Residents of Munster and the surrounding communities:

Thank you for taking the time to read the 2019 Winter/Spring Recreation Guide. You will be pleased to see that it features something for everyone.

First, I want to personally thank you for all of your feedback for our 5-year Comprehensive Master Plan. The draft is complete and you are welcome to check out the document at [munster.org](http://munster.org). It features over 200 pages of information and recommendations. You will soon notice that we are already implementing the plan by adding a new playground at Orchard Park, adding additional shade to some playgrounds and by upgrading our site amenities. We are also sticking with your recommendation to continue improving our parks by renovating the Centennial Dog Park, replacing the West Lakes Park playground with an airplane-theme playground and by totally remodeling the Centennial Park Golf Course. We are also evaluating our program times and creating new programs to better meet your needs. Finally, we are improving our communication with our new Texting Club. Stay up-to-date on all of our happenings and be informed of emergencies right away by texting MUNSTER to 36000.

We hope that you enjoy our new programs such as Indoor Golf Lessons for all ages, iCook, Itty Bitty Ballet and Gymnastics and Run, Sweat and Play. You can also receive a diesel mechanic, paralegal or welding certification with our expanded classroom learning programs. If special events are your thing, unwind and have a few drinks at the Adult Egg Hunt or one of our monthly reserve dinners at Centennial Park. Enjoy a holiday meal at Mother's Day Brunch, Easter Brunch or Breakfast with the Bunny. Also, take "pride" in your Community by helping us clean up at Park Pride Day in April. If you are planning an outing, consider the Centennial Banquet Facility for a full-service experience or the Community Park Social Center or a park shelter. Reduce your stress by letting us help you.

Reinvent yourself in 2019. Consider stepping out of your comfort zone by learning to swim, discovering a new hobby or by taking a fitness class. Your winter is already off to a good start. By reading this guide, you have hundreds of programs and special events at your fingertips. Beat the winter blues with Munster Parks and Recreation!

Director of Parks and Recreation

Munster Parks and Recreation uses a lightning warning system in our parks. The signal is activated by threatening weather. You will hear an audible siren horn and see a flashing light on top of the device (typically located on shelter roofs) in the park. When the warning signal activates, all patrons must SEEK SHELTER IMMEDIATELY. Once you hear three horn signals, park activities can resume. This system is not fail-proof. Take shelter immediately when lightning threatens even if a signal has not sounded.

Active between April 1 and Nov. 1

All Other Refunds (unless otherwise noted):

Refunds will be issued prior to the start of a program if the program enrollment is greater than the minimum, minus a \$10 service charge per program plus the cost of supplies (if applicable).

After the start of the program, no refund will be issued except for illness or injury, accompanied by a doctor's note.

### Refunds will not be granted for the following:

Schedule conflicts, vacations, special events, tickets, coupons, field reservations, facility rental fees and other reasons beyond our department's control.

Refunds are processed weekly on Monday and checks are mailed on Thursday. You can contact the Park Department to get the latest status on your refund.

All refunds will be issued by check. We are unable to process refunds to a credit card.

## Refund Policy Other Vendors

Several of our programs require payment to be made directly to the vendor, which we will accept at the Park Office. However, those organizations have their own refund policies. Policies will be available at the Park Office and can be requested at time of registration.

### Register Early

Often times participants will wait until the last minute to register for a program. Disappointment occurs because a program has been filled or possibly cancelled due to low enrollment. Ensure yourself a spot and help keep our programs running by registering early.

For a recorded message about Munster Parks and Recreation programs, particularly those dependent on weather conditions, call the 24-hour hotline at (219) 836-6927.

### Typo/Human Error

Occasionally, there may be an error in the brochure or newspapers in dates, times, or fees. We apologize for such errors and our staff will do everything possible to correct the situation promptly; however, we hope that you will understand that we cannot honor fees that do not reflect the cost of operating our programs.

### Thanks to our Facility Partners

Munster Parks and Recreation gives *special thanks* to all the schools and facilities that host park and recreation programs. However, due to school athletic and educational programming, inclement weather, some recreation activities may need to be cancelled or rescheduled. We appreciate the community's understanding during these times.

### Thanks to our many Sponsors

Munster Parks and Recreation gives special thanks to all the businesses and organizations that partner with us over each season. Without their support and generosity, we could not put on such wonderful community programs.

## Employment Opportunities

Munster Parks and Recreation always accepts applications for employment. Sports officials, facility supervisors, camp counselors and pool staff are just a few of the jobs that are available for seasonal employment.

### Dyer/Highland Partnerships

Through the Munster/Dyer Parks Partnership, residents of Munster and Dyer can register for park and recreation programs in either community at the resident rate. Facility and shelter rentals, Munster Community Pool season passes, Dog Park passes and Keen-Ager Membership fees do not fall under this partnership.

Through the Munster/Highland Parks Partnership, residents of Munster can utilize the Lincoln Fitness Center at Highland resident rates. Highland residents receive resident rates on pool, dog park memberships and golf programs.
