Support your City

**Shop Local
Shop Westminster—
It makes Sense!**

Every time you shop in Westminster, one cent of every dollar you spend goes straight to your city's public services including your Police Department! Why spend your dollars anywhere else?

1. **Protect Local Character and Prosperity**—Westminster is unlike any other city in the world. By choosing to support locally owned businesses, you help maintain Westminster's diversity and authenticity.
2. **Community Well-Being**—Locally owned businesses build strong neighborhoods by sustaining communities, linking neighbors, and by contributing more to local causes.
3. **Local Decision Making**—Local ownership means that important decisions are made locally by people who live in the community and who will feel the impacts of those decisions.
4. **Keeping Dollars in the Local Economy**—Your dollars spent in locally-owned businesses have three times the impact on your community as dollars spent at national chains. When shopping locally, you simultaneously create jobs, fund more city services through sales tax, invest in neighborhood improvement and promote community development.
5. **Entrepreneurship**—Entrepreneurship fuels Westminster's economic innovation and prosperity, and serves as a key means to upward mobility. Locally owned businesses also create more jobs locally and, provide better wages.

Next time you buy a car, a television, or bag of groceries, make sure you do it in Westminster.
