Residents of Munster and surrounding communities:

Munster Parks and Recreation’s theme for 2016 is “new” starting with the New Year and all the exciting things it brings. We are offering new programs and amenities, updating our parks and facilities, and making positive changes to some of our existing programs.

I am pleased to announce that we have entered into a new intergovernmental agreement with Highland Parks and Recreation for our membership facilities. This agreement gives our residents the privilege of joining Highland’s Lincoln Center Fitness Center at the discounted Highland resident rate (see page 14). Conversely, Highland residents can join Munster’s membership facilities at the Munster rate. It’s a win-win for both communities by giving better access to amenities that weren’t readily available.

I encourage you to have lunch at the new View Restaurant, located in the Centennial Park Clubhouse. You will quickly notice the updated furnishings and that the entire facility is receiving updated flooring and a fresh coat of paint. You will be so impressed, that you will want to host your next event there. When you step outside, you’ll see the improvements to the golf course cart paths and the revamping of some of the sand traps. It might be cold, but golfing season is right around the corner.

When the snow melts, visit some of our updated parks. Many of them are currently under construction. We are rebuilding numerous tennis and basketball courts, seal coating several walking paths and parking lots and we are revamping many of our neighborhood ballfields. We will soon be looking into a playground replacement program as well.

We have a new partnership with Hot Shot Sports to offer Lil’ Pigskins and Sports & More and with Patti’s All American to offer additional gymnastics programs. Look inside for several new trips and a host of new active adult classes. You will also see several of our existing youth programs featuring new times to accommodate working parents.

Please take a look at the Winter/Spring brochure. We truly have something for everyone!

Director of Parks and Recreation

Red Shoe Project

Red Shoe Project is a repository for recycled sports equipment.

Erik Lakomek is a sophomore and recently won "2015 The Power of Children" award through the Indianapolis Children's Museum. Through both donations of equipment and money, Eric and seven volunteers give their community the gift of fun and fitness. They clean, repair and distribute sports equipment at local events. Van Anda presents a slide program detailing the ship's construction, its luxurious accommodations and modern safety features. Then he recounts the hour-by-hour events of the dramatic maiden voyage that led to the fateful iceberg collision. As the ship sinks, Van Anda tells the stories of several passengers from First, Second, and Third Class; Who were they? Why were they on board? What fate awaited them? An artifact display including replica dinnerware for each class, telegraph key and a piece of coal from the ocean bottom is available. Follow along as RJ Lindsey makes American history come to life. A meal catered by Round the Clock will be served.

Refund Policy

Munster Parks and Recreation is committed to providing the highest quality recreation activities, events, and programs. If a person is not completely satisfied with a program or service due to circumstances under the department's control, Munster Parks and Recreation will arrange for the person to repeat the class at no charge, use the fee for another class during the same season, or receive a refund.

A Full Refund Will Be Granted . . .

1. If a participant is dissatisfied with a Munster Parks and Recreation class, program or activity **due to circumstances under the department's control. Refund requests must be made prior to the midpoint of the class, program or activity.**
2. If the refund is initiated by Munster Parks and Recreation (i.e. cancelled class, low enrollment).
3. **For injury or illness, with a doctor's note.** (Once a program has begun, only a prorated fee for classes met will be charged).
4. On Trips or Shows if the seat can be resold or if Munster Parks and Recreation cancels the trip or show.

All Other Refunds (unless otherwise noted)

1. Refunds will be issued prior to the start of a program if the program enrollment is greater than the minimum, minus a \$10 service charge per program plus the cost of supplies (if applicable).
2. After the start of the program, no refund will be issued except for illness/injury, accompanied by a doctor's note.

Refunds will not be granted for the following: schedule conflicts, vacations, special events, tickets, coupons, field reservations, facility rental fees and other reasons beyond our department's control.

The original receipt and the refund request form must accompany any request for a refund within 6 months of program start date. If you are unable to find your original receipt, a refund affidavit form will be provided for you to complete. Both the refund request and refund affidavit forms are available at the Town Hall Customer Service Center or Munster Parks and Recreation Office.

Refund Policy Other Vendors

Several of our programs require payment to be made directly to the vendor, which we will accept at the Park Office.

However, those organizations have their own refund policies. Policies will be available at the Park Office and can be requested at time of registration.

Register Early

Often times participants will wait until the last minute to register for a program. Disappointment occurs because a program has been filled or possibly cancelled due to low enrollment. Ensure yourself a spot and help keep our programs running by registering early.

24-Hour Hotline

For a recorded message about Munster Parks and Recreation programs, particularly those dependent on weather conditions, call the 24-hour hotline at (219) 836-6927.

Credit Cards

The Town of Munster accepts all major credit cards.

Lightning Prediction and Warning System

The Thorguard Lightning Prediction System was installed in the parks to warn patrons of the danger of lightning. When the 15-second warning horn sounds you should:

1. Clear the park immediately or seek proper shelter.
2. Do not return to the park or move out of the area until short horn blasts sound. This is the "all clear sound."
3. If the all clear sound does not sound after 30 minutes, dangerous weather is still in the area and the activity should be cancelled. Stop and seek shelter anytime you believe lightning threatens you, even if a signal has not been sounded.

The system is active April 1 - November 1

Typo/Human Error

Occasionally, there may be an error in the brochure or newspapers in dates, times, or fees. We apologize for such errors and our staff will do everything possible to correct the situation promptly; however, we hope that you will understand that we cannot honor fees that do not reflect the cost of operating our programs.

Thanks to our Facility Partners

Munster Parks and Recreation gives *special thanks* to all the schools and facilities that host park and recreation programs. However, due to school athletic and educational programming, some recreation activities may need to be cancelled or rescheduled. We appreciate the community's understanding during these times.

Employment Opportunities

Munster Parks and Recreation always accepts applications for employment. Sports officials, scorekeepers, facility supervisors, camp counselors and pool staff are just a few of the jobs that are available for seasonal employment.

Volunteers

Volunteers are essential to the continued growth and success of Munster Parks and Recreation programs and services. By assisting in various programs and events, volunteers help maintain high quality community recreation and park services in the Town of Munster. If you are interested in making a difference in your community, call (219) 836-PARK today!

Memorial Tree Program

The Memorial Tree Program was developed as a means of honoring or remembering loved ones. Call (219) 836-PARK for more information.

Dyer/Highland Partnerships

Through the Munster/Dyer Parks Partnership, residents of Munster and Dyer can register for park and recreation programs in either community at the resident rate. Facility and shelter rentals, Munster Community Pool season passes, Dog Park passes and Keen-Ager Membership fees do not fall under this partnership.

Through the Munster/Highland Parks Partnership, residents of Munster can utilize the Lincoln Fitness Center at Highland resident rates. Highland residents receive resident rates on pool and dog park memberships and golf programs. For more information call Munster Parks and Recreation at (219) 836-PARK .
