 Community Education periodically takes pictures of participants in our classes and during other sponsored activities. These photos may be used in the Community Education catalog or other promotional materials. If you do not wish to have your picture taken or published you must provide us written notice in advance.

### Non-Discrimination

It is the policy of Independent School District #192 not to discriminate on the basis of race, color, national origin, creed, religion, sex, marital status, parental status, sexual orientation, status with regard to public assistance, age, disability, family care leave status, or veteran status.

### Discounts

#### Seniors

Anyone age 65 and older who lives in the Farmington School District may register for Community Education Classes at a 10% discount. However, you will be charged full price for any materials used in class. Some classes not eligible for discounts. See class descriptions for details.

### Scholarships

A limited number of funds are available each year for ISD 192 youth to participate in selected youth enrichment classes, activities and sports through Farmington Community Education. These scholarships are generously funded by the Farmington Rotary Foundation and the Louis Schmitz Foundation. To request a scholarship application, please call 651-460-3200. A child is eligible for one scholarship award per quarter, scholarships are awarded up to one half of the registration fee. More information about the Rotary Club of Farmington is available at [www.farmingtonrotarymn.com](http://www.farmingtonrotarymn.com) and the Louis Schmitz Foundation at [www.louisschmitzfoundation.org](http://www.louisschmitzfoundation.org).

All UCare members may take up to a \$15 discount per class on most classes. If a class is less than \$15, the member may take the class free of charge. Members must be enrolled with UCare at the time of registration, and throughout the duration of the course. Members will need to include their UCare ID number when registering. Please call to obtain a UCare discount.
