WESTMINSTER WATER DEPARTMENT

CONSERVATION: A CALIFORNIA WAY OF LIFE

The biggest lesson we learned from our recent drought: Conservation needs to be a way of life. Droughts will come more frequently, so Californians should always use water efficiently.

Westminster residents have done phenomenal throughout the drought, saving well over one *billion* gallons of water. Westminster is committed to responsibly caring for our water sources and we ask all residents to maintain the amazing water saving habits developed throughout the drought.

Looking for new ways to save water? Here's our top three summer conservation tips:

1. Set mower blades to 3 inches – Leaving longer grass blades helps establish longer grass roots, leading to more resilient, healthy grass. Most lawns require only two days of watering per week.
2. Set a timer for your showers – And stick to it! – Standard shower heads use two gallons per minute. If you're taking a ten minute shower to cool down from a hot day, you're using 600 gallons of water per person per month!
3. Use a bucket to collect water – While you wait for your shower to warm up, collect the water and use it for plants. Buckets are an inexpensive tool that repurposes water and save money.

WESTMINSTER SCHOOL DISTRICT

Enroll Your Child in Spanish/English Dual Language Immersion or Vietnamese/English Dual Language Immersion

Westminster School District offers both Spanish/English Dual Language Immersion and Vietnamese/English Dual Language Immersion for the 2017-2018 school year. Spanish Dual Language Immersion will be offered for preschool, one class for three year olds and one class for four year olds, kindergarten (two classes with 24 students in each class), and first grade classes (two classes with 24 students in each class). Preschool will be three hours a day, five days a week. Kindergarten and first grade is full day, five days a week. Vietnamese/English Dual Language Immersion will be offered in kindergarten, first and second grades. We have a waiting list for preschool and kindergarten classes already. If you would like your child to be a part of the Spanish/English Dual Language Immersion or Vietnamese/English Dual Language Immersion program for 2017-2018, register soon! This program is open to all students in Southern California. Before and after school day care is available on site.

Why choose dual language immersion? Dual language immersion integrates native English speaking and English language learning students in the same classroom and provides academic instruction through two languages, one of which is the primary language of each group (for example Vietnamese and English or Spanish and English). The students, in the Dual Language Immersion program, will be engaged 50% of the day in English and 50% of the day in the target language. The goals and research based benefits of dual language immersion are bilingualism, biliteracy, cultural proficiency, global citizenship, at or above grade level achievement, 21st century skills, increased family involvement and the Westminster School District Pathways to Biliteracy awards attainment in kindergarten, third, fifth, and eighth grades (photo included).

Enrollment forms are available each Monday through Friday, 7:30 a.m. to 4:30 p.m., at the Westminster School District office at 14121 Cedarwood Avenue in Westminster for dual language immersion kindergarten. Registration packets for preschool can be picked up at Land School 15151 Temple Street in Westminster or found online. Please visit our website at www.wsdk8.us or call 714-894-7311 extension 1085 for more information.

At Westminster Nursery School the child is at the center of all we do. Our curriculum and activities are play based, process driven and child directed. Through open ended play, the children find purpose in their day, while developing the skills they need at a pace they delight in.

Additionally, we are a cooperative preschool, which presents parents with the opportunity for wide-ranging participation in the child's preschool experience and development. Parents help in the classroom 2-3 times each month, can participate in various aspects of the school planning and even serve on the board.
