Our new Microsoft Office Techniques classes are designed to give you the knowledge you need in less time. In two hours, you'll learn specific Word or Excel skills to enhance your productivity at work.

Microsoft Office Techniques

Excel Charts

321009

Learn how to create, print, and publish charts to the internet. Find out how easy it is to paste a picture of a chart, link a chart, embed a chart into a Word document, edit a linked or embedded chart, create organization charts, create SmartArt and more! Instructor: Rodriguez

Tuition \$29

Tue 1 session 8:30am-10:30am
6/17 Northside Learning Ctr C111

Excel PivotCharts and Pivot Tables

321010

Get the most out of your data. Use the PMT Function, create What-If data table, solve a problem with Goal Seek, use Solver to resolve problems, create Lookup functions, create PivotTables and PivotCharts, and use the PivotTable Field List. Instructor: Rodriguez

Tuition \$29

Tue 1 session 11:00am-1:00pm
6/17 Northside Learning Ctr C111

Internet Integration with Excel

321011

Learn to save a worksheet as a web page, copy data from a web page, create a web query, link and embed Excel data, paste a picture, link data, edit linked data, embed data, and edit embedded data. Instructor: Rodriguez

Tuition \$29

Tue 1 session 2:30pm-4:30pm
6/17 Northside Learning Ctr C111

Word Mail Merge

321012

Learn to harness the powerful tool that Mail Merge can be. Instructor Richard Rodriguez will teach you how easy it is to use Mail Merge. Learn to create a new address list and how to use merge fields in a variety of documents.

Tuition \$29

Tue 1 session 8:30am-10:30am
6/24 Northside Learning Ctr C111

Word Tables

321013

Learn the fundamentals of creating a table, entering data, selecting data in a table, and how to change Table Structure, and Format a Table. Instructor: Rodriguez

Tuition \$29

Tue 1 session 11:00am-1:00pm
6/24 Northside Learning Ctr C111

Enhance Documents and Automate Tasks Using Word

321014

Spend an afternoon learning about Desktop Publishing. Richard Rodriguez will show you how to create newsletter columns, set column widths, insert column breaks, and balance columns. Find out about layout and design, using dropped capitals, enhancing a document with borders and shading and more.

Tuition \$29

Tue 1 session 2:30pm-4:30pm
6/24 Northside Learning Ctr C111

Office Applications

Excel Level I 320625

Start your electronic spreadsheet training with the latest and easiest version of Microsoft Excel. Learn the fundamentals of the Excel to include working with worksheet basics, such as entering labels, values and formulas, editing and formatting a worksheet and chart creation.

Tuition \$39

Tue	1 session	9:00am-12:00pm
6/3	Northside Learning	Ctr C111
Sat	1 session	9:00am-12:00pm
6/7	Northside Learning	Ctr C113
Tue	1 session	1:00pm-4:00pm
6/17	Northside Learning	Ctr C113
Thu	1 session	6:00pm-9:00pm
8/7	Northside Learning	Ctr C111

Excel Level II 320628

Learn more about creating and editing Excel Charts, managing Workbooks, working with page layout and printing. Explore more Excel functions and formulas and learn how to create and manage data lists. **Prerequisite: Excel Level I.**

Tuition \$39

Mon	1 session	6:00pm-9:00pm
6/9	Northside Learning	Ctr C111
Tue	1 session	9:00am-12:00pm
6/10	Northside Learning	Ctr C111
Sat	1 session	9:00am-12:00pm
6/14	Northside Learning	Ctr C113
Thu	1 session	1:30pm-4:30pm
6/19	Northside Learning	Ctr C113
Thu	1 session	6:00pm-9:00pm
8/14	Northside Learning	Ctr C111

Excel Level III Filters and Functions 320620

Learn to create date and text filters for viewing information more efficiently. Learn how to use Subtotals, a powerful analyzing tool, and more fill-handle examples for filling/copying data more efficiently. This class also serves as a formal introduction to formulas and functions, so you will walk away knowing how to create formulas and copy them correctly using relative and absolute referencing. Use statistical functions (Sum, Average, Min and Max) and logical functions (If, And, Or) and paste special options. **Prerequisites: Excel Level I & II**

Tuition \$39

Mon	1 session	6:00pm-9:00pm
6/16	Northside Learning	Ctr C111
Sat	1 session	9:00am-12:00pm
6/21	Northside Learning	Ctr C113
Thu	1 session	6:00pm-9:00pm
8/21	Northside Learning	Ctr C111

Excel Level IV Formulas and Functions 320663

Review basic building-block functions and a few critical keyboard shortcuts that will speed up working with Excel data. Perform advanced searching and data retrieval with Lookup Functions, tabulate and sort data with counting and statistical functions, formulate data with text and math functions, and even work with financial data using advanced formulas. Practical examples that will help you transition to using these formulas and functions in real-world scenarios will be provided.

Prerequisite: Excel Levels I, II and III.
Tuition \$39

Sat	1 session	1:00pm-4:00pm
6/21	Northside Learning	Ctr C113
Mon	1 session	6:00pm-9:00pm
6/23	Northside Learning	Ctr C111
Thu	1 session	6:00pm-9:00pm
8/28	Northside Learning	Ctr C111

Word Level I 320646

Learn how to add, move through, and edit text; move words from one part of your document to another; work on two or more documents simultaneously; change the size or appearance of text; change margins and tab settings; automatically center, right align, justify, and indent text; run the integrated grammar and spell check; use the thesaurus, and save, retrieve, copy, organize, and more. **A working knowledge of personal computers is required.**

Tuition \$39

Tue	1 session	1:30pm-4:30pm
6/3	Northside Learning	Ctr C111
Tue	1 session	1:30pm-4:30pm
6/10	Northside Learning	Ctr C113

Word Level II Beyond Basic Formatting 320647

From Headers and Footers to timesaving formatting techniques, this course brings a lot to the table. This course explains each of the following features; Creating Hyperlinks, Page Breaks, Indents and Spacing, Margins, Setting Tabs, Formatting Tables, ClipArt, Pictures and Shapes. Whether new to Word or wanting to learn new techniques, gain insight for increased productivity and professional-looking documents with Microsoft Word. **Prerequisites: Word Level I.**

Tuition \$39

Tue	1 session	1:30pm-4:30pm
6/10	Northside Learning	Ctr C111
Thu	1 session	1:30pm-4:30pm
6/12	Northside Learning	Ctr C113

PowerPoint Level I 320650

Learn how to use Microsoft PowerPoint to create impressive slide presentations filled with formatted text, images, video, audio, animation, charts, and hyperlinks. Find out how to save your presentations so you can share them with others over the Web or on CDs.

Tuition \$39

Sat	1 session	1:00pm-4:00pm
6/7	Northside Learning	Ctr C113
Wed	1 session	9:00am-12:00pm
6/18	Northside Learning	Ctr C111

Powerpoint Level II 320500

Learn how to add effects, features and charts in Microsoft PowerPoint to enhance your current presentations. Delve deeper into PowerPoint's rich features by exploring the many text options, Adding Pictures and Charts, using SmartArt, Custom Animations and adding sound/movie clips. We will also learn about slide masters, content slides and action buttons while creating a non-linear presentation. **Powerpoint Level I**

Tuition \$39

Sat	1 session	1:00pm-4:00pm
6/14	Northside Learning	Ctr C113
Wed	1 session	9:00am-12:00pm
6/25	Northside Learning	Ctr C111

Access Level I 320629

Find out how easy it is to put this dynamic relational database management software to work for you. Learn the fundamentals of the Access user interface, along with database basics such as creating, saving, closing and opening an Access database. Learn how to create simple tables, with emphasis on understanding data types, field sizes and field properties. You will also learn how to create simple forms, select queries and reports from the tables you create.

Tuition \$39

Tue	1 session	1:30pm-4:30pm
6/3	Northside Learning	Ctr C113
Wed	1 session	1:00pm-4:00pm
6/18	Northside Learning	Ctr C111
Tue	1 session	1:30pm-4:30pm
6/24	Northside Learning	Ctr C113

Access Level II 320630

Understanding relationships between objects in an Access database is vital. Learn how to develop and create relationships between tables and how to use these relationships to develop simple and complex queries. **Prerequisite: Access Level I**

Tuition \$39

Thu	1 session	1:30pm-4:30pm
6/5	Northside Learning	Ctr C113
Wed	1 session	1:00pm-4:00pm
6/25	Northside Learning	Ctr C111

STUDENT INFORMATION

Northside Independent School District offers classes to the public for purpose of information, instruction, enlightenment, and example ONLY. Such classes are NOT to be construed as endorsement from the individual instructor, his/her company, or Northside School District. We urge all students to conduct their own research into subjects and courses of study.

TUITION AND FEES

- Tuition and posted book/supply fees are payable in full at the time of registration. Books are delivered to students at the first class meeting.
- Additional fees for course materials, supplies, and textbooks may vary. Students should be prepared to pay additional fees the first class session as noted in course description. Please do not send us supply fees that are payable to the instructor.
- Returned Check fee of \$25 will be charged for checks returned by your bank.
- Credit card use is subject to verification.
- Confirmation of Mail-in Registration will be sent if you supply us with a self-addressed stamped envelope.

REFUNDS AND CANCELLATIONS

- Classes cancelled by Community Education will result in full refund by mail or by credit card. Allow four to five weeks for processing of check and cash.
- Credit vouchers are good for one year only from date of issue.
- All class cancellations or transfers initiated by the student must be made in person or by phone (no email) and are subject to a processing fee of \$12 per course.
- Student-initiated refunds will be given (minus the \$12 cancellation fee) if requested at least two working days before the day of the first class meeting. After that time, no refunds can be given.

NO REFUNDS ARE ISSUED IF YOU FAIL TO ATTEND CLASS.

NOTE: Most of our classes are designed for adults only. 16 years and older may attend. Children under 16 are admitted depending on the nature of the class and must be accompanied by a paying adult.

Computers - Technology

Introduction To Computers & Windows Part I 320538

Learn computer terminology and have hands-on interaction using a word processor (MS Word), and spreadsheet (MS Excel). This course will provide you with a broad-based grounding and basic proficiency with these programs. No prerequisites. Instructor: Rodriguez
Tuition \$79

Mon 1 session 8:30am-5:00pm
6/9 Northside Learning Ctr C111

Introduction To Computers & Windows Part II 320539

Internet Security

Wireless 411 320543

Setting up a home wireless network is only one step of the process. Securing your wireless network is another piece of the puzzle that most home users do not give a second thought about. Learn what components make up a wireless network, how to set it up, and most importantly, how to secure it and protect yourself from hackers and intruders. Don't let yourself be exposed and let others surf for free on your network! Your instructor, Erik Estrada, is both a CompTIA Security+ and CISSP Certified Professional.

Tuition \$24

Mon 1 session 6:00pm-9:00pm
6/2 Northside Learning Ctr D128

Wireless Network Monitoring 320635

Wireless Internet is a great thing, but how do you administer your network? Your CompTIA Security+ and CISSP Certified instructor, Erik Estrada, will teach you some tools so you can monitor who is on your network and easily locate the 'bad' guys. Please bring your wireless network questions for discussion. Wireless 411 is a recommended prerequisite to help you better comprehend the class content.

Tuition \$24

Mon 1 session 6:00pm-9:00pm

How To Play The Piano By Ear 150032

Learn one of music's deepest mysteries; How to play songs without relying on music. A very practical presentation of music theory that includes predicting chord progressions, learning from recordings, and transposing, all expressed in everyday language. This is an ideal follow-up to the 'Instant Piano' class and is open to anyone who has a basic understanding of chords on any instrument. Expand your musical horizons, and free yourself from sheet-music dependence, and be the life of the party! Prior experience with chords recommended. **Materials fee of \$28 for the 'How To Play Piano by Ear' book and practice CD will be collected in class by the instructor.** Instructor: Coffman

Garden

Gardening 101 570045

Gardening can be intimidating. If you are unsure of how to get started, Dr. Harris will teach you how to plan a garden, soil preparation, how to build raised beds, composting, fertilizing, watering, and harvesting the veggies (the best part).

Tuition \$19

Tue 1 session 6:30pm-8:30pm
6/3 Northside Learning Ctr C112

Blooms in My Shady Yard 570055

Learn about plants blooming in the shade. There are a number of plants that thrive in the shade, it is knowing which ones to choose. In fact, many of the plant varieties shown and discussed in the class will die very quickly in the sunshine of South Texas. Dr. Tom Harris, a Texas Certified Master Gardener, Master Pruner, and gardening columnist teaches the class and answers questions.

Tuition \$19

Tue 1 session 6:30pm-8:30pm
6/10 Northside Learning Ctr C112

Building a Mini-Greenhouse 570039

Who would have thought you could build a plant shelter or a mini-greenhouse in less than two hours? In this course, we show you how it's done, what materials you need, what tools to use and how to set it up, stake it down, and cover it. These shelters stand up to wind gusts and rain storms and can be converted from a shelter to a greenhouse in very little time and with little effort or expense. Dr. Tom Harris, a Texas certified Master Gardener will also have his publications available at this class.

Tuition \$19

Tue 1 session 6:30pm-8:30pm
6/17 Northside Learning Ctr C112

Baby Steps in Landscaping 570056

Before you go out and spend the big bucks to hire a landscape designer or architect, there are many things you can do concerning the design of beds around your house and yard. You'll learn how to do the most of the basic design process yourself including some hands-on experience. Master Gardener, Master Pruner, and gardening columnist Dr. Tom Harris will help you get started on drafting your plan and offer tips on selecting and planting the right varieties. Please note the class is not a landscape designer or a landscape architect program.

Tuition \$19

Tue 1 session 6:30pm-8:30pm
6/24 Northside Learning Ctr C112

Getting Ready for Fall Gardening 570057

Whether or not you're ready, fall gardening is well underway by September. Learn what flowers, grass, trees, shrubs, and veggies will all do well with fall planting. The class will discuss bed preparation, selecting the right varieties of plants including planting, watering, and fertilizing them. Dr. Tom Harris, a Texas-certified Master Gardener, Master Pruner, and gardening columnist teaches the class and answers questions.

Tuition \$19

Tue 1 session 6:30pm-8:30pm
7/29 Northside Learning Ctr C113

Home

Solar Energy For Your Home 220379

Our world is changing and we must change with it. We must become better stewards of our resources and save as much money doing it as possible. Energy efficient homes to reduce costs and protect the environment are one of the biggest savings we as homeowners can control. But are they cost effective? How many solar cells would I need to provide enough electricity for my household needs? Alex Mendez, from Solar Community will teach you exactly what a solar panel is and how they work. There will be plenty of time to ask questions. Please bring paper and pencil to class. Instructor: Mendez

Learn the basics of modern saber fencing. Sabers are thin and rounded and tend to be wider and flat, and therefore less flexible except towards the tip. In a group setting with bouting (sparring) time, practice several types of attacks and appropriate defenses. No experience or equipment needed. **A supply fee of \$100 is payable to the instructor at class and covers cost of a fencing weapon, which you will own and the use of protective gear. All sessions will use saber weapons.** Instructor: Hardy

Tuition \$70

Thu	6 sessions	7:00pm-8:00pm
6/5	San Antonio Fencing Center	

Classes for Kids

Full Day Enrichment Camps

In addition to our full day camps offered through Learning Tree, YMCA, And Family Endeavors, we have several full-day and half-day week-long enrichments camps, as well as multi-session and single session classes. In many cases, you can combine morning and afternoon camps for a full-day option. Just ask at registration! Classes and camps are offered at NISD school locations, at the Northside Learning Center, and at community partner locations.

Camp Invention (Grades 1-6)

260089

Camp Invention is a nationally-acclaimed summer enrichment experience led by local certified educators. Each day, campers work in teams as they rotate between four fun thematic modules. Your child will explore the dynamic realm of the five senses on a bionic adventure, create morphing vehicles that operate on land, in the air and underwater, build an epic, insect-themed pinball machine, and invent and tinker with circuits and design solutions to nature-based challenges. We're building the future, one thinker at a time. **Register online at www.campinvention.org or call 800-968-4332** Instructor: Staff

Tuition \$260
M-F 5 sessions 9:00am-3:30pm
6/16 Kuentz ES Cafeteria

Young Rembrandts: African Safari Camp (Ages 6-12)

260088

Go on a Safari adventure with Young Rembrandts this summer! In this full-day, week-long camp, explore the exciting land and many animals that inhabit Africa. We will draw a variety of animals in various scenes with different media. Explore the African Safari through the fun technique of cartoon, and challenge our artistic talents by creating two large scenes. Projects, games, and crafts will round out the days. Our exploration through Africa allows for a bounty of adventure and creativity. **All materials are provided. Students should bring a snack, lunch and water bottle.** Instructor: Young

Tuition \$199
M-F 5 sessions 9:00am-3:00pm
8/4 Northside Learning Ctr C112

Full Day Enrichment Camps at the San Antonio Fencing Center

Love LEGOS?

Our Bricks4Kids camps are for you!

Mining & Crafting 1 (Ages 4+) 260081

At night monsters come out, so make sure to build a shelter before that happens! Kids will craft their shelters, some of the mobs, critters, and tools using LEGO® bricks. Campers will face new challenges each day, and will be building motorized Bricks4Kids models while crafting key elements from the popular game.
Tuition \$145

M-F 5 sessions 9:00am-12:00pm
6/9 Northside Learning Ctr C101
M-F 5 sessions 1:00pm-4:00pm
8/4 Northside Learning Ctr C101

Mining & Crafting 2 (Ages 4+) 260082

Steve is jumping for joy as he introduces the newest members of his Minecraft® world. Campers will be challenged to bring their virtual designs to life by building new mob figures, mosaics, and custom models, incorporating LEGO® Bricks.
Tuition \$145

M-F 5 sessions 1:00pm-4:00pm
6/9 Northside Learning Ctr C101

Space Adventures (Ages 4+) 260084

Your imagination and creativity will blast off as we introduce NEW motorized model builds for this engaging and popular theme. Learn about current developments at NASA, test your Star Wars trivia, design and race your own pod. Ignite your imagination as we explore and create things that really are out of this world! Themed games and challenges and creative building stations add to the fun!
Tuition \$145

M-F 5 sessions 1:00pm-4:00pm
6/16 Northside Learning Ctr C101

Kidz Favorites (Ages 4+) 260085

We'll build some of our favorite LEGO® themes and get a chance to play a bit too. This is your chance to experience some of our most popular builds from our camps and to let your imaginations run wild. Each day we will bring something a little different so that kids are free to explore and create anything their hearts' desire.
Tuition \$145

M-F 5 sessions 9:00am-12:00pm
7/28 Northside Learning Ctr C101

Ninjago (Ages 4+) 260083

This action-packed camps explores all things Ninja! We will learn about, create and play Ninjago characters, use standard bricks to construct arenas and dojos, and incorporate motorized models including launching spinners and Dragon Boat rides! Opportunities for creative free building, LEGO® based games and challenges and a small daily take-home ensure there is something for every LEGO enthusiast!
Tuition \$145

M-F 5 sessions 9:00am-12:00pm
8/4 Northside Learning Ctr C101

We have both morning and afternoon sessions. Combine for a full day option. To register, go online to www.bricks4kidz.com/sanw or call 210-900-2351.

Adventures in Fiction

Drama

Drama Kids: Renaissance Fair (Ages 5-12) 260079

Drama Kids is a unique combination of creative and entertaining theater activities such as silent scenes, improvisation, dialogue development, and theatre games. Students will explore their favorite characters from storybooks from around the world. Using the masks they have made the characters will come alive through an end of session performance. A T-shirt will be handed out at the end of class. **A \$20 supply fee is payable to the instructor at the beginning of class and will cover all supplies.** Instructor: Detamore

Tuition \$79

6/10 The Little Gym of Helotes

The Little Gym Way: Pre-K Gymnastics-Funny Bugs (Ages 3-4) 130163

Designed to help your child channel all that energy and reach developmental milestones, they will enjoy gaining greater strength, flexibility and coordination in structured gymnastics activities that are combined with a healthy dose of fun. Instructor: Rasmussen
Tuition \$ 58

Wed 4 sessions 11:00am-12:00pm
6/11 The Little Gym of Helotes

The Little Gym Way: Giggle Worms (Ages 4-5) 130164

Designed to help your child channel all that energy and reach developmental milestones, they will enjoy gaining greater strength, flexibility and coordination in structured gymnastics activities that are combined with a healthy dose of fun. Instructor: Rasmussen
Tuition \$ 58

Thu 4 sessions 5:30pm-6:30pm
6/12 The Little Gym of Helotes

The Little Gym Way: Gymnastics (Ages 6-12) 130165

A springboard to success, your child will enjoy learning basic gymnastics movements to help increase balance, flexibility, endurance, and agility to achieve a specific gymnastics skills proficiency. Instructor: Rasmussen
Tuition \$ 60

Thu 4 sessions 6:30pm-7:30pm
6/12 The Little Gym of Helotes

The Little Gym Way: Skills Thrills Camp (Ages 6-12) 260094

The Skills Thrills camp is designed to offer the perfect combination of skill-building, fun and success. These 3-hour camps offer a more intensive gymnastics skill-building opportunity for your child. By the end of each day, your child will have made significant strides toward the learning of the skill of focus. Instructor: Rasmussen
Tuition \$ 120

M-F 5 sessions 1:00pm-4:00pm
6/9 The Little Gym of Helotes

The Little Gym Way: Quest Camp (Ages 3-8) 260093

Each day of camp a theme is based on a fun, exciting mission or "Quest" that the kids are challenged to complete. Different themes and quests will cleverly incorporate all of our gymnastic equipment in a fun, totally new camp format. Each day will incorporate opportunities for the kids to practice their gymnastic skills and exercise their imaginations and cooperation skills - working together to complete each Quest. Instructor: Rasmussen
Tuition \$ 60

T,Th,F 3 sessions 9:00am-12:00pm
6/10 The Little Gym of Helotes

Dance Camp

Come jump and prance with Kinderdance. Dance not only teaches your child valuable skills, but it also provides a fun way to stay active and moving. Camp consists of a blend of dances, motor development, physical fitness, floor gymnastics, health/ discussion, and craft. Parent show on Friday during the last 30 minutes of class time. **Camp registration/medical release must be completed by parent at camp.**

Adult and Community Education

ACE Purpose Statement

To support Northside Independent School District's mission by encouraging the community to strive for personal excellence and lifelong learning beyond the classroom.

By visiting our website, www.nisd.net/ace you can find information on all of these programs, as well as the latest news, current schedules, and contact information.

COMMUNITY EDUCATION

Since the establishment of the Community Education Department in 1984, Northside Independent School District has fostered the concept of lifelong learning for all members of our society. Dedicated to the idea that the school is the center of the community, our doors remain open during "non-traditional" hours to offer educational opportunities that will enrich the lives of people both personally and professionally. 397-8100

APPRENTICESHIP

The pathway to a career with high pay and excellent benefits can be achieved by working in the Building Trades and Construction industries. 397-8107

ADULT EDUCATION

Adult Secondary Education classes include basic education and General Educational Development (GED®) preparation classes focused on helping students obtain the knowledge and skills necessary for employment, self-sufficiency and GED® certificate completion. 397-8109

GED® TESTING CENTER

GED® Testing is by appointment only at the GED® Testing Center. The General Educational Development Diploma, also called the High School Equivalency Certificate in Texas, provides proof of the completion of an alternative high school education. 397-8100

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL CLASSES)

English for Speakers of Other Languages classes help adults improve their English proficiency with curriculum focusing on reading, writing, speaking, and listening skills. ESOL students will gain knowledge and skills that will help them become active and informed parents, workers and community members. 397-8109

DISTANCE LEARNING

Distance learning classes are designed for students who are unable to attend regularly scheduled Adult Education classes Monday through Friday. The sessions are held primarily online using Internet activities with face-to-face workbook practice and tutoring sessions. 397-8952

PREPARING ADULTS FOR COLLEGE AND CAREER TRANSITION (PACCT)

PACCT is an intensive college preparation program designed to help adult students gain the knowledge and skills necessary for long-term college success. Course content areas include Introduction to College Algebra, Introduction to College Writing, and Student Development. 397-8129

EARLY ON/SCHOOL READINESS

The Early On/School Readiness program, through collaborations and partnerships, prepares young children to succeed as they enter school. 397-7960

TITLE ONE FAMILY LITERACY PROGRAM

Our Title 1 Family Literacy Program is a school-community partnership that helps break the cycle of poverty and illiteracy by integrating early childhood education, adult literacy or adult basic education, and parenting education into a unified family literacy program. 397-7960

FAMILY INVOLVEMENT

Our Family Involvement program works to encourage parents to participate in school activities and positively influence their child's education. 397-8930

PRECIOUS MINDS, NEW CONNECTIONS

Precious Minds, New Connections is a parenting education program designed to help parents and other caregivers of young children become knowledgeable about the critical development of their children. 397-7960

LEARNING TREE AFTER SCHOOL PROGRAM

Learning doesn't stop when the bell rings. The Learning Tree After School program provides a safe and positive environment for children while parents are still at work. Youth leaders engage students in enriching activities, homework help, and recreation. 397-8108

PLAZA COMUNITARIA

In partnership with other district departments and the Mexican Consulate, Plaza Comunitaria provides basic education, technology literacy, financial literacy, and parenting education for those with limited English proficiency. 397-7563
