### Dear Student:

Thank you for your interest in our Motorcycle courses. In this packet you will find course schedules and information.

Please note! The Basic RiderCourse – License Waiver and the Basic RiderCourse 2 – License Waiver include an online component that must be completed before you come to campus to take the classroom and riding portion. The MSF Basic e*Course* is included with your registration and must be completed within 30 days of your on campus class. If you have completed the e-course more than 30 days before the class start date, you must re-take it. Keep in mind the e-course takes about 3 hours to complete however, you can stop and start and work at your own pace. Please be sure to log out of the course and close your browser if you need to stop and resume later. Several students have reported issues with course progress when keeping the browser open for an extended period of time.

To access the MSF Basic e*Course* you will need a username and password from the college. If you are a brand new student these credentials will be generated and sent to the permanent address on file after you enroll in the course with our office. If you have any previous relationship with the College and do not have your credentials please contact our office to have your password reset and information mailed to your permanent address. **PLEASE NOTE**: Password resets cannot be emailed. They are available for pick up in person with a photo ID or can be sent to the permanent address on file. This process takes several days so please do not wait until the last minute to be sure you have your log on information. Once you have your credentials please visit <u>Student Username and Password Help</u> to create an alternate email and set up security questions so you may use the "Forgot My Password" tool in the future if necessary.

Once you are ready to take the e-Course you can visit our web page at <a href="https://www.hvcc.edu/students.html">https://www.hvcc.edu/students.html</a> and select MyHudsonValley Portal/Blackboard to access the course.
