## New Year, New You!

### Hatha Vinyasa Yoga

Has yoga been on your mind? Do you really, really need to wash it all away and drink in a breath of fresh air? We feel the same way and are excited to bring back a down-to-Earth yoga class; where even just breathing deep cleansing breaths is doing the yoga pose "right". Our instructor, Sherry Lynn, has guided over 1,500 hours of yoga. With this experience she brings a passion to help people realize our bodies are designed to heal. She will meet you right where you are to help you create a safe place to start your very first class or to return again to the mat. Also, understanding that often yoga appears complicated and mysterious, she gives many options and the permission to grow at your own pace. Humor, gentleness and laughter are her signature ways to share the knowledge of how the many daily stressors of modern living deeply affect our physical body's manifesting as pain and illness. The ancient wisdom of Hatha Vinyasa yoga can relieve mild daily aches, acute and chronic pain through calm focus, deep breathing and the physical asana poses to exercise, assuage and realign our bodies. It is with this physical relief that our hearts and minds often find the room to relax. Tap into the rebirth of you by taking the first steps to embrace wellness.

# Canadian Rockies

## June 23 - 29, 2017

7 Days - 9 Meals: 6 Breakfasts, 3 Dinners

**Highlights:** Calgary, Head-Smashed-In Buffalo Jump, Glacier National Park, "Going to the Sun Road", Banff, Columbia Icefield

### Experience It! The Icefields Parkway

Your tour of the Canadian Rockies features a drive along the incredible Icefields Parkway. Paralleling the Great Divide, this special roadway is home to some of the most dramatic vistas in all of North America. Here, snowcapped mountains engulf the landscape, casting shadows on the adjacent glacial streams. During the 1800s, a similar route was used by the fur traders. The first roadway was built in the 1930s and the present parkway was completed by 1965. Highlighting your trip along the Icefields Parkway is a stop at the Columbia Icefield – a dramatic 200 square mile stretch of land filled with glaciers. Here you may have an opportunity to ride across a 1,000 foot thick glacier or walk on the Glacier Skywalk.

Experience a luxurious 3-night stay at the Fairmont Banff Springs. Traverse the unforgettable Icefields Parkway. Bear witness to the incredible views of Glacier National Park as you drive along the "Going to the Sun Road."

Ride aboard a historic Jammer, an open-air touring car, during your visit to Glacier National Park. Stop at the Columbia Icefield and choose a fun ride (weather permitting) across the glacial ice, which is over 1,000 feet thick, or take a walk on the Glacier Skywalk. Visit Head-Smashed-In Buffalo Jump, one of the world's oldest buffalo jumps.
