Helping you Excel since 1998
Dear Friends,

The end of summer may mean the start of school, but it does not have to mean the end of the fun things to do in the parks. We have a wide variety of programs to offer for all ages and interests!

Fall is a wonderful time of the year to hit the links at Centennial Park. We are offering season pass renewal specials for the rest of this season and the 2014 season. We also have outstanding prices on clothing, golf balls, and equipment. Call the Pro Shop at 836-6931 to take advantage of these great deals. You can also help us celebrate our 10 year anniversary at Munster Community Pool. We will be rolling back our season pass prices to 2004 prices (see page 8)! Buy a pass by January 31 and you will receive a 5-pass coupon book free ($25-$45 value).

Our Social Center at Community Park and the Clubhouse at Centennial Park are fantastic facilities for your family events or your upcoming holiday parties! These spaces continue to be in high demand as even 2015 and 2016 dates are being reserved. Book your event now!

The Park Board and Town Council continue their multi-year plan to redevelop Community Park. Currently, four Little League fields and two new restrooms are being built. The construction is transforming Community Park into a top-class facility in our region and in the State of Indiana! Check it out for yourself!

In 2014, we will undertake the reconstruction of the Babe Ruth fields. Six tennis courts and other activity areas are planned in 2015 to be located in the southern portion of the park, helping to make Community Park into the community’s recreational hub.

The Town continues to add more recreational paths throughout Munster. In October, Munster will join with the Village of Lansing and the Lan-Oak Park District to dedicate the Pennsy Greenway Bike Path at the State Line. This will be the first bi-state connection in Indiana.

This fall brings many opportunities for fun in our parks with recreation, programs and special events. We hope that you can join us!

Sincerely,

Thomas F. DeGiulio
Town Manager

If you are unable to find your original receipt, a refund affidavit form will be provided for you to complete. Both the refund request and refund affidavit forms are available at the Town Hall Customer Service Center or Munster Parks and Recreation Office.

Refund Policy Other Vendors
Several of our programs require payment to be made directly to the vendor, which we will accept at the Park Office. However, those organizations have their own refund policies. Policies will be available at the Park Office and can be requested at time of registration.

Register Early
Often times participants will wait until the last minute to register for a program. Disappointment occurs because a program has been filled or possibly cancelled due to low enrollment. Ensure yourself a spot and help keep our programs running by registering early.

24-Hour Hotline
For a recorded message about Munster Parks and Recreation programs, particularly those dependent on weather conditions, call the 24-hour hotline at (219) 836-6927.

Credit Cards
The Town of Munster accepts MasterCard and Visa credit cards. American Express may be accepted in the near future.

Lightning Prediction and Warning System
The Thorguard Lightning Prediction System was installed in the parks to warn patrons of the danger of lightning. When the 15-second warning horn sounds you should:

1. Clear the park immediately or seek proper shelter.
2. Do not return to the park or move out of the area until short horn blasts sound. This is the “all clear sound.”
3. If the all clear sound does not sound after 30 minutes, dangerous weather is still in the area and the activity should be cancelled. Stop and seek shelter anytime you believe lightning threatens you, even if a signal has not been sounded.

The system is active
April 1 - November 1

Typo/Human Error
Occasionally, there may be an error in the brochure or newspapers in dates, times, or fees. We apologize for such errors and our staff will do everything possible to correct the situation promptly; however, we hope that you will understand that we cannot honor fees that do not reflect the cost of operating our programs.

Thanks to our Facility Partners
Munster Parks and Recreation gives special thanks to all the schools and facilities that host park and recreation programs. However, due to school athletic and educational programming, some recreation activities may need to be cancelled or rescheduled. We appreciate the community’s understanding during these times.

Employment Opportunities
Munster Parks and Recreation always accepts applications for employment. Sports officials, scorekeepers, facility supervisors, camp counselors and pool staff are just a few of the jobs that are available during the year.

Volunteers
Volunteers are essential to the continued growth and success of Munster Parks and Recreation programs and services. By assisting in various programs, activities, and events, volunteers help maintain high quality community recreation and park services in the Town of Munster. If you are interested in making a difference in your community, call (219) 836-PARK today!

Memorial Tree Program
The Memorial Tree Program was developed as a means of honoring or remembering loved ones and friends. Call (219) 836-PARK for more information.

Munster/Dyer Partnership
Through the Munster/Dyer Parks and Recreation Partnership, residents of Munster and Dyer can register for park and recreation programs in either community at the resident rate. Facility and shelter rentals, Munster Community Pool season passes, Dog Park passes and Keen-Ager Membership fees do not fall under this partnership. For more information call Munster Parks and Recreation at (219) 836-PARK or Dyer Parks and Recreation at (219) 865-2505.

Publicity Photographs
On occasion, Munster Parks and Recreation staff, members of the Calumet Region Camera Club (wearing proper ID) or local media may take photographs or videos of participants in our programs and events, or in our parks. Munster Parks and Recreation reserves the right to use the photographs and videos in the future. If you do not wish to be used in a promotion, please notify the photographer at the time of taping.
