Business Diplomas

The listed Business Diplomas are equivalent to the post-secondary two or three year programs and can be completed at night school. To estimate the required length of time for completion, divide the total courses required by the number of courses you plan to take each year (students average 5 courses per year).
Post-secondary students taking courses at night and Continuing Education students are regulated by Post-Secondary policies. You must consult the appropriate Associate Dean with questions pertaining to prerequisites, entry to class, graduation requirements, etc.

You cannot register in a course without the appropriate prerequisite(s) or equivalent. **Prior Learning Assessment & Recognition** (PLAR)

You may apply for credit in individual courses based on learning acquired through work and other life experiences. For more information, contact the PLAR Office at

plar@mohawkcollege.ca. Assessments should begin in the term prior to the start of classes. This information applies to Business Career Strategies (CRED10018) which is not available through night school.

Distance Education/ Online Learning

What is Distance Education/Online Learning?

Distance education/online learning courses provide you with the opportunity to learn online, anywhere, and at your convenience. Most courses are delivered every January, May and September. There are also many monthly intake course offerings. Courses are delivered over a 14 week period and are instructor-led. They are not self-paced, nor self-directed. You will need regular access to a computer with an Internet connection and Web access for the duration of your course. A Macintosh or PC system with at least:

PC: Pentium III 600 MHz processor or faster, 256 MB RAM or greater (512 MB recommended), Windows XP/Vista/Win7 MAC: Intel x 86 based processor, 512 MB RAM or greater (1GB recommended), Mac OS-X 10.5 (Leopard) or 10.6 (Snow Leopard)

The campus codes identify delivery through OntarioLearn (OL) or Distance Education (DE). Your start-up information is different depending on delivery methods.

OL - OntarioLearn.com

To see if online education fits your learning style, go to OntarioLearn.com and click on Online Learning to participate in a short quiz titled, "Are You Ready for On-line Learning?

Breastfeeding Program

Gain up-to-date knowledge and skills in breastfeeding support and awareness of current issues in lactation. The revised program, consisting of three theory courses and one clinical course, is designed to meet the new IBCLC 2012 curriculum standards that are required for eligibility to write the IBLC examination.

The program, as of Sep, 2011 has been approved by the International Accreditation and Approval Committee (AARC) on Education in Human Lactation and Breastfeeding. Approval for CERPs recognition of courses for certified lactation consultants is in process.

CLINICAL COURSE (CLIN10026)

INFORMATION:

Clinical courses can only be completed in spring/summer semesters. Exclusion from practicum may be approved via the PLAR process on the basis of the learner's documented current clinical practice. Clinical course prerequisites are successful completion of all theory courses.

Eligible students (those who have previously completed courses NRSG10024 and NRSG10026 of the former program) and who are planning to complete CLIN10026 in spring/summer, 2012 semester must apply to the Program Manager by January, 2012. Clinical applications are available at IAHS in Continuing Education Health Sciences Office, Room 185 or by contacting Program Secretary or Program Manager.

Preclinical Medical Requirements: Current Mohawk College Medical Clearance, current Mask Fit Test, Vulnerable Sector Screening if required by agency.

Note: Eligible students must attend a mandatory Clinical Information session on Friday, February 3, 2012 - 3:00-4:00 p.m. - IAHS. Room: TBA.

Academic and Career Entrance (ACE)

Academic and Career Entrance (ACE) courses are non post-secondary courses designed to prepare students to succeed in postsecondary and apprenticeship training. They are accepted as OSSD equivalent by colleges and Apprenticeship for purposes of admission. There are 10 ACE courses available. Most students participate in the courses they need to meet the prerequisites for admission to further their education

To receive an ACE Acknowledgment of Completion, students must successfully complete the Communications (English or Français) course, a Mathematics course and any 2 courses from the list below.

Questions? 905-575-2706 / disted@mohawkcollege.ca

Admission Requirements

All students wishing to enroll in an ACE online course must first complete the Learn to Learn course. This 20 hour online course will help to determine if you have the necessary personal, computer and academic skills to successfully participate in ACE online courses. To register for the Learn to Learn course, please visit www. acedistancedelivery.ca to fill out an application.

ACE Core Math, ACE Biology and ACE **Communications courses**

The Ace Core Math, ACE Biology and ACE Communications courses are not available until April 2012. Contact Shelley Kitchen at itchen@mohawkcollege.ca for registration details.

Enrolment is limited so please contact Shelley Kitchen as soon as possible.

Fuel Certification Challenge Examinations

Challenge Examinations for all Gas and Oil Burner Technician Certifications may be written at the Technical Standards and Safety Authority (TSSA) 1-877-682-8772 www.tssa. org. After successful completion of the written challenge examination (minimum pass 75%), you must submit to a Practical Assessment. The Technical Standards and Safety Authority will conduct practical assessments at a location of their choice. Scheduling appointments and costs to be determined at the time of calling the TSSA.

Theoretical challenge examinations for the Oil or Gas Technician will interest those with Gas or Oil Burner Technician experience who are not certified in any category or have never possessed any Certificate of Qualification as a Gas or Oil Burner Technician. Reinstatement and higher category challenge examinations will have to be arranged and written at the TSSA. If you wish to challenge the Gas or Oil Burner Technician II exam or the Gas and Oil Burner Technician I exam you must provide proof of the following to the TSSA:

1. A valid Gas or Oil Burner Technician III or II license, depending on the exam you are challenging.

2. Documentation of the hours related to the work experience for the license that you are challenging, types of equipment, etc.

Documented proof of related work experience would include letters or affidavits from employers detailing work experience related to the certification sought and the name and certificate number of the supervising certificate holder(s). Questions? 905-575-2025 / crearts@mohawkcollege.ca

In more than 30 Mohawk College programs, COMM10092: College Communications is now a prerequisite for COMMLL041: Communications. All students enrolled in a full-time program, including those taking COMMLL041 through Continuing Education, are required to have their skills assessed to ensure they are placed in the appropriate

communications course. You are strongly encouraged to complete the assessment before the first night of class. If you are unable to complete the assessment before classes begin, you will be offered an assessment during your first scheduled class.

To book your Assessments for Success appointment, call or visit us during business hours at 905-575-2042, Room A122, Fennell

ESL (English as a Second Language) students have the option of completing a language-based assessment. Please call 905-575-1212 ext. 3569 to arrange an ESL Language Assessment.

Important Information

Registration Information

Acknowledgement Form and Student Card

You will receive an Acknowledgement form and student card immediately when registering in person. Acknowledgements for registrations done online or sent by mail, fax will be mailed out to the student by Canada Post. The acknowledgement form includes your user ID and password for MoCoMotion, the College's information portal. Carry your student card for security purposes and bring your acknowledgement form to class as proof of registration. A fee of \$6.00 per term applies for duplicate forms.

NOTE: Please ensure your address and phone information is correct in our registration system. This will ensure communication with you is available in the event of a course cancellation/reschedule, etc.

For credit courses leading to a college certificate or diploma, you require a secondary school diploma or equivalent, or you must be 19 years of age or older on the day the course starts. The college reserves the right to restrict enrolment for most general education and noncredit continuing education courses to those 19 years of age and over. International students who are not permanent residents of Canada require permission to register from Citizenship and Immigration Canada. Only under special circumstances can a credit course be audited. The audit application form must be approved by the Associate Dean at the time of registration. You will not receive a credit for an audited course; an AU designation is used for the transcript. Regular fees apply.

Privacy and Confidentiality

Mohawk College collects and retains personal information in compliance with the Freedom of Information and Protection of Privacy Act (RSO 1990). See the Privacy Statement at www.mohawkcollege.ca/legal.html

Important Information

Transferring Courses

You may transfer from one class/course to another before the third regularly scheduled session of the course from which you are transferring, provided that the registration cut off date has not passed and space is available in the course into which you are transferring. Fees will be re-assessed accordingly. You may transfer on the web at ce.mohawkcollege.ca, by fax, or at any designated C.E. Registration Office.

Waitlists

If a course is full, you may choose to enter your name on the course waitlist via the web, fax, mail or in person. You are not required to leave payment for a waitlist. If a spot becomes available, you will be contacted.

Withdrawals

If you withdraw from a course, you must officially notify the Continuing Education Registration Office using the web, mail, fax, or in person at least 10 days before the end of the course to avoid academic penalty.

Informing the instructor only is not sufficient. See the Refunds section for details regarding withdrawals
