## Programs

### Surf Clinic:

This program is taught by Palm Beach County Ocean Lifeguards and is packed with safety tips and fun! Participants will learn about surfing and body surfing techniques, safety and care of surfboards, and how to surf safely. A limited number of soft surfboards will be provided.

**Dates/Times:** Two clinics are offered the week of Spring Break (Palm Beach County public schools), one in the morning and one in the afternoon Mon–Fri.

**Ages:** 9–16 years

**Prerequisite:** Participants must be in good physical condition and comfortable swimming in the ocean.

**Recommended:** Surfboard with leash and noseguard

**Preregistration is required.**

**Please note:** A parent must be present at registration. Visit [www.pbcSplash.com](http://www.pbcSplash.com) for dates, fees and registration details.

### Junior Lifeguard:

#### This is Not a Certification Class

Participants will learn the fundamentals of ocean lifeguarding including swimming, physical conditioning, first aid, rescue techniques, rescue equipment, and marine life ecology and awareness. The program also includes snorkeling, kayaking, running, swimming and competition skills.

**Dates/Times:** Two clinics are offered, one in the morning and one in the afternoon Mon–Fri

in either the north or the south district.

**Ages:** 9–16 years

**Prerequisite:** All participants must complete a 100-yard swim test in under 2:30 minutes. Only after passing the swim test will registration be permitted. The participants will test in the same order of the line that forms.

**Preregistration is required.**

**Please note:** A parent must be present at registration. Visit [www.pbcSplash.com](http://www.pbcSplash.com) for dates, fees and registration details.

### Ocean Mile Swim:

Two Ocean Mile Swim events are offered each year. Participate in this unique swim race in the warm, clear waters off the coast of Palm Beach County competing against other open water swimmers while guarded by Palm Beach County's award winning ocean lifeguards.

**Course:** One-mile ocean swim. Exact course layout will be based on safety and determined by race day conditions, funnel finish, and hand timing.

**Awards:** Trophies will be awarded to 1st, 2nd, and 3rd place: male and female overall. Medals will be awarded to 1st–3rd place in five-year age divisions: male and female 12 and under, 13–14, 15–19, 20–24, 25–29, 30–34, 35–39, 40–44, 45–49, 50–54, 55–59, 60–64, 65–69, and 70 and over.

The Loxahatchee River Battlefield Park is one of the most significant multi-level historic sites in Palm Beach County. Gateway to the Loxahatchee River, prehistoric and historic habitation has occurred along the Loxahatchee dating as far back as the Archaic Period over 5000 years ago. This is the site of two battles in 1838 that played a part of an epic struggle between the Seminole Indians and the United States Armed Forces. Visitors are invited to explore one of Palm Beach County's most diverse natural, cultural, and historic resources.

### Park Hours

Open daily: sunrise – sunset

### Pets

Due to wildlife nesting areas, pets are prohibited in the park

### About the Morikami

The Morikami Museum and Japanese Gardens has been a center

for Japanese arts and culture in South Florida since its opening in 1977. The Morikami invites guests to discover South Florida's heritage and its connection with Japan, and explore a series of six diverse gardens inspired by a different historical period and style of Japanese gardening. Experience traditional and contemporary Japanese culture through world-class exhibits, varied educational programs and seasonal events, Pan-Asian cuisine and a charming museum store.

## Admission Fees

Please visit [www.morikami.org](http://www.morikami.org) or call (561) 495-0233 for current admission fees.

## Group Tours

Guided group tours are available by reservation. For further information, call (561) 495-0233, ext 210.

## Exhibits

The museum's galleries play host to several exhibitions of Japanese art and artifacts throughout the year. Treating different aspects of Japan's rich and diverse culture, they feature items from the museum's outstanding collection in addition to those borrowed from private collectors and other institutions. In addition, The Don and Beverlee Kohnken Gallery displays monthly rotating exhibits featuring what is Japanese about Japanese art.

The Morikami's original museum, the Yamato-kan, houses two permanent exhibitions. *The Yamato Colony: Pioneering Japanese in Florida* presents the history of this darling agriculture experiment that

brought George Morikami to the Sunshine State. *Japan Through the Eyes of a Child* transports young visitors to Japan, allowing them to step into the world of Japanese culture.

The museum's (non-lending) Donald B. Gordon Library houses 7,000 volumes on all topics Japanese.

## Museum Store

The Morikami's museum store carries a wide selection of Japanese and Asian inspired accessories for the home and garden. The museum store is open regular museum hours and can be reached at (561) 495-0233, ext 202.

## Cornell Café

The Morikami experience is not complete without a stop at our renowned Cornell Café, judged by The Food Network as one of the top three museum dining experiences in the country. The open-air café on the terraces overlooks the tranquil gardens and serves a Pan-Asian inspired menu from 11:00 am - 3:00 pm, Tues – Sun. Special arrangements can be made for private groups of 15 or more.

## Facility Use and Rental

The Morikami Museum and Japanese Gardens has become one of South Florida's premier rental facilities for an array of social events. From a sunset wedding ceremony overlooking the lake, to cocktails on the terrace with views of the Roji-en: Garden of the Drops of Dew, or a corporate presentation in our state-of-the-art theater followed by lunch, the

Morikami provides a distinctive venue for the most discerning hosts. For more information, call (561) 495-0233, ext 227.

## Volunteering

The Morikami has an active corps of regular volunteers who are committed to performing their duties weekly. Our volunteer shifts are morning or afternoon, four hours per week, from Tues – Sun. Prospective volunteers are required to have an initial meeting with the volunteer coordinator, as well as participate in a training course, held twice annually. Call (561) 495-0233, ext 221 or email: [mmvols@pbcgov.org](mailto:mmvols@pbcgov.org) for further information.

## Accessibility

- Wheelchairs are available on a first-come, first-served basis.
- Infrared emitter transmitters are available for theater programs for hearing impaired.
- Signage in the building and gardens is in Braille and some audio tour wands have headphones for the hearing impaired.

## DuBois Pioneer Home

**Located in DuBois Park  
19075 DuBois Road, Jupiter**

The DuBois House, erected in 1898, is the second oldest existing house in Palm Beach County. It sits atop an Indian shell mound and portrays a unique example of life in this area over 100 years ago.

## Freshwater Fishing

The Florida Fish and Wildlife Conservation Commission's South Region Fisheries Management Section manages the Okecheelee Fish Management Area in **Okecheelee Park** and the Caloosa Fish Management Area in **Caloosa Park**. Lakes in both parks provide excellent locations to introduce kids of all ages to freshwater fishing since they contain an abundance of native sunfish (bream) and hatchery-raised channel catfish. These naturally produced and stocked fish grow quickly from eating the supplemental fish food that is fed to them by automatic feeders located on each lake. The lakes are also stocked with catfish every year to maintain a steady supply of fish for anglers.

## Saltwater Fishing

Saltwater fishing is permitted in County beach parks OUTSIDE designated lifeguarded swimming areas. See **Beaches**, pages 6-7.

#### School Programs

Bring your class to an exciting, hands-on program at Green Cay.

School programs are tailored to the educational level of your class (K–12). Appropriate concepts and vocabulary are used, and Sunshine State Standards are incorporated. School programs are offered Tues–Fri mornings and last approximately 1 hour and 45 minutes. All programs are by reservation only. Fees are \$1 per student (maximum of 60 students). Outreach program fees are \$2 per student (no maximum student limit). Choose from the following topics:

- Reptiles and Amphibians
- Wetlands
- Birds
- South Florida Animals

#### Group Opportunities

For your next group outing, come to Green Cay for one of our exciting programs. Topics are explored through the use of live animals, artifacts, and activities. Programs last approximately 45 minutes and are tailored to meet the needs of your group and include a nominal fee. All programs are by reservation only. Examples of topics include:

- Nature center/boardwalk tour
- Native Florida animals
- Wetlands
- Insects
- Reptiles and amphibians

#### Volunteer Opportunities

Do you love nature? Are you a “people person?” Do you want to make a difference? If you answered YES to any of these questions, there is a place for you at Green Cay Nature Center! A variety of volunteer opportunities are available for those willing to help:

- Maintenance worker
- School program docent

- Research assistant
- Animal care assistant
- Butterfly garden assistant

Time requirements vary by position. If you are interested in helping, call the volunteer coordinator at **(561) 966-7000**.

#### Room Rental

Looking for somewhere to hold your next meeting, birthday party, or special event? Our nature center classroom may be just the place for you! Using the room in combination with a live animal program puts an extra fun twist on your special event! Contact the nature center at **(561) 966-7000** for more information.

#### Adopt An Animal

Help keep our exhibit animals healthy and happy. The animal you adopt will remain at the nature center to be cared for by staff, but when you visit, you can develop a bond with your new friend and learn more about the animal. Your tax-deductible contribution will go directly to benefit the nature center, such as feeding the animals,

maintaining their homes, and educating the public about them.

Adoptions make great gifts and are good for one year. When you adopt an animal, you will receive:

- Adoption certificate with photograph of animal
- Fact sheet about your animal

## Friends of Green Cay Nature Center

### Hours

- Tues – Sat: 9:00 am – 4:00 pm

### Admission is Free

### Exhibits

The River Center exhibits trace the Loxahatchee River from its pristine freshwater reaches to a teeming estuary, and eventually to the Jupiter Inlet where it spills into the Atlantic Ocean and the Gulf Stream. Nine large fresh and saltwater aquariums represent each of the major habitats associated with the river, including cypress swamp, mangroves, and coral reefs. Through interactive exhibits, guests can watch floodplains in action, experience a tidal cycle, and balance our water resources. A touch tank filled with aquatic life makes learning about the Loxahatchee River interesting and fun for all ages.

The River Center also hosts traveling exhibits to further educate the public about the Loxahatchee River, our valuable community asset.

### Programs

- Childrens programs
- Family events

- Storytime
- Aquariums
- Adult lectures
- Volunteer opportunities
- Field trips for groups

## Riverbend Park

9060 Indiantown Road, west of Jupiter (one mile west of Florida's Turnpike and I-95)  
(561) 741-1359

Riverbend Park, an oasis of natural beauty located along the Loxahatchee River, Florida's first nationally designated Wild and Scenic River. This special place has five miles of waterways and fifteen miles of trails which have been carved into over 700 acres of marsh and subtropical terrain. Riverbend Park is a splendid place for hiking, bicycling, horseback riding, canoeing and kayaking. Visitors are invited to explore the extensive system of self guided trails to experience the park's diverse natural resources. The forests, wet prairies, marshes and swamps feature many important native species of plants, birds and animals. Riverbend Park is considered by many to be the jewel of Palm Beach County's Park System.

## Don't abandon your pet!

Parks are perfect places for human recreation and relaxation. They are not suitable homes for domestic animals. Domesticated animals cannot live happy, healthy lives when they are abandoned in parks— and in the eyes of the law, abandonment of animals is an act of cruelty.

**Abandoned animals** are more susceptible to disease and injury, do not receive proper nutrition, and are subject to cruelty and acts of violence. Surrender unwanted pets responsibly. Contact **Palm Beach County Animal Care and Control** at (561) 233-1200.

## Wild/Stray Animals

**Please don't feed wild or stray animals.**

Animals that are fed can become aggressive and harass people. Wild or stray animals can become extremely territorial and bite the hand that feeds them. This can transmit disease. Animals that become used to human contact are

susceptible to disease, injury, and random acts of violence.

The survival skills of wild animals are threatened when they lose the ability to forage naturally for food. This can happen when they are fed by hand or when they eat food left out for stray or abandoned pets. Stray animals hunt and kill native wildlife, even when well fed.

Thanks!

*...your staff takes great pride in preparing and maintaining [Okeechelée Park] and pavilion areas. The restrooms and pavilion were neat and clean and the grill looked like it was barely used... my appreciation and thanks... for making Okeechelée Park a great place to visit!*

## General Information

Consider a Palm Beach County park when your organization needs a location for a special event! Palm Beach County offers a variety of oceanside, lakeside, and interior park locations for events from Jupiter to Boca Raton.

If you or your organization are planning an activity which involves fund-raising, is open to public, requires an admission fee, involves the sale of food and beverages or

merchandise, or which exceeds the carrying capacity of a given facility, then your program is considered a special event and is subject to a review and approval process.

Contact our experienced Special Event team at **(561) 966-7047** or email us at **spevents@pbcgov.org** for permitting assistance and requirements. Please note, a strict minimum lead time of three (3) months for non-profit activities and six (6) months or more for commercial activities is required.

# Summer Camp

IT STARTS IN  
Florida's Future...**PARKS**

## Mission

The mission of the Summer Camp program is to offer a quality, safe, inclusive, and affordable summer experience for Palm Beach County families. We provide lasting memories, imaginative play, and exposure to lifelong leisure activities that encourage campers to develop to their full potential. We offer a simple and equitable registration process, information about daily camp activities, and family-friendly customer service through available and well-trained staff.

**Camp activities are structured to provide variety, safety, affordability, and a welcoming, inclusive environment.**

Our camps are carefully planned to ensure that your child is supervised

by well-qualified and well-trained staff, many of whom, are recreation and leisure professionals and classroom teachers.

## Youth Camp

For youth ages 6–11, having fun is our main objective. Making friends, playing games, learning new things, and taking field-trips makes the summer fly by. Youth camp is designed specifically for the enjoyment of our young campers.

## Teen Camp

For teens age 12–15, it doesn't get any better than this. With trips to the beach, basketball tournaments, and dance competitions, it's a summer to remember. Make new friends and try new things with Palm Beach County Teen Camp.

**Are you up for the challenge of working with kids in a high energy environment?**

## Drowning Prevention

Drowning incidents and other water-related tragedies have a lifetime effect on everyone involved, including family, friends, and the community. Obtaining water safety information is just a phone call away. The Drowning Prevention Coalition of Palm Beach County is a Palm Beach County government-funded organization (with help from the Children's Services Council of Palm Beach County) whose goal is to have zero drowning deaths in Palm Beach

County. The Coalition brings together community resources, provides referral information, and gives free, land-based water safety presentations to area schools and organizations. Limited funding is available for water safety lessons (in the pool) to qualified resident children ages 3-12 and/or to those resident children with special needs. Lessons are on a first-come, first-served basis. Call (561) 616-7068 or visit [www.pbcgov.org/dpc](http://www.pbcgov.org/dpc) for assistance or if you have a general water safety or swimming lesson question.

## DOs and DON'Ts

- DO.... Teach children water safety and swimming skills as soon as possible.
- DO.... Learn Cardiopulmonary Resuscitation (CPR), water safety and rescue swimming skills.
- DO.... Maintain constant eye to eye contact with children in pool or pool area AT ALL TIMES.
- DO.... Always brief baby sitters on water safety, emphasizing the need for constant supervision.
- DON'T.... Rely on swimming lessons, life preservers, or other equipment to make a child "water safe."
- DON'T.... Ever leave a child alone in a body of water.
- DON'T.... Leave out toys that might attract a child in pool or pool area.
- DON'T.... Prop the gate to a pool area open.

## Palm Beach County Learn-to-Swim Program

Palm Beach County offers the American Red Cross Learn-To-Swim Program, the most comprehensive and effective program available. Progressive skill levels are designed to help swimmers of all ages and abilities develop and refine their skills. All of our instructors are American Red Cross Water Safety Instructor certified. For details, contact a pool near you or visit [www.pbcSplash.com](http://www.pbcSplash.com).

**Parent and Child Aquatics:** Builds basic water safety skills for both

parents and children, helping infants and young children ages six months to about three years become comfortable in the water so they are willing and ready to learn to swim. These basic skills include adjusting to the water environment, showing comfort while maintaining a front or back position in the water and demonstrating breath control, including blowing bubbles or voluntarily submerging under water.

**Preschool Aquatics:** Gives young children about ages four and five a positive, developmentally appropriate aquatic learning experience that emphasizes water safety, survival and foundational swimming concepts. Skills are age-appropriate, helping participants achieve success on a regular basis

while in a class environment with their peers.

**Learn-to-Swim:** Based on a logical, six-level progression that helps swimmers about six plus years old and adults develop their water safety, survival and swimming skills. It is designed to give participants a positive learning experience.

For lesson dates, call the facility near you or visit [www.pbcSplash.com](http://www.pbcSplash.com).

VSA, an international nonprofit organization, was founded in 1974 by Jean Kennedy Smith. VSA Florida – Palm Beach County is an affiliate of VSA Florida, sponsored in part by Palm Beach County Parks and Recreation Department which funds administrative expenses. Therefore, contributions made to VSAF–PBC directly support programs. All funds raised in Palm Beach County remain in the County.

# Volunteering

IT STARTS IN  
A Sense of Community... **PARKS**

**Make a difference in your life and the lives of others! Be a Palm Beach County Parks and Recreation Department volunteer...**

**Make a difference in your community!**

## Join the fun at Daggerwing Nature Center!

Daggerwing Nature Center is set within the beautiful confines of Burt Aaronson South County Regional Park, west of Boca Raton. Features include a new exhibit hall with live animals and interactive state-of-the-art exhibits, classroom facilities, laboratory, lobby, reading area, and an elevated boardwalk which takes you on a relaxing journey through a swamp.

The boardwalk has two trails, bench-style seating, as well as an observation tower available for you to view the abundant plant and animal life in the park. Exciting internship opportunities are also available!

Experience nature while sharing your skills and time in one of the following positions:

- Butterfly Gardener
- Docent/Boardwalk Tour Guide:
  - ◆ Lead guided walks, help with our educational programs, and help educate visitors in our exhibit hall.
- Office Assistant/Greeter
- Animal Caretaker:
  - ◆ Help care for our non-human residents, through feeding, watering, and keeping their cages clean.
- Special Events
- Join the Friends of Daggerwing Team! Assist the non-profit group that works to provide additional support for the nature center! Committees include Media Specialists, Special Events, Gift Shop, and the Membership/Sponsorship Committee

**You must be at least fifteen years old in order to volunteer**

For more information and to get started, call **(561) 629-8760**.

## Beach cleanup

### Help protect our beautiful coastline by volunteering for a beach cleanup!

It's a great way for families, neighbors, businesses, and church and student groups to show support for our shared natural resource and our fragile marine environment. As an added bonus, the exercise will leave you feeling energized, and you're certain to feel refreshed after your sunny excursion outdoors with friends. To take advantage of this exciting, unique opportunity, contact Heather Medina at [pbcparks@pbcgov.org](mailto:pbcparks@pbcgov.org) or (561) 966-6684.

See **Beaches** on page 6.
