Short Term English Language Program for Teachers

Improve Your English

The Maui Language Institute welcomes Teachers who teach English as a Second Language. Teachers will be able to develop curriculum and practice teaching English in an environment where only English is spoken.

Teachers will receive feedback from other educators and leverage best practices from each other. Participants will receive 36 hours of classroom instruction/activities per week. A refresher of the English language skills will include, but will not be limited to speaking, listening, reading, writing, grammar, pronunciation, and culture. Campus classes will be from Monday to Thursday.

The Maui Language Institute will custom design a program for you.
