## Christmas Tree Safety

[www.ocfa.org](http://www.ocfa.org)

**The Orange County Fire Authority wants you and your loved ones to enjoy a safe and happy holiday season. We are providing the following safety tips to ensure your holiday celebrations are fire safe and injury free.**

**Trees:** A fresh tree will be less of a fire hazard than a dry tree. To check for freshness, trees should have the following:

- Needles are hard to pull from branches.
- When bent between your fingers, fresh needles do not break.
- The trunk-end of a fresh tree is sticky with resin.
- When the trunk of a fresh tree is bounced on the ground, only a few needles will fall off the tree.

Do not rely on chemical coatings or sprays to flame-proof your tree. Any cut tree, even those treated with flame retardant, will still dry out. **Daily care and watering help a tree remain relatively fire resistant longer.**

- Place your tree away from fireplaces, radiators, heater vents, (air ducts), and other heat sources. Make sure the tree is out of the way of day-to-day traffic and doesn't block doorways.
- Cut off approximately two (2) inches of the trunk. Mount the tree in a sturdy, water-holding stand with wide-set legs. Fasten a large tree to walls or ceiling with thin guide wires.

- Fill base of holder with water daily, maybe even twice a day. Keep it full of water while the tree is indoors (just as you would with fresh flowers). **Remember - heated rooms dry trees out very quickly, creating fire hazards.**
- Avoid placing breakable ornaments on lower branches where children and pets can reach them. Ornaments and other holiday decorations should be non-combustible or flame resistant.
- Remove your tree promptly from your home after the holidays. **A dried-out tree is extremely hazardous.** An ignited tree can be totally consumed by fire in 3-5 seconds, and generate over 2000 degrees of radiant heat.

## Happy Holidays!

# Support your City

**Shop Local  
Shop Westminster!  
It makes Sense!**

*Every time you shop in Westminster, one cent of every dollar you spend goes straight to your city's public services including your Police Department! Why spend your dollars anywhere else?*

1. **Protect Local Character and Prosperity**—Westminster is unlike any other city in the world. By choosing to support locally owned businesses, you help maintain Westminster's diversity and authenticity.
2. **Community Well-Being**—Locally owned businesses build strong neighborhoods by sustaining communities, linking neighbors, and by contributing more to local causes.
3. **Local Decision Making**—Local ownership means that important decisions are made locally by people who live in the community and who will feel the impacts of those decisions.
4. **Keeping Dollars in the Local Economy**—Your dollars spent in locally-owned businesses have three times the impact on your community as dollars spent at national chains. When shopping locally, you simultaneously create jobs, fund more city services through sales tax, invest in neighborhood improvement and promote community development.
5. **Entrepreneurship**—Entrepreneurship fuels Westminster's economic innovation and prosperity, and serves as a key means to upward mobility. Locally owned businesses also create more jobs locally and, provide better wages.

**Next time you buy a car, a television, or bag of groceries, make sure you do it in Westminster.**
