A photograph of two young girls standing in front of a swimming pool. The girl on the left is taller, wearing a leopard print one-piece swimsuit, and is smiling. The girl on the right is shorter, wearing a red and white polka-dot one-piece swimsuit and large purple sunglasses. They are both holding pink and purple swim toys. In the background, other people are visible at the pool, and there are orange and blue water play structures.

Refund Policy

Munster Parks and Recreation is committed to providing the highest quality recreation activities, events, and programs. If a person is not completely satisfied with a program or service due to circumstances under the department's control, Munster Parks and Recreation will arrange for the person to repeat the class at no charge, use the fee for another class during the same season, or receive a refund.

A Full Refund Will Be Granted . . .

1. If a participant is dissatisfied with a Munster Parks and Recreation class, program or activity **due to circumstances under the department's control. Refund requests must be made prior to the midpoint of the class, program or activity.**
2. If the refund is initiated by Munster Parks and Recreation (i.e. cancelled class, low enrollment).
3. **For injury or illness, with a doctor's note.** (Once a program has begun, only a prorated fee for classes met will be charged).
4. On Trips or Shows if the seat can be resold or if Munster Parks and Recreation cancels the trip or show.

All Other Refunds (unless otherwise noted)

1. Refunds will be issued prior to the start of a program if the program enrollment is greater than the minimum, minus a \$10 service charge per program plus the cost of supplies (if applicable).
2. After the start of the program, no refund will be issued except for illness/injury, accompanied by a doctor's note.

Refunds will not be granted for the following: schedule conflicts, vacations, special events, tickets, coupons, field reservations, facility rental fees and other reasons beyond our department's control.

The original receipt and the refund request form must accompany any request for a refund within 6 months of program start date. If you are unable to find your original receipt, a refund affidavit form will be provided for you to complete. Both the refund request and refund affidavit forms are available at the Town Hall Customer Service Center or Munster Parks and Recreation Office.

Refund Policy Other Vendors

Several of our programs require payment to be made directly to the vendor, which we will accept at the Park Office.

However, those organizations have their own refund policies. Policies will be available at the Park Office and can be requested at time of registration.

Register Early

Often times participants will wait until the last minute to register for a program. Disappointment occurs because a program has been filled or possibly cancelled due to low enrollment. Ensure yourself a spot and help keep our programs running by registering early.

24-Hour Hotline

For a recorded message about Munster Parks and Recreation programs, particularly those dependent on weather conditions, call the 24-hour hotline at (219) 836-6927.

Credit Cards

The Town of Munster accepts all major credit cards.

Lightning Prediction and Warning System

The Thorguard Lightning Prediction System was installed in the parks to warn patrons of the danger of lightning. When the 15-second warning horn sounds you should:

1. Clear the park immediately or seek proper shelter.
2. Do not return to the park or move out of the area until short horn blasts sound. This is the "all clear sound."
3. If the all clear sound does not sound after 30 minutes, dangerous weather is still in the area and the activity should be cancelled. Stop and seek shelter anytime you believe lightning threatens you, even if a signal has not been sounded.

**The system is active
April 1 - November 1**

Typo/Human Error

Occasionally, there may be an error in the brochure or newspapers in dates, times, or fees. We apologize for such errors and our staff will do everything possible to correct the situation promptly; however, we hope that you will understand that we cannot honor fees that do not reflect the cost of operating our programs.

Thanks to our Facility Partners

Munster Parks and Recreation gives *special thanks* to all the schools and facilities that host park and recreation programs. However, due to school athletic and educational programming, some recreation activities may need to be cancelled or rescheduled. We appreciate the community's understanding during these times.

Employment Opportunities

Munster Parks and Recreation always accepts applications for employment. Sports officials, scorekeepers, facility supervisors, camp counselors and pool staff are just a few of the jobs that are available for seasonal employment.

Volunteers

Volunteers are essential to the continued growth and success of Munster Parks and Recreation programs and services. By assisting in various programs and events, volunteers help maintain high quality community recreation and park services in the Town of Munster. If you are interested in making a difference in your community, call (219) 836-PARK today!

Memorial Tree Program

The Memorial Tree Program was developed as a means of honoring or remembering loved ones. Call (219) 836-PARK for more information.

Dyer/Highland Partnerships

Through the Munster/Dyer Parks Partnership, residents of Munster and Dyer can register for park and recreation programs in either community at the resident rate. Facility and shelter rentals, Munster Community Pool season passes, Dog Park passes and Keen-Ager Membership fees do not fall under this partnership.

Through the Munster/Highland Parks Partnership, residents of Munster can utilize the Lincoln Fitness Center at Highland resident rates. Highland residents receive resident rates on pool and dog park memberships and golf programs. For more information call Munster Parks and Recreation at (219) 836-PARK.

Publicity Photographs

On occasion, Munster Parks and Recreation staff, members of the Calumet Region Camera Club (wearing proper ID) or local media may take photographs or videos of participants in our programs and events. Munster Parks and Recreation reserves the right to use the photographs and videos in the future. If you do not wish to be used in a promotion, please notify the photographer at the time of taping.
