Residents of Munster and the surrounding communities:

Thank you for spending your summer with Munster Parks and Recreation. Now that the Fall is starting, I invite you to take advantage of our newest amenities and our vast array of programs and events. First, if you haven't heard, we have brand new playgrounds at West Lakes Park and at Orchard Park as well as a colorful sensory addition, "Chance's Kingdom," at Sunnyside Park. The West Lakes playground features an airport theme, complete with an airplane amenity and a terminal. The Orchard Park playground features great climbers and a popular disc swing. Also, funded through a partnership between Munster Parks and Recreation, the School Town of Munster and the Frank H. Hammond School PTO, we are finishing up construction on a new school playground at Frank H. Hammond School and a new obstacle course/Ninja Warrior fitness playground at the adjacent Frank H. Hammond Park. We remodeled the dog park at Centennial Park, improved the drainage and we added brand new amenities. Finally, you may notice the construction on the hill near the Centennial Park south entrance. We are adding some erosion-control measures and we are building a set of steps up the hill. When it is complete in late Fall, this area will be a fitness destination for walkers and runners.

New this year, we are kicking off a Free Field Day at Chance's Kingdom on September 21. Bring a book for Chance's Little Library. Other new programs include Intro to Cartooning and Animals Galore. The Fall still features some of the best special events around. These include the Big Wheel 500 Race on September 22, Pumpkins, Witches and Hayrides, Oh My on October 5, Munster Ale Fest on October 12, and Bieker Woods Night Walk on October 26. The Fall Guide also features some early winter events such as the Holiday Arts and Crafts Fair December 7 & 8 and Rock Along with Santa on December 11.

At the Centennial Park Golf Course, there are still plenty of opportunities to hit the links this Fall. The course and driving range will be open until the snow falls. Our Fall specials include Kids Play Free, Family Fundays and Fall Weekday and Weekend specials (see page 19). Reservations are currently being taken for our monthly reserve dinners which offer a themed meal with several courses and drink parings. Finally, space is filling up fast, but there are still openings for holiday parties, weddings and other bookings in the beautiful clubhouse.

Please take advantage of our programs, parks and facilities. We have a lot to offer and we would love to see you this Fall!

Director of Parks and Recreation

Lady Catherine and the Real Story of Downton Abbey

Let's welcome back Lynn Rymarz, as she portrays the infamous Lady Catherine, the Countess of Carnarvon. Hear the fascinating true story of how Catherine Wendell, an American-born woman, met and married the Sixth Earl of Carnarvon, and made a life for herself and her family living in Highclere Castle, the real home, for the setting of Downton Abbey. Learn how her father-in-law became world famous after discovering King Tutankhamun's tomb, and died shortly, thereafter, by what some said was 'the curse of the Pharaoh'. Go behind the scenes of the characters who lived in this castle and see how they lived, how they traveled to exotic places, socialized with the rich and famous, and how they did not always live happily ever after. This portrayal is woven from the book, *Lady Catherine and the Real Downton Abbey*, written by the current Countess of Carnarvon, Fiona Carnarvon. Lunch will be served prior to the performance. Doors open at 10:45am.

If you order any of the Classic or Specialty pasta dishes during lunch, they will give you a Classic pasta to take home as a meal for tomorrow. After lunch, shop at Oak Brook Mall.

Get the holidays started early this year as we ride to Rantoul, IL to Hardy's Reindeer Ranch. This wonderful Christmas Tree Farm and Reindeer Ranch features 16 reindeer, over 5000 Christmas trees, a barn gift shop and a western style banquet hall. Munster Parks and Recreation uses a lightning warning system in our parks. The signal is activated by threatening weather. You will hear an audible siren horn and see a flashing light on top of the device (typically located on shelter roofs) in the park. When the warning signal activates, all patrons must SEEK SHELTER IMMEDIATELY. Once you hear three horn signals, park activities can resume. This system is not fail-proof. Take shelter immediately when lightning threatens even if a signal has not sounded.

Active between April 1 and Nov. 1
