**Be bold. Be a Viking.**

Dear Student:

Thank you for your interest in our Motorcycle courses. In this packet you will find course schedules and information.

Please note! The Basic Rider Course (for license waiver) and the Basic Rider Course 2 – License Waiver include an online component that must be completed before you come to campus to take the classroom and riding portion. The MSF Basic eCourse must be completed within 30 days of your on campus class. If you have completed the e-course more than 30 days before the class start date, you must re-take the eCourse (you can re-take it for free) by logging into Blackboard. Keep in mind the e-course takes about 3 hours to complete however, you can stop and start and work at your own pace.

To access the MSF Basic eCourse you will need a username and password from the college. If you are a brand new student these credentials will be generated and sent to the permanent address on file after you enroll in the course with our office. If you have any previous relationship with the College and do not have your credentials please contact our office to have your password reset and information mailed to your permanent address. **PLEASE NOTE:** Password resets cannot be emailed. They are available for pick up in person with a photo ID or can be sent to the permanent address on file. This process takes several days so please do not wait until the last minute to be sure you have your log on information.

Once you are ready to take the e-Course you can visit our web page at <https://www.hvcc.edu/students.html> and select MyHudsonValley Portal/Blackboard to access the course.

#### **Checklist for on campus component**

- **Bring MSF Basic eCourse certificate of completion**
- **Bring required riding gear & documents-** <https://www.hvcc.edu/rider>
- For questions or if you do not have computer access please contact Community & Professional Education at 518-629-7339 or [communityed@hvcc.edu](mailto:communityed@hvcc.edu).

Thank you and enjoy your course.

Sincerely,

Office of Community & Professional Education

# MOTORCYCLE RIDER COURSES 2017

## Basic Rider Course (for License Waiver)

**Students: Meet Instructor in Administration Building,  
Room 105. (North Road entrance to campus 2<sup>nd</sup> building on the right).**

- **Course Participant Eligibility:**

Any individual, 16 years of age or older, who wishes to participate in a NYSMSP (New York State Motorcyclist Safety Program), and receive the road test waiver upon successful completion of the Basic Rider Course (MSF BRC), **must possess a valid NYS driver's license OR a valid NYS DMV issued motorcycle driver's license.** Prerequisite: Students must be able to ride a bicycle.

Any person younger than 18 years must also have the written permission of his/her parent or legal guardian. (See "Item 3" on reverse under Bring with you.)

- **To qualify for the motorcycle road test waiver**, the student must hold a current and valid New York State driver's license and will be required to obtain a motorcycle learner's permit prior to using the completion card for endorsement. A permit is no longer required to participate in the course. Graduated licensing laws apply for the motorcycle endorsement **for persons under age 18.**
- **Per NYS DMV Regulation:**
  1. Student must possess a valid NYS driver's license or motorcycle license to participate in the course. Upon successful completion of the Basic Rider Course, a NYSMSP road test waiver card will be issued. You take it to NYS DMV, apply for the motorcycle permit, if you do not have one, pay any fees and you will receive the "M" endorsement. Graduated licensing laws apply to persons under age 18.
  2. You may take the course with a permit/license from another state but will not receive a licensing waiver unless your state recognizes the NYS program. Please check with your DMV prior to course.
  3. Any potential student who possesses a license that has been restricted due to one or more convictions for driving while impaired may not participate in any NYSMSP Rider Course until all restrictions to the license have been lifted. It is your responsibility to know this before you register, not ours.
  4. Questions regarding restricted or conditional licenses or any DMV regulations should be directed to Barbara at (518) 813-1717 or to your local DMV office.
- **SCHEDULE:** Students must allow extra time in their schedules for variables such as weather or other factors that may require staying later than scheduled.
- **SHORTER STUDENTS.** If you have a short inseam (less than 28" to ground with boots), please arrange to "try on" a motorcycle as soon as possible or at least one week before your class begins. You must be able to sit with both feet flat on the ground to learn safely. If you arrive at class and cannot do this and did not "try on" one of OUR motorcycles or scooters no refund will be given. Call Barbara (518) 813-1717 to discuss.
- **SCOOTERS** There are limited spaces available for students interested in riding a scooter only. You will be taught on a "Class A" scooter. Upon successful completion, with a valid permit, you will receive the NYS waiver for licensing. **You must reserve a scooter slot by phone registration only.**
