There will be no smoking or alcoholic beverages allowed on any vehicles used for Department trips including motor buses. Due to outside costs associated with arranging and booking trips, there will be no refund when a participant cancels a trip registration.

PROGRAM ACCESSIBILITY/ADA

The Loudoun County Department of Parks, Recreation and Community Services (PRCS) is committed to complying with the Americans with Disabilities Act (ADA). If you require a reasonable accommodation for any type of disability in order to participate in PRCS activities, please contact the program/location manager (or PRCS administrative office at 703-777-0343/TTY-711). Three business days advance notice is requested.

PROGRAM REFUNDS & CANCELLATIONS

Our goal is to ensure quality programs. If you are dissatisfied with the quality of a camp in which you are currently enrolled, you may request a refund according to the following policy: Refund requests must be submitted in writing and include an explanation of why the participant is disappointed with the quality of the particular class/program. The written request should be dated and sent by email, fax, or mail directly to the facility manager or program manager offering the class/program. Only written requests will be accepted. The amount of any refund will be prorated based on the number of remaining class/program sessions.

If you need to cancel a camp registration, and you make the request 15 or more days before the start date, a full refund, MINUS a 15% administrative fee (maximum of \$15), will be offered. If you cancel a class/program registration 14 or fewer days before the start date, a refund of 50% will be offered. Cancellation requests must be submitted in writing. The request should be dated and sent by email, fax, or mail directly to the facility manager or program manager offering the class/program.

The Department reserves the right to cancel or change a camp or activity due to insufficient enrollment or other reasonable cause. A full refund (including any applicable registration fee) will be offered.

RIVER RIDERS ADVENTURE WEEK

(Ages: 9-14) Outdoor Adventure Camp provides unforgettable experiences all summer long in beautiful Harpers Ferry. Your camper will get to experience the natural beauty of the outdoors while challenging themselves with new and unique adventures. Campers will have the opportunity to go white water rafting, kayaking, climbing at the Aerial Adventure Park, zip lining, tubing and more! Our zip line canopy tour features 8 zips, varying from 200-800 feet in length, and takes place along the Potomac River! Our Aerial Adventure Park is a camper favorite and we have recently DOUBLED the size of our park-- campers can now explore 9 aerial obstacle trails at their own pace by leaping through the hanging lily pads, wiggling through the wobble bridge, and getting stumped on tree stump ladder. New this year is the HIGH SPEED ZIP LINE! Campers will come away from camp having learned the basics of river safety and guiding through different experiences on the Shenandoah and Potomac rivers like flat water tubing, white water kayaking, and stand-up paddle boarding, to name a few! All activities are facilitated by River Riders' highly trained guides, who make it their goal to share their experience and passion for adventure and the outdoors.. River Riders will pick up participants at the Kings Street Food Lion Grocery Store at 8 a.m. and will return by 5 p.m. Complete the registration packet found at www.outdooradventurecamp.com/reserve. GOLDEN BOOT SOCCER: PLAYER DEVELOPMENT BRIDGE

(Ages 7-9) Your child finished the fun introduction to the game of soccer in our Lil' Boots program and is ready to make the leap into the next level. However, getting to the next level is a gradual process. Exposing young players to activities and skills that are too advanced can be counterproductive to their development and may even result in them quitting the game. Young players must go through an intermediate program that focuses on basic individual skills such as ball mastery and one-on-one moves. Our new Player Development Bridge program is designed to do just that. It is the missing "bridge" between our Lil' Boots program and the more advanced Player Development, and consists of age-appropriate activities that ensure a

smooth transition to the next level. No walk-in registrations will be accepted at camp. Call 703-777-0343 for more information.

GOLDEN BOOT SOCCER: SPEED & AGILITY WITH MOTORIC COORDINATION

(Aged 10-16) Agility and coordination are the foundation of success in soccer. Speed & Agility with Motoric Coordination from Golden Boot Soccer provides targeted training designed for learning, controlling and executing movements related to the game. Players develop the ability to learn and execute new techniques quickly, and adjust those techniques in an instant, allowing players to easily control their movements when they have to react quickly, under pressure from an opponent, or in tight situations.. Motoric Coordination from Golden Boot Soccer includes motor skills and coordination exercises with the soccer ball and other agility tools to create a motor system overload, allowing the young players nervous system to adjust and adapt to challenging environments. Speed & Agility with Motoric Coordination has been carefully designed to develop the all-around soccer athlete with a noticeable advantage in reaction time, decision making and execution.
