GED 2014

- The GED® test was updated in 2014 to make sure it measures what graduating high school seniors know and what colleges and employers will expect of you.
- The tests are offered on computer. The tests are offered in English and Spanish. The four parts of the test include:
 - Science (90 minutes)
 - Social Studies (90 minutes)
 - Reasoning through Language Arts (150 minutes including a 10-minute break)
 - Mathematical Reasoning (120 minutes)
- The fee per subject area is \$30 per test and you can pay as you go; this means you pay for each subject individually when you are ready to test. ***ABE participants are eligible for \$10 discount on each test.***
- On the 2014 GED® test you need to earn at least 150 points on each subject to pass. To find out if you're likely to pass, take the GED Ready™, the official practice test which is the only test that can tell you if you're likely to pass. ***Office practice tests cost \$6 each, but enroll in our GED prep program, attend 12 hours or more and become eligible for at least 2 free practice tests!***
- By attending our GED preparation program, you increase your potential to pass the exam. Prepare online, get 1:1 help during independent study time, or attend a small group.

ECFE EARLY CHILDHOOD FAMILY EDUCATION

Come for your child...stay for yourself

It's for you and your young children - birth to before Kindergarten.

ECFE is based on the idea that the family provides a child's first and most significant learning

environment and parents are a child's first and most important teachers. Parents shape a child's development and set the stage for future learning and growth. That's why ECFE offers a variety of classes that provide information, encouragement and support for parents and their children.

Discover hands-on learning opportunities for you to explore new experiences, meet other families, and grow and learn together with your child. ECFE serves all families in the Elk River Area School District with children ages birth to Kindergarten. All ECFE classes are taught by licensed early childhood teachers and parent educators to provide the quality education parents are looking for.

What happens when we come to ECFE parent/child activities?

Staff will greet you and the room will be set up with activities. All ECFE instructing staff have, at minimum, a four-year degree plus teaching licensure in Parent Education, Early Childhood Education or Early Childhood Family Education. Usually there are three parts to the sessions: Time together for parents and children, parent discussion time and children's activity and exploration time.

What are the rooms like?

The ECFE rooms are set up for young children with child-sized furniture, toys and materials that are appealing to kids! We have one room set up just for infants through 2 years, others for a variety of ages up to 5 years.

What are the activities?

Activities will be set up in the room. You and your child can choose what you want to try. Some activities, like painting, become weekly favorites. We encourage you to "take your child's lead" and enjoy the special time together. At times we will do group activities with all parents and children. Usually there's a time when the ECFE staff have all the parents and children together in order to get acquainted. There will be a variety of activities depending on the ages of the children. For older children there will be stories, songs and finger plays. In some classes parents will "step back" and watch the children's learning in action.

What happens during parent discussion time?

While your child participates in the children's time in the ECFE classroom with the Early Childhood Educator, you'll meet with parents and the ECFE Parent Educator. Parent discussion will be in the children's room for parents with young children; it will be in another room for parents with older children. It's a comfortable situation where you'll be able to talk about the joys and concerns of being a parent. You'll be able to take time to look at and consider many ideas. Often parents say this is one of their most important times during the week. Research tells us that getting information and support for our role as parents is one of the most important things we can do for ourselves and our children!

What happens during the children's time and how will parents be involved?

The children participate in activities in the classroom while moms, dads or caregivers participate in the discussion. The Early Childhood Educator prepares the room and activities gauged for the children's ages. Both teacher-led and child-initiated activities are planned. In some classes parents take turns working with the teacher in the classroom. This provides an opportunity for parents to observe children's time and how their child responds. It also provides an opportunity to learn more about children's development and behavior. It's a chance to get involved and have fun!

Young Parent Program for Pregnant or Parenting Teens

This program provides pregnant or parenting teens with information about pregnancy, birth, parenting and community resources and is open to District 728 students and area residents who may not be in school. For more information, or to register, contact ECFE at 763-241-3524 or contact the school counselor, school nurse or Ivan Sand Community High School. Home visits are also available. This program is co-sponsored by District 728 Ivan Sand Community High School and ECFE. Classes are held at the Handke Center in the ECFE Rooms. Classes are on-going during the school year and are free. Call the ECFE/SR office at 763-241-3524 for information on days and times. Special events funding provided by Three Rivers Community Foundation.

BIG... building better behaviors for success in school, childcare and at home

BIG is an intervention and prevention program for preschoolers who are at risk of losing their childcare or preschool placement because of negative behaviors. BIG works with parents, teachers and childcare providers to build positive behavior skills. BIG is a Behavior Intervention Group including educators, emotional health professionals and specialists to coordinate expertise and resources for success. If you are interested in BIG, call the ECFE office at 763-241-3524. BIG is funded by ISD 728 Family and Children's Collaborative, a part of Wright County Family Services Collaborative.

"ECFE On Wheels" Home Visits

A program that comes to you and is designed "just for you." The program features visits to your home, or one-to-one visits at the ECFE center. Visits provide ideas for creative, fun, age appropriate activities, as well as time to discuss children, family, ideas on child development, parenting and community resources. Call the ECFE office at 763-241-3524. There is no fee for home visits.

ECFE DISCOVERY LEARNING PRESCHOOL

Discovery Learning Preschool...an ISD 728 Early Childhood Program

Choosing the right preschool program is essential for giving your child the tools needed to be successful in school and in life. Discovery Learning Preschool, offered through District 728 Early Childhood Family Education, is a highly recognized and sought-after program with a **4-star rating from Parent Aware**, an independent nonprofit organization of Minnesota business and community leaders using private sector strategies to improve school readiness. A 4-star rating is an indicator a program is using the practices that best prepare children for Kindergarten. Discovery Learning Preschool offers professionally trained, caring teachers, customized preschool experiences for your child in a safe and fun environment and, as part of the school district, the program has access to the district's resources. Conveniently offered in Elk River, Rogers and Zimmerman with a variety of daytime and evening programming, Discovery Learning Preschool is sure to fit your child's needs.

Unparalleled Results

With unmatched programming in the state of Minnesota, ISD 728 Discovery Learning Preschool is seeing unprecedented results with its customized classroom experiences. During the spring of 2014, four-year-olds were tested and compared to their peers across the state. The results speak for themselves; our program is successful and prepares your child for a successful K-12 experience and provides the tools needed to become a fluent reader by grade three.

Comprehensive Curriculums Embedded in Each Class

Discovery Learning Preschool has revolutionized its curriculum and embedded core fundamentals in each of its classrooms. Overall opportunities for learning are provided through individual and group times. Literacy, mathematics, science, social studies, the arts, technology and process skills are part of the program curriculum, all while having FUN!

Creative Curriculum: Focusing on the 50 key components of how children learn, Creative Curriculum uses the learning environment and the different areas of development including social-emotional, cognitive, math, literacy and language.

Real Math Curriculum: A research-based curriculum that includes a computer used in the classroom and at home.

EZ Write Handwriting Curriculum: This handwriting curriculum matches the ISD 728 K-5 program to ensure continuity upon Kindergarten entry.

High Five Social Emotional Curriculum: High Five centers on supporting children and families by building social-emotional skills for life for all children. High Five provides support and development of new skills when there are behavior concerns.

Minnesota Reading Corps Curriculum: Minnesota Reading Corps staff work within the classroom where specific reading skills are assessed and taught throughout the year. One-on-one and small group activities are built into the student's day.

LANA Nutrition Curriculum: This curriculum concentrates on serving healthy snacks, introducing nutritional choices and recognizing children with allergies and diet alterations by adjusting snacks to meet their needs.

Parent Education and Involvement

Core to our program is parent education. A professional and highly trained Parent Educator is assigned to each classroom. The Parent Ed component focuses on not just the child's experience in preschool, but the family as a whole.

Discovery Learning Preschool...the right choice for you and your child

Your child will grow and achieve academically, emotionally, socially and physically toward Kindergarten while attending Discovery Learning Preschool. For more information, log onto our website at www.728communityed.com or call Early Childhood Family Education at 763-241-3524.

How to Register for 2015-2016 DISCOVERY LEARNING CLASSES

Discovery Learning registration for the 2015-2016 school year is available online now. If you do not have internet access, you may turn in paper registration forms to the Discovery Learning/ECFE office at the Handke Center, or you may stop by and complete the forms online using one of our computers. Paper registration forms are available at the Discovery Learning/ECFE office, or can be downloaded from our website. A \$49 non-refundable deposit is due at the time of registration.

Please note, once you have begun the online application, you must finish it, it cannot be saved. It will take about 15-20 minutes to complete. You will receive a receipt once your application is submitted; however, this does not guarantee placement in a specific class. Your class placement will be confirmed by email or a phone call from the Discovery Learning/ECFE office.

- Information you will need to register:
 - Emergency contact information
 - Pertinent medical info (allergies, asthma, etc.)
 - Child's current immunization record
 - Early Childhood Screening information - the school district where your child attended screening (if screened)
 - Income information - if applying for reduced tuition, you will need your adjusted gross household income for 2014 (see sliding fee scale on page 38).
 - A credit or debit card for the \$49 deposit (in some cases the non-refundable deposit may be reduced or waived.)
- Class placement will be **CONFIRMED BY EMAIL** or phone. Please watch your email for notification of your registration status. First choice class requests cannot be guaranteed, but we will do our best to honor requests. Please include a 2nd and 3rd choice when registering, if possible. Waiting lists are maintained for all full classes.
- Fees are divided into 9 monthly payments. Payments begin in September and end in May. A non-refundable registration fee of \$49 is due when you register. This fee does not apply to the total cost. Receive a \$35 tuition discount for a 3/4's class, or a \$50 discount for a 4/5's class if the year is paid in full by September 13, 2015.
- Child care is available during Parent/Child classes at an additional fee; please notify the ECFE office.

Classes may be cancelled due to low enrollment. We will try to accommodate registrations for a cancelled class into another class if possible.

Discovery Learning Childcare

Community Education is offering child care services to extend your child's experience with their Discovery Learning classes. Childcare is available for eligible classes in block times before and after your child's preschool class to help accommodate your needs.

When registering, you will pick the block times needed for each day and only pay for the blocks you use. You do not need to schedule blocks for the time your child is participating in Discovery Learning classes. Your schedule can vary week to week. Block registration is due on Monday the week prior to attendance. This program is eligible for county assistance.

With over 23 years of successful extended day childcare experience, we provide a quality program that complements the Discovery Learning program curriculum. Each day participating students will be escorted between our child care program and the Discovery Learning classroom by our high quality staff. Snacks will be provided in the morning and afternoon. Students will need to bring a lunch each day they attend Block C.

Please note: The extended day options apply only to the daytime Discovery Learning for 4's and 5's classes offered at the Handke Center. (See the eligible classes with the * on the previous page.)

If you have additional questions about the Discovery Learning Extended Preschool Program, please contact Wendy at 763-241-3400 X5528. To register for these child care options, please use this link to set up an account that will allow you to register for block times: <http://tinyurl.com/m6z4hnh>

ECFE MINNESOTA READING CORPS

Meet the Minnesota Reading Corps Members!

Minnesota Reading Corps is an amazing program that makes such a difference in our Pre-K classrooms by recruiting and training tutors to work with our staff and students.

Becca Dey

After 4 years as an educator corps member, I became an internal coach and I have loved the new experiences and ideas that I am learning from coaching. As a coach, I collaborate daily with Leita, the fabulous community corps tutor who works in my classroom, to plan lessons and RTI sessions for students to make sure every child is ready for Kindergarten. Tutors are very supported by MRC staff and materials, and appreciated by staff, students and families. I would highly recommend that teachers and community members consider joining Minnesota Reading Corps.

Leita Ro Strei

I joined MRC after graduating from college to help pay off loans and have some impressive work experience to put on my resume, but the experience has given me so much more. I love coming to school every day and seeing the smiling faces of children ready to learn. In MRC trainings and in sessions with my wonderful Internal Coach, I have learned all kinds of problem-solving and professional skills. Even though I did not major in education in college, all of the support that I get from MRC staff and my Internal Coach makes me confident that I can do my job. Now, whether or not I continue working in the field of education, I have had an amazing experience helping children be successful readers.

Anne Teschendorf

I decided to become an MRC tutor, not only for myself, but also for the needs of the children. Throughout this year I have gained a positive outlook on the little things in life. The children have shown me to always stay strong, even though you may be struggling. Also, I have learned to give everything one hundred and ten percent. This opportunity as a literacy tutor with Minnesota Reading Corps has given me much joy. I get so excited seeing the children improve day to day. I love seeing their faces when it finally "clicks." I know the struggle of having a reading disability throughout my high school years. If only someone had taken the time to help me learn the skills to read, then it probably wouldn't have been such a struggle for me. But then, I probably wouldn't be doing MRC today! I encourage everyone to look into MRC. Not only do you gain something from being a tutor, the children gain a grasp of what it's like to be on the road to success!

2014/15 Minnesota Reading Corp members for ECFE from left to right: Ann, Tina, Anne, Sherrie, Becca and Leita.

Sherrie Lorentz

This year I decided to work as an Educational Member, as well as teacher, in my classroom. I have taught 3 years in the preschool Discovery Learning setting and have loved every minute. I decided to become an MRC Educator Member for many reasons. First, I was able to see first-hand what a positive impact the MRC has in helping children become better readers and I wanted to be part of that plan, and, secondly, the information and educational ideas are a wonderful addition to my classroom. I get to play each and every day while teaching fun games that will help my students become better and stronger readers by 3rd grade. We do activities such as letter and sound recognition, rhyming and alliteration. We sing songs with these skills and the kids are really having fun. I would strongly recommend becoming an MRC tutor to anyone.

Ann Ostby

I am an early childhood educator and became the SEEDS of Literacy trainer when we were first awarded tutors. Since that time I became the Internal Coach for our tutors. I've added master coaching for other pre-k sites. It's rewarding to see the tutors build relationships with the children and develop tutoring skills. There's nothing better than their excitement when they see the progress the children have made throughout the year. I can't say enough about my association with the Minnesota Reading Corps and the system that is in place to prepare children to be successful readers when they start Kindergarten.

ECFE SCREENING

What is Early Childhood Screening?

Early Childhood Screening is an opportunity for children and their parents to participate in a health and developmental screening after their third birthday. State law requires screening for all children entering public school Kindergarten, ideally at age 3.

Who Needs to be Screened?

All children living in District 728 who are 3, 4, or 5 years old and are not currently enrolled in Kindergarten **NEED** to participate in this **FREE** screening program before entering Kindergarten, or have an equivalent screening from a doctor. Children who attend Head Start or Early Childhood Special Education Services programs may not have to participate in Early Childhood Screening.

Reasons to Screen at Age 3

- Screening assists your child to be ready for Kindergarten.
- Health and developmental problems or concerns can be identified earlier and help provided sooner; families may be referred to community health and educational services including School Readiness and ECFE.
- Screening is free, easy and good for your child.

Early Childhood Screening Includes:

- Immunization records
- Hearing and vision
- Speech and developmental screening
- Height and weight
- Summary interview with parents

Minnesota state law requires that your child must be screened for enrollment in a public school. Children are not permitted to enter public school without having Early Childhood Screening and up-to-date immunizations.

What Happens During Screening?

The parent attends the entire screening process with their child. Your child will have a developmental progress review by a speech/language clinician. A review of your child's vision, hearing, height, weight and immunization history will be conducted by one of our health professionals. The parent/s will then participate in a family factors interview to review the screening process and talk about any concerns they may have.

Is the Program Required?

Yes. Minnesota state law requires that your child must be screened for enrollment in a public school. Children are not permitted to enter public school without having Early Childhood Screening and up-to-date immunizations. *If you are planning to send your child to private or home school, the screening is not required by law, however, we still encourage you to participate. This is a wonderful opportunity for you to find out how your child is developing.*

How do I Schedule an Appointment for my Child?

Invitations to Early Childhood Screening were mailed to families with children turning 4 years old prior to August 1, 2014. If you did not receive an invitation, scheduling an appointment is easy! Screenings are done throughout the school year at the Handke Center. Some evening and Saturday appointments are available along with times during the week. Just contact the screening office at 763-241-3525 with questions or to schedule an appointment.

{ "The whole process of screening was
fast and simple! Thank you!"

ECFE REGISTRATION

Registration for Early Childhood Family Education Classes

Register at the ECFE Office in the Handke Center or at the Rogers ECFE location. You can also register by phone at 763-241-3524, by mail, or online at www.728communityed.com. See page 74 for a registration form. We take registrations until classes fill and take names for a wait list when necessary.

Fees

Fees are based on the number of times the class meets. Full payment is due when you register online. We accept Discover, VISA American Express and MasterCard. A sliding fee scale is available, see page 38. No one will be turned away because of inability to pay. Please call our office to ask questions, make other arrangements, or to have fees waived or reduced.

Cancellations

If you need to cancel from a class, we will pro-rate the fee and issue a refund. There are no refunds for missed classes due to illness or due to inclement weather. Credits will be issued, if requested, for classes cancelled due to inclement weather.

Parent Participation

Parents (moms, dads or both) must accompany and participate in the classroom with the child and discussion with other parents for all ECFE Parent/Child classes. Grandparents or other caregivers may participate in classes, however parents must give permission. Permission slips are not required for Drop-In Play or one-time events. Information on volunteer opportunities will be available at classes. Parents will be asked for donations of consumable and snack items to be used for classes.

Immunizations Required

Minnesota laws require that all children be immunized before entering school. Up-to-date immunizations must be submitted to ECFE before your child attends classes. Please enclose a copy of your child's record with your registration; pick up a form in the ECFE/SR office or on the ECFE website.

Special Needs

We welcome persons of all abilities to participate in our classes and activities. If any special accommodations are needed, please let us know at the time you register. We are not able to provide transportation to classes.

Child Care during ECFE

Child care for siblings is provided during ECFE classes. We cannot accommodate other children in your care. Registration for child care should be completed at the same time as class registration. To request childcare on a one-time basis, you must call to check availability at least one day prior to the class. Children must be at least 6 weeks old to be eligible for childcare; prior to 6 weeks of age infants may accompany parents to class discussions. Children 6 weeks to 3 months may accompany parents to discussions, or they may attend childcare. At 3 months of age, children must attend childcare.

Fees for child care:

- Infants \$4 per hour
- Toddlers \$3.25 per hour
- Preschoolers \$3 per hour
- Additional children \$2.50 per hour
- Child Care on a one-time basis \$5 per hour

Child care fee may be divided into payments. The sliding fee scale and fee reductions, waivers and payment plans will apply for child care also. Call 763-241-3400 ext 5528 for more information.

American Red Cross Swimming Lesson Curriculum

The American Red Cross Swimming and Water Safety program teaches people how to be safe in, on or around water and teaches individuals of different ages and abilities how to swim. In a logical progression, the program covers the knowledge and skills needed for aquatic skill development. As participants develop these skills, they will become safer and better swimmers.

Please see our website for additional information about each level to determine which level your child should be enrolled in. Signing up for a level above or below ability will only cause frustration for the student and class. Students who are in the incorrect level will not be allowed to participate unless space is available in an appropriate class.

For more information about stroke requirements for each level go to www.redcross.org.

Parent/Child 1 | age 6 months-3 years w/parent

Parent/Child Level 1 familiarizes children with the water and teaches swimming readiness skills while providing safety information and teaching techniques parents can use to orient their children to the water. No skills prerequisites required. Child must be 6 months old and parent must accompany child in water.

Parent/Child 2 | age 6 months-3 years w/parent

Parent/Child Level 2 improves skills learned in Level 1 and teaches more advanced skills while continuing to build on water safety knowledge. Child must feel comfortable with skills learned in Level 1 and a parent must accompany child in water.

Preschool A | age 3-5

Preschool A orients participants to the aquatic environment to help them gain rudimentary basic aquatic skills, develop positive attitudes and safe practices in and around water. No skills prerequisites required.

Preschool B | age 3-5

Preschool B builds and improves skills learned in Preschool A while increasing water knowledge and safety topics. Must have successfully passed Preschool A to participate.

Preschool C | age 3-5

Preschool C increases proficiency and builds on the basic aquatic skills learned in Preschool A and B while reinforcing water safety skills and introducing additional water safety topics. Must have successfully passed levels A and B to participate.

Level 1 | age 6+

Level 1 orients participants to the aquatic environment to help them gain basic aquatic skills, develop positive attitudes and safe practices in and around water. No skills prerequisites required.

Level 2 | age 6+

Level 2 builds on the basic aquatic skills, water safety skills and concepts learned in Level 1. Must have successfully passed Level 1 to participate.

Level 3 | age 6+

Level 3 builds on the skills learned in Levels 1 and 2 to help participants achieve basic water competency in a pool environment. Must have successfully passed Level 2 to participate.

Level 4 | age 6+

Level 4 improves participant's proficiency in performing swimming strokes introduced in Level 3. Must have successfully passed Level 3 to participate.

Level 5 | age 6+

Level 5 helps participants refine their performance of all six swimming strokes. Must have passed Level 4 to participate.

Level 6 | age 6+

Level 6 refines strokes so participants swim with greater efficiency and effectiveness over long distances. Includes how to prevent aquatic emergencies and to introduce and practice self-rescue techniques. Must have successfully passed Level 5 to participate.

Lessons & Pool Activities are held at VandenBerge MS | 948 Proctor Rd Elk River

- Only swim wear may be worn in the pool.
- Spectator seating is open during lessons & open swim.
- Showers are required by all participants before entering the pool.
- Use of water wings, floating toys, rafts, inner tubes, life jackets, etc. is not allowed.

Shoes MAY NOT be worn on pool deck by participants or spectators. No food or beverages are allowed.

Discover SCUBA | age 10+

There is nothing like breathing underwater for the very first time. It takes a little getting used to - after all, human beings weren't designed to do that - but after a few minutes of awestruck wonder, most people realize how easy scuba diving is. The biggest challenge instructors have with the Discover Scuba Diving Program is not coaxing participants into the water, but coaxing them out. The fun part? All of it!

Non-School Days | Summer | Grades K-5

Fun enrichment activities and outings are offered on days that school is not in session. Students are divided by grade levels for the planned activities, including art or science topics, physical education and games, academic-related activities and more. All students should bring a bag lunch and beverage and wear appropriate clothing for the activity. These are full-day activities, held 9:00am-3:00pm, that are planned in a day camp format. Extended hours are available for your drop-off and pick-up convenience; the sites are open 6:00am-6:00pm. When registering, please include the course number, as well as the site/time preference listed below. For example: to register for "Roller-skating" at Parker for 9:00am-3:00pm, your course number would be #6020-1W.

EdVenture Club Summer

What is EdVenture Club-Summer?

EdVenture Club-Summer is an exciting and engaging summer camp program for students who have completed Kindergarten through fifth grade by June 2015. EdVenture Club-Summer, in its 23rd year, provides weekly mini-camps five days a week throughout the summer months and is conveniently located at Hassan, Otsego, Parker, Rogers, Twin Lakes and Westwood Elementary Schools. EdVenture Club-Summer features both full-time and part-time options. Full-time allows your child to attend our program five days a week from 6:00am to 6:00pm. Part-time allows you to plan your child's care around your schedule. Youth will experience fun projects, hands-on learning, a weekly field trip and recreational activities while strengthening relationships in a structured, caring environment. For details on daily schedules, fees and how to register see page 46.

EXTENDED DAY PROGRAMS

SUMMER | GR K-5

EdVenture Club-Summer 2015 | Grades K-5

EdVenture Club Summer

What are the locations and hours of Edventure Club-Summer?

EdVenture Club-Summer is located at Hassan, Otsego, Parker, Rogers, Twin Lakes and Westwood Elementary Schools. The program is open 6am-6pm, Monday through Friday, Jun 8-Sep 2, 2015.

Who can attend EdVenture Club-Summer?

Students in public or private schools, in-district or out-of-district... everyone is welcome! Children must have completed grades K, 1, 2, 3, 4, 5 by June 2015.

What will my child do at EdVenture Club-Summer?

Each week features exciting new themes for students ranging from cooking, acting, music and more with students participating in academic and recreation activities on a daily basis. Free time is also available each day. Classes are divided by grade level at a 1:15 staff-to-student ratio.

Tell me about your staff...

All our staff are ISD 728 School District employees who have gone through a comprehensive background check. In addition, they are CPR and First-Aid trained and have received numerous hours of training on child development, social skills, special needs and more. Our staff are also selected because they truly enjoy working with children and are welcoming, caring individuals who encourage connections with other children as well as other staff.

What if my child has special needs?

Please indicate on the Family Information Form or online student profile any special needs of your child such as health or medical concerns, allergies, medications, etc., and if your child has an IEP or receives special services during school. (NOTE: As an ISD 728 program, our Community Education/EdVenture Club-Summer staff may share any necessary information with other ISD 728 staff that will assist in providing the best experience for your child.)

EdVenture Club-Summer starts on June 8, 2015!

Are field trips included with EdVenture Club-Summer?

EdVenture Club-Summer provides weekly field trips throughout the summer. All students are automatically enrolled in weekly field trips if they are scheduled to attend EdVenture Club-Summer on the day of the field trip. Families not wanting to participate in a field trip can register their student to attend another site not going on a field trip for that day. Targeted Services students will not attend field trips as trip times conflict with class times.

How much does EdVenture Club-Summer cost?

Full-time	Part-time	Part-time
Mon-Fri, 6am-6pm	Mon-Fri, < 6 hrs/day	Mon-Fri, > 6 hrs/day
Weekly Rate: \$140	Daily Rate: \$23	Daily Rate: \$34

How do I register for EdVenture Club-Summer?

EdVenture Club-Summer registration is available online at <http://tinyurl.com/edvonline>. After receipt of your registration, additional materials will be mailed to you. You can also register at the Community Education office located at 1170 Main Street in Elk River.

The first week payment of EdVenture Club-Summer is due upon registration. Once enrolled, payments are due by 6pm on Mondays prior to the week attending; some exceptions may apply. Register early. It is possible that a site may fill up. Registration deadline for the first week of summer is Monday, May 18.

Questions?

Contact Community Education at 763-241-3544.

Are any discounts offered?

Families that schedule the entire summer, attend a minimum of 9 weeks and pay for the entire summer by credit card, will receive a **10% discount on the total summer cost**. The 10% discount will be processed during the last week of the program by refund to original form of payment. Be sure to check out the EdVenture Club-Summer registration flyer for this coupon!

YOUTH CE ACADEMY

ISD 728 Community Education gives youth an opportunity to continue to learn and grow outside of school. We believe in approaching curriculum from a creative perspective, letting “kids be kids” throughout the learning

process. Participants will enjoy the opportunity to explore learning in ways that best suit their interests and abilities. Our programs are designed to introduce curriculum in a FUN, positive environment to educate, inspire and empower our diverse learners.

Choose a variety of FUN activities from our four categories: CE Prep, CE University, CE Academy and CE Athletics.

CE ACADEMY

Classes break away from common core subjects and open students' minds to inventive problem solving and innovation through art. CE Academy classes encourage creative, critical thinking while learning to appreciate the complexity of the arts.

ROGERS RECREATION

LEARN-TO-SKATE

Gloves, jacket and helmet are required for beginner classes and recommended for everyone.

Learn-to-Skate | age 3-adult

We offer a wide variety of skating levels for all ages, including beginner and novice skating, USA Hockey skills and our newest offering--Intro to Figure Skating. Each program is designed and structured using USFSA and USA Hockey basic skill techniques. This program prepares you to move onto other levels of skating including prep hockey, figure skating, or just recreational fun. Register using MasterCard/Visa/Discover/Amex through ISD 728 Community Education website at www.728communityed.com, or by phone at 763-241-3520. Registration deadline for all classes is one week prior to start of class. Unfortunately, no pro-rating of fee for missed classes and no refunds once session starts, except for extenuating circumstances.

All classes are taught by sanctioned instructors over the course of six weeks and are held at the Rogers Activity Center. Rental skates are available for \$2/pair weekly, and helmets are available for \$1. Helmets are required for ages 3-6, hockey classes and are recommended for all new skaters. No double-blade skates allowed, nor are parents allowed on ice during lesson times. Exceptions must be approved by skate director.

It is common for children to repeat a level before advancing to the next level. Attendance is important to learn new skills that build on previous classes. Please arrive 20 minutes early the first day of class to pick up name badge and general information. <http://rogersmn.gov/rec-programs/1469-learn-to-skate> or call 763-428-0975 for complete details or questions. Please check skates to ensure sharp edges as this will make it easier to skate; skate sharpening available at the arena.

The City of Rogers has a NEW website: www.rogersmn.gov

Beginner Snowplow Sam Program | age 3-5

This level is for new skaters who have rarely or never been on skates. It is designed to help the pre-school skater develop preliminary coordination and strength necessary to move on ice. Gloves/jacket/warm pants and a bike or hockey helmet are required.

Snowplow Sam 1: Designed for skaters with no experience; introduces how to stand, sit, fall and get up on and off the ice, marching, dipping and beginning glides.

Snowplow Sam 2: For skaters able to move along ice, dipping and gliding. Builds on backward wiggles and forward two-foot swizzles.

Snowplow Sam 3: Skater should be able to move freely on skates with steadiness. Program focuses on pushing and balance while moving forward and backward in swizzles, glides, snowplow stops with skid action.

Basic Skills Program | age 6+

This program is divided into carefully planned levels to progress the skater from basic to advanced ice skating skills. Levels 1-3 are great for all beginning/novice skaters. Beyond Level 3, focus is on figure skating techniques and use of toe pick. Gloves/jacket and a helmet are required for beginner classes and recommended for everyone.

Basic 1: Designed for new skaters with little or no skating experience; covers basic balance and movement through marching, swizzles, wiggles, glides, and snowplow stops.

Basic 2: For beginner skaters with some skating experience; focuses on glides, backward skating, two-foot turns from front to back and moving stops.

Basic 3: Designed for skaters who have basic experience being on skates. Students will learn basic fundamental moves through a series of progression--forward/backward skating, stops, edges, crossovers and more.

Intro to Figure Skating | age 6+

Basic 4+: Designed for experienced skaters who wish to continue in figure skating techniques. Skill sets include forward/backward glides, stroking, two-foot turns and spins, edges, crossovers and more. Must have passed Basic 3.

These upper class levels have limited availability. Please inquire for alternate options if unavailable or cancelled.

*These programs are brought to you directly by Rogers Parks and Recreation. Call 763-428-0975 for additional program information or online at <http://rogersmn.gov/rec-programs>

ROGERS RECREATION

LEARN-TO-SKATE

Hockey Prep Basics | age 4+

This program uses guidelines of USFSA and USA Hockey learn-to-skate techniques. The Hockey Prep classes are for the beginner to the slightly advanced skater and teach the basic skating skills needed to play hockey. They focus on skating and introduce sticks and pucks; sticks will be introduced by the third week, pending abilities. Helmets, shin guards, hockey gloves and stick are required; other protective gear is recommended. Instructors will group the skaters based on ability at the first class. This program allows for flexibility to deviate from skill-sets to focus on skills needed by ability of skaters. Class is 60 minutes and uses stations or small groups based on the number of skaters and abilities, with some free time. All skaters will be assessed first week and put into the correct skill level.

Hockey Prep Jr. | age 4-6

Designed for beginning skaters who want to play hockey but have little skating ability, yet are able to stand and march on skates. If child cannot balance and march on skates, it is recommended that they enroll in one of the Snowplow Sam classes prior to participating in Hockey Prep Jr. Skaters younger than 6 can participate in other prep levels providing they have the ability to keep up with the class.

Hockey Prep Basic | age 7+

Beginner level: Covers the basic beginning format of skating including stance, quick get up from falls, forward skating, dips, snowplow stop, scooter/T-pushes and proper stick holding.

Advanced beginner: Focuses on glide turns, proper way to hold stick, backward skating, stopping and some stick/puck handling.

Advanced skaters: For skaters ready for crossovers and other more challenging skills such as quick stop and starts, crossovers, c-cuts, one-foot pushes and glides on circles, mohawks, hockey stop, and stick/puck handling drills. Great class for those who have played before, but need to work on their skating skills.

Visit <http://rogersmn.gov/rec-programs/1469-learn-to-skate> or call 763-428-0795 for complete details or questions regarding our skating programs.

Snowplow Sam and beginning Basic classes include 30 minutes of instruction (on and off ice time); helmets required.

Hockey classes include 45 minutes of instruction and 15 minutes of free-time.

Hockey program focuses on skating and introduces sticks; helmet, shin guards, gloves and stick required.

*Remember the Disney movie The Mighty Ducks?
The NHL hockey team Anaheim Ducks are named after that movie.*

ROGERS RECREATION

The Teddy Bear Band--coming to Rogers' Entertainment in the Park on Wednesday, Jun 10...see you there!

*Playground Program | ages entering K-4

After a trial phase last year, our summer playground program is back by popular demand with a few changes. The program will run for six weeks, twice a week, and you have an option to register weekly to better fit your scheduling. Each week your child will be involved in games, crafts, and other activities. Don't miss out and sign up now at www.rogersmn.gov/rec-programs.

Triangle Park
Monday & Wednesday
9:00am - noon
July 13 – Aug. 19
Fee: \$25/week or \$130/6 weeks

*Rogers Farmers' Market

Rogers Farmers' Market will soon be up and running on Wednesday evenings. There will be about 20 vendors (farmers, growers, artists, crafters and select Rogers businesses) emphasizing diversity, quality and freshness and featuring live music and a rotating community booth. Our market encourages community participation and support of our local food system. This is THE local foods event in Rogers you don't want to miss! Located at 12724 Main Street (near the Veterans Memorial and Triangle Park Community Gardens). Visit our website for updated information at <http://rogersmn.gov/farmers-market> or contact Kristin at 763-428-0947.

Wednesdays Jun 10-Oct 7 | 3:00-6:30pm

The City of Rogers has a NEW website: www.rogersmn.gov

*Step to It Challenge | all ages

It's not too late to sign up for the Step to It Challenge. This fun and easy challenge is a way to get out and move at your own pace. It is a four-week challenge, but you can still sign up and backdate your activity. Calculating steps couldn't be easier; you can use a conversion chart that tells you how many steps the activity (vacuuming, lawn mowing, gardening, biking, etc.) is worth, and you can also base your activity off of time spent moving versus counting. It's exercise at its best because you're moving and you get credit. Best of all, it's FREE! All participants will have a chance to be honored by Hennepin County and the Minnesota Twins at a Twins home game during the 2015 season. Register now at www.steptoit.org, or call 612-348-5618 and register under the City of Rogers.

Challenge dates: May 3-30

*Entertainment in the Park

Enjoy evenings of free family entertainment throughout the summer following our weekly Farmer's Market on most Wednesdays, Jun 10-Aug 19. Each performance venue has something for everyone and will be held at Triangle Park, 24100 Rouillard Avenue. For weather updates, call 763-428-0975 as some events may be rescheduled or moved. Bring your lawn chairs; seating may be limited.

2015 Performers | Entertainment will begin at 6:30pm

- Wednesday Jun 10 | The Teddy Bear Band
Geared for toddlers through mid-elementary age children with a variety of interactive songs and movement; bring your own teddy bear or stuffed friend.
- Wednesday Jun 24 | The Wendinger Band
