Our Mission
To enrich the lives of all community members by promoting citizen involvement and providing lifelong learning opportunities.

Final Message from Mary Hughes, director, Westonka Community Education and Services

Dear District Residents of the Westonka Community,

Swing into summer learning fun in the sun through educational enrichment classes, camps of all kinds, excellent child care, field trips, theater and many recreation activities for all ages. We are pleased to offer summer classes and activities that are programs featuring curriculum which is theme based, hands-on, and will encourage students to stretch their imaginations to continue learning over the summer in an atmosphere that combines education and sunny summer fun.

It is with some sadness and also with great excitement and anticipation that I bid you farewell. I will be retiring from the Westonka School District on June 30th, 2012. My twelve years in District # 277 have been nothing short of fabulous for me as your Community Education and Services Director. I have spent a total of thirty years in the community education field. It has been an incredible experience for me to be in public service with community education and lifelong learning for all these years. I have a passion for Community Education and strongly believe in the benefits and influence a great program can have for a community and their school district. Working with this outstanding school district has been such a privilege. I want to thank our Superintendent, Kevin Borg for his leadership and support of lifelong learning and also the Principals for supporting us as we offer activities in each of the district’s buildings. In my whole time here, I have been blessed beyond comprehension. I will dearly miss my wonderful staff and other daily connections and the excitement and passion of providing lifelong learning to the community.

I want to thank the Westonka Community Education Advisory Council (present and past members) for all of your hard work and support and active citizen involvement. You have truly been a part of making the programs grow and thrive here at Westonka, and you do give the “true meaning” of getting district citizens involved with decision making.

The Westonka Community Education Program has become a model for how to do community education state wide. Much of the success of the program is due to the hard working, knowledgeable, and personable staff. Coordinators Joel Dahl, Sarah Heyer, Tiffany Grube, Sandy Wing, and Mary Hurley and Administrative Assistant, Nancy Nasset know what it takes to do their jobs well for the Westonka community. I send a great big thank you to each of you. I must also thank all of you who have offered over the years to be instructors, coaches, supervisors, volunteers, and child care and summer staff for Community Education. Thanks too, to the Westonka custodial staff for your help. You have all been great Community Ed. supporters! The new CE Director will be truly fortunate to work with this fine group of people. I will help with the transition process for the new director, helping to assure that the many good works in this program will continue and transfer as smoothly as possible.

After June 30th, I will begin a new chapter in my life, always continuing with lifelong learning. I do intend to continue living in this wonderful community and will always support Westonka schools in a variety of ways. Thanks, Westonka community for all of your support and friendships. I would like to extend a deep felt “thank you” to all for making this the best job ever. My best wishes to District # 277 and the whole Westonka community. Now, don’t forget to look inside our biggest catalog ever and find something to enhance you or your child’s summer! Swing into summer and enjoy the season through community education summer programs. Please note the change of location for some programs this summer due to school buildings construction.

Yours in Community, Mary Hughes

Early Childhood Screening - Location: Early Childhood Education Center, 5241 Shoreline Dr., Mound, MN 55364.
Screening is recommended for all children when they reach age three and is also a state requirement for kindergarten entrance. If your child will be entering kindergarten fall of 2012 and has not yet been screened, please make an appointment. This free screening includes a review of immunizations, vision, hearing, growth and development which is then summarized with parents. (For questions about children under age three, call 952-933-GROW.) For additional questions, contact the early childhood office at 952-491-8048.

- Sign up on-line at www.communityed.westonka.k12.mn.us.
- Call the screening voice mailbox at 952-491-8049. Messages will be returned starting July 18.

2012 - 2013 Preschool Class Offerings

The Westonka Community Preschool is a school readiness program emphasizing activities in all areas of growth and learning for children ages three through five years. In preschool, children learn about their world, experience success and gain skills needed for kindergarten and for life. Field trips are scheduled regularly. Weekly introductory Spanish is included in all classes during the school year. The program includes a diverse grouping of children reflective of the community and inclusive with special education.

*Class Ages - Make sure your child enrolls in the appropriate class

Three & Three/Four year old classes
Age three / four by September 1st - you may enroll in any preschool class at the Early Childhood Education Center. (Note: please refer to toilet training skills above.)

Age three between September 1st and October 31st- You may enroll and begin on the first day of preschool in September at the Early Childhood Education Center. Plan to enroll for two years at this site.

Stepping-Up Class - Age four by October 31st.
The school readiness curriculum in this class is designed for both students who will go straight to kindergarten the following year and those who may attend an additional year of preschool at a primary school site the following year.

Four & Four/Five year old classes
At the Primary School sites- Age four by September 1st and eligible for kindergarten the following year (no exceptions).

Toilet Training Skills: Specific class sections (listed in color below) are designed for children not yet toilet trained. If unsure about your child’s progress with this skill, be sure to sign up for one of these classes. All other classes require children to be toilet trained. (No pull-ups or diapers.)

Parents are Partners: Many events and volunteer activities are offered that strengthen the connection between home and school.

Licensed teachers and experienced staff: Teachers and program coordinator are licensed in education. All other staff have college backgrounds and experience working with young children. Together, everyone loves what they do. They offer a safe, nurturing, learning environment that enhances self-esteem and instills a love for lifelong learning.

2012-2013 Registration:
A $50 non-refundable fee and registration form will reserve a space for your child. Children must be the correct age for each class section. To register, or for more information, call the Early Childhood Coordinator at 952-491-8044.

Other services: Financial assistance (limited) is available for qualified families. Extended day childcare (Preschool Adventure Club) is available at all three sites from 6:30 a.m.-6 p.m. during the school year and summer. See page 7.

2012-2013 Preschool Offerings
ECC=Early Childhood Center, SH=Shirley Hills Primary, HT=Hilltop Primary

Please note: Classes printed in color do not require toilet training. All others do.

Kinder Reach
“Half day Childcare and Enrichment” for children who are enrolled in the Westonka half-day kindergarten program.

Kinder Reach is an extended kindergarten experience with academic learning and one-on-one attention, taught by a licensed teacher. Children have additional opportunities to practice readiness skills and form social/emotional bonds with peers. Adventure Club offers a one-stop drop-off and pick-up for busy working families. There are fewer transitions for children—Kinder Reach offers a consistent schedule, nutritious snacks, and lunch in a nurturing, caring environment. Choose from two to five days per week, with an optional hot lunch provided through the Westonka Food and Nutrition service.

Wondering what to do with your child/ren on non-school days? Check out School’s Out. Staff from our Adventure Club program plan fun activities for kids in Kindergarten to 6th grade. We strive to provide a theme-based setting that involves both academic and recreational activities. Non school days are held at Shirley Hills Primary School and are open to all students in grades K-6. School’s Out information can be found on our website. If you have any questions, contact Tiffany Grube at 952.491.8046 or grubet@westonka.k12.mn.us

Summer 2012 Preschool Enrichment

NEW LOCATION for summer 2012! All of the preschool enrichment classes will be held at the Early Childhood Center, 5241 Shoreline Drive, Mound.

Our preschool summer enrichment classes are intended for children who feel comfortable with separating from their parent, who are toilet trained, and who will not be in kindergarten for the 2012-13 school year (there are classes specifically designed for students entering Kindergarten on pages 13-25). Preschool enrichment classes provide opportunities for children to explore new interests, gain new skills, meet new people, and improve early-learning and social skills. We are excited about the classes that have been planned, and the knowledgeable and caring staff hired to teach these classes. The classes offer hands-on learning which encourages skill building and a love for learning. Research continues to confirm that the quality of experiences young children have in their first few years of life is critical to their social, intellectual, and physical development - make learning and play a part of your child’s best summer ever!

Dress for a mess and the weather!

Many of the classes include using paint, markers and other supplies that could get on your child’s clothing. Please dress your child appropriately or send an art shirt with your child to use during messy projects. Preschool enrichment classes will include some free play where children will have the opportunity to go outside and to the multi-purpose room. Please dress your child for the weather.

NEW Location

Preschool enrichment classes will be held at the Early Childhood Center, 5241 Shoreline Drive, Mound.

No classes

There will be no enrichment classes the week of July 2nd.

Bring to class

Send a backpack with your child to class so projects are not lost. Please label all things that your child brings to school.

Snack

A snack will be provided during preschool enrichment classes. If your child has a food allergy, please indicate this when registering and notify their teacher the first day of class.

Coordinate classes for siblings

Check out our other summer ECFE classes on page 5 and plan coordinated classes for siblings.

Explore Minnesota
It’s pretty easy to find a fun place to go in Minnesota! On our journey of Minnesota, we might meet Paul Bunyan, learn about Lake Superior, where the Mississippi River begins, what our state bird and flower are — and much more! This class will be packed with kid-friendly learning about our great state of Minnesota! Instructor Sarah Grimm
Mondays & Wednesdays, June 18, 20, 25, 27 9-11 a.m. #1074-A12S $59

What Shall We Grow?
Come get dirty with us! We will be learning all about gardening and what it takes to make things grow, where living things come from and how all parts of the environment are a part of the puzzle. Little green thumbs…get ready to do some planting! Instructor Anne Uselman
Mondays & Wednesdays, June 18, 20, 25, 27 9-11 a.m. #1075-A12S $59

Perfectly Pinkalicious
Pink, pink, pink. More than anything Pinkalicious loves pink! As we read through her stories, we will enjoy all things pink and learn that being ourselves is the most important thing of all. Come along on this adventure as we use our imaginations, learn about being brave, and most importantly, have fun along the way! Instructor: Sarah Grimm
Tuesdays & Thursdays, June 19, 21, 26, 28 9-11 a.m. #1076-A12S $59

Petite Picasso’s
Come explore the wonderful world of art with us! We will learn about well known artists and make our own version of these artists’ masterpieces. We’ll finish this class with an art show. Get your paint palette ready and join us for some artistic fun! Instructor Sarah Grimm
Mondays & Wednesdays, July 9, 11, 16, 18 9-11 a.m. #1078-A12S $59

Mystery Sports
Sports lovers will love this class! Each day will be suspenseful as we get the surprise of learning what sport we will play that day. Little athletes will learn about the featured sport as well as play it! Grab your tennis shoes and sportsmanship and gear up for fun! Instructor Anne Uselman
Mondays & Wednesdays, July 9, 11, 16, 18 9-11 a.m. #1079-A12S $59

Adventures with Olivia
Whether at home getting ready for the day, enjoying the beach, or at bedtime, Olivia is a feisty pig who has too much energy for her own good. Join the fun as we read books about this rambunctious, enthusiastic, creative and lovable little pig. We will do many fun activities along with the stories we read. Instructor Sarah Grimm

Sponsor A Student Scholarship Program  
The “Sponsor A Student Scholarship Program” allows individuals who fall below a certain annual income range to receive fee assistance for a Community Education class. This opens up an opportunity for more individuals in the community to participate in a wide range of lifelong learning activities. Fee assistance is limited to one class per person per quarter. Donations will be used for the sole purpose of financially assisting a youth or adult student who is interested in participating in a lifelong learning program of Westonka Community Education & Services.

Summer Enrichment for Grades 5-7!

Back by popular demand! Community Education is once again offering a summer enrichment and extended care program designed especially for students entering grades 5-7. The program will be conveniently located at Grandview MS. This program will be age appropriate, prepare students for middle school/allow students to be at the middle school in the summer – and hopefully be more appealing and convenient for middle school students and parents.

If your middle schooler is looking for something to do this summer, they will have lots of choices at Grandview MS! It will be an opportunity for middle school students to be with their friends in a safe and supervised setting, learn something new in an enrichment class, make some special memories, and have fun!

Enrichment classes provide opportunities for students to explore new interests, gain new skills, meet new people, and improve academic and social skills. We are excited about the classes that have been planned and the knowledgeable and caring staff that have been hired for the summer. The classes offer interdisciplinary, hands-on learning which encourage skill building and a love for learning.

Need additional care during the day for your middle schooler? Check out the new program “GRAND finale” on page 26! This program has flexible care options for students entering grades 5-7, Monday-Friday from 6:30 a.m.-6 p.m.

### Outdoor Sports
**Grades 5-7**

Get up and get moving! You’ll be having too much fun in this class to call it exercise. We will play some traditional and non-traditional outdoor sports and games. We’ll play Ultimate Frisbee, team building games, relays, and more. Bring a water bottle and wear athletic shoes (no flip-flops or sandals). Instructor: **Mrs. Loomis**, 4th grade teacher at Shirley Hills

**Monday-Thursday, June 18-21 9:30-11:30 a.m.**

**MWHS Summer Math Progression**  
**MWHS students who seek to maintain their Math sequence**

This class is for students who received a “D- through at D+” or lower in their Pre-Algebra, Algebra I, or Geometry course, yet wish to continue with their progression through the Math sequence at the high school. By completing this course and passing the Proficiency Test associated with it, students will be allowed to enroll in the appropriate course in the Fall. This class is primarily web-based online learning. Students should expect to work 4-5 hours per week outside of the scheduled class time to complete the coursework successfully. **Meagan Anderson**, MWHS Math teacher will lead this class.

**Summer Online Math Practice Program**  
**For students entering grades 5-8**

This online program is designed for students (entering grades 5-8) who are currently at or below grade level in their current math class. Studies show that there is a loss of skills due to a typical summer break. The loss in math is most problematic and gets greater as grade levels increase. This, along with higher state standards in math mean teachers cannot spend as much time to review in the fall. Summer reviewing and practicing can help maintain and improve math skills. Catch Up Math is an online program that students can do anytime, anywhere. It is easy to use and highly effective. Students take online quizzes that diagnose learning gaps, then the program prescribes topics that they should review. These are explained by video tutorials, written lessons, animations, games and guided problems. This program has benchmarks that are aligned to GMS curriculum and MN Standards. GMS Math Teacher **Megan Lhotka** will be monitoring this online class and help with questions as needed. Students will receive information prior to June 18 on how the program works.

**This online program will run June 18-August 17**

**Math and Science Tutoring**  
**Grades 8-12**

Don’t struggle alone! Tutoring can improve learning comprehension, save time spent on homework, and sharpen skills. One-on-one tutoring is available for the following subject areas: basic math skills, algebra and trigonometry, calculus, physics, and chemistry, job-related math skills, homework assistance, and test preparation. To schedule a tutoring session, call Sarah Heyer at Westonka Community Education, 952.491.8045. All tutoring must take place in a Westonka School District building. Tutor **Tony Kelzenberg** has a master’s degree in Engineering from Northwestern University (IL) and over 7 years of experience tutoring students in math and science.

**Mondays-Thursdays**  
$35 per hour; a minimum of 4 sessions must be paid for at the time of registration.
**Bear Truths Summer Adventure**  
*Entering Grades 5-7*  
This unique and exciting summer enrichment opportunity will be educational and includes a fun-filled overnight stay at the Minnesota Zoo where students will sleep in a Lava tube hibernating with the bears! During the classroom sessions students will read the Newberry honor winning novel *A Bear Named Trouble* by Marion Dane Bauer based on a true story with a Minnesota connection. Students will also do research and create a power point of their favorite bear. At the overnight at the MN Zoo, students will meet a bear keeper, participate in an enrichment session, create a snack for the bears in the bear kitchen, view the bear holding area, and also see the Sea Otter kitchen. The overnight will be on Thursday, June 28 departing from GMS at 10 a.m. We will return to GMS on Friday, June 29 at 10 a.m.  
This class is taught by Mrs. Berent, GMS 5th grade teacher. Class max is 34 students.

Lake Minnetonka Survival School

Grades 5-8

Are you prepared for the imminent zombie apocalypse? Could you survive when the flood waters rise? LMSS will teach you the basics of surviving in the outdoors. Water, fire, food, and shelter are essential for your survival and those are the exact skills you will learn while braving the bush of Lake Minnetonka. Identify useful plants, learn and improve fire building techniques, track turkeys, build various shelters, and try your hands at paddling around this great lake in canoes and kayaks. The camp will be held at Lindbo Landing Marina, 285 West Point Road, Excelsior, MN 55331.

Monday-Thursday 9 a.m.-3 p.m. July 9-12 #5868-A12S $209

Lake Minnetonka Boating Club

Grades 5-9

Make waves on Lake Minnetonka and learn how to handle canoes and kayaks with ease as we traverse the channels and bays of one of Minnesota’s most beautiful lakes. Lake rules, boating safety, and paddling skills will be the primary focus, but local historical facts, secret fishing knowledge, and extreme fun will also be shared by all. The camp will be held at Lindbo Landing Marina, 285 West Point Road, Excelsior, MN 55331.

Monday-Thursday 9 a.m.-3 p.m. July 9-12 #5867-A12S $209

Fridays on the Lake

Grades 5-9

School’s out, but that doesn’t mean you can’t still play hooky! Spend the day paddling across the waves of Lake Minnetonka, walking island beaches, and watching a lazy bobber steal after that trophy panfish. Local history and lake laws will be discussed, but really this day is for you. Sign up and take a day off, you deserve it! The camp will be held at Lindbo Landing Marina, 285 West Point Road, Excelsior, MN 55331.

Westonka Dance Program

The Westonka Dance program follows the Leap 'N Learn TM dance curriculum which emphasizes proper technique and encourages students to learn the art of dance in a safe, positive and fun environment. All classes are led by Westonka Dance Instructor: Cathy Hollingsworth

Summer Dance Showcase

Any student who participates in the Creative Movement, Pre-Pointe Youth Ballet, Intermediate Youth Ballet w/Pointe, or the Broadway Bound class is invited to perform in this end of summer show! Dancers will show off their new skills and routines for their friends and family. The showcase will be held on Friday, July 27 in the Mound Westonka High School Theater.

Creative Movement

This class is designed for students who have had little or no previous dance experience. Through stories, songs, and creative games, students begin developing musicality, coordination and flexibility. Simple dance techniques, terminology and steps will be taught to encourage body awareness, following directions and most importantly, the fun of music and movement.

### Private Voice Lessons
**Ages 10 and Up**
Learn to express yourself with your voice! During private one-on-one voice lessons, we will work on the basics of in-tune singing, posture, breathing and confidence-building performance skills. Older students will be given the option of using a provided sight reading booklet to improve their sight singing. There will be a recital opportunity during the last week of lessons. Lessons are taught by experienced retired district music teacher, Andrea Schussler who holds a BA degree in music education, and an MFA degree in Vocal Performance. Come sing this summer, and unleash your inner Westonka Idol!

### GMS Band Camp
These camps are for students who want to get a head start for the upcoming school year. Students in the beginner group will learn the basics of their instrument in a combination of large and small group sessions. These include how to care for their instrument, putting the instrument together, getting a good tone and how to work together. Small group sessions will be lead by experts on woodwinds, brass and percussion instruments. Students in the advanced group will have the opportunity to continue their progress on their chosen instrument in the same type of small and large groups. A concert will be held on Friday morning for family and friends.

Westonka Youth Football (WYF) - Grades 4-6
The Westonka Youth Football program provides a great opportunity for kids to participate in organized tackle football and compete against teams from the surrounding area. WYF is a proud member of the Lake Minnetonka Athletic Association (LMAA) and is dedicated to helping young people learn the fundamentals of football and the value of teamwork. If you are interested in volunteer coaching, please contact Joel Dahl, Westonka Area Youth Football Director at 952.491.8047 or email dahlj@westonka.k12.mn.us. Visit the WYF website at www.westonkayouthfootball.org for more information.

Season Information
A mandatory parent meeting will be held on Monday, August 6 from 7-8 p.m. in the high school theater. Practices will begin on Monday, August 15 with evaluations held the first two evenings beginning at 6 p.m. Games will begin after Labor Day and run until mid October. Game days are Monday, Tuesday, Thursday evenings at 6:30 and 8 p.m. and Saturdays starting at 9 a.m. Games run approximately 90 minutes. There may be a few additional days or later games on weekends due to the short season.

Equipment
Westonka Youth Football is a parent sponsored equipment program. Items that must be purchased by the parents include; white football pants with pads, white helmet with hard chin strap, shoes (no metal spikes), shoulder pads, mouth guards, and practice jersey (any white or red football jersey will work). A protective cup is optional. Game jerseys and socks are provided and will be handed out at practice before games begin. Players may keep game jerseys and socks at the end of the season.

We are partnering with Riddell to provide new helmets, shoulder pads and pants at a discounted price! To order you will need to attend the fitting day. For more information visit our website.

**Westonka Tennis Events**

Join us on Wednesday, April 11 from 6:30-8 p.m. at the Pond Arena in Mound for a free tennis event! Students will be able to try some tennis, sign up for summer programs, get fitted for correct racquet size, and ask questions about the summer Westonka Stars Summer Tennis program. Then bring your child out to the Mound Westonka High School tennis courts on Saturday, May 19 for a fun, free day of tennis. Students ages 4-8 will meet from 10-11 a.m. and ages 9-12 from 11 a.m.-noon. This is a great opportunity to try tennis for the first time and we encourage all kids to join us and give it a try. To sign up for either event visit, www.carlsontennis.com.

**Competitive Tennis Program**

The Westonka Competitive Tennis program runs drills on Monday and Wednesday mornings with an optional match play day. There are four levels ranging from our top junior players who play high level varsity and tournaments to our newest players who have advanced from the Stars program into full court matches. Please contact Dan Carlson at 612.875.5507 or dan@carlsontennis.com with any questions. To register for the competitive tennis programs visit, www.carlsontennis.com. All camps are held at the Mound Westonka HS Tennis courts.

Match Play Tennis

We feel match play is a crucial part of every player’s development. This summer we are offering two different options. One Day Tournaments give kids an option to play in their age level for 3 hours on a weekly basis. This will be a weekly sign up to accommodate your summer schedule and we will be inviting kids from all over to participate. USTA Junior Team Tennis is a fun team match against other communities. Each team will consist of 4 boys and 4 girls. Singles, doubles and mixed doubles will be played. We have divisions for 10 and under, 12 and under, 14 and under and 18 and under. Please contact Dan Carlson at 612.875.5507 or dan@carlsontennis.com with any questions. To register for the tennis match play visit, www.carlsontennis.com. All camps are held at the Mound Westonka HS Tennis courts.

Minnesota Concussion Law

Effective September 1, 2011, M.S. 121A.37 requires that any municipality, business, or nonprofit organization that organizes a youth (ages 18 and under) athletic activity for which an activity fee is charged, shall make information accessible to all participating coaches, officials, and youth athletes and their parents or guardians about the nature and risks of concussions, including the effects and risks of continuing to play after receiving a concussion. All information must be in keeping with protocols and content consistent with the current medical knowledge available from the Centers for Disease Control and Prevention (CDC). They must also require all participating coaches and officials to receive initial online training and online training at least once every three years thereafter. All online training must be consistent with the program, Concussion in Youth Sports, online training program on the CDC’s website at www.cdc.gov/concussion/headsup/.

Aqua Exercise / Lap Swim
Water exercise is a safe and fun way to tone your muscles and improve your cardiovascular health. The buoyancy of the water helps support you and acts as a non-impact resistance to give your joints the support they need. Aqua exercise/lap swim is open to adults ages 18 years and older. Students over 15 may participate with a parent/guardian. Instructor: Gretchen Rouse, MWHS Head Swim Coach.

Summer schedule June 11-September 1
Monday-Friday 5:45-6:45 a.m.
Monday & Wednesday 6:30-7:30 p.m.
Punch cards are good for both aqua exercise and lap swim. Classes are ongoing and you may begin at anytime. Punch cards can be purchased at the pool and are valid for 8 weeks from the date purchased.

#6371-A12S
8 punches $39
16 punches $49
24 punches $65
32 punches $75

American Red Cross Swimming Lessons

The American Red Cross program is a comprehensive and developmentally appropriate swim program that teaches children how to swim skillfully and safely. The prerequisite for each level is the successful demonstration of skills from the preceding level. Each level also includes lessons in water safety. Each class will begin with a brief skill assessment to ensure that your child is enrolled in the appropriate level. All students must be able to perform the exit skills prior to moving to the next level. All of our instructors are certified through the American Red Cross. All classes are held at the Mound Westonka High School Pool (enter through the north doors).

Parent and Child classes are for children ages 6 months to 3 years and require that a parent/guardian accompany each child in the water. (30 minute classes)

Parent and Child (PC)
The objective of this level is to introduce basic skills to parents and children. Parents are taught to safely work with their child in the water, including how to appropriately support and hold their child in the water and how to prepare and encourage their child to participate fully and try the skills. Children are introduced to basic skills that lay a foundation to help them learn to swim. Several water safety topics are introduced that are directed to parents. There are no exit skills for this class. Fee: $49

Preschool classes are for students ages 3-5. (30 minute classes)

Preschool Level 1 (PRE1)
The objective of this level is to teach students the most elementary aquatic skills which they will continue to build on as they progress through the program. Students will begin to develop safe practices in and around the water. Exit Skills: (skills are performed with support) enter independently using either the ladder, steps or side, travel at least 5 yards, submerge to mouth and blow bubbles for at least 3 seconds then safely exit the water. While in shallow water, glide on front at least 2 body lengths, then roll to back and float on back for 3 seconds then recover to a vertical position. Fee: $49

Preschool Level 2 (PRE2)
Prerequisite: successful completion of Pre Level 1. The objective of this level is to build on the basic aquatic skills learned in Level 1 and to give children further success with fundamental aquatic skills performed to a slightly more advanced degree. Most skills in this level are performed with assistance. This level marks the beginning of independent aquatic locomotion skills. Children continue to explore using simultaneous and alternating arm and leg actions on the front and back to gain more proficiency for future strokes. Exit Skills: (skills may be performed with support) glide on front at least 2 body lengths, roll to back, float on back for 5 seconds then recover to a vertical position. Glide on back for at least 2 body lengths, roll to front, float for 5 seconds then recover to a vertical position. Swim using combined arm and leg actions on front for 3 body lengths, roll to back, float for 5 seconds, roll to front then continue swimming on front for 3 body lengths. Fee: $49

Preschool Level 3 (PRE3)
Prerequisite: successful completion of Pre level 2. The objective of this level is to build on the skills learned in previous levels by providing additional guided practice of basic aquatic skills at slightly more proficient performance levels and greater distances and time. Skills in this level are performed independently. Children will be taught to improve coordination of combined simultaneous arm and leg actions and alternating arm and leg actions. Exit Skills: (skills are performed independently) step from side into chest-deep water, move into a front float for 5 seconds, roll to back, float for 5 seconds then return to a vertical position. Move into a back float for 5 seconds, roll to front then recover to a vertical position. Push off and swim using combined arm and leg actions on front for 5 body lengths, roll to back, float for 15 seconds, roll to front then continue swimming for 5 body lengths. Fee: $49

Learn to Swim Levels are for students ages 5 and up. (40 minute classes)

Level 1: Introduction to Water Skills
The objective of this level is to learn basic personal water safety information and skills, to help students feel comfortable in the water and to enjoy the water safely. Elementary aquatic skills are taught at this level. Exit Skills: enter independently, using either the ladder, steps or side, travel at least 5 yards, bob 3 times then safely exit the water. (Participants can walk, move along the gutter or “swim.”) Glide on front at least 2 body lengths, roll to a back float for 3 seconds and recover to a vertical position. (This part of the assessment can be performed with support.) Fee: $55

Level 2: Fundamental Aquatic Skills
Prerequisite: successful completion of Pre Level 2 or LTS Level 1. The objective of this level is to give participants success with fundamental skills. Participants learn to float without support and to recover to a vertical position. This level marks the beginning of true locomotion skills. Participants further develop simultaneous and alternating arm and leg actions on the front and back that lay the foundation for future strokes. Exit Skills: step from side into chest-deep water, move into a front float for 5 seconds, roll to back, float for 5 seconds then return to a vertical position. Move into a back float for 5 seconds, roll to front then recover to a vertical position. Push off and swim using combined arm and leg actions on front for 5 body lengths, roll to back, float for 15 seconds, roll to the front then continue swimming for 5 body lengths. Fee: $55

Level 3: Stroke Development
Prerequisite: successful completion of Pre Level 3 or LTS Level 2. The objective of this level is to build on previously learned skills by providing additional guided practice. Participants will learn to survival float, swim the front crawl and elementary backstroke. The scissors and dolphin kicks will be introduced and participants will build on fundamentals of treading water. Participants will also learn the rules for headfirst entries and begin to learn to enter the water headfirst from a seated and kneeling position at poolside. Exit Skills: jump into deep water from the side, swim front crawl for 15 yards, maintain position by treading or floating for 30 seconds and swim elementary backstroke for 15 yards. Fee: $55

Level 4: Stroke Improvement
Prerequisite: successful completion of LTS Level 3. The objective of this level is to develop participants’ confidence in the strokes learned thus far and to improve other aquatic skills. Participants improve their skills and increase their endurance by swimming familiar strokes (front crawl, elementary backstroke) for greater distances. Participants add the arms to the scissors kick for the sidestroke. Participants also start to learn the back crawl, breaststroke and butterfly and the basics of turning at a wall. Exit Skills: perform a feet-first entry into deep water, swim front crawl for 25 yards, change direction and position as necessary and swim elementary backstroke for 25 yards. Swim breaststroke for 15 yards, change direction and position as necessary and swim back crawl for 15 yards. Fee: $55

Register for Summer classes online today!
**Level 5: Stroke Refinement**  
Prerequisite: successful completion of LTS Level 4. The objective of this level is coordination and refinement of strokes. Participants refine their performance of all the strokes (front crawl, back crawl, butterfly, breaststroke, elementary backstroke and sidestroke) and increase their distances. Flip turns on the front and back are also introduced. Exit Skills: perform a shallow-angle dive into deep water, swim front crawl for 50 yards, change direction and position of travel as necessary and swim elementary backstroke for 50 yards. Swim breaststroke for 25 yards, change direction and position of travel as necessary and swim back crawl for 25 yards. Fee: $55

**Level 6: Swimming and Skill Proficiency**  
Prerequisite: successful completion of LTS Level 5. The objective of this level is to refine strokes so participants swim them with more ease, efficiency, power and smoothness and over greater distances. This class will also focus on preparing participants for more advanced courses such as the Water Safety Instructor course or competitive swimming. Personal Water Safety Exit Skills: swim 500 yards continuously using any 3 strokes of your choice, swimming at least 50 yards of each stroke. Jump into deep water, perform a survival float for 5 minutes, roll onto back and perform a back float for 5 minutes. Perform a feet-first surface dive, retrieve an object from the bottom of the pool at a depth of 7-10 feet, return to surface and return to starting point. Fee: $55

**Private and Semi-Private Swim Lessons**  
Private and semi-private swim lessons are available upon request. Lessons are based on pool availability. Private lessons are $120 for 6 – 30 minute lessons and Semi-private lessons are $65/student (up to 3 students) for 6 -30 minute lessons. To schedule a private or semi-private lesson or for more information call 952.491.8047.

**The Arobix Dept.™**
The Arobix Dept. is a trademark fitness program designed by nationally certified and trained instructor Carol Laurie. Carol and her instructors will help motivate your self-confidence and improve your physical health. All classes are held at the Shirley Hills Primary School gym and each class is one hour long. For more information or class cancellations please contact Carol at 952.491.8009.

**Strength Training**
This program is designed to assist in building bone density, losing weight, and strengthening muscles. Emphasis is placed on good form and body alignment. Participants will strengthen and tone all major muscle groups. Weights are provided.

**Total Body Conditioning (TBC)**
This class offers the best of both worlds, cardiovascular and strength training for a challenging full body workout. This “power-hour” will burst and boost your energy systems.

**Tri-Fit**
This class offers a total body workout in just one hour and includes 20 minutes of cardio/aerobic exercise, 20 minutes of strength training with weights, tubes and bands and ends with 20 minutes of Pilates/yoga work for core conditioning and flexibility.

**Golf 101 Camp**
**Age 18+**
This camp will help players feel comfortable to play golf this summer. Learn a little about golf history, golf swing, rules, golf language and how to play. The camp is held at Pioneer Creek Golf Course in Maple Plain. Instructor: Ted Vickerman, Head Golf Coach Augsburg College

| Thursdays | 5:30-7 p.m. | May 3-31 | #6412-A12S | $110 |

**Adult Tennis Lessons**
**Age 18+**
We will be offering weekly tennis clinics for adults. Back into Tennis/Beginner lessons are a great way to get back on the courts or to try it for the first time. For those who have played in the past, we will be offering different drills for each level as well as tennis mixers throughout the summer. Please visit our website at www.westonkatennis.com for more information or email Dan Carlson at dan@carlsontennis.com.
One-on-one Computer Training

You will have 100% of the instructor’s attention to assist you with whatever computer needs you have. Spend 1 ½ hours with a highly qualified trainer that will focus on your specific needs. Some examples of possible topics are: basic computer skills, email basics, software applications such as Word or Excel, how to organize digital photos, creating a newsletter, and much more. Prior to your tutoring session, the instructor will call you to discuss your individual needs so the instructor is prepared to work with you. Two people may attend together if you are interested in the same training.

$65 for one person per 1 ½ hours; $79 for two people per 1 ½ hours
To schedule a session, call or email Sarah Heyer at 952-491-8045 or heyers@westonka.k12.mn.us
