# Table of Contents

Dear Residents of Munster and surrounding communities:

The weather is getting warmer, the days are getting longer and the 2015 Summer Recreation Guide has arrived!

Once again, we are offering many camp opportunities. We have the popular Kid's Camp, All About Sports Camp, British Soccer Camp, Chicago Bulls Basketball School and more. We also offer our Summer Enrichment Program. Your child can choose from dozens of fun and educational classes. All of our programs are led by individuals who are dedicated to providing the best care and education for your children.

This summer will also be full of exciting special events! The annual Car Show will kick off the summer. Our Friday Night Concerts will commence with Echoes of Pompeii and a fireworks show and end with American English. Our Sunday concerts feature a variety of musical talents. The Farmer's Market will be held at our new location - Munster Town Hall. We will celebrate Independence Day on July 3 with fireworks and entertainment. We will host 3 Movies, The Grape Escape wine festival, as well as "Pooch"apalooza which will feature vendors, contests, and demonstrations. Bring your dogs to the event and don't forget to stop by the Dog Park.

This summer will feature our new recreation registration software. The new system will eventually feature online registration. You will soon be able to register for programs 24/7.

Centennial Park Golf Course annual and weekday golf passes are on sale now. If a pass isn't for you, stop by for a round of golf or hit the driving range. After you play, visit the View Restaurant for a meal or a drink.

The early-bird deadline for an annual pool pass ends on May 29. The pool will also host many programs and special events for all ages, including a new karaoke night.

We are in the midst of several projects. The new River's Edge Disc Golf Course is ready for play! The new Babe Ruth Fields at Community Park, which feature two fields, a press box, a bathroom and a new parking lot are ready for action. Also, although we will be losing our soccer fields at Centennial Park due to the proposed 45th Street Grade Separation Project, we will soon be relocating fields to West Lakes Park.

We are positive that Munster Parks and Recreation will enhance your summer. Enjoy the warm weather and have a great time in the parks!

**Infant and Parent** (30 min.) Ages 9-18 months - This class allows you and your infant to become comfortable with this new and exciting aquatic environment. Adults do not need to know how to swim.

**Parent and Toddler** (30 min.) Ages 18 months - 3 years - Children continue their introduction to the water when they are developmentally ready. This class is designed to help children become comfortable in the water with a parent nearby and to encourage exploration on their own. Here children will learn elementary water skills such as proper water entry, front and back float with assistance, kicking on the wall, beginning stroke movements, and water safety skills. Adults do not need to know how to swim.

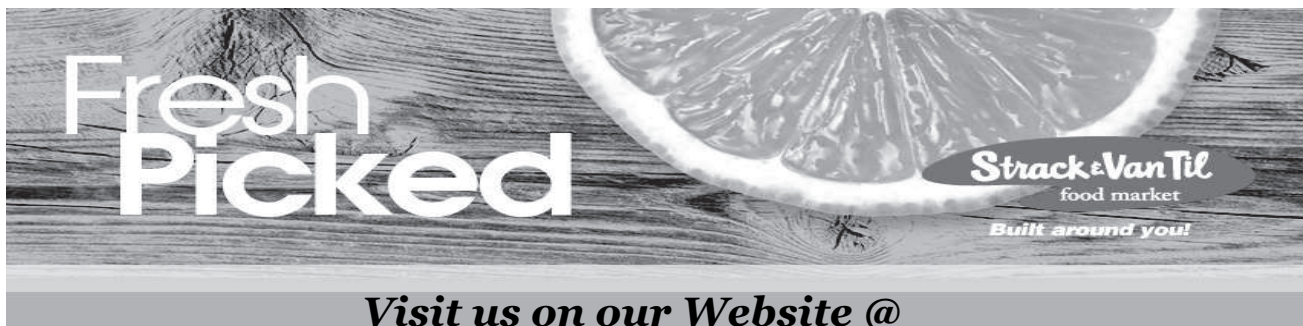

**Preschool** (30 min.) Ages 3+ - This is the first class where children will begin to get comfortable in the water alone. Students will explore the shallow area and play games that will help them become comfortable with swimming. They will continue learning beginning swimming skills such as floating, kicking along the wall, putting their face in the water, beginning stroke movements, pool rules and safety skills.

**Beginner** (45 min.) Ages 3+ - This class will focus on building upon the basics of swimming. Students should be comfortable alone in the water. Skills such as submerging of the head, floating, kicking, and beginning freestyle movements are the focus of this class.

**Intermediate** (45 min.) Ages 5+ - The main focus of this class is the continuation of stroke refinement for freestyle as well as learning proper technique for backstroke. Students should be able to push off the wall and swim five yards for this class.

**Advanced** (45 min.) Ages 5+ - The students in this class have a good grasp of freestyle and backstroke. Students will continue stroke refinement for these two strokes as well as learn the other two competitive strokes of butterfly and breaststroke.

# General Information

## Refund Policy

Munster Parks and Recreation is committed to providing the highest quality recreation activities, events, and programs. If a person is not completely satisfied with a program or service due to circumstances under the department's control, Munster Parks and Recreation will arrange for the person to repeat the class at no charge, use the fee for another class during the same season, or receive a refund.

### A Full Refund Will Be Granted . . .

1. If a participant is dissatisfied with a Munster Parks and Recreation class, program or activity **due to circumstances under the department's control. Refund requests must be made prior to the midpoint of the class, program or activity.**
2. If the refund is initiated by Munster Parks and Recreation (i.e. cancelled class, low enrollment).
3. **For injury or illness, with a doctor's note.** (Once a program has begun, only a prorated fee for classes met will be charged).
4. On Trips or Shows if the seat can be resold or if Munster Parks and Recreation cancels the trip or show.

All Other Refunds (unless otherwise noted)

1. Refunds will be issued prior to the start of a program if the program enrollment is greater than the minimum, minus a \$10 service charge per program plus the cost of supplies (if applicable).
2. After the start of the program, no refund will be issued except for illness/injury, accompanied by a doctor's note.

**Refunds will not be granted for the following:** schedule conflicts, vacations, special events, tickets, coupons, field reservations, facility rental fees and other reasons beyond our department's control.

The original receipt and the refund request form must accompany any request for a refund within 6 months of program start date. If you are unable to find your original receipt, a refund affidavit form will be provided for you to complete. Both the refund request and refund affidavit forms are available at the Town Hall Customer Service Center or Munster Parks and Recreation Office.

## Refund Policy Other Vendors

Several of our programs require payment to be made directly to the vendor, which we will accept at the Park Office.

However, those organizations have their own refund policies. Policies will be available at the Park Office and can be requested at time of registration.

## Register Early

Often times participants will wait until the last minute to register for a program. Disappointment occurs because a program has been filled or possibly cancelled due to low enrollment. Ensure yourself a spot and help keep our programs running by registering early.

## 24-Hour Hotline

For a recorded message about Munster Parks and Recreation programs, particularly those dependent on weather conditions, call the 24-hour hotline at (219) 836-6927.

## Credit Cards

The Town of Munster accepts all major credit cards.

## Lightning Prediction and Warning System

The Thorguard Lightning Prediction System was installed in the parks to warn patrons of the danger of lightning. When the 15-second warning horn sounds you should:

1. Clear the park immediately or seek proper shelter.
2. Do not return to the park or move out of the area until short horn blasts sound. This is the "all clear sound."
3. If the all clear sound does not sound after 30 minutes, dangerous weather is still in the area and the activity should be cancelled. Stop and seek shelter anytime you believe lightning threatens you, even if a signal has not been sounded.

## The system is active April 1 - November 1

## Typo/Human Error

Occasionally, there may be an error in the brochure or newspapers in dates, times, or fees. We apologize for such errors and our staff will do everything possible to correct the situation promptly; however, we hope that you will understand that we cannot honor fees that do not reflect the cost of operating our programs.

## Thanks to our Facility Partners

Munster Parks and Recreation gives *special thanks* to all the schools and facilities that host park and recreation programs. However, due to school athletic and educational programming, some recreation activities may need to be cancelled or rescheduled. We appreciate the community's understanding during these times.

## Employment Opportunities

Munster Parks and Recreation always accepts applications for employment. Sports officials, scorekeepers, facility supervisors, camp counselors and pool staff are just a few of the jobs that are available during the year.

## Volunteers

Volunteers are essential to the continued growth and success of Munster Parks and Recreation programs and services. By assisting in various programs, activities, and events, volunteers help maintain high quality community recreation and park services in the Town of Munster. If you are interested in making a difference in your community, call (219) 836-PARK today!

## Memorial Tree Program

The Memorial Tree Program was developed as a means of honoring or remembering loved ones and friends. Call (219) 836-PARK for more information.

## Munster/Dyer Partnership

Through the Munster/Dyer Parks and Recreation Partnership, residents of Munster and Dyer can register for park and recreation programs in either community at the resident rate.
