Spring 2018

Professional Development at the speed of change! stlcc.edu/CorporateCollege

Corporate College

The **Corporate College** is the newest addition of St. Louis Community College's growing network of facilities and programs bringing demand-driven workforce training to the region. Renovated in 2011 to have nearly 30,000 square feet of new space to serve the needs of corporate St. Louis, it is the first facility solely dedicated to corporate education and professional development, unlike any other asset the college owns.

The Corporate College is also home to the **Workforce Solutions Group**, the entrepreneurial workforce development division of the college that offers a robust menu of programs and solutions designed to advance people, businesses, and communities.

On-site Services

In addition to a full menu of professional development and personal enrichment courses, the following services are available at the facility:

Testing and Assessment Center hosts several major certification testing services for individuals and pre-employment assessments for corporate and government employers.

WorkKeys Solution Center provides a nationally recognized assessment system developed by ACT designed for both individual career seekers and employers. WorkKeys services are also available for organizations through the Corporate Services unit.

Meeting and Event Services offers a best-in-class experience for business events, conferences, and training sessions with over 18,000 square feet available.

Unique Spaces and Value-Added Features

- 360 collaboration training room
- Executive multimedia conference room
- 175-seat multipurpose room
- Two computer classrooms
- All inclusive pricing covering standard room setup and audio-visual equipment
- Reception area and staff for conference needs
- Free on-site parking
- Free high speed wireless internet

Business and Career Development Classes

Professional **Essentials**

Project Management and Lean Six Sigma

This free session is designed to provide information to individuals interested in obtaining the Project Management Professional (PMP) certification. You'll learn about the concepts, test preparation and requirements needed for certification. Presentation includes an overview of the program, a look at class materials, trends in the industry and potential job opportunities for PMPs. The orientation is free but registration is required. **BPCT:703** | **No Fee**

Project Management

Project managers are in demand when the need is for skills that include time, resource and financial management with a finite effort. Working knowledge of these skills is recognized by the Project Management Institute (PMI) through various levels of certification. This course helps you to prepare for the PMP certification exam by presenting the critical concepts together with the core knowledge areas covered in the exam. Topics covered include the process groups and relationships, terminology and decision making practice. Session attendance in this course counts toward the project management training criteria of 35 hours that is required to register for the PMP exam. This practical learning prepares the student for the PMP certification exam by lecture, online exercises, working sessions and practice exams. Program is presented by a Registered Educational Provider (REP). Class meets Thursdays and Saturdays. Lunch provided on Saturdays. Class is subject to cancellation if minimum enrollment is not met by 3/21. No refunds after this date unless class is cancelled.

Earn a credential that will increase your value in the job market and help you to develop new skills. St. Louis Community College Continuing Education will help you take your career to the next level and maintain your competitive edge!

Whether you are a member of a quality team, a quality manager, or desire to obtain a LEAN Six Sigma Green Belt for professional development, this course is appropriate for you. We blend classroom instruction and online modules. Program highlights include: how to implement the DMAIC process (Define, Measure, Analyze, Improve, Control), how to develop reliable and valid measurements for a system, how to define the cost of poor quality, how to use the correct formula to calculate ROI and more. Materials included in cost of course. Students successfully completing this training will receive a LEAN Six Sigma Green Belt award of completion and 45 hours of instruction. This training includes an 18-hour capstone simulation project on the last two Wednesday sessions and two consecutive Saturdays. Attendance on these days is mandatory. If one of these days is missed, arrangements may be made with the instructor to complete the project and receive noncredit certification. However, should this be necessary, additional instructional costs will be charged to the student above and beyond the cost of the program. Lunch provided on Saturdays. Class meets Wednesdays 2/21, 2/28, 3/7, 3/14, 3/21, 3/28, 4/4, 4/11, 4/18, 4/25 and Saturdays 4/21, 4/28. Class is subject to cancellation if minimum enrollment is not met by 2/13. No refunds after this date unless class is cancelled.

How to Get More of What You Need and **Want in Negotiations**

You may not think of yourself as a negotiator, but you are. All of us negotiate every day with family, friends and co-workers, even if we don't think of what we're doing as negotiation. Negotiation is getting what we need and want through a process of interacting with others, and some of us are clearly better at it than others. Knowing how to get what you need and want from others in a principled, win-win fashion is a major life skill, and one that anyone can learn. You will learn how to identify your personal negotiating style, how to get clear on what you actually need and want, and how to use "The Magic Question" for a winwin outcome.

BUSN:702 | \$35

Sa 9:30 am-12:30 pm Dr. Renee Huss Feb. 17 MC - SO, 108

Dealing with Difficult People in the Workplace and Managing the Conflicts

Are there co-workers, subordinates or bosses in your office with whom there are conflicts? Would you like to learn how to enhance communication and build a better rapport? The relationships we have with others are important in cooperation, productivity, teamwork and support. Learn processes for interacting clearly with others in order to get what you need and want through negotiating styles, which can result in a winwin outcome.

Managing Difficult Conversations

Learn to use strategic communication skills with co-workers, supervisors and the general public to ensure a positive intent and the best desired outcome. With so many interactions throughout the day, it's reasonable to expect that some may be difficult. Whether these conversations are face-toface, by phone or virtually, there are things you can do to ensure these conversations go smoothly. This seminar will give you the tools to manage difficult conversations including speaking persuasively, listening and probing techniques, body language, staying safe and potential consequences.

Solar Courses NABCEP Certified Courses

STLCC offers North American Board of Certified Energy Practitioners (NABCEP) approved solar training courses, from beginner to advanced levels. Simply curious to know more about solar energy? Register for Solar Basics. Perhaps you require more in-depth knowledge to begin or advance your career in solar. Need training for your current employees, or are looking to expand your business into solar? If this sounds like you, register for the series of solar courses listed here and be eligible to take the NABCEP Photovoltaic Entry Level Exam. If you complete these courses, you will also receive 34 advanced CEUs. Don't let this moment pass you by. Now is the time to start making a change in the world and yourself.

Nursing and Allied Health

GENERAL INFORMATION for Nursing and Allied Health Programs

Allied Health Continuing Education of St. Louis Community College offers a wide selection of courses and workshops. Please take a few moments to read the course descriptions. There are new offerings that have been developed in response to requests.

Courses are approved or pending approval for continuing education credit as noted. Approval by another accrediting entity or for professional licensure is the sole responsibility of the participant.

Allied Health Continuing Education of St. Louis Community College serves as a Community Training Center for the American Heart Association whose mission is to reduce disability and death from cardiovascular disease and stroke and set guidelines for emergency cardiovascular care and training. The American Heart Association strongly promotes knowledge and proficiency in BLS and has developed instructional materials for this purpose.

Use of these materials in an educational course does not represent course sponsorship by the American Heart Association. Any fee charged for a course, except for a portion of the fee needed for American Heart Association course material, does not represent income to the Association.

Clinical and Field Work

or other field experience as part of their course work. Students with criminal convictions or drug use may have difficulty progressing in these programs. Hospitals and facilities may mandate that a criminal background check and/or drug screening check (at the student's expense) may be conducted prior to placement in a clinical or field setting. Students not passing these checks may be prohibited from participating in the clinical or field experience, thus rendering the student ineligible to satisfactorily meet the course/program requirements. Students should contact an academic advisor of the program coordinator for further details. advisor or the program coordinator for further details.

New Combined Treatment Approaches for Plantar Fasciitis
This course is intended for PTAs and will give a brief review of the pathology behind plantar fasciitis/faciosis. The course will focus on treatment approaches for this condition, including: therapeutic exercise, soft tissue/ manual therapy, taping techniques, and modalities. Come ready to practice and learn techniques to start using Monday in the clinic.

Community Emergency Response Team Training

Have you ever thought, "What would I do if a tornado struck my subdivision?" or "What types of natural disasters can happen in St. Louis?" We have the answers... Community Emergency Response Team Training (CERT) is a series of classes that prepares you to help yourself, your family, coworkers and neighbors in the event of a crisis in your community. Through this interesting series of classes participants learn about emergency preparedness and receive training in basic response skills such as fire safety, team organization, terrorism, disaster psychology, disaster preparedness, light search and rescue and disaster medical operations. Through a partnership with local emergency responders who are trained professionals and CERT trainers you will learn lifesaving skills. Once you have completed all of the classes you will conclude training with a full-scale disaster exercise (Saturday) that will put what you have learned to work in a real-life tornado simulation. Upon successful completion of the training, you will be able to join a local St. Louis Area CERT program to continue to support and help in times where volunteers are needed. This training is free but registration is required.

Heartsaver First Aid CPR AED

Heartsaver First Aid CPR/AED is a classroom, DVD-driven, instructor-led course that teaches students critical skills needed to respond to and manage a first aid, choking or sudden cardiac arrest emergency during the first few minutes before emergency medical service (EMS) arrives. It is designed to meet OSHA requirements. Students learn the skills to treat bleeding, sprains, broken bones, shock and other first aid emergencies. This course also teaches adult CPR and AED use. Practical skills (hands-on-manikin simulation) evaluation and testing are required for course completion. Upon successful completion, each participant will receive a course completion card. Registration one week prior to course start date is recommended. Due to the nature of the course, you must arrive on time. No refund for late arrival.

CPRR:706 | \$99

001 W 8:30 am-4:30 pm BLS for Healthcare Providers

Gordon Back Corp. College, 276

This American Heart Association course is designed for the healthcare provider. Each participant must obtain an 84 percent or higher on the written evaluation and demonstrate proficiency in all CPR skills. Skills include adult, child and infant CPR, FBAO management of the conscious victim, adult/infant/child two rescuer CPR, mouth-to-mask ventilation and automatic external defibrillation (AED). Written and practical skills (hands-on manikin simulation) evaluation and testing are required for course completion. Students who enroll at least one week in advance and successfully complete the course will receive BLS completion card at the end of the class. No transfers between sessions or refunds given within five business days of class date. Due to the nature of the course, you must arrive on time. No admittance after stated start time. No refund for late arrival. This course meets the STLCC nursing department admission requirements.

Basic Life Support Instructor Essentials Course

The American Heart Association BLS Instructor Essentials Course provides the core and discipline-specific content necessary to teach AHA CPR and First Aid courses. The course is taught in a blended-learning format. Instructor candidates will complete pre course online study, followed by the hands-on session conducted by Training Center Faculty during the AHA Instructor course. The course educates the instructor candidate in the use of AHA Instructor teaching materials; how to ensure that students meet learning objectives; student coaching skills; how to conduct an objective skills performance evaluation and to follow AHA Instructor course policies. Please note there is self-paced, pre course preparation. Access to a computer will be necessary to complete required online course work. Prerequisite required at time of registration: Current AHA BLS Healthcare Provider CPR card and alignment with an AHA Training Center. Registration four weeks prior to course start date is required to ensure arrival of pre course materials and completion of pre course preparation. Per AHA requirements, within six months of the initial BLS Instructor Essentials Course, a STLCC Training Center Faculty member must monitor the instructor candidate's teaching and verify the performance of the candidate's provider skills. The instructor candidate will pay an additional fee for this monitoring. Due to the nature of this course, you must arrive on time. No admittance after the stated start time. No refund for late arrival. Registration/ Refund/Withdrawal deadline: 2/7. Interested students must contact the Training Center Coordinator before registering for the BLS Essentials Instructor Course.

Microsoft Excel 2016: Introduction

Create spreadsheets using Microsoft Excel. Learn Excel terminology, to navigate the Excel window, and the basic characteristics of a worksheet and workbook. Enter text values and formulas, move and copy data, format worksheet appearance, and work with charts. Prerequisite: Windows Introduction class or equivalent experience. Recommended to bring a flash drive.

COMP:720 \$149

005 W 6 pm-9 pm Cris Heffernan Jan. 31 - Feb. 21 Corp. College, 208

Microsoft Excel 2016: Intermediate

This course is a continuation of our Introduction to Excel class. Further your spreadsheet skills by managing multiple sheet workbooks, creating more complex formulas and functions, enhancing the appearance of your document, and by creating custom reports with pivot charts. Prerequisite: Microsoft Excel Introduction class or equivalent experience. Recommended to bring a flash drive.

COMP:721 | \$149

001 W 6 pm-9 pm Cris Heffernan March 21 – April 11 Corp. College, 206

Microsoft Excel 2016 for Business: I

You will learn tips and tricks to navigate efficiently and create effective spreadsheets in one of Microsoft's most powerful programs. Learn to build basic formulas and functions, with an emphasis on Relative and Absolute referencing. Learn to make your sheets and printouts easier to read with special formatting techniques. An important class for the beginner as well as for the self-taught Excel user. Prerequisite: Windows Introduction class. Recommended to bring a flash drive.

COMP:720 | \$129

1004 F 9 am-4 pm Cris Heffernan Feb. 16 Corp. College, 208

Microsoft Excel 2016 for Business: II

Build on previous knowledge and further your spreadsheet skills by creating more complex formulas using a variety of Functions. Learn techniques of data management and analyzing your data with lists, tables, common charts, pivot tables, and pivot charts. Discover the ease of using range names and conditional formatting. Prerequisite: Microsoft Excel Introduction class or equivalent experience. Recommended to bring a flash drive.

COMP:721 | \$129

002 F 9 am-4 pm Cris Heffernan March 2 Corp. College, 208

Microsoft Excel 2016 for Business: III

Continue to expand your Excel expertise as you manage multiple workbooks and worksheets, and build 3-Dimensional calculations and file linking. Explore the power of the all-important Lookup Functions and related concepts. Become adept at using Formula Auditing tools, Data Validation, and sharing and protecting workbooks. Also, explore the use of major Data Analysis tools, such as Scenarios and Data Tables. Create and edit macros to save you time and create consistency across workbooks. Prerequisite: Introduction to Excel or equivalent experience. Recommended to bring a flash drive.

COMP:722 \$129

001 F 9 am-4 pm Cris Heffernan March 9 Corp. College, 208

Microsoft Access 2016: In a Day

Learn the basics of Access in one day! In this class you'll learn how to plan and design a database system, add, change, and delete information as well as how to create simple reports and how to query the database to find display data. Prerequisite: Windows Introduction class or equivalent experience. Recommended to bring a flash drive.

COMP:725 \$99

O01 Sa 9 am-4 pm Cris Heffernan Corp. College, 208

Microsoft Access 2016 for Business: I

Learn the foundations to plan and design a database system. Learn to create, manage, and maintain tables and table relationships. Discover sorting and filtering records within tables. Prerequisite: Windows Introduction class or equivalent experience. Recommended to bring a flash drive.

COMP:725 \$129

002 F 9 am-4 pm *March* 30

Cris Heffernan Corp. College, 208

Microsoft Access 2016 for Business: II

Get the skill you need to enhance your database designs. Work with Data Normalization, Table Relationships and Join techniques, including Inner and Outer joins. Learn to query multiple tables for customized reports. Create more complex queries using parameters, and action queries. Learn to use more advanced Reporting techniques. Prerequisite: Access for Business Part 1 or Access In a Day, or equivalent experience. Recommended to bring a flash drive.

COMP:725 | \$129

003 F 9 am-4 pm Cris Heffernan April 13 Corp. College, 208

Microsoft Access 2016 for Business: III

Take your Access databases to the next level by implementing tools, such as, Macros, VBA coding, and Switchboards to give your user-base a fluid Access experience. We will also use features to secure your database through options such as splitting it to front and back-end parts, link tables, and import/export data. Create Forms for navigating and organizing your data using a variety of features to enhance your user(s involvement. Prerequisite: Access for Business Parts 1 and 2, or equivalent experience. Recommended to bring a flash drive.

COMP:727 | \$129

001 F 9 am-5 pm Cris Heffernan April 27 Corp. College, 208

Microsoft PowerPoint 2016: In a Day

Learn the basics of MS PowerPoint in one day! This is an introductory course in using PowerPoint to create effective graphic presentations. Learn to use word processing and drawing tools to create and edit text, logos, and artwork. Additional topics include importing clip art, using templates, and rearranging your presentation. Prerequisite: Windows Introduction class or equivalent experience.

COMP:730 | \$99

001 Sa 9 am-4 pm Feb. 10 MC - BA, 203

Introduction to AutoCAD I

Fundamentals of the AutoCAD drafting system. Drawing setup units, limits, layers, linetypes, colors. Drawing procedures points, lines, arcs, circles. Special features polylines, blocks, dimensioning, cross-hatching, plotting. Prerequisite: EGR 050. Available for credit as EGR 133 550. No class 3/14.

COMP:770 | \$219

01 W 7 pm-9:45 pm **Walter Staas** Jan. 17 – May 9 FV - E, 278

Introduction to Google Drive

In this class you will learn how to create docs, sheets, slides and more using Google's free web based system. Access your documents from any computer and easily share them with others. This class will be an overview of the tools available in Google Drive. Instructor works extensively in Google Drive. Prerequisite: Windows Introduction class or equivalent experience. Some internet experience helpful. It is also helpful, but not required, to have your Google account set up prior to class. Bring user ID and password.

COMP:742 | \$25

Web Development

Create Your Own Website with WordPress

Come and learn how to navigate this fun and exciting site! This beginner?s class is hands-on and will include an overview of topics such as posting, basic navigation, basic profile editing, tagging, privacy settings, security and notifications. If you do not have an account, try to create one prior to class. Bring your log-in and password. Students needing assistance creating an account should come to class 10 minutes early and must have a valid email address and password and the ability to check email from the classroom. Prerequisite: Windows Introduction class or equivalent experience.

Ease into WordPress

Anyone can learn how to create their own website in just a few hours using WordPress, the most popular website creator tool on the Internet. WordPress is used by almost 15% of the top 1 million websites and, as of August 2011, powers 22% of all new websites. Whether you are just a beginner using graphically based templates or want to get down into the nitty-gritty code, WordPress is your answer and it's FREE and you don't have to be a techie! DIY with your creativity and WordPress. Walk away from this class with a basic website and the skills to go as far as you want. The sky's the limit! Prerequisite: Windows Introduction class or equivalent experience. Students must already have a generic email account through gmail, yahoo or hotmail and know this email address and password when coming to class.

We're building something new...

We appreciate your patience while we enhance our system to improve your registration experience.

Our new registration system requires students to provide the following information to enroll in classes:

- Full name
- Date of birth
- Mailing address
- Phone number
- Email address*
- Payment due at time of registration

*Students will be notified of class changes, cancellations and announcements via email

Registration begins January 3 Go to stlcc.edu/CE

Test Prep

ACT Test Preparation

Ready to do your best on the ACT? Our experienced ACT test prep instructor will use a proven curriculum to review all subject areas and test-taking strategies to maximize your ACT scores. Using retired ACT Tests students can compare their pre and post test scores. Text and practice tests included - bring a calculator to class. Students must attend the first and last sessions.

General Information

Students Rights and Responsibilities

All students are responsible for adhering to college policies and procedures. Please refer to stlcc.edu/need2know.

Postponement/Cancellation Due to Inclement Weather

Occasionally, Continuing Education classes are cancelled due to inclement weather. Cancellations will be broadcast on KMOX-AM (1120) and on KMOV-TV, KSDK-TV and KTVI/Fox 2. In addition, all location closings will be posted on the college website, stlcc.edu. When St. Louis Community College cancels classes, off-campus classes are also cancelled. In addition, when a particular host school district or institution closes, the Continuing Education classes at that location will not meet.

Refund of Fees

Continuing Education (non-credit) classes are self-supporting. The decision to run a class is based on the number of students enrolled. The college reserves the right to cancel if sufficient enrollment is not achieved. Students will be notified by phone, mail or email if a class is cancelled. Full refunds will be issued for classes cancelled by the college.

If you wish to withdraw from a class, you will receive a full refund for most classes if the class is dropped three business days before the first meeting. See the course schedule for classes (such as day trips) that require notice more than three business days for cancellation and eligibility for a refund.

Time of Withdrawal

Three business days prior to the first class meeting. Must be submitted in writing.

Two business days prior to the first class meeting or after the class has begun.

Percentage Refund

100%

None

FOR SOME SPECIAL PROGRAMS AND CLASSES, AN EARLIER WITHDRAWAL DEADLINE MAY APPLY. THIS DEADLINE WILL BE PRINTED IN THE COURSE DESCRIPTION.

Requests for withdrawals must be submitted in writing to the Continuing Education office in person, by email at CEDROP@stlcc.edu or via mail to: 3221 McKelvey Road, Bridgeton, MO 63044. Calculation of refunds will be based on the date the request is received via email or the postmarked date. A student may receive either a full or partial refund for exceptional circumstances. Requests for refunds must be submitted in writing (walk-in, email or written notice) within 10 business days of the class start date. Supporting documentation may be required.

Fee Reduction for Adults age 60+

At the time of registration, adults 60 years and older may enroll in select courses for a reduced fee. Class costs vary. View the online course description or contact the Continuing Education office for questions regarding the reduced rate. Reduction will be calculated at check-out.

Senior Citizen Scholarship

Missouri residents who are at least sixty-five years of age will be awarded a scholarship to be exempt from maintenance fees to enroll in select courses on a space available basis. There will be a non-refundable registration fee of \$5 per course to a maximum of \$25 per semester. Student is responsible for administrative and other fees, such as materials, supplies and books. At the earliest, students may enroll in the class two business days prior to the first class date. Students may not receive a refund for a paid course in order to enroll for a scholarship space in that same course. PLEASE CALL THE CONTINUING EDUCATION OFFICE FOR DETAILS REGARDING THE SENIOR SCHOLARSHIP. The senior scholarship discount does not apply to online classes.

Safety and Program Guidelines for Youth Classes

All children under the age of 16 who are enrolled in programs through the St. Louis Community College Office of Continuing Education must be accompanied and signed-in by a responsible party at the beginning of each program session. In addition, a responsible party must also meet the participant at the end of the session and sign them out. Appropriate behavior is expected. Students may be disenrolled for misbehavior.

Unattended Children

Students are not permitted to bring children to class, nor should children be left unattended in the halls, offices, library or common areas. The college reserves the right to protect the safety and welfare of unattended children. If students leave children unattended, the college will institute disciplinary action.

Textbooks

Textbooks can be purchased at the campus bookstores.

Library and Computer Lab Privileges

If you are registered in Continuing Education courses, you may enjoy library and computer lab privileges by showing your student ID. To obtain a student ID take your paid fee receipt to the Campus Life office and the personnel there will provide you with an ID.

Firearms on College Property

Except for licensed police officers, no person shall possess or carry any firearm, visible or concealed, on college property (including college buildings and grounds leased or owned by the college-college athletic fields and parking lots) or in any college van or vehicle or at college-sponsored activities. College employees, students and visitors who hold concealed carry endorsements as allowed by Missouri law may not carry or bring any firearms, visible or concealed, on college property, owned or leased or at any college activities.

Non-Discrimination/Accommodations Statement

St. Louis Community College is committed to non-discrimination and equal opportunities in its admissions, educational programs, activities, and employment regardless of race, color, creed, religion, sex, sexual orientation, national origin, ancestry, age, disability, genetic information, or status as a disabled or Vietnam-era veteran, and shall take action necessary to ensure non-discrimination. Sexual harassment, including sexual violence, is also prohibited. For information or concerns related to discrimination or sexual harassment, contact Mary Zabriskie, J.D. at 314-539-5345.

Access Office - disAbility Support Services for students with documented disabilities are available through campus Access offices. These services include: advising and academic counseling, coordination of academic accommodations and support services, consultation with faculty and staff regarding accommodation needs as well as help with connecting to community professionals and agencies. To qualify for services complete the online Application for Services and contact the Access Office on the campus where you plan to attend. Applications are accepted at any time during the semester, but the College recommends submitting requests as early as possible to allow time to make any necessary arrangements in time for the start of classes. Accommodations are generally not provided retroactively so it is important for you to apply for accommodations and provide documentation that supports your requested accommodations as soon as you can. For more information, visit stlcc.edu/disability or call the Access Office on your campus.

How to Register

Try our NEW online registration system. Online: www.stlcc.edu/CE

Visit our website and click on the "**Continuing Education**" link — where you can view and register for current class offerings. *Email address required for online registration*. *Payment via credit/debit card is due at time of registration*.

By Phone

Call to complete your registration by charging fees to MasterCard, Visa, American Express or Discover.

Telephone: 314-984-7777 Call Center Hours: M-Th 8:30 am - 5 pm; Fridays 8:30 am-4 pm

Before calling to register, have this information ready:

- Course Title / Course Code (letter prefix with number) / Section Number
- 2. Student Contact Info (name / address / phone number /email)

3. Credit/Debit Card Number with Expiration

In Person at STLCC Continuing Education Offices M-F 8:30 am - 4 pm

Meramec Florissant Valley Forest Park

802 Couch Avenue At the Center for Workforce Innovation Forest Park, Student Center-125
St. Louis, MO 63122 3344 Pershall Rd., Ferguson, MO 63135 5600 Oakland Ave., St. Louis, MO 63110

You may want to first call the Continuing Education office at 314-984-7777, to check that openings exist.

Registration at the Wildwood and South County campuses will be limited this semester. Only online registration is available at these locations.

Mail

Complete the registration form (below) and mail with check (payable to St. Louis Community College) to:

STLCC Continuing Education, 3221 McKelvey Road, Suite 250, Bridgeton, MO 63044

Students who register by mail should assume they are registered unless otherwise notified. A registration confirmation is emailed to students who register by mail; however, the confirmation may not be received prior to the beginning of the class. If you have enrollment questions, please call Continuing Education: 314-984-7777.

Enrollment in classes within this brochure, except for youth class sections, is limited to persons 16 years or older, unless otherwise noted.

Registration Deadline – All non-credit courses are limited in enrollment. Advanced registration is required prior to first class meeting. Some classes have additional registration deadline requirements, please check course descriptions.

Automatic Bank Payment (ACH) – All checks will be converted to an electronic Automated Clearing House (ACH) transaction whether the payment was made in person or mailed.

Mail Registration Form Please print in ink.

Workforce Solutions Group

Leveraging Education for Growth

St. Louis Community College's Workforce Solutions Group (WSG) leverages education for growth by offering programs and services designed to advance people, businesses, and communities. We accomplish this through our three operating units: Corporate Services, Continuing Education and Community Services. The WSG and all of its operating units are centrally located at the STLCC Corporate College, a state-of-the-art facility solely dedicated to corporate education and professional development.

Advancing People

Continuing Education

Continuing Education (CE) advances people by enrolling over 30,000 individuals annually in professional development or personal enrichment courses. Each year, CE offers more than 3,000 courses at various locations throughout the greater St. Louis region, including campuses and community partner locations. CE also offers a menu of educational opportunities online.

Advancing Businesses

Corporate Services

Corporate Services offers a comprehensive assortment of workforce solutions both locally and globally. The unit is one of the largest providers of training and consulting services in the St. Louis metro area, annually advancing more than 10,000 employees representing 200 regional companies in a variety of training topics. Corporate Services also coordinates the onsite services available at the Corporate College through the Testing and Assessment Center, WorkKeys Solution Center, and meeting and event services.

Advancing Communities

Community Services

Community Services advances local communities by partnering with employers, the community, and education and government organizations to develop job training opportunities for residents as well as a talent pipeline for employers. Community Services also provides an assortment of accelerated job training programs and reaches out to underserved communities through its Metropolitan Education and Training (MET) Center, a collaborative neighborhood training and support center.
