Dear Parents

As you plan your 2015 summer, we hope that you will consider enrolling your child in one of the University of Wisconsin-Marathon County's popular summer educational opportunities: College for Kids, Wizarding Academy and Middle School University. The 2015 program offers a broad range of creative courses that will inspire and challenge students in all grade levels. Our programs are designed to:

- stimulate intellectual curiosity;
- encourage creativity;
- instill confidence;
- develop problem solving and critical thinking skills;
- be fun and hands-on.

All classes will be taught by highly trained and talented instructors from the local area school districts and UWMC. Our staff and THE UWMC SUMMER YOUTH PROGRAMS are for all children who want to discover learning new things. We ask that children new to the "College for Kids" program get a signed letter from their teacher verifying that s/he is able and motivated to participate in that program.

Scholarships are available for all of our summer youth programs.

We have many generous foundations, civic organizations and individuals who contribute to our scholarship fund so please complete the application form on the inside back if you need financial help to register your child. Send it in with your registration.

We look forward to an exciting and enjoyable summer and hope your child will join us for an enriching, mind-crafting experience.

Sincerely,

Vickie Richmond Hawkins

Join us for the eighth annual **Wizards Academy**.

This year, campers will participate in a **Midsummer's Birthday Ball** Design Contest. Like the Yule Ball in *Goblet of Fire*, each house will design and propose a "Midsummer's Birthday Ball" for Harry Potter's birthday.

The winning team's design will be planned and held on a separate **MidSummer Birthday Ball** event on **Friday, July 31** in 'Hogwarts' at the UWMC campus.

Tickets will be sold and the ball will be open to friends and families!

All campers will enjoy the usual activities—arts and crafts, **Harry Potter** trivia, Quidditch games and fun new games and riddles!
