Doorway to New Possibilities

January '19 to August '19

WELCOME

Unique new catalog layout, fresh logo, same ComEd!

Like the classes we offer, we're constantly evolving with the times to ensure we're continuing to provide you with the best experience possible. You'll notice in this catalog that we not only have TONS of new classes, but we also have a fresh new logo, and a fun new layout that makes finding the right class for you, even easier!

From arts to interests, travel to home, technology to wellness – we have a class for that! For every age, too!

Whether you're looking for a class for the whole family, an exceptional night out with friends, or just looking to try out a new hobby, our classes provide you with extraordinary learning experiences you can't find anywhere else.

When it comes to ComEd,
the door is always wide open
to new possibilities!

~ *YOUR* ComEd Team!

ARTS

Wire Flowers for Jewelry or Décor

Wire flowers are a highly requested technique around here! Create wire flowers using our own special pattern and techniques using wire working tools. Use your unique flowers as a pendant for a necklace or table centerpiece. Add chain to the edges to create an artsy necklace... or...embellish a glass cup with bead wraps, beaded sprigs, and your wire flowers for a decorative table topper. Materials included. Ages 12 and up.

BEAD330 \$29

Kumihimo Weave with Beads Bracelet or Necklace

Kumihimo is a Japanese technique meaning "a gathering or braiding of threads." Learn this relaxing, ancient technique that's versatile enough to toss aside when the phone rings. Learn the basics of weaving cording on a Kumihimo disc into unique bracelets, necklaces, and other jewelry projects. Add beads or let the fibers speak for themselves. *Necklace upgrade available for \$5 at class. Springboard yourself to learn advanced techniques and use materials such as chain, wire, leather, and focal pieces. Materials included and take home Kumihimo board to continue creating! Ages 12 and up.

Location: IPC

Saturday, April 13 1:00-3:30PM
BEAD212 \$45

Stamped Message Bracelet or Necklace Mother's Day & Graduations!

Think Mothers' Day and graduation gifts! Create a gorgeous personalized necklace or bracelet featuring a 1.25" round metal ring/washer style pendant hand-stamped with your favorite names, dates, word, or phrase finished with metal or chain. Add extra sentiment or flair by accenting with birthstones, anniversary stones, or charms. Learn techniques of metal letter stamping, hammering, and texturing. Prepare to be empowered with hammers and tools! Includes leather or chain, accent bead or charm. Bring words, dates, or names totaling 23 characters or less. Materials included. Create extra for a small fee. Ages 12 and up.

Instructor: Melanie Erickson
Location: IPC

Saturday, April 27 2:00-4:00PM
BEAD202 \$45

ARTS

NEW Viking Knit Silver Wire Weave Bracelet

Join us for this ancient Viking silvering technique! Learn how to weave fine silver wire then condense the form into a tubular woven metal chain with its natural patina. Attach the ends using basic wire techniques and create a bracelet you never thought possible! Materials included. Alacarte necklace upgrade option at class. Ages 13 and up.

Instructor: Melanie Erickson
Location: IPC

Saturday, May 11 1:00-3:30PM
BEAD226 \$85

NEW Saturday Bubble Bracelet Binge! Intermediate

Make bubbly links of chunky silver - eye-catching and eternal. Complete five soldered rings for the amorphous links of your bracelet using a rolling mill to create a quirky uniformity. Then, create a series of jump rings to complete your bracelet formed to drape luxuriously around your wrist. Ask about adding a stone setting and set a cubic zirconia gem. Materials included. Ages 18 and up. Previous solder experience neccessary.

In an effort to provide a safe, respectful educational environment, the District prohibits discrimination in its policies, employment practices and programs on the basis of race, color, creed, religion, age, gender, sexual orientation, disability, national origin or ancestry. In addition, the District shall not discriminate in the opportunities for students on the basis of parental status, marital status, or pregnancy, nor shall such students be excluded from any program or activity, including any class or any extracurricular activity. Prohibited acts of discrimination include racial, sexual, ethnic or other types of slurs, insults, intimidation, harassment and other conduct directed toward another person in accordance with Title II of the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 (discrimination based on disability); Title VI of the Civil Rights Act of 1964 (discrimination based on national origin or race); Title IX of the Education Amendments of 1972 (discrimination based on gender); and the Age Discrimination Act of 1975 (discrimination based on age).

Individuals with concerns or inquiries about discrimination are encouraged to attempt to resolve the grievance informally by working with the administrator most directly involved in the situation. If resolution is not achieved, the following persons have been designated to handle inquiries and formal complaints regarding the application of non-discrimination policies:

Assistant Superintendent, 201 East 38th Street, Sioux Falls, SD 57105-5898, (605) 367-7816.

Section 504 (discrimination based on disability): Supervisor-Health Services, 201 East 38th Street, Sioux Falls, SD 57105-5898, (605) 367-7933.

Policy and Regulation AC and AC-R (Foundations and Basic Commitments), which outline specific policy and grievance procedures, can be found on the Sioux Falls School District web site at www.sf.k12.sd.us or can be obtained from any school facility office.

In the event resolution of discrimination issues has not been addressed by the District, inquiries may be referred to the Kansas City Office, Office for Civil Rights, US Department of Education, 8930 Ward Parkway, Suite 2037, Kansas City, MO 64114-3302, Phone: (816) 268-0550, TDD: (877) 521-2172, FAX: (816) 823-1404, email OCR.KansasCity@ed.gov.

TRAVEL

NEW Omaha - Upstream Brewing Dining, Old Market & School of Rock at The Orpheum!

Grab your friends to embark on a chartered bus to 'rock' into Omaha for a great dining and dessert experience at Upstream Brewing Co., Old Market shopping, and the Orpheum Theatre matinee production of School of Rock! "AN INSPIRING JOLT OF ENERGY, JOY AND MAD SKILLZ!" Enjoy Dewey Finn, a failed, wannabe rock star who decides to earn a few extra bucks by posing as a substitute teacher at a prestigious prep school. There he turns a class of straight-A students into a guitar-shredding, bass-slapping, mind-blowing rock band. While teaching these pint-sized prodigies what it means to truly rock, Dewey falls for the school's beautiful, but uptight headmistress, helping her rediscover the wild child within. This high-octane smash delivers face-melting guitar riffs and touching romance in equally awesome doses! "SCHOOL's in - FOREVER!" Includes light breakfast, gift bag, lunch at Upstream Brewing Co., and Orpheum tickets. Supper on your own - stop in Missouri Valley.

CULINARY

NEW French Confections Délicieux Crème Brûlée!

Crème brûlée or burnt cream - a favorite French dessert in high end restaurants! With a smooth vanilla custard topped with caramelized sugar, no one can resist the crunch of cracking through the outer shell to find the sweet dessert beneath! Join Chef Stacy in the kitchen for this classic, delectable sweet dating back to 1691 from a recipe by François Massialot, the King's cook! Please bring a small box to carry ramekins home.

NEW Yin Yoga with Tibetan Singing Bowls - Series

Join certified sound therapist Deb Yoder for a yin yoga series with a focus on different sets of energy, meridians, organs, and joints in the body to create an overall feeling of health and well-being. Yin yoga helps maintain your flexibility through the technique of long, slow poses held three to five minutes, getting your body to release and relax. End with relaxing into savasana, the final pose with the accompaniment of Tibetan singing bowls. Learn breath work, body awareness, and how to honor your body's limitations while increasing your flexibility and mobility.

WELLNESS

DDP Yoga

Join South Dakota's only certified instructor Travis Roberts for DDP Yoga - not your momma's yoga! Learn to incorporate traditional yoga positions, rehabilitation exercises, and old-school calisthenics like push-ups and squats, all while using dynamic resistance. This method uses counteracting muscles to continuously resist your movement. Dynamic resistance increases your heart rate, getting to your fat burning zone by converting slow-moving, easy activity into fat-blasting muscle toning - all with minimal joint impact! Challenging yet energizing! Ages 15 and up.

Volaré - To Fly! Introduction to Drones

Volaré Project's Nate Hofflander insists that drones are more than toys, they are tools used in a variety of industries. Through presentations and hands-on learning, explore the basics of drone flight, safety, and operation. Learn how drone technology increases efficiency, decreases risk for workers in the field, and provides new perspectives to the work we do every day. Discuss common uses across multiple industries and explore popular drone models available today. "Once you have tasted flight, you will forever walk the earth with your eyes turned skyward, for there you have been, and there you will always long to return." This quote by Leonardo da Vinci expresses the feeling after commandeering a drone!

Introduction to Judo

Martial Arts as a sport! Judo, or the "gentle way," is an ideal form of physical exercise and a reliable system of self-defense! Created by Jigoro Kano for the purpose of maximizing efficiency with minimal effort, perfect yourself by a systematic training of the mind and body in order to work in harmony with yourself and ultimately with all others. Join experienced Judo coaches from the only nationally registered Judo club in the state, for an introduction to this cross training sport that will have you mastering basic techniques such as throws, pins, and falling techniques in no time! Gain mental discipline, emotional control, and social skills! Uniform not required for introductory class. Ages 7 and up.

INFORMATION

TO REGISTER: FOUR EASY WAYS TO TAKE YOUR SEAT!

Classes fill on a first-come, first-served basis. Payment is due at the time of registration. Registration is required prior to attending class.

CLASS CANCELLATIONS:

Community Education reserves the right to cancel class due to insufficient enrollment. Refunds or class credit are given if Community Education cancels the class.

EMERGENCY/SEVERE WEATHER CANCELLATIONS:

In questionable weather conditions, listen for class cancellations on local radio and television stations. When school is canceled, Community Education classes are canceled. Participants will not be called individually. Canceled sessions will be rescheduled.

UNABLE TO ATTEND?

COMMUNITY EDUCATION CLASS POLICY: If you are unable to attend a class as planned, you must call the Community Education office at least 3 business days prior to class start date. With 3 business days notice, we will be happy to transfer you to another available class or apply a full class credit to your Community Education account to use towards another class.

COMMUNITY EDUCATION SHOPPING TRIPS: Community Education requires a two week notice.

DRIVER'S EDUCATION POLICY: If you are unable to attend class as planned, you must call Community Education office at least 5 business days prior to class start date. With 5 business days notice, we can transfer student to an available scheduled class. If no class is scheduled, Community Education will charge a \$50 non-refundable cancellation fee and refund the balance to the original method of payment.

Class credits expire after one year and cannot be redeemed for cash. No refunds/credits given if you fail to attend class.
