REFUND POLICY

Refunds must be requested at least five business days prior to the first class date.

There will be a 10% handling charge for all refund requests, unless otherwise noted within the course description.

Refunds for events for which we must purchase tickets in advance cannot be made fewer than 28 days prior to departure.

A "combo" class combining several courses at a reduced rate will be regarded as one course. Refunds for a combo course must be submitted at least 5 business days prior to the first class date of the combo. There are no partial refunds given for "combo" classes once the first class has begun.

If a class is cancelled, all participants will receive a full refund in the same manner in which they paid. Please be aware that refunds can take up to 30 days to be processed from the date the class is cancelled.

COMMUNITY EDUCATION

Creativity

Monday Morning Beginning Drawing with Ann

Spend a relaxing morning drawing. Anything you see you can draw. Discover creativity through drawing. Experiment with pens, inks, crayons and pencils to create simple animals and things from nature. This is a relaxing, no pressure class just for the enjoyment of drawing. Bring pencil and paper to the first class. Age 15+.

K001 7/8-7/29 M 9:30-11:30AM
\$55 CCE Rm: 208 A. Amies

Simply Pen, Ink, Color and You

Are you a beginner or have previous instruction? Let Alan show you basic techniques to build on regardless of your skill level. Discover the tricks to make your drawings "pop" using correct composition, perspective, light principles, and horizons. Emphasis will be on landscapes. The perfect way to spend an afternoon!

K002 7/12-8/16 F 9:30-11:30AM
\$73 CCE Rm: 215 A. Willmington

Evening Drawing for Beginners, Part I

A basic drawing course for the beginning student covering the fundamentals of drawing with emphasis on perspective, line, value, dimensions and scale. Create drawings in a studio environment with Norm, a professional artist. Age 16+.

K003 7/15-8/12 M 6-8:30PM
\$69 CCE Rm: 207 N. Thomas

Weekend Pen & Ink Drawing for Beginners

"Doodle" and create line drawings quickly in this fun beginner's course, using pen and ink media. Gain an understanding on basic perspective, how to achieve texture and the values of grey with lines. Supplies discussed at first class. Age 15+.

K004 7/13-8/3 Sa 10AM-12PM
\$59 CTC Rm: 331 N. Thomas

Afternoon Portrait Drawing, Part I

In a relaxed atmosphere, spend an afternoon practicing drawing portraits. Fundamentals are systematically presented while you work at your own pace. You will receive continuous individual attention as you work on your project learning the basic principles of portraiture as you have fun building your personal best. Age 18+.

K005 7/11-8/8 Th 2-4PM
\$59 CTC Rm: 331 D. Andersen

Color Theory Workshop

Learn about color theory in a hands-on workshop designed to open your eyes to color and build skills working with color. This class recommended for beginning students who want a good foundation.

K007 7/9-7/23 Tu 9:30-11:30AM
\$45 CCE Rm: 215 E. Dengerink

Watercolor, Independent Studies: Mini Summer Session

Summer time is busy time - Join Lee for this mini summer session and receive one-on-one guidance from a professional artist as you move to the next level of your creativity. Brainstorm on your special project. Bring your subject matter and the supplies you are already using to first class.

K011 7/8-8/12 M 6:30-8:30PM
\$73 CCE Rm: 215 L. Baughman

Watercolor Workshop 1: The Sights of Summer

Summer in the Northwest is one of the most beautiful places in the world. Spend the day painting some of these beautiful sights. Bring two sketches of your choice on watercolor paper, ready to color it beautiful! Glennnda will demonstrate two paintings, then each student will receive help and guidance to capture the favorite sights of summer. There is a 1/2 hour lunch break.

K008 7/17 W 9AM-3:30PM
\$49 CCE Rm: 215 G. Field

Watercolor Workshop 2:

Summer of Painting People

You CAN paint people! It is all about looking for defining shapes and value. Painting people from the photographs you've taken can create an even better image of the person and their personality. Glennnda will demonstrate a face in the morning and a figure in the afternoon. Decide now who you'd like to paint, then bring them sketched up on watercolor paper and we will spend the day having fun painting our favorite people in watercolor. There is 1/2 hour lunch break.

K009 8/21 W 9AM-3:30PM
\$49 CCE Rm: 215 G. Field

Summer Watercolor Workshops 1 & 2 Combo

Can't decide which painting workshop to take? Take both at a reduced rate. Enjoy your summer spending time with Glennnda's two watercolor workshops. There is a 1/2 hour lunch break.

K010 7/17-8/21 W 9AM-3:30PM
\$79 CCE Rm: 215 G. Field

Art As Business

You know art, but do you know how to make a profit? Turn art knowledge into a profitable business. Class will include information on selling art, gallery policies, politics, time management and more. Class is designed especially for beginning artists, gallery and museum staff. Bring a journal for note taking.

K012 7/17-7/31 W 6-8:30PM
\$65 CCE Rm: 207 N. Thomas

Mosaic Tile Workshop

Discover how you can create beautiful mosaic art in a 3-day course including demonstrations and an all-day workshop where you will create your own unique work of art. Work with tile, glass and plate fragments on various surfaces. Bring a sack lunch for the all day workshop. Age 18+. Tuesday classes 7/30 & 8/13 meet 6:30-9pm; Saturday 8/10 class meets 11am-5pm.

K013 7/30-8/13 Tu, Sa 6:30-9PM
\$79 FAC Rm: 103 P. Tait

Wildfire Writing:

Intensive Summer Mini Session

Spend your summer writing and still have time to play with this intensive mini session meeting twice a week. Enjoy this beginning class for dreamers and closet writers. Stop doubting your abilities and start celebrating them. If you have been stifled, afraid to write or over criticized, be ready to be inspired. Allow Christi, a published writer/instructor to guide you on your journey as you do something for yourself.

K014 7/9-7/25 Tu, Th 6:30-9PM
\$95 CTC Rm: 331 C. Krug

Genealogy: Advanced Searches & Findings

Review of elementary information and tactics -and then move into identifying and using a variety of sources to search for family history information. Learn which documentation is useful to confirm and validate the accuracy of the information. Instructor will discuss entering data into genealogy software. There is no specific software required. Let Lynda share her valuable insights helping you discover and preserve your history. A lifeline for your present and future family.

K015 7/13-8/3 Sa 9:30-11:30AM
\$69 CCE Rm: 208 L. Maguire

Japanese Reiki for Healing

Explore for yourself this ancient Japanese hands-on natural way of healing. Stress and pain respond well to Reiki and it is increasingly used in health care settings to promote relaxation and wellness. See how Reiki differs from other healing techniques, and how it is being integrated into Western medicine. Wear comfortable clothes. Age 18+.

K026 7/15-8/19 M 6-8PM
\$79 CCE Rm: 208 V. Khamkeo

Eastern Wisdom, A Beginner's Journey

Eastern wisdom is not about religion. It is a set of thoughts, a way of living, a philosophy from the teachings of Buddha to open our heart and mind; and to guide us in life during this time of great shift and expansion. Life is short. What better choice than to live it with joy, peace, grace, love and compassion.

K027 7/16-8/20 Tu 6-8PM
\$85 CCE Rm: 208 V. Khamkeo

Relax, Meditate & Develop Tools to Live By - AM

Develop tools on how to meditate! Use meditation as a means to give empowerment to yourself. During class meditation will be used to help you feel better about yourself. Release issues from past life experiences that continually come back and prevent you from moving forward in life. Meditation can help you to begin neutralizing unwanted issues and owning yourself again.

K028 7/15-8/19 M 9:30-10:45AM
\$59 CTC Rm: 338 T. Fuetsch

Therapeutic Yoga for Neck/Shoulder/Back/Knee Issues

A therapeutic yoga course based upon the principles of Viniyoga, which is a traditional hatha yoga that provides adaptations and modifications of the poses for those dealing with developmental, structural, and chronic/acute issues related to the spine and musculature. Designed for adults and seniors wanting to balance spinal alignment, reduce tension in the muscles, joints, and ligaments, and establish a solid maintenance program to be done on a daily basis. Wear loose clothing; bring a yoga mat and towel plus water bottle. Age 18+.

Heart of the City Historical Walk: A Look at Old Vancouver

A walking lecture on the cultural history of Vancouver. Take a leisurely walk through the city, stopping at special places that tell the story of the characters that once lived here with their deeds and misdeeds. Begin at the Fort where it all started, then onto the Village, the new Landbridge and the Old Apple Tree. Stop for lunch (on your own) at a waterfront restaurant or there are picnic tables for those bringing their own lunch. We will move into the heart of the City, stroll through Farmer's Market, look at several art galleries and admire the Art Deco architecture of our town. Continue on to beautiful Officer's Row and end where we started. Meet at Fort Vancouver Visitor's center parking lot (1501 E. Evergreen Blvd.). Walk is a moderate five miles and is fully accessible. Dress for the weather and bring a water bottle. Age 12+ if accompanied by registered adult.

K040 7/27 Sa 9AM-4PM

\$45 CCE Rm: 207 J. Blackwood

"You can't talk your way out of a problem you behaved your way into!"

-Stephen R. Covey

Technology Etiquette Matters!

Communication via technology is fast, easy and convenient, but the drawback? It doesn't always convey tone of voice, emotion, or body language, so the possibility of being misunderstood is enormous. It is important to show courtesy, consideration and professionalism through your choice of words and actions. Where you use - or don't use - these devices can have as much impact as how you use them. Topics Include: Cell Phones ~ Email ~ Texting ~ Social Media Etiquette.

Social Media**Facebook Insights**

Russell Mickler, author of Simple Social Media, shows you how to use Facebook Insights. This is a direct, hands-on, easily-understood look at how Facebook tracks information about people interacting with your Facebook Page and branded content. What the numbers mean, how to respond to them, and why measuring your performance matters. Great for small businesses looking to measure the effectiveness of their social media strategy on Facebook!

K120 7/10-7/11 W, Th 9AM-12PM
\$79 CCE Rm: 210 R. Mickler

Facebook Marketing

How can you leverage guerilla-marketing tactics on Facebook? Further, how do you plan, budget, and execute a Facebook advertising campaign? And how can Facebook positively promote your brand and services? These are the questions explored by this class! Designed for the small business owner, Mickler walks you through the tools and techniques needed to successfully market your business on the Facebook platform.

K121 7/16-7/18 Tu, W, Th 9AM-12PM
\$89 CCE Rm: 210 R. Mickler

Simple Facebook Privacy

Americans spend nearly a quarter of their online time on Facebook. This class is for the enlightened business owner, engaged parent, inquisitive teen, or concerned consumer who're looking to understand their risks in using Facebook, and what buttons to flip to better lock-down their profile. This course offers a 30,000-foot perspective on the risks facing every Facebook user yet zooms-in on specific actions, settings, and configurations to make Facebook's privacy settings work for you.

K122 7/23-7/25 Tu, W, Th 9AM-12PM
\$89 CCE Rm: 210 R. Mickler

Facebook Combo

\$227 CCE Rm: 210 R. Mickler

Business Blogging

Are you a small business owner? You've likely been told by your web developer that blogging is an essential component of search engine marketing. Ready to blog? If so, you don't want to miss this! If you're interested in learning where to blog, what to blog, and how to blog, as to maximize your visibility online, then this course is for you. In this short three-day course, Mickler shows you how to set up a blog, add content, and how to tailor the content to make it organically-relevant to search engines; and no technical mumbo-jumbo: it'll be easily understood, applied, and executed.

K124 8/21-8/23 W, Th, F 9AM-12PM
\$109 CCE Rm: 210 R. Mickler

Self-Publishing

This course is designed for the private aspiring author interested in taking their finished manuscript and uploading it to Amazon: Kindle Desktop Publishing, and Createspace for Print-on-Demand (POD) publishing. Web 2.0 gives everyone tools to develop, publish, distribute, and market their products electronically, and Amazon is arguably the best resource for today's enlightened self-publishing author. This course walks through both of Amazon's tools, explains marketing options through Amazon social media, discusses copyright and ISBN requirements, and then shows you what to do and avoid when self-publishing your work.

\$186 CCE Rm: 210 R. Mickler

The Social Business

Learn to use the five major social media tools: Twitter, LinkedIn, Facebook, Pinterest, and YouTube from a business context. This course will teach you how to use each of these social media tools in a collaborative way and learn to integrate them all from a business context.

K127 7/31-8/2 W, Th, F 9AM-12PM
\$89 CCE Rm: 210 R. Mickler

Ethics in Social Media

Social Media introduces our employees to a hyper-reality of interconnected people, ideas, and concepts. Too often, employees may divulge information damaging to company brand or professional image; too often, employers may lack an analytical framework to gauge the appropriateness of content, or, a strong policy that governs Social Media activity. This course explores the difference between traditional and social media, explores some of the ethical problems of hyper-reality, constructs an ethical analytical framework to evaluate reasonable content, and helps business leaders craft a Social Media Acceptable Use Policy to share with their employees.
