Welcome!

Welcome to summer fun in Gloucester County!

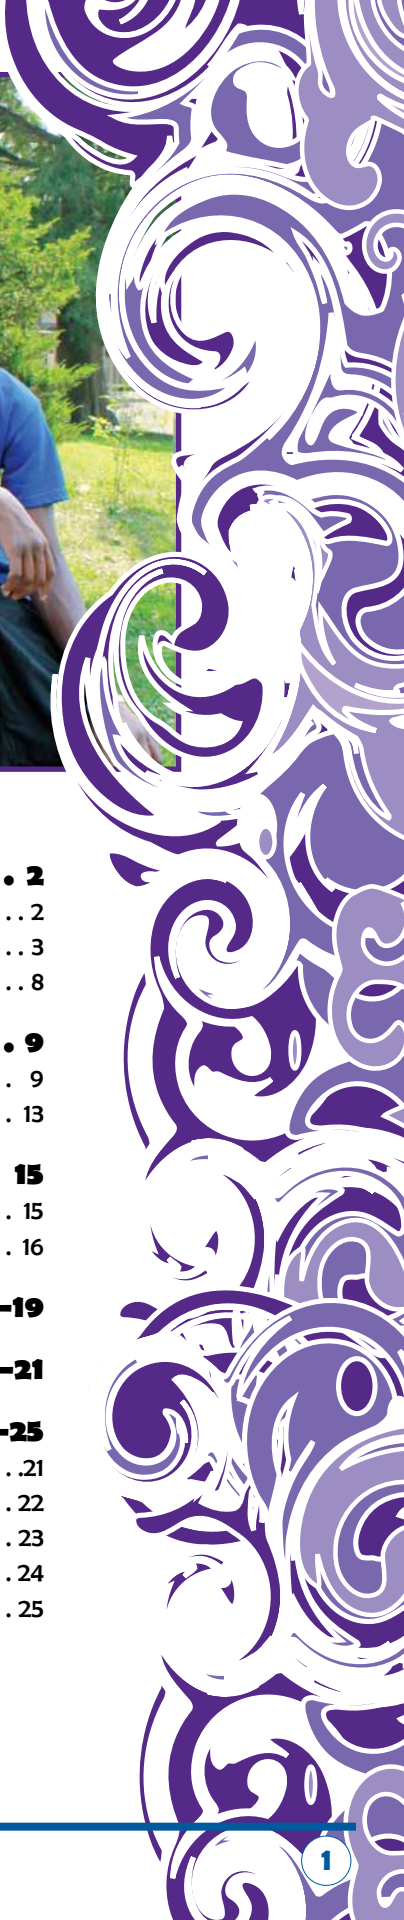

From computers to rockets, to pottery and theater, the Summer Camp Connections program at Gloucester County College has something to interest every child, preteen or teen! Most sessions run on a two-week schedule with camp activities housed on both the Gloucester County College (GCC) and Gloucester County Institute of Technology (GCIT) campuses. Make sure to look for the brand new teen camps designed for participants ages 14 to 17. In addition, one-week specialty camps are also offered.

The Summer Camp Connections program is exclusively tailored for kids between the ages of 6 and 17. Each program provides participants with numerous opportunities to expand their minds, cultivate new skills and explore new subjects. Certified teaching professionals run each session. The Summer Camp Connections programs also has special options for extended care.

All of the camps value each child's safety, incorporating fun, health and wellness as top priorities.

Provide a great continued learning experience this summer at GCC's Summer Camp Connections. You will be glad you enrolled your child ... and your children will be even happier!

The Elementary Camp Connections Programs

Come join the fun! The Elementary Camp Connections program welcomes children ages 6 to 11 to experience unique summer learning workshops with an amazing staff of counselors! Specifically designed for elementary school children, high-quality sessions offer interesting and educational options for every child to enjoy.

Age Requirement: 6–7
(Campers must be entering first grade this fall OR be six years old by Dec. 1, 2012)

All Elementary Camp Connections programs are held on the **Gloucester County College campus, located at 1400 Tanyard Road, Sewell, New Jersey, 08080** except when otherwise noted.

Programs run four days per week, from Monday to Thursday, for two-week cycles. Each day starts at 9:00 am and ends at 3:00 pm. Descriptions for special programs are listed below. Please note that camps will be closed Wednesday, July 4, 2012. Children may arrive as early as 8:00 am and depart as late as 5:30 pm with the Extended Care Option. Field Day Fridays provide additional time on campus.

NEW! Neverland Adventures

Come explore with the Neverland Adventure camp! From following maps, to finding buried treasure, to sprinkling fairy dust and creating all kinds of fantastic gadgets, boys and girls alike will love this hands-on camp. Each camper will create their own Neverland costume and play a variety of indoor and outdoor games. The week will end with a fantasy party including fairy dancing, pirate ship marauding and lots of yummy treats.

(CSC 616-02) — July 9 to 19

Age Requirement: 6–7 (Campers must be entering first grade this fall OR be six years old by Dec. 1, 2012)

NEW! Backyard Explorers

Backyard Explorers takes campers on an adventure to discover the wildlife surrounding the GCC campus. Children will cultivate both imagination and exploration skills, “stalking like a cat” to the homes of the underground tunnelers, high-wire acrobats and paddling pond-dwellers. Campers will cast tracks in plaster, collect specimens for study and revel in the wonder of the Great Outdoors! Please dress for hands-on activities that are located both inside and outside.

(CSC 617-02) — July 9 to 19

Age Requirement: 6–7 (Campers must be entering first grade this fall OR be six years old by Dec. 1, 2012)

NEW! Dinosaur Digs

Come join the Dino Dig at GCC and become a resident paleontologist. In this session, campers will find amazing “dinosaur” bones on the GCC campus! Finding specimens, excavating sites, recording, mapping, and identifying bones will fill each camper’s days. With activities both in the classroom and out in the field, children will learn an amazing number of dinosaur facts as they explore these Jurassic giants of the past. Parents are invited to attend the final day to tour the museum that will house the campers’ discoveries!

(CSC 618-03) — July 23 to August 2

Age Requirement: 6–7 (Campers must be entering first grade this fall OR be six years old by Dec. 1, 2012)

NEW! Unique Doll Creations

Campers will use imagination to create stuffed animal characters in their own made-up universe! Just like the Ugly Dolls collection, these unique creations from another world will be made using a variety of materials. Campers will be given an opportunity to learn basic sewing techniques. No experience is necessary, just the desire to create a world of wacky characters!

(CSC 619-01) — June 25 to July 6 (Closed Wednesday, July 4/Open Friday July 6)

Age Requirement: 8–11

NEW! Wonderful World of Art

Calling all artists! This summer workshop will give students the chance to explore the arts around the world. From Mexico’s Day of the Dead to the Chinese New Year, students will discover the world around them as they create their own original works of art. Each camper will walk away with an amazing portfolio of original artwork.

(CSC 620-02) — July 9 to 19

Age Requirement: 8–11

NEW!

Summer Jam Trash-can Band

Want to turn trash into treasure? Campers will transform “found sounds” into musical magic. With a little know-how and lots of junk metal, scrap wood, glass and plastic bottles, old pipes, car parts — whatever the children will dream up — they will construct, name and perform their garbage instruments in an ensemble setting. Along the way campers will learn the physics of sound, the basics of music theory and performance that will make their garbage band possible — look out Big Time Rush!

(CSC 621-03) — July 23 to August 2

Age Requirement: 8–11

Fairy Princess Camp

Enter a world of enchantment and fantasy! During this two-week camp, fairy princesses will spend their days creating crafts, dancing, singing and playing dress-up as their very favorite princess character. Fairy Princess Camp will take each child deep into the realms of imagination as campers share classic fairy princess stories from around the world! Each camper will create their own magic wands, write exciting fairy tales to perform and end their week with a Fairy Princess Tea Party!

(CSC 614-03) — July 23 to August 2

Age Requirement: 6–7 (Campers must be entering first grade this fall OR be six years old by Dec. 1, 2012)

Kids in the Kitchen

Kids in the Kitchen allows children to enjoy a kitchen and science laboratory-like setting in this hands-on, fun, cooking environment.

Children will explore their senses as they discover new foods and flavors, create and test new recipes and investigate candy-making, cooking and baking in this exciting camp.

(CSC 156-01) — June 25 to July 6 (Closed Wednesday, July 4/Open Friday July 6)

Age Requirement: 8–11

Cost: This camp has an additional \$30 materials fee

World of Wizards

This camp is packed with wizarding fun! After being sorted into “houses,” young wizards will magically spend their days dueling others, practicing defense against the dark arts, concocting potions, solving magical mysteries, competing in trivia games and breaking codes. Robes and other Harry Potter wizarding gear are more than welcome. Camp will culminate with a Wizarding Expo for parents.

(CSC 613-01) — June 25 to July 6 (Closed Wednesday, July 4/Open Friday July 6)

Age Requirement: 8–11

Kitchen Chemistry

Mad Science at a boiling point! Chemistry uses all of the senses — what one sees, tastes, touches, smells, hears and feels. Using everyday kitchen items, campers will explore the science of chemistry through hands-on activities and science experiments. Campers will investigate chemical reactions, density, PH matter and physical changes. Campers will create a version of homemade glue and silly putty, as well as edible creations of “butter me up” and peanut butter play dough.

(CSC 139-01) — June 25 to July 6 (Closed Wednesday, July 4/Open Friday July 6)

Age Requirement: 8–11

Cost: This camp has an additional \$30 materials fee

Clay Creations — Open Studio

Come to camp with imagination and get ready to explore clay and sculpture! Each day, campers will learn a new clay technique to make their own original ideas come to life. Some campers can make tea sets with matching plates and cups, while others can create monsters, bugs or aliens using the same methods as real ceramic artists. They will pinch clay, use coils, roll out and even utilize a pottery wheel — the camper decides! During the second week, pieces will be glazed so projects are safe for use. Get ready for a grand celebration on the last day!

(CSC 143-01) — June 25 to July 6 (Closed Wednesday, July 4/Open Friday July 6)

(CSC 143-02) — July 9 to 19

Age Requirement: 8–11

Cost: This camp has an additional \$30 materials fee

American Doll Summer Camp

This Camp enables children to come and experience an exciting, fun-filled week of American Doll Extravaganza! Participants and their dolls will spend a day at the GCC "Spa and Salon," creating their own hair designs and learning braiding basics. After coordinating matching outfits for the "American Doll Runway," campers will engage in a photo shoot that spotlights their own American Girl Doll! Planning parties, playing games and exploring the historical heritage of each girl will be incorporated into every day of this two-week camp that highlights real American girls and their dolls!

(CSC 155-02) — July 9 to 19

Age Requirement: 8–11

Jr. Stars Unlimited — Theater Camp

Jr. Stars Unlimited — Theater Camp provides children with the opportunity to put on a show! Participants will unlock their individual creative potential in this fun and exciting camp. Children have the opportunity to learn basic acting and storytelling techniques, all while increasing confidence and teamwork skills. The camp program includes playing theatre games, singing, acting, dancing, painting scenery and creating masks for a final capstone performance. Everyone gets a chance to shine, so do not miss out on this stellar experience!

(CSC 128-03) — July 23 to August 2

Age Requirement: 8–11

NXT Generation Robotic Inventions: LEGO® Mindstorms™!

During NXT Generation Robotic Inventions, campers will build teamwork skills as they collaborate in small groups to construct real robots that serve as great

vehicles, creatures and machines. Campers will explore even more advanced light, sound and touch sensors. They will also write and download programs to robots and are provided opportunities to test their creations. Come and invent with this powerful, easy-to-use software that is icon-based and has levels from beginner to advanced.

**(CSC 137-01) — June 25 to July 6 (Closed
Wednesday, July 4/Open
Friday July 6)**

(CSC 137-02) — July 9 to 19

(CSC 137-03) — July 23 to August 2

Age Requirement: 8–11

Build Up

Calling all K'NEX and LEGO® fans! Build Up is a camp all children will enjoy as they explore the world of K'NEX and LEGOs with a construction contest focusing on the making of simple machines. Campers will stretch their imaginations and talents as they witness floating concrete, test road surfaces and construct bridges. Also, campers examine the correlation between function, design, strength and structure. Campers will have opportunities to visit actual construction sites on supervised field trips to the Operating Engineers Training and Labor Union Training centers.

(CSC 115-02) — July 9 to 19

Age Requirement: 8–11

Field Trips: Operating Engineers Training Center and Labor Union Training Center

Cost: This camp has an additional \$30 materials fee.

Astronaut Adventures

What would it be like to travel to the Moon or Mars? How would one survive and live? Embark on an unforgettable mission to discover what it takes to be an astronaut — train for a lunar mission, design a land rover and cook a meal using solar radiation! Campers will visit a research station right here on Earth at the Franklin Institute, where they will view equipment used by astronauts to explore and authentic devices that help humans acclimate to environments in space. Campers will conduct adventures in homemade flight bubbles and a mission control station, emerging as skilled observers of space and space travel!

(CSC 609-03) — July 23 to August 2

Age Requirement: 8–11

Field Trip: Franklin Institute

Cost: This camp has an additional \$30 materials fee

Drawing and Printmaking

Drawing and Printmaking focuses on how to improve each child's own drawing skills through the exploration of multiple artistic styles taught by a certified art instructor. Participants will engage in observational drawing, self-portraiture, cartooning and various graphic design projects. Campers will also study nature prints, mono-prints, relief printmaking and more. Children will display their finished pieces in a final art expo at the conclusion of camp.

(CSC 146-03) — July 23 to August 2

Age Requirement: 8–11

Cost: This camp has an additional \$30 materials fee

One-Week Camps:

Please note: All Camp Production classes are designed to mirror real life experiences and the collaborative nature of the creative process. Students will work in pairs or teams for most of the program.

NEW!

Lego Video Games

Combine two fun activities: LEGOs and video games! Campers will create their own LEGO universe, characters and adventures in an interactive 2-D video game. Everyone is welcome in this one-of-a-kind class. At the end of the program, campers will leave with a LEGO 2-D game that can be shared with friends and family on a password-protected website.

**(CSC 622-01) — July 2 to 6 (Closed Wednesday, July 4/
Open Friday July 6; one-week camp)**

Age Requirement: 8–11

Cost: \$269 per individual session

Make Your First Video Game

If campers love playing video games, this is the program for them! Make Your First Video Game demonstrates skills crucial to designing one's first 2-D game. Conceptualization, play experience, challenge levels, graphics and elements, music and sound, software, and simple coding are just some of the concepts that will be studied as children learn what really goes into the games — because they make it themselves! No prior experience required, just a desire to have fun.

(CSC 154-03) — June 25 to 28 (one-week camp)

Age Requirement: 8–11

Cost: \$269 per individual session

NEW!

Make Your First 3-D Video Game!

By popular demand, GCC will now offer a 3-D game design camp. This experience allows children to develop a story concept that goes well beyond the limitations of the traditional classes. Campers will learn the physics behind 3-D game design and explore event scripting, level design, controlling flow of game play and story telling. All final games will be available on a password-protected website to share with friends and family.

(CSC 623-01) — July 9 to 12 (one-week camp)

Age Requirement: 8–11

Cost: \$269 per individual session

The Middle Camp Connections Programs

Take summer camp to the next level! Here at the Middle Camp Connections, preteens and teens have an amazing opportunity to participate in one-of-a-kind programs run by high quality staff and instructors. These camps are specially designed for middle school students, ages 11 to 14, featuring enrichment

activities from cooking in a commercial kitchen, to editing movies in an actual television studio. Most of Middle Camp Connections programs will be held at the **Gloucester County Institute of Technology, 1360 Tanyard Road, Sewell, New Jersey, 08080** except when otherwise noted.

NEW! Summer Jam Trash-can Band

Music enthusiasts with a passion and creative inclination will love this workshop that focuses on the unique aspects of sound and performance. With a little know-how and lots of junk metal, scrap wood, glass and plastic bottles, old pipes, car parts — whatever campers will dream up — they will construct, name and perform their garbage instruments in an ensemble setting. Along the way they will learn the physics of sound, the basics of music theory and performance that will give them an “Indie” edge!

(GCT 203-03) — July 23 to August 2

NEW! Unique Doll Creations

Aspiring designers will love this camp that focuses on basic sewing techniques! Just like the Ugly Dolls collection, these unique creations from another world will be made using a variety of materials. No experience is necessary, just the desire to create original characters, outfits and accessories!

(GCT 206-02) — July 9 to 19
Age Requirement: 11–14

NEW! **Beauty Flies**

Campers will create pretty pedies, marvelous manis and happening hair designs. Learn the basic manicure and pedicure techniques to create a spa-like experience! Craft spectacular nail art designs and hair styles that will be the envy of friends.

(GCT 205-03) — July 23 to August 2

Age Requirement: 11–14

Movie Mania I

Movie Mania I demonstrates the concepts surrounding film production.

Campers will work hands-on, mapping out storyboards, shooting, editing, designing graphics and handling sound communication as they create video productions of their own films. A seasoned radio/TV/film professional guides teens through the creation of their own short film, ending with the Movie Mania Summer Camp Film Festival!

**(GCT 139-01) — June 25 to July 6 (Closed Wednesday, July 4/
Open Friday July 6)**

Age Requirement: 11–14

NEW! **Movie Mania II**

Movie Mania II is designed for more seasoned film makers. Campers will focus on refining script writing techniques, and using more advanced technical equipment. They will explore the division of filmmaking that interests them. A radio/TV/film professional will guide teens through the creation of their own short film, music video or documentary ending with the Movie Mania Film Premiere!

(GCT 204-02) — July 9 to 19

Age Requirement: 11–14

This Isn't Rocket Science . . . or Is it?

Come build and launch an original model rocket design! Campers will explore scientific principles such as acceleration, thrust, inertia and laws of motion as they build and launch model rockets, flying paper airplanes and water rockets. Campers will design and decorate their own rockets that will be tested to see which ones have the best accuracy, landing, crash, hang time, loops and so much more!

(GCT 119-02) — July 9 to 19

Age Requirement: 11–14

Chefs Challenge I

Chefs Challenge I focuses on each teen's potential in culinary arts. Campers will spend time learning to prepare restaurant-style entrees, desserts and confections that meet established culinary standards. Half of each day will be allocated to working in a commercial kitchen with chef demonstrations, while the last portion enables teens to prepare hands-on dishes. Campers will create their own menu, practice individual dishes and present to visiting families with the camp's conclusion.

**(GCT 122-01) — June 25 to July 6
(Closed Wednesday, July 4/Open

General Camp Information

Here is the basic information that every parent needs to know:

Registration

Deadline for all registrations will be June 1, 2012. Many camps are in high demand and space is limited so register early. We accept checks, VISA, MasterCard, Discover or American Express. **REMEMBER — No registration is complete until full payment is received. All camp forms — Code of Conduct, Authorization for Drop Off and Pick Up, Health History and Medical Authorization — must be submitted by June 4, 2012. No forms will be accepted on the first day of camp.**

Registrations will be accepted as follows:

Online 24/7:

Register your camper by logging onto www.gccnj.edu/ce.

In Person:

Register in person at the Division of Continuing Education located in the Continuing Education Center, 1492 Tanyard Road, Sewell from 8:00 am to 4:00 pm, Monday through Friday.

By Mail:

Register via U.S. mail by sending the forms, located on pages 21 to 25, with payment, to the address indicated. Checks should be made payable to **Gloucester County College**. Please note your child's name on the check.

By Phone—Telecharge:

Register 24 hours a day by calling 856-415-2217 or 415-2218. VISA, MasterCard, Discover or American Express are accepted.

By Fax:

Register your camper by faxing the completed registration form to 856-415-7974.

Sign In & Sign Out

Each camper must have an authorization to pick-up and drop-off form on file. All parents, guardians or authorized person must present a photo ID at the time of pick-up. No child(ren) will be released without proper identification being presented by an adult. Sign-in/Sign-out is mandatory each day. Any child who is not signed in by a parent/guardian will forfeit participating in that day's activities. No child will be released without a signature.

Camp Sessions

All regular camp sessions will run for two weeks, Monday through Thursday, with the exceptions of the One-Week Camps. Camps will be closed Wednesday, July 4 for the Fourth of July holiday, but will be open Friday, July 6. All campers have the opportunity to attend Field Day Fridays — fun-filled, field trip days, for an additional charge.

Lunch

Campers should bring brown bag lunches, beverages and water bottles everyday.

Early Bird Discount

Anyone registering on or before March 31, 2012, is entitled to take 10 percent off the total charge. The 10 percent discount does not apply to the One-Week Camps or the Police Youth Camps.

Refund Policy

Campers receive refunds only if the parent/guardian notifies the Division of Continuing Education of the withdrawal no later than **five working days** before the start of each camp session. No refunds will be made thereafter for any reason. A \$10 processing fee will be deducted from the refund.

Camper_s with Special Needs Procedure

Here at Gloucester County College, we encourage children from diverse and varied backgrounds to participate and enjoy all of our summer programming. If you are registering a child for camp that needs additional assistance in order to fully participate in regular activities, you are responsible for the arrangements and expenses for the individual camper's care and/or aides. For more information, please contact the Camp Connections Administrator,

Deborah Rabottino, at 856-415-2235 or drabottino@gccnj.edu.

Confirmation

By mailing in the application and payment, you are registered. Unless notified of the contrary, please report on the first day of the session.

Gloucester County College Summer Camp Connections CAMPER CODE OF CONDUCT AGREEMENT

Camper Name (please print) _____

I will always have the opportunity to meet with the camp director or other camp staff to tell my side of any incident that is being reported to the camp office. I will report any problems that I am having at camp or with any staff member to the camp director.

1. I will remain with my camp program or trip at all times and will not leave without a camp administrator's permission.
2. I will not bring expensive jewelry, electronic games of any kind, and trading cards or comics to camp.
3. I will respect camp property, off-site facilities, and all bus transportation. I will not chew gum at camp. If I willfully destroy property or equipment, monetary reimbursement will be required.
4. I will obey fire drill safety and never pull or play with a fire alarm.
5. I will respect the safety of everyone in a moving vehicle and will obey all bus rules.
6. I will respect personal property of campers and staff and will not take anything that does not belong to me.
7. I will respect the camp staff and follow instructions. I will not run away from my group or camp counselors. I will move about the corridors in a quiet and orderly fashion and not linger or wander between classes.
8. I will be a good camp friend and not fight or instigate a fight. I will not hurt anyone with unkind words or actions. Any object that might hurt or place another person in fear of his/her safety may be considered a weapon and is cause for serious disciplinary action that could include immediate expulsion from camp. The camp director will investigate and resolve any safety issue immediately.
9. I will show respect for everyone and only use appropriate language and gestures at camp.
10. I will obey Internet safety rules as instructed by my teacher. Failure to obey Internet safety may include immediate expulsion from camp.
