NEW SUMMER CLASSES

College for Kids in Hayward

June & August at WITC-Hayward

We are pleased to announce new College for Kids summer programming at WITC-Hayward. Classes offered for ages 5-16.

Page 8

ICD 10: Med Term & Anatomy

June 25 (Th) at WITC-New Richmond

This one day course is an introduction or refresher for coders on Medical Terminology and Anatomy as it relates to ICD-10. Introductory materials to ICD-10 will be discussed. Continental breakfast and lunch included. Shannon Pakonen has been teaching Medical Terminology for 6years. Shannon is a certified medical coder and credentialed through AHIMA and certified SME in ICD-10 through Optum.

Page 16

Open Your Internal Pharmacy

June 24 (W), 6-8 pm at WITC-Ashland

Open Your Internal Pharmacy & Make Health Your Hobby with Instructor Lori Anderson. Learn exact steps adults and seniors can take to impact short and long term health in a simple, fun, and interactive way. This workshop will provide you with specific solutions and tools to make healthy living and lifestyle changes realistic and practical. Learn how your body can make its own medicine, understand the aging process and how to age healthier, learn about “old” foods vs “young” foods, reduce your risk of chronic diseases, and how to understand food labels. Recipes and healthy snack ideas will also be provided. Take charge of your health today! Page 6

ARTS

Drawing & Painting

Art: Beyond Watercolor

60-815-600

Explore a variety of watercolor techniques as you experiment with different subjects including flowers and landscapes. Your instructor will guide you in finding proper materials to achieve your best work and will adapt instruction for you as a beginner or experienced artist. Please go to www.witc.edu/continuing-education/supplies for a full supply list or contact 1.800.243.9482 ext. 6800 (all supplies available at Karlyn's Gallery).

Race Engineering Camp

60-891-663

Get ready, set, race! In this applied Science, Technology, Engineering, and Math (STEM) camp, you will experience how professional racing teams enhance performance by using a Radio-Controlled (RC) car. Your team will measure car performance and then re-engineer aerodynamics, suspension, balance, tire angles, and fuel consumption to improve its performance and competitiveness. Did you know that each race car team has 4,000 people working behind it, including marketing and public relations? Not only will you become a certified mechanic, data collector, driver and analyzer, but you will create your own logo to market your team! For ages 12-14. This camp will be held in the Technology Education Room, D108, New Richmond High School.

Babysitting Boot Camp

60-891-663

If this doesn't prepare you for the challenges of babysitting, nothing will! Explore important topics such as: expectations, responsibilities, safety, childhood development from infant to school-age, caring for infants and how to handle emergency situations, but that's not all! There will be a demonstration by a certified first responder who will provide important first aid tips for any serious medical situations. On the last day, we'll test your skills when we visit a nearby daycare where you will get to interact with real children. Please bring a \$5 material fee payable to instructor first day of camp. For ages 10 and older.

Camp Ukelele

60-891-663

Get your Uke-on! Strum and laugh as you learn to play the Ukulele. Pop to rock, classical to country, we'll do a bit of it all! Become better musicians and develop talents to last a lifetime. Your instructor grew up learning to play in Virginia, has toured the US with Lawrence Welk Show regular Ava Barber, holds a bachelor of Music Education degree and was a band director for 15 years. For ages 12 and up.

41170 Jul 27 – Jul 30 MTuWTh 1-4p \$55.50
Superior: 206 Alan Copenhaver

Cheer Camp

60-891-663

Cheer up your summer with a cheer and tumbling class! You will learn tumbling, stunting and cheers in an exciting learning environment. Please wear gym shoes and no jewelry. This camp meets at Sterling Silver Studio. For ages 7-12.

41153 Jul 20 – Jul 23 MTuWTh 9a-12p \$55.50
Sterling Silver Dance Studio Danielle Chisholm

Dance Combo Camp

60-891-663

Shake it up this summer as you learn Hip Hop, Dance Twirl (batons provided) and Lyrical skills. Your instructor, a professional choreographer, will

create a fun and supportive environment where you can expand your musical, movement and creative development. Please wear dance, gym shoes or non-slip socks. This camp meets at Sterling Silver Dance Studio. For ages 7-12.

41150 Jul 27 – Jul 30 MTuWTh 9a-12p \$55.50
Sterling Silver Dance Studio Carrie Lahr

Day at the Museum

60-891-663

History will come to life at the Bong Historical Center during this hands-on exploration of the past. Through language arts, social studies, art and science, campers will become curators for a day, create a short play, have a scavenger hunt and learn about Richard I Bong, the Ace of Aces, as they embark on a journey through time with a visit to his final resting place in Poplar, WI. Transportation will be provided. This camp meets at the Bong Historical Center in Superior. For ages 8-12.

41171 Jul 20 – Jul 23 MTuWTh 9a-12p \$55.50
Richard I Bong Vet Ctr Scott Markle

Drones and Robotics

60-891-663

We are taking our Lego Robotics camp to the next level in this combination LEGO® MINDSTORMS® EV3 and AR 2.0 Parrot Drone adventure! Not only will you be able to create and command amazing robots with touch sensor, color sensor, infrared sensor and LEGO Technic elements, you will also have the unique opportunity to program and fly aerial robots! Don't miss your chance to sign up, this camp fills fast! For ages 8-12.

41151 Jul 20 – Jul 23 MTuWTh 1-4p \$55.50
Superior: 312 Thomas Buck

41152 Jul 27 – Jul 30 MTuWTh 1-4p \$55.50
Superior: 312 Thomas Buck

Early Drop Off

60-891-663

WITC will provide early supervision for students in our morning summer camps. This service is great for parents who need to drop off their children before the official start time of their specific camp. No supervision will be provided before 8am. This is not available for students whose camps are held off-campus.

41155 Jul 20 – Jul 23 MTuWTh 8-9a \$21.50
Superior: 206 WITC staff

Superior: 200 WITC staff

Grossology

60-891-663

Do you know what happens to food when you eat it? Just how does your brain work? Have you ever wondered what your heart and lungs sound like? Discover what is going on inside of you as you learn to use a stethoscope, explore the circulatory and respiratory systems, watch bacteria grow and even make fake blood! Through fun activities, you will learn about your brains, bones, muscles, and gastro-intestinal system. Each day you will make a photo record and will take home a portfolio of your journey through the human body! For ages 8-12.

41159 Jul 27 – Jul 30 MTuWTh 1-4p \$55.50
Superior: 134 Amy Stangland

Lunch Zone

60-891-663

WITC will provide an on-campus supervised lunch area for students in our summer camps. Free bag lunches will also be available for any C4K enrolled in the Lunch Zone program. Thanks to the State of Wisconsin Department of Public Instruction, the Superior School District has partnered with WITC to offer a summer food service program. Any student not signed up for the free lunch program should provide their own lunch. This is perfect for kids taking a morning and afternoon camp or for those who cannot be picked up until 1pm.

Natural Science

Lawn Mushrooms

42-806-410

Find out which mushrooms grow in your yard! From delicious edibles to poisonous look-a-likes, we will concentrate on mushrooms that grow on the lawn. Leave with a full understanding of six common edibles and six toxic species that grow exclusively in grass. Bring home printed handouts for reference. Instructor Lynch is a 30-year veteran of wild mushroom foraging in northern Wisconsin. A certified expert by the MN Dept. of Agriculture, he has been harvesting over 40 varieties of wild fungus and bringing hundreds of pounds safely to the public. He focuses public education on safe, ethical harvest of wild, edible mushrooms and on cultivation of exotic mushrooms.

41188 Aug 11 – Aug 13 TuTh 5:30-8:30p \$23.38/\$4.50
Shell Lake High School Tavis Lynch

Wild Mushrooms 101

42-806-410

Join us for this great opportunity to learn from a 30-year veteran of wild mushroom foraging! This is a classroom session covering the 'three rules + one' and the 'safe six': Morels, shaggy manes, hen of the woods, chicken mushrooms, oyster mushrooms and puffballs. Topics include tree identification, ethics, safety, storage and preparation. Poisonous mushrooms will also be discussed. Your instructor is a certified expert by the Minnesota Department of Agriculture and owns Tavis's Mushrooms.

CPR Health Care Provider - AHA

47-531-437

The AHA for Health Care Providers Course is designed to teach the skills of CPR for victims of all ages including ventilation with a barrier device and use of an automated external defibrillator (AED), and relief of foreign-body airway obstruction (FBAO). It is intended for participants who provide health care to patients in a hospital setting and out-of-hospital settings. This course is for anyone that is required to take a health care provider course for employment. All participants who successfully complete the course, including the written examination and skill demonstrations will receive a BLS for Health Care provider completion card that will certify them for two years (credential.) Book provided at class.

Responsible Beverage Service

47-311-400

Students will learn responsible beverage service techniques. Local and state laws will be discussed. Techniques for creating a more profitable business environment by preventing negative and/or unsafe situations in the serving of alcoholic beverages are included. Content will also include implications for legal action against owners and operators of beverage service facilities from inappropriate patron behavior. In general the course is designed to increase the awareness of alcoholic beverage service techniques for owners/operators and the potential for increasing profits through responsible management practices. This course was jointly developed by the Wisconsin Restaurant Association and the Wisconsin Technical College System and may fulfill or partially fulfill local municipal ordinance requirements for beverage servers.

SAFETY & TRANSPORTATION

Driver/Traffic Safety

Motorcycle - Basic Rider 1

42-816-400

This 16-hour course is approved by the Department of Transportation. It is designed to teach the beginner or experienced rider the safe techniques to riding a motorcycle. It consists of 6 hours of classroom and 10 hours of on-cycle instruction. After Successful completion of this class you would receive a iwaiveri to take to the DMV that may waive you from taking the road test in order to obtain your Motorcycle Endorsement. Due to a new curriculum set by the State of Wisconsin and MSF, you are now required to take an online course prior to the start of class. The cost of this course is \$19.99 and is separate from the cost of WITC's Motorcycle course. You can register for this course at <http://msf-usa.org/students.aspx>. Once there, you click "Enroll Now" under Basic eCourse. After you complete the online course, please make sure to print your Completion Certificate as you are required to bring the certificate to the first day of class or provide a copy of the certificate to WITC within 5-7 days of completing the Motorcycle safety course. Failure to complete the online course within the 5-7 days of completing this course will result in a Failure to WITC's Motorcycle course and no refund will be given. It is strongly recommended that you take the eCourse before you start your WITC Motorcycle Safety Course as you will learn valuable information that will help you with the range portion of our class. Students are expected to have some basic understanding that is provided through the online course during the WITC Motorcycle Safety Course.

Traffic Safety for Point Reduction

42-812-404

Participants of the Traffic Safety course will examine their driving behavior and review traffic laws and penalties. Emphasis will be placed on ways to drive responsibly. The Traffic Safety class will show participants how to develop a change plan to reduce their risk of traffic violations and crashes. Students who successfully complete this Traffic Safety class may be eligible to receive a three-point reduction from their driving record. This class also meets the requirements for anyone that has received a "Failure to Yield Right of Way Violation" 2011 Wisconsin Act 173-346.18.

Books will be provided at the start of class.

Certificate in Customer Service

Customer service is now essential for business and all work organizations. With the increase of technology, human interaction with customers becomes all the more important. Whether it relates to retaining customers, serving your audience, or turning inquiries from potential customers into sales, good customer service is now one of the central factors in organizational success. Learn to improve your customer service skills to enhance your career skill set, improve productivity, and increase your organization's success. You will also take away some extraordinary customer service techniques you won't find anywhere else. Two one-month courses: Extraordinary Customer Service and Keys to Customer Service. Average hours is 32, 3.2 CEUs; register at witc.edu/continuing-education/ce-online.

Start a Pet Sitting Business

In this course, you'll master the essentials of running a cat and dog sitting business. You'll begin with pet care, including nutrition, exercise, first aid, and identification of common diseases. You'll learn the basics of first aid and find out how to administer pills, liquid medications, and injections to an uncooperative cat or dog. Next, you'll discover how to handle home visits and impress your potential clients. You'll also explore sticky situations that can arise, such as lost pets, pets that die unexpectedly, and pets that need immediate veterinary care. In addition, you'll delve into finances and explore start-up costs, accounting, fee-setting, business plans, and low-cost marketing. Register at witc.edu/continuing-education/ce-online.

Publish and Sell Your E-Books

It's no secret that e-books now regularly outsell traditionally published books in online bookstores around the world. This is great news for authors, who no longer need a large budget to self-publish and promote their books. In fact, in this course, you'll learn step by step how to use free tools to turn your manuscript into a professionally published e-book ready for distribution. Or, if you don't consider yourself a "techie," this course will give you the information you need to select the right publishing services to help you as you convert your manuscript so you're ready to sell it as an e-book. Register at witc.edu/continuing-education/ce-online.

Leadership Conference

Dare to Grow® – How to Become an Authentic Leader

SAVE THE DATE!

Full conference details and registration will be available soon. Watch your mailbox or go to either witic.edu/continuing-education/featured or barron.uwc.edu/ce

Thursday, October 15, 2015 • 7:30AM–3:30PM

WITC and UW-Barron County campuses, Rice Lake, Wisconsin

This day-long leadership conference is intended for current and future leaders within business, government and non-profit organizations. Through dynamic speakers and hands-on workshops, discover new ideas and tools to enhance your leadership skills.

AGENDA HIGHLIGHTS

- Morning and afternoon break-out sessions will feature a variety of critical leadership topics
- Closing keynote address by Lee Swindall, WEDEC: Leading by Leaps-Owning the Risks and Rewards of High Stakes Change

Conference Fee: \$149

Includes continental breakfast, lunch, refreshments and conference materials.

Collaborative event sponsored by WITC and UW-Barron County

WITC and UW-Barron County are Equal Opportunity/Access/Affirmative Action/Veterans/Disability Employer and Educators.

Featuring nationally-known keynote speaker Byrd Baggett

Byrd's insights and strategies will improve relationships within your organization. His methods have proven to bridge the gap between managers and workers. He encourages individuals to become self-motivated while challenging them to step up to the plate of personal responsibility. The result is an atmosphere of cooperation, creativity, and innovation that permeates an entire organization.

REGISTRATION POLICIES

Nondiscrimination Notice

Wisconsin Indianhead Technical College does not discriminate on the basis of race, color, religion, sex, national origin, age, disability or status in any group protected by state or local law in employment, admissions or its programs or activities. The following person has been designated to handle inquiries regarding the College's nondiscrimination policies: Cher Vink, AA/EEO Officer/Associate Vice President, Human Resources & Employee Relations, Administrative Office, 505 Pine Ridge Drive, Shell Lake WI 54871, 715-468-2815 ext. 2225, cher.vink@witc.edu. Wisconsin Relay System TTY:711

Accommodations for Persons With Disabilities

Reasonable accommodations for persons with disabilities will be made to ensure access to academic programs, activities, services and employment in accordance with 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act of 1990 and the Americans with Disabilities Act (ADA) Amendments Act of 2008. If accommodations are needed, the student should contact the campus Accommodations Specialist or Cher Vink, WITC Affirmative Action Officer/Title IX, Section 504 and Title VII Coordinator, at 715.468.2815, TTY 711, 30 days in advance of needed assistance.

Senior Fees

WITC has implemented a waiver for students ages 62 plus. This waiver is for personal enrichment courses only (the catalog number begins with 60) and provides up to a 50% discount. (Amount varies based on material fees.) Student's age must be 62 plus at the start of the term (6/1 for summer, 8/17 for fall and 12/21 for spring). Students ages 62 plus who are enrolled in professional courses (catalog number begins with 42 or 47) are still exempt from program fees under State Statute 38.24 (1)(b) and only required to pay material fees, which is approximately \$4.50 for many courses.
