Los Angeles Xtreme Baseball Academy (LAXBA) is your premier teaching and training destination for youth baseball players ages 7 through 13 years old. LAXBA offers advanced baseball camps that have a distinct advantage to its attendees with strategic instruction specifically targeted to each player's age, skill level and experience. Our camps are run by the top youth baseball instructors in Southern California. Our instructors provide a fast-paced, fun and challenging camp that will leave your child eager for their next session. Every player attending LAXBA camps will learn the game of baseball the way it is meant to be played. Beyond our camps and clinics; we have the proud pleasure of running one of the best travel team programs in the country.

The LAXBA coaches that have enjoyed enormous success bringing teams to State Championship level competition and managing our travel program are the same coaches that run our camps. Your child will benefit learning from the best youth coaches you can find who not only know the game of baseball, but are also able to work well with the kids to maximize their potential.

ADULT-ART & CERAMICS

ACRYLIC, WATERCOLOR AND INKS!

Res: \$150 Nonres: \$165
 16 and up
 In this class students will explore the creation of acrylic, watercolor, and ink paintings on paper, canvas, and other substrates. Starting with observational study and ending with free-form assignments, students will hone their image making skills, while learning to control and combine water-based media. We will learn the properties of different substrates such as paper, and what is necessary to prepare them for painting. Throughout this class, studio demos and work periods will be infused with information on how water based media has been used in art history, and how it is being used today by working artists.
