Rockwood Swim Club

YOUTH AQUATICS

Rockwood Swim Club has been a staple in St. Louis county for over 30 years. During that time we have introduced thousands of kids to the fun, exciting environment of competitive swimming. Swimmers of all ages and abilities have a home in the Rockwood Swim Club family. We strive to give every swimmer the personal attention they deserve to continue their improvement.

Why Rockwood Swim Club

Fun: Our enthusiastic, creative, well trained coaches love to be on the pool deck teaching swimming. We work hard to create an environment that is safe and fun for swimmers at all levels to enjoy their sport.

Flexibility: Most of our groups offer 5-6 practice options each week, giving families the flexibility to choose a schedule that best meets their needs. In addition, our Bronze and Silver groups offer a dedicated North or South practice site to allow our youngest families to get the same great coaching a little closer to home.

Facilities: Indoors and out, we have some of the best pools in the area. In addition to utilizing all five indoor pools in the Rockwood School District, we are the only swim club in west St. Louis county to have our own 50-meter olympic sized outdoor training pool. This heated, state-of-the-art pool is used by all of our groups from April - October.

Success in the Pool and Life: We do more than just teach kids more than how to swim, compete, and improve. We're also committed to helping our athletes develop work ethic, self-confidence, discipline, leadership and other skills that are valuable for success in life. Many of our oldest swimmers choose to continue their swimming after high school, whether that is competing in college, masters swimming, or coaching as a job while in school. Swimming can truly be a lifelong sport while making friends and memories to last as well.

Recognition Award: The USA Swimming Club Excellence Program identifies swim clubs for their commitment to performance excellence. Rockwood Swim Club earned Bronze Medal Club Status for 2019, the only club in the region to do so.

How to Join

Fees and Cancellation Policy

Most Community Ed programs are fee-based programs, as we are self-supporting. Unless otherwise noted, all necessary materials and supplies are included in the registration fee. When possible, online registration is encouraged. If registering by mail, include fees with the registration form. Checks should be made payable to Parkway-Rockwood Community Ed. Returned payments will be handled in accordance with Rockwood School District finance procedures and applicable fees may apply.

Cancellation of classes/programs will be at the discretion of Community Ed. If a class/program is cancelled due to low enrollment, participants will be notified and receive a full refund. Customer-initiated cancellations made at least three business days prior to start of class or program may qualify for a refund minus a 5% processing fee. Customer-initiated cancellations made two or less business days prior to start of class/program or prior to second meeting of class/program with multiple meeting dates may qualify for a 50% refund. No refunds will be made following the second meeting of class/program. Adventure Club, Trek and Travel and Early Childhood programs may have separate cancellation policies. Visit our website for a list of payment and cancellation policies.

Nondiscrimination Policy

The Parkway and Rockwood School Districts have defined policies prohibiting discrimination against participants in programs and activities. To view the complete nondiscrimination policy of each district, visit www.parkwayschools.net (Parkway) or www.rsdkmo.org (Rockwood).

Individuals with disabilities who require accommodations should call 636-891-6644. Reasonable accommodations will be made if they do not fundamentally alter the nature of the program.

Please note: Program details are subject to change. For the most updated information visit www.prcommunityed.org or call or text 636-891-6644 for more information.
