Adult & Community Education Purpose Statement

We serve children, parents, and adult community members by providing educational and enrichment opportunities that help all achieve the ability to function, contribute and compete in an ever-changing world. By doing this, we help our district achieve its mission to encourage each student to strive for personal excellence and further the belief that learning is a lifelong process. We support our organization's resource model by meeting or exceeding performance measures that sustain programs and leverage local and grant funding.
