Residents of Munster and surrounding communities:

By looking through the 2018 Summer Recreation Guide, you are taking your first step towards a fun and exciting summer. I would like to first invite you to visit of our newest playgrounds that is either recently completed or under construction. Twin Creek Park features a state-of-the-art netting and climbing park, which is a first in the area. Burlwood Park features dueling slides and a surf-board attraction. Finally, Stewart Park features a musical attraction and the tallest slides in Munster. If golf is your thing, you need to see the newly remodeled Centennial Park Golf Course. With no hole left unchanged, it is a completely different course. The Dog Park is even receiving a makeover with new shade structures and improved turf. Don't forget about the Munster Community Pool, where you will always have a great time with the family.

On the program side, make sure that you register early for one of our several camps and summer enrichment programs. This summer will feature the new Pint Size Camps, Multi-Sports Camps, and a new learn to swim element that can be added to your summer camp experience. We also have numerous programs and trips for all ages. New this year are Tween Time at the Pool, Tiny Tots, Learn to be a Lifeguard, a Hawaiian Luau, and a number of other programs. Please mark your calendars for our various special events such as summer concerts, the Car Show, the Grape Escape, Ride a Bike, the July 3 celebration, Movies in the Park and more. Our Music in the Park has been upgraded and now includes an art component that is provided by our collaborative partners: The Art House, Munster Chamber, Munster Library and other organizations.

Finally, thank you for taking part in our Comprehensive Master Planning efforts. With above average attendance at planning meetings and a survey response percentage that was above national standards, our public involvement effort was second to none. You care about the Munster Parks and Recreation Department and it shows.

Thank you and have a great summer!

Lightning Warning System

Munster Parks and Recreation uses a lightning warning system in our parks. The signal is activated by threatening weather. You will hear an audible siren horn and see a flashing light on top of the device (typically located on shelter roofs) in the park. When the warning signal activates, all patrons must SEEK SHELTER IMMEDIATELY. One you hear three horn signals, park activities can resume. This system is not fail-proof. Take shelter immediately when lightning threatens even if a signal has not sounded.

Refund Policy

Munster Parks and Recreation is committed to providing the highest quality recreation activities, events, and programs. If a person is not completely satisfied with a program or service due to circumstances under the department's control, Munster Parks and Recreation will arrange for the person to repeat the class at no charge, use the fee for another class during the same season, or receive a refund.

A Full Refund Will Be Granted . . .

1. If a participant is dissatisfied with a Munster Parks and Recreation class, program or activity **due to circumstances under the department's control. Refund requests must be made prior to the midpoint of the class, program or activity.**
2. If the refund is initiated by Munster Parks and Recreation (i.e. cancelled class, low enrollment).
3. **For injury or illness, with a doctor's note.** (Once a program has begun, only a prorated fee for classes met will be charged).
4. On Trips or Shows if the seat can be resold or if Munster Parks and Recreation cancels the trip or show.

All Other Refunds (unless otherwise noted)

1. Refunds will be issued prior to the start of a program if the program enrollment is greater than the minimum, minus a \$10 service charge per program plus the cost of supplies (if applicable).
2. After the start of the program, no refund will be issued except for illness/injury, accompanied by a doctor's note.

Refunds will not be granted for the following: schedule conflicts, vacations, special events, tickets, coupons, field reservations, facility rental fees and other reasons beyond our department's control.

Refunds are processed weekly on Monday and checks are mailed on Thursday. You can contact the Park Department to get the latest status on your refund.

Refund Policy Other Vendors

Several of our programs require payment to be made directly to the vendor, which we will accept at the Park Office. However, those organizations have their own refund policies. Policies will be available at the Park Office and can be requested at time of registration.

Register Early

Often times participants will wait until the last minute to register for a program. Disappointment occurs because a program has been filled or possibly cancelled due to low enrollment. Ensure yourself a spot and help keep our programs running by registering early.

24-Hour Hotline

For a recorded message about Munster Parks and Recreation programs, particularly those dependent on weather conditions, call the 24-hour hotline at (219) 836-6927.

Credit Cards

The Town of Munster accepts all major credit cards.

Lightning Prediction and Warning System

The Thorguard Lightning Prediction System was installed in the parks to warn patrons of the danger of lightning. When the 15-second warning horn sounds you should:

1. Clear the park immediately or seek proper shelter.
2. Do not return to the park or move out of the area until short horn blasts sound. This is the "all clear sound."
3. If the all clear sound does not sound after 30 minutes, dangerous weather is still in the area and the activity should be cancelled. Stop and seek shelter anytime you believe lightning threatens you, even if a signal has not been sounded.

**The system is active
April 1 - November 1**

Typo/Human Error

Occasionally, there may be an error in the brochure or newspapers in dates, times, or fees. We apologize for such errors and our staff will do everything possible to correct the situation promptly; however, we hope that you will understand that we cannot honor fees that do not reflect the cost of operating our programs.

Thanks to our Facility Partners

Munster Parks and Recreation gives *special thanks* to all the schools and facilities that host park and recreation programs. However, due to school athletic and educational programming, some recreation activities may need to be cancelled or rescheduled. We appreciate the community's understanding during these times.

Employment Opportunities

Munster Parks and Recreation always accepts applications for employment. Sports officials, scorekeepers, facility supervisors, camp counselors and pool staff are just a few of the jobs that are available for seasonal employment.

Volunteers

Volunteers are essential to the continued growth and success of Munster Parks and Recreation programs and services. By assisting in various programs and events, volunteers help maintain high quality community recreation and park services in the Town of Munster.
