# Saturday Workshops for Child Care Providers

Join us this summer. The Caring for Kids Workshop Program is pleased to offer new seminars featuring special speakers in high quality sessions.

These are **one-time-only** offerings.

These programs are brought to you through a special grant provided by the Florissant Valley Family and Consumer Sciences Department and Continuing Education. Funding has been provided by the Missouri Department of Elementary and Secondary education.

**There has never been an opportunity to get so many clock hours at such a low cost.**

Enrollment is limited for these workshops. Registration is based on a first-come, first-serve basis. A boxed lunch is included in the fee.

Workshop check-in begins at 8:30 am. Complete attendance at these seminars is expected in order to receive a certificate and full clock hour credit.

## Math: Beyond 1, 2, 3...

This training features quality state trainers from the Metropolitan Community College Francis Institute in Kansas City, Missouri as a special summer offering.

Essential math experiences that are critical for children's later school success can be a part of your early childhood classroom every day. This workshop will provide experiences and information which identify math content areas and experiences. You will explore strategies and activities to integrate math concepts into classroom experiences. Since enrollment is limited, this workshop is based on a first come, first-served registration.
