## REFUND POLICY

Refunds must be requested at least five business days prior to the first class date.

There will be a 10% handling charge for all refund requests, unless otherwise noted within the course description.

Refunds for events for which we must purchase tickets in advance cannot be made fewer than 28 days prior to departure.

A "combo" class combining several courses at a reduced rate will be regarded as one course. Refunds for a combo course must be submitted at least 5 business days prior to the first class date of the combo. There are no partial refunds given for "combo" classes once the first class has begun.

If a class is cancelled, all participants will receive a full refund in the same manner in which they paid. Please be aware that refunds can take up to 30 days to be processed from the date the class is cancelled.

COMMUNITY EDUCATION

Timeless Summer Activities  
 for Kids

Youth Experience

**Cartoon Art with Alan**

Kids, express yourself and let your humorous side out! Join our class for budding cartoonists. Let Mr. Alan demonstrate techniques to draw single cartoon strips with animals and people. A great adventure for all levels of artistry; no experience needed to enjoy this amusing and fun-filled class. Bring pencils, eraser, ruler, drawing paper, felt tips or crayons and your funny side. Age 9-14. Please pick up your child promptly at end of class.

**K001 7/15-7/24 Tu, W, Th 11AM-1PM**  
**\$75 CCE Rm: 207 A. Willmington**

**Kids with Ink & Colored Pencils**

Let the love to draw entertain the kids in this 6-day mini workshop designed to give them the basics to build on future drawing classes. As time allows, there will be an introduction to landscapes. Self-expression and creativity are emphasized by our popular Mr. Alan. Bring two micro pens (.01 & 5) an assortment of colored pencils and paper or sketch book. Age 9-14 years. Please pick up your child promptly at end of class.

**K002 7/15-7/24 Tu, W, Th 1:30-3:30PM**  
**\$75 CCE Rm: 207 A. Willmington**

**Young Artists' Combo**

Give your kids a fun-filled art experience with two of Alan's cartooning and drawing classes. There is a 1/2 hour break between sessions. See individual classes for complete descriptions. Age 9-14 years. Please pick up your child promptly at end of class.

**K003 7/15-7/24 Tu, W, Th 11AM-3:30PM**  
**\$139 CCE Rm: 207 A. Willmington**

COMBO

**Collage Art Techniques for Kids**

Kids will discover several quick and fun ways to make dynamic artworks with simple materials. Using just glue and recycled papers they will make 2 dimensional and 3 dimensional artworks. Class discussions about artists through history who have used collage as we learn from their techniques and ideas. This class is designed for young artists of all levels and anyone interested in the art. Bring glue, scissors, card stock or art paper and craft brushes. Age 10+. Please pick up your child promptly at end of class.

**K004 7/11-7/25 F 10AM-12PM**  
**\$45 CCE Rm: 215 E. Dengerink**

**Knowing Me -Designed for Kids!**

A feel good course designed especially for kids. Through art and various activities, kids will begin to find joy in being unique and get to know themselves and feel good about sharing with others "who they are!" Supply list online. Age 8-12 years. Please pick up your child promptly at end of class.

**K007 7/10-8/14 Th 12-2PM**  
**\$79 CCE Rm: 215 J. Adams**

**Realistic Paper Airplanes & Fly Off**

Future aeronautical engineers, designers, pilots or just for the love to planes - Kids will have fun making realistic paper airplanes from colored paper. Design biplanes, Nighthawks, jets, and spherical flyers. Final class will be a "fly off" to see how well your designs soar. Bring white glue and scissors and 10-12 pieces of brightly colored paper. Age 8-10 years. Please pick up your child promptly at end of class.

**K005 7/14-7/18 Daily 10-11:30AM**  
**\$59 CTC Rm: 338 Z. Parker**

**Finding Your Place in the Family: Youth Genealogy**

Find out the roots of your family. Where did you come from? Who are you related to? Where/who are the missing links? What is your country of origin? Try to find the fact or fiction of the family stories handed down from generation to generation. No computer or genealogy software used or required. Age 12+. Please pick up your child promptly at end of class.

**K006 7/10-7/31 Th 9:30-11:30AM**  
**\$69 CCE Rm: 214 L. Maguire**

**Therapeutic Yoga for Children with Special Needs**

A therapeutic yoga course designed for children with special needs who are mobile, able to follow verbal and physical commands. The poses are customized for individuals and are age-appropriate. One parent or consistent caregiver is welcome to assist the child for the purpose of emotional support and to learn the program for home use. However, the parent or caregiver must fully participate in the classes and allow the instructor to lead the program. Bring two large, soft beach towels or bath towels. Age 6-12.

**No class 7/23.**  
**K008 7/9-8/27 W 11AM-12PM**  
**\$75 OSC Rm: 135 B. Lindberg**

**Golf Made Simple for Teens**

Has your teen expressed an interest in wanting to learn to play golf? Looking to be able to enjoy golf as a family? Learn the basics of golf and its etiquette. Fee includes range balls and clubs. Lessons held at Vanco Golf Center, 703 N. Devine Road, Vancouver, WA 98661. Age 14-17.

**K009 7/12-8/9 Sa 12:30-1:30PM**  
**\$125 See description J. Young**

**Esther Short Park Urban Adventure for Kids**

Come and join "Ranger Don" at Esther Short Park for an adventure in learning about nature. Investigate trees and plants, play a few games, and hear some stories. The program designed for children 8 to 12. Water and restroom facilities nearby. This is a "rain or shine" event; dress appropriately. Meet at the Bandstand in Esther Short Park. Parent/Guardian must attend with child.

**K010 7/30 W 12-4PM**  
**\$35 See description D. Hibbs**

**LaCamas Park Nature Adventure for Kids**

Join "Ranger Don" at the Round Lake/ LaCamas Lake Park to explore the trees, plants and animals that live around us. This program is designed specifically for children ages 8 to 12; play games, hear stories and do fun activities to help appreciate the wonder and beauty of nature. Activities occur near the Park Playground area, restrooms and water nearby. This is a "rain or shine" event; dress for the weather. Child MUST BE accompanied by one parent or guardian. Meet at Round Lake/ LaCamas Lake Park Parking area.

**K011 7/16 W 12-4PM**  
**\$35 See description D. Hibbs**

**Urban & Nature Adventure Combo for Youth & Parent**

Follow Ranger Don with two of his popular adventure days. A great way for youth and parent to spend a summer day without a big expense. See individual classes for complete descriptions. 7/16 LaCamas Nature Adventure meets at LaCamas/Round Lake Park. 7/30 Esther Short Urban Adventure meets at Esther Short Park.

**K012 7/16-7/30 W 12-4PM**  
**\$63 See description D. Hibbs**

COMBO

**Debit Cards, Budgeting & Saving for Teens**

As today's teens get that first job, head off to college or begin careers, they are faced with choices and responsibilities that will have long-term effects on their financial futures. Solid financial knowledge/skills are critical to future success, making informed decisions about earning and spending, credit and budgeting, saving and investing. Let Dennis discuss the ability to make and set good financial habits and good financial decisions that will have a positive impact on their financial future! Age 13+. Please pick up your child promptly at end of class.

**K013 7/16 W 2-4PM**  
**\$25 CCE Rm: 208 D. Breitenstein**

**Cake Decorating for Kids**

School's out for the summer and the kids are home. What better way to keep them busy than learning how to bake and decorate a cake? Youth ages 8-16 will learn the basics of making a cake from scratch, making frosting and decorating a cake. Kids will leave with a small masterpiece of their own to show off to family and friends.

**K163 7/17 Th 9-11:50AM**

COMMUNITY EDUCATION

**Youth with Math Anxiety**

It's almost time for school to start in September. Do you have someone who is afraid of math? Does the very thought of taking a math class, or doing math homework or taking a math test make them uneasy, frustrated and unable to sleep? If so, they likely have math anxiety. Let's try to take control of the subject and come to understand that it can be much easier and they are actually better at the subject than they think. Age 11-16. Please pick up your child promptly at end of class.

**K014** 8/18-8/22 M, W, F 10AM-12PM  
**\$45** CCE Rm: 207 J. Brown

**A**ctivities

**Knot Crazy!**

A hands-on seminar about knots and their uses. Join Don to learn all about the "how's and why's" of knot tying. Discover which knot to use and how to tie it. Along with all this practical information, we will mix in a bit of the impractical, historical and whimsical. So, if you are all tied up in knots and want to unwind, join us for a fun and informative class. Age 12+.

**K015** 7/12 Sa 9:30AM-12:30PM  
**\$36** CTC Rm: 331 D. Hibbs

**A Beginner's Introduction to Black & White Darkroom**

Film is not dead! An intro to basic use of a 35mm manual camera together with B&W film development. Let our professional photographer lead you as you shoot your B&W film and print the images in the wet darkroom. Bring your 35mm camera, four rolls of B&W film and 25-sheet pack of 8x10 B&W photo paper. Age 16+.

**K016** 7/21-8/25 M 5:30-8:30PM  
**\$95** FAC Rm: 105 I. Beckett

**How Do I Take Better Digital Photos, Part I**

Learn to use the functions built into your camera in this "hands-on" class. Discover how to control "light", take better portraits, street scenes, sports action shots & landscapes. Dress for the weather, we will spend at least one hour outside for photo taking to try out new techniques. Bring camera, fresh batteries, memory card reader and a flash drive. Some picture-taking experience suggested. One hour lunch break. Age 16+.

**K017** 7/12 Sa 9AM-4PM  
**\$65** AA4 Rm: 102 G. Stasiuk

**How Do I Take Better Digital Photos, Part II**

In this class, improve photographic composition skills using the rules of thirds, leading lines, vanishing points and more. Pre-requisite: Some picture-taking experience suggested. Bring camera, fresh batteries, empty camera flash memory card, a card reader or camera cable. There will be an one-hour lunch break. Dress for the weather, we will spend at least one hour outside. Age 16+.

**K018** 7/19 Sa 9AM-4PM  
**\$65** AA4 Rm: 102 G. Stasiuk

**How Do I Take Better Digital Photos Combo**

Let these two "How Do I" classes give you the ultimate direction for taking fabulous digital pictures. Garry will share his vast experience and techniques to bring out your inner photographer. You have invested \$\$\$ in your camera, now make it work with you. Dress for the weather, we will spend at least one hour outside. Age 16+  
**K019** 7/12-7/19 Sa 9AM-4PM  
**\$119** AA4 Rm: 102 G. Stasiuk

**Summer Photo Walk with Your Digital Camera & Garry**

Let Garry help you instantly improve your picture taking. Take a walking photographic field trip from downtown Vancouver to I-5, the Fort and back. A great way to practice what you have learned. Spend class time after the walk working in our lab to learn computer techniques for managing and improving your results. There will be a one-hour lunch break. Bring your camera and fresh batteries. Dress for the weather and bring water. Walk will start at the Continuing Education office lobby located at 500 Broadway. After the walk, proceed back to starting point to pick up your vehicle and proceed to our computer lab located on the main Clark College campus, AA4, 102. Age 16+.

**K020** 8/2 Sa 10AM-4PM  
**\$59** See description G. Stasiuk

**Garry's Digital Camera Triple Play**

The ultimate digital camera experience! Take both of Garry's How Do I Take Better Digital Photos I & II classes combined with the Summer Photo Walk. Classes on 7/12 & 7/19 are held on main Clark College Campus, 1933 Fort Vancouver Way. Spring Walk on 8/2 starts at downtown Continuing Education office located at 500 Broadway. Bring camera and fresh batteries. Digital classes meet 7/12 & 7/19 from 9am-4pm. Summer Photo Walk meets 8/2 from 10am-4pm.

**K021** 7/12-8/2 Sa 9AM-4PM  
**\$165** AA4 Rm: 102 G. Stasiuk

**Smart Photography/Video**

Discover how to take better photographs and video with your smart devices: Phone, iPhone, iPad or Tablet. Class topics will include camera lenses, shutter buttons, focusing and exposure composition and lighting. Garry will demonstrate how to manage and edit your photographs and videos. Monday class will focus on photography and Thursday class will focus on videos. Bring your smart devices to class-this is a hands-on class. This is not a beginning photography class.

**K022** 8/25-8/28 M, Th 6-9PM  
**\$59** AA4 Rm: 102 G. Stasiuk

**Get to Know Your iPhone & iPad - PM**

Get started the right way! End the confusion and frustration. Learn the basics of how to operate your iPhone or iPad. Start from the beginning, including powering it on, getting familiar with its controls and using its basic functions. Explore how to adjust to your liking, operate the built-in apps and how to search for and add apps. Bring fully charged iPad or iPhone to class.

COMMUNITY EDUCATION

**Japanese Reiki for Healing**

Explore for yourself this ancient Japanese hands-on natural way of healing. Stress and pain respond well to Reiki and it is increasingly used in health care settings to promote relaxation and wellness. See how Reiki differs from other healing techniques, and how it is being integrated into Western medicine. Wear comfortable clothes. Age 18+.

**K047** 7/7-8/25 M 6-8PM  
**\$85** CCE Rm: 208 V. Khamkeo

**Explore Crystal Healing for the Beginner**

Curious? Discover the power of nature. Science has proven stones are not dead matter; stones are fully alive, powerful and vibrate with energy. Since olden times crystals have been used for healing as they resonate with the crystalline nature of the human body. Discover the power of nature with Vivi, a Reiki Master.

**K048** 7/9-8/13 W 6-8PM  
**\$79** CCE Rm: 208 V. Khamkeo

**Eastern Wisdom, A Beginner's Journey**

Eastern Wisdom is not about religion. It is a set of thoughts, a way of living, a philosophy from the teachings of Buddha to open our heart and mind; and to guide us in life during this time of great shift and expansion. Life is short. What better choice than to live it with joy, peace, grace, love and compassion.

**K049** 7/8-8/12 Tu 6-8PM  
**\$79** CCE Rm: 207 V. Khamkeo

**Journey into Eastern Wisdom & Crystal Healing Combo**

ARE YOU CURIOUS? At a reduced rate, explore Eastern Wisdom together with the use and value of crystals in these two classes offered as a combo. Let Vivi lead you in the exploration of these immeasurable sciences. Make your own decision after hearing from this knowledgeable Reiki Master who teaches here and in Europe.

**K050** 7/8-8/13 Tu, W 6-8PM  
**\$145** CCE Rm: 207 & 208 V. Khamkeo

**Relationship Mastery**

A relationship class focusing on learning and practicing important relationship skills. Learn about the five steps to good communication in any relationship. Use of hypnosis to help become aware of blocks to healthy relationships as well as integration of new insights, and hands-on experience practicing new skills. Overcome the barriers to good interpersonal relations whether intimate, colleagues, friends or family. Bring 3-ring binder and 3x5 cards. 18+.

**K051** 7/17-8/21 Th 7-9PM  
**\$95** CCE Rm: 214 J. Meyer

**Creativity**

**Simply Pen, Ink, Color & You**

Are you a beginner or have previous instruction? Let Alan show you basic techniques to build on regardless of your skill level. Discover the tricks to make your drawings "pop" using correct composition, perspective, light principles, and horizons. Emphasis will be on landscapes. The perfect way to spend an afternoon! Supply list online.

**K052** 7/11-8/29 F 9:30AM-12PM  
**\$99** CCE Rm: 214 A. Wilmington

**Easy Drawing Techniques**

Explore traditional/nontraditional drawing techniques and media covering image transfer techniques. Combine drawing with other art forms such as painting and collage. A great class for those with little or no art background or those having art skills and looking to expand on techniques. Bring a variety of pencils and some drawing paper. Other supplies (supply list online) discussed at first session. Age 15+

**K053** 8/5-8/26 Tu 4-6:30PM  
**\$69** CCE Rm: 215 E. Dengerink

**Afternoon Portrait Drawing, Part I**

In a relaxed atmosphere, spend an afternoon practicing drawing portraits. Fundamentals are presented while you work at your own pace. You will receive continuous individual attention as you work on your project learning the basic principles of portraiture as you have fun building your personal best. Supply list online. Age 18+

**K054** 7/17-8/14 Th 2-4PM  
**\$59** CTC Rm: 331 D. Andersen

**Evening Drawing for Beginners, Part I**

A basic drawing course for the beginning student covering the fundamentals of drawing with emphasis on perspective, line, value, dimensions and scale. Create drawings in a studio environment with Norm, a professional artist. Supply list online. Age 16+.

**K055** 7/14-8/11 M 6-8:30PM  
**\$69** CCE Rm: 207 N. Thomas

**Evening Drawing for Beginners, Part II**

Further refine your drawing skills through an in depth study of the Good Figure. In class exercises and assigned projects will stimulate your creative mind. Pre-requisite: Drawing I or equivalent. Supply list online. Age 16+.

**K056** 8/18-8/25 M 6-9PM  
**\$45** CCE Rm: 207 N. Thomas

**Evening Drawing for Beginners Combo**

Combine both of Norm's evening classes for a discounted price. Enjoy yourself as you pursue your interest in a relaxed, fun atmosphere. Part I meets 6-8:30pm, Part II meets 6-9pm. Age 16+.

**K057** 7/14-8/25 M 6-9PM  
**\$105** CCE Rm: 207 N. Thomas

**Color Theory Workshop**

Learn about color theory in a hands-on workshop designed to open your eyes to color and build skills working with color. This class recommended for beginning students who want a good foundation. Age 15+.

**K058** 7/15-7/29 Tu 4:30-6:30PM  
**\$45** CCE Rm: 215 E. Dengerink

**Acrylic Painting for Beginners**

Discover your creative self along with your own unique style. Learn about acrylics through color, composition, value and perspective. No previous painting or drawing experience necessary. Supply list online. Age 15+.

**K059** 7/16-8/20 W 6:30-8:30PM  
**\$89** CTC Rm: 331 S. Whyte

**Acrylics - Open Studio**

Don't let the idea of an "open studio" scare you! Acrylic students can work on individual painting projects in a class environment. Bring a color representation (photo, sketch, or color copy) of what you would like to learn to paint. Beginners will benefit from learning how to construct a painting; advanced painters will benefit from instructor critiques and advice. Bring the supplies you already have to the first class.

**K060** 7/17-8/21 Th 6-9PM  
**\$112** CTC Rm: 331 S. Whyte

**Watercolor Workshop 1: The Sights of Summer**

Summer in the Northwest is one of the most beautiful places in the world. Spend the day painting some of these beautiful sights. Bring two sketches of your choice on watercolor paper, ready to color it beautiful! Glendda will demonstrate two paintings, then each student will receive help and guidance to capture the favorite sights of summer. There is a 1/2 hour lunch break.

**K061** 7/16 W 9AM-3:30PM  
**\$49** CCE Rm: 215 G. Field

**Watercolor Workshop 2: Summer of Painting People**

You CAN paint people! It is all about looking for defining shapes and value. Painting people from the photographs you've taken can create an even better image of the person and their personality. Glendda will demonstrate a face in the morning and a figure in the afternoon. Decide now who you'd like to paint, then bring them sketched up on watercolor paper and we will spend the day having fun painting our favorite people in watercolor. There is a 1/2 hour lunch break.

**K062** 8/13 W 9AM-3:30PM  
**\$49** CCE Rm: 215 G. Field

**Summer Watercolor Workshops 1 & 2 Combo**

Can't decide which painting workshop to take? Take both at a reduced rate. Enjoy your summer spending time with Glendda's two watercolor workshops. There is a 1/2 hour lunch break.

**K063** 7/16-8/13 W 9AM-3:30PM  
**\$79** CCE Rm: 215 G. Field

*Norm is the best drawing instructor. There is no pressure to perform. He interacts individually with each student.*

COMMUNITY EDUCATION

**Art as Your Business**

You know art, but do you know how to make a profit? Turn art knowledge into a profitable business. Class will include information on selling art, gallery policies, politics, time management and more. **K067** 7/9-8/6 W 6-8:30PM  
**\$75** CCE Rm: 214 D. Killingsworth

**Creating Complex Characters to Enhance Your Fiction Writing**

Break away from clichés by bringing one-dimensional characters to life. You will gain new tools to create complex characters with opinions, clear motivation and inner and outer conflict. Learn how to create power dialogue and distinct character voice. For fiction and non-fiction writers. Purchase textbook at the Clark College Bookstore prior to first class.

**K068** 8/13-8/27 W 6-8:30PM  
**\$55** CCE Rm: 214 D. Killingsworth

**Wildfire Writing I**

Enjoy this beginning class for dreamers and closet writers. Feeling stifled, over criticized or simply afraid to write? Sometimes we need a little confidence booster! Discover how to get the writing on the page for all kinds of writing, including fiction and non-fiction by an inspirational published author.

**K069** 7/17-8/28 Th 6:30-9PM  
**\$115** CTC Rm: 338 C. Krug

**Poetry Matters: Writing Poetry & Other Things Poets Need to Know**

This poetry workshop is for beginners and experienced writers who would like to generate new work and engage in discussions about the poet's role in the community. You will read, listen to, and write poetry together in a safe environment focused on providing constructive feedback based on the poet's needs rather than the listener's personal taste. Class will also discuss how to construct a manuscript and get it ready for publication. Writers of all experience levels are welcome.

**K070** 7/8-8/26 Tu 6-8:30PM  
**\$99** CCE Rm: 214 C. Luna

**Home & Garden**

**Container Gardening @ Any Age & Place**

Make something into a work of art and practical too! Whether a homeowner or apartment and condo residents, you can enjoy the beauty of gardening. Have your decks, patios and porches array with flowers ready to bloom throughout the summer and fall. Containers can be anything! Discover new possibilities of gardening anywhere using limited space. A great project for the family and easy for small children to maintain.

**K071** 7/10 Th 6-8PM  
**\$29** CCE Rm: 207 J. Miller

**Low Maintenance Gardening**

Garden smarter not harder! You don't have to be a slave to your garden to keep it healthy and beautiful. Explore ways to simplify your landscape to retain beauty while reducing time, sweat and dollars needed in upkeep. Study methods of weed suppression, mulching and retaining walls, fences. Learn drainage techniques, how to determine the correct tool for the job and much more. Bring your questions to class.

**K072** 7/16-7/30 W 6-8:30PM  
**\$45** JSH Rm: 127 T. McConathy

*Let our great Home & Garden experts Jim Miller and Thom McConathy answer all of your gardening questions: Planting, Growing, Pruning.*

**Landscape Design & Installation for the Newbie**

This class is for those with new bare earth or those committing to renovation of an existing or historical landscape. Class will draw, plan and critique/improve each person's plans. You will cover many elements of design to include and add value to your own landscape plan and to show how to address many landscape problems. Purchase texts at Clark College Bookstore prior to class. Bring a triangular ruler, 2 #2 pencils, pencil sharpener and eraser, paper. Optional materials; digital camera, (for illustration) and rolling tube to protect plans.

**K073** 7/19-8/16 Sa 10AM-12PM  
**\$79** JSH Rm: 112 T. McConathy

**The Art of Pruning**

Look at the "needs" of woody perennials and how proper pruning assists them to develop and thrive. Pruning is necessary for shrubs, roses, vines, and trees. Forming them for beauty, increases production. Be ready when the season is right, timing is everything! Plants need assistance in learning how and where to grow. Discover techniques and the rationale for keeping plants healthy.

**K074** 7/31 Th 6-8PM  
**\$29** CCE Rm: 207 J. Miller

**Home Finance**

**Asset Allocation for Everybody**

Confused about your workplace retirement plan and the difference between a "mid-cap" and "high-yield bond" fund? Many people have difficulty managing their 401(k), 403(b), 457, and traditional or Roth IRAs. Make sense of these investments and learn how professionals allocate investments for long-term growth. We will discuss tax treatment of accounts, risk tolerance, and investment allocation.

**K075** 7/12 Sa 9AM-12PM  
**\$35** CTC Rm: 337 O. Guardado

**Planning Your Successful Retirement**

Is your retirement on track? How much do you really need to retire? This in-depth class will address these questions and perform weekly workshops to ensure you understand the process of budgeting, investment and tax planning, estate planning, and risk management. Assess your current situation and be able to take steps to improve your retirement readiness. Class is ideally suited for middle-class wage earners between 50-65 years. Textbook and worksheets provided.

**K076** 7/16-8/13 W 6-8PM  
**\$95** CTC Rm: 338 O. Guardado

**Just A Simple Personal Budgeting Class**

Do you feel like you have too many expenses and too few dollars to do the things you'd like to do? Are you tired of feeling like you're living paycheck to paycheck and wondering where your money is going? Learn practical tips, for every age, to help you take control. Budgeting can create fun.

**K077** 7/22 Tu 6:30-8:30PM  
**\$25** CCE Rm: 208 D. Breittetein

COMMUNITY EDUCATION

**F**ood & Wine

**The Lighter Side of Barbecuing** 

Looking for ways to BBQ fish and veggies to perfection? Learn grilling techniques for light cooking and try new flavor profiles using dry rubs, smoke boxes and bricks. Garry Stasiuk

Garry teaches quite a few classes for Continuing Education: Digital Camera, Mac classes, Adobe Light Room, Photoshop for Photographers and Astronomy, to name a few. Garry has been with the Continuing Education program for many years and brings professionalism and love of the subject to all his classes.

*Garry's students rave about him:*

- Garry gives a hands-on working program. It's great to have a teacher so knowledgeable.
- Garry focused on our specific needs. I gained so much knowledge from this class.
- Garry uses time well in class. All students were able to ask questions.
- Garry is very knowledgeable and very adept at teaching.
- Garry was very organized, personable and patient. Valuable information was given in a limited amount of time.

PROFESSIONAL DEVELOPMENT

Adobe Certification

Adobe Photoshop®  
 Boot Camp Training

Students will learn foundational skills to be successful communicators in today's digital world. Using Adobe Photoshop CS6, students will learn to identify basic design elements when preparing images, how to manipulate those images and how to publish them. After successfully passing the Adobe Certified Associate Exam at the end of class, students will validate their technical abilities and proficiency in Adobe Photoshop.

**K116** 7/21-7/25 Daily 9AM-4:30PM  
**\$599** AA4 Rm: 102 D. Arcos

Adobe InDesign®  
 Boot Camp Training

Students will learn foundational skills to be successful communicators in today's digital world. Using Adobe InDesign, students will gain basic project management skills. They will be able to identify basic design elements, and manage colors. Students will learn to create, publish, export and archive page layouts. After successfully passing the Adobe Certified Associate Exam at the end of class, students will validate their technical abilities and proficiency in Adobe InDesign.

**K117** 7/28-8/1 Daily 9AM-4:30PM

Introduction to WordPress

WordPress 101 is a beginning class that introduces the creation of sophisticated, dynamic, interactive websites using WordPress, a Content Management System. Includes installing and modifying templates, creating efficient site navigation using menus, organizing a site using components, enhancing a site with plugins, creating a blog, and creating user functionality. Required Text: WordPress 24-Hour Trainer, 2nd Edition. George Plumley.

**K119** 7/8-7/29 Tu 5:30-7:30PM  
**\$129** CTC Rm: 339 C. Geraci

Intermediate WordPress

WordPress 201 is an advanced class that introduces ways to use CSS, graphics and video to create a professional and interactive websites using WordPress, a Content Management System. Prerequisite: WordPress 101. Required Text: WordPress 24-Hour Trainer, 2nd Edition. George Plumley.

**K120** 8/5-8/26 Tu 5:30-7:30PM  
**\$129** CTC Rm: 339 C. Geraci

WORKPLACE

Management

Professional Writing

Since so much of our work is done digitally through email, PowerPoint, LinkedIn, Twitter, FaceBook and blogging, the ability to create professional content is important. It is imperative to know your audience and the message you are trying to convey and what means you are using to convey it, whether it is a professional email, a cover letter or an engaging resume. Writing is the foundation of every discipline.

**K105** 8/7-8/28 Th 6-8PM  
**\$89** CCE Rm: 210 C. Geraci

Introduction to Successful Grant Writing

Need funding for future projects or planned activities? This course provides a step-by-step approach to preparing winning grant proposals. Learn to write successful letters and grant proposals. Researching and approaching funders for grant money can help you develop new services, (strengthen your operating budget) and support existing programs.

**K106** Continuous Enrollment 16 Hour Course  
**\$295** Online

Planning to Succeed: Fundamentals of Strategic Planning

Whether you are leading a planning effort, participating on a planning team, or just need to understand your organization's strategic plan, this course will provide the fundamentals to build upon. The importance and differences between business level, corporate level, and functional level strategies will also be covered.

**K107** Continuous Enrollment 8 Hour Course  
**\$245** Online

Professional Communication

In this course students will define communication, learn about its key components and discuss ways they can improve their communication skills. Topics include defining communication, form v. content, communications issues, two major communications theories, and communications ethics. Participants will discuss aspects of good communication, their own communication styles and how best to communicate with their audience.

**K108** Continuous Enrollment 8 Hour Course  
**\$225** Online

Operational Risk Management

Changes in markets, techniques, technologies, and products have altered the landscape of Operations and fueled the explosive development of Operational Risk management. The regulators of financial and public companies are demanding a far greater level of disclosure and awareness by directors about the risks they manage and the effectiveness of the controls they have in place to reduce or mitigate these risks. There is also a greater realization that a major source of earnings volatility can be attributed to the way a firm operates and not "financial risk". All these changes have triggered the need for an efficient Operational Risk Management system in organizations.

**K109** Continuous Enrollment 60 Hour Course  
**\$450** Online

Principles of Management

Learn basic management concepts and terminology as well as the history of management theory. Students will also learn how organizations are structured and why managers are important. The different roles of a manager in today's organizations and the different skills a manager must hone to be successful will also be covered.

**K111** Continuous Enrollment 8 Hour Course  
**\$225** Online

Coaching People to Their Potential

Strengthen your leadership abilities as you develop your coaching skills. With the proper tools, you can motivate others, enhance productivity, and reduce friction as you help people maximize their potential.

**K113** 7/29 Tu 9AM-12PM  
**\$59** CCE Rm: 207 J. Blackwood

Successfully Leading Change

We live in an ever-changing world, and in order to grow, we need to continue to adapt and change as well. This class will discuss the role leaders must take within the change process, the importance of involving others in creating and implementing the change plan, how to approach and mitigate resistance, and the value of building a shared commitment to the new focus and goals.

**K114** 8/12 Tu 9AM-12PM  
**\$59** CCE Rm: 207 J. Blackwood

Skills for Effective Negotiation

To negotiate means to find a mutually acceptable solution to a problem. We negotiate in many different situations, whether it is at home, with family members, or at work, with colleagues and supervisors. Developing your negotiation skills will help you address problems, resolve conflict, and preserve relationships in all areas of your life.

PROFESSIONAL DEVELOPMENT

# Healthcare for Caregivers

## DSHS Safety & Orientation Training

You are taking this training because you have recently been hired by an adult family home (AFH), boarding home (BH), or a home care agency (HCA) as a long term care (LTC) worker. This orientation training gives you an overview of what you need to know and do in your new job. Safety training helps you stay safe and avoid injury and illness related to performing services and support as a long term care (LTC) worker. Your role in safety as a LTC worker is to help: 1. Prevent accidents and injury to yourself and clients. 2. Stop the spread of infection and disease. 3. Prepare for and handle emergencies.

**K135** 8/18 M 8AM-1PM  
**\$59** CCE Rm: 208 S. Potts

## DSHS Core Basic Training (54 Hours)

The caregiver will have basic knowledge and skills in the performance of day to day care for a client. The caregiver will be able to: take appropriate action to promote and protect resident rights, dignity, and independence; take appropriate action to promote and protect the health and safety of the resident and the caregiver; correctly perform required personal care tasks while incorporating resident preferences, maintaining the resident's privacy and dignity, and creating opportunities that encourage resident independence; adhere to basic job standards and expectations.

**K136** 8/19-9/3 M, Tu, W, Th, F, Sa 8AM-5PM  
**\$450** CCE Rm: 208 S. Potts

## DSHS Long Term Care Certification w/Core Basic Training

This 75 hour program meets the DSHS requirements for Long Term Care workers. The program includes: 5 hours safety orientation, 54 core basics training, 8 hours Mental Health specialty training, and 8 hours Dementia Care Training.

**K134** 8/18-9/3 M, Tu, W, Th, F, Sa 8AM-5PM  
**\$650** CCE Rm: 208 S. Potts

## DSHS Dementia Care Specialty Training

Enroll in basic training for managers and caregivers working with dementia patients. The DSHS-approved Certification curriculum (July 2007) covers communications, behaviors, hallucinations and delusions, medications, and the activities of daily living (ADLs).

**K137** 8/26 Tu 8AM-5PM  
**\$95** CCE Rm: 208 S. Potts

## Medicare Presentation, *Free!*

#K146: Sat. 7/19, 10am-11:30pm  
 CCE Downtown, Rm. 214

#K147: Mon. 8/18, 6pm-7:30pm  
 Columbia Tech Center, Rm. 338

Need help understanding Medicare – for you or your parents? Come to a session designed for all kinds of people: current Medicare beneficiaries, new beneficiaries, those who will soon be eligible for Medicare – and anyone in between. Taught by trainers from the Statewide Health Benefits Advisor (SHIBA). SHIBA provides unbiased, confidential benefits assistance to all.

### Topics include:

- Options, benefits & supplements
- Prescription drug coverage
- How the Affordable Care Act affects coverage

### Bonus Class:

**Computer Skills “Tuneup” with Millie Windemuth**

**Limited seating available**  
 Sat. 7/19, 12:15pm – 1:45pm  
 CCE Downtown

Mon. 8/18, 4pm – 5:30pm  
 Columbia Tech Center campus

Feeling rusty or unprepared for new workplace technology? Practice using programs like Office 2013 and get comfortable using the mouse and keyboard. Understand why and how storing files and using attachments is so important.

## DSHS Mental Health Specialty Training

Get an introduction to the most common psychiatric disorders recognized in the elderly. Course includes a review of symptoms, treatment options, care-giving considerations, communication skills, multicultural considerations, resident rights, and caregiver self-care.

**K138** 8/27 W 8AM-5PM  
**\$95** CCE Rm: 208 S. Potts

## DSHS Nurse Delegation Specialty Training

Earn a certificate of completion in the Nurse Delegation Program and perform tasks normally administered by licensed Registered Nurses (RNs). Course completion allows qualified Nursing Assistants and caregivers to administer to clients in less costly community or home-based settings.

**K139** 7/23 W 8AM-5PM  
**\$95** CCE Rm: 208 C. Crites

## Adult Family Home (AFH) Orientation Class

This one day class provides an overview of the AFH program and expectations of the AFH licensee in providing care and services to the residents in a licensed home setting as well as a brief overview of the process prospective providers will follow in obtaining an AFH license. This class is one of the requirements (see Washington Administrative Code [WAC] 388-76-10060) applicants need to meet prior to turning in the application for licensure. Students will receive a certificate after completing the class; this certificate is valid for one calendar year from the date of attendance.

**K143** 8/5 Tu 9AM-4:30PM  
**\$29** CCE Rm: 207

## Adult Family Home Administrator Course

This course meets Washington State 48 hour education requirement for Adult Family Home providers. This training is required to become licensed as Adult Family Home (AFH) providers. This course introduces students to the concepts and principles of management; it covers the roles and responsibilities of a licensed provider, the licensing process, business operations of the home, staff management, resident care issues and resident rights. Students must demonstrate proficiency in English, reading, writing, and math.

**K140** 7/17-8/1 Th, F 8AM-5:30PM  
**\$650** CCE Rm: 210 S. Potts

## Advocacy For Others

Advocating for the needs of another person can lead to levels of frustration and anger you've never experienced before. This class will show you how to focus on what is needed in the relationship, how to get your ducks in a row, why the words you use will impact your progress, the importance of making it a team effort, and what follow-up and follow-through really mean. This information will benefit anyone who is providing the voice for someone in need.

**K144** 8/26 Tu 9AM-12PM  
**\$59** CCE Rm: 214 J. Blackwood

with the training you  
need.

**MATURE LEARNING**

The Mature Learning Program is for people age 55 and older. Classes taught by expert instructors and provide opportunities for learning, exchanging ideas and socializing with peers.

**Arts**

**Summer Intensive: Aqueous Media**

Join Susan in this series of three all day workshops. Highlights include experiencing the world of "underpaintings" and their development. Design and Content will be the next focus, bringing your individual interpretations to the "underpaintings". Plan for an hour lunch break.

9050 7/7-7/21 M 9AM-3:20PM  
 \$89 CCE Rm: 215 S. Cowan

**Painting Abstractly & Montage Design**

Montage is an overlapping design approach. This 3 day workshop is designed for both beginning and advanced painters. Design and develop various montage compositions using water based media - acrylic or watercolor - with demonstrations on how to develop works on both underpaintings and plain white paper. Plan for an hour lunch break. Supply list is on webpage.

9051 7/15-7/29 Tu 9AM-3:50PM  
 \$60 CTC Rm: 331 K. Sandy

**Taking the Mystery out of Yupo**

Learn how to paint on yupo - a "mysterious" synthetic, recyclable, tree-free paper with attributes and properties that make it the perfect solution for a variety of design uses. Choose either watercolors or acrylics for projects. Add excitement and variety to your paintings as you master this application.

9052 7/10-7/17 Th 9-11:50AM  
 \$48 CCE Rm: 215 M. Anne Harkness

**Oil Painting Summer Studio**

Beginning through advanced students are welcome in a comprehensive, open studio environment. Includes demonstration, individualized help, critique and instructor feedback. Supply list is on webpage.

9053 7/9-8/6 W 10AM-12:50PM  
 \$60 CTC Rm: 331 B. Rosenberg

*Ben encourages us to stretch in oil and try new things; he gives me incentive to paint!*

**Photographing Impossibly Lovable Subjects**

One of the trickiest of subject matters, the photography of children, pets, and animals involves patience, skill, and the ability to capture what is known as the "decisive moment". Increase your odds of obtaining those moments by developing your photographic skills with tips and techniques from Clark instructor Mariana Tres. No experience required.

9054 7/8-7/17 Tu, Th 1-3:50PM  
 \$60 AA4 Rm: 102 M. Tres

**Poetry Everywhere: A Writing Workshop**

Poet Laureate Christopher Luna will discuss strategies for generating new work. Listen to recordings of accomplished poets and write poems of your own. Feel safe to express yourself. Discover that poetry is fun, with a positive, healing impact on both the writer and the community. All levels of experience welcome. Bring a poem with which to introduce yourself.

9055 7/12-7/19 Sa 12-4PM  
 \$45 CCE Rm: 208 C. Luna

**Creative Writing Workshop**

Explore a variety of techniques to improve your writing and invigorate your creativity in a relaxed two class workshop setting. Use exercises designed to experiment with different types of voice and technique in all varieties of writing. Includes a break for lunch and time for informal networking with other students.

9056 7/25-8/1 F 10AM-2:50PM  
 \$45 CCE Rm: 208 D. Guyol

**Afternoon Academics**

**Mature Learning Summer Institute: "Persons of Interest"**  
 Join us for a unique take on the subject of history: standalone biographical sketches about the famous and infamous. Take one class or save with a combo!

**Introduction: Clusters of Genius**

Why did certain cultures produce an astonishing number of geniuses? Is this an accident? What conditions nourished Plato, Socrates, Michelangelo, Shakespeare, Bill Gates? What are the conditions that nourish innovation and creativity?

What kills creativity, imagination and innovation?  
 9060 7/10 Th 1:30-3:20PM  
 \$15 CTC Rm: 338 D. Benedicktus

**Steve Jobs**

Explore the inside story of this pioneer of the personal computer revolution who later transformed entire industries such as music, movies, smartphones and tablet computers. He is known not only for his vision and leadership, but also for his brash personal style, insights into consumers and passion for perfection.

9061 7/17 Th 1:30-3:20PM  
 \$15 CTC Rm: 338 G. Hays

**Hilary Rodham Clinton**

Former Secretary of State, Senator from NY and First Lady, explore this complex and controversial person. In addition to working for the worldwide empowerment of women, what are some of the lesser known stories about this accomplished woman? What have been the uses and abuses of her power? Trommald will offer reflections and predictions.

9062 7/24 Th 1:30-3:20PM  
 \$15 SHL Rm: 0216 E. Trommald

**Georgia O'Keeffe**

One of the most significant artists of the 20th century, O'Keeffe's life is as fascinating as her art, beginning with her affiliation as an avant-garde member of NY's Stieglitz Circle in 1910. O'Keeffe's images — instantly recognizable as her own — blend abstraction and realism, depictions of flowers, leaves, rocks, shells, bones and other natural forms.

9063 7/31 Th 1:30-3:20PM  
 \$15 SHL Rm: 0216 C. Haley Epstein

**Nelson Mandela**

Mandela is appreciated as one of the greatest historical figures for all time and cultures. Who was this astonishing African tribal leader who was a guerilla warrior, prisoner and statesman? How was he able to practice forgiveness over revenge? Explore his times and lasting legacy.

9064 8/7 Th 1:30-3:20PM  
 \$15 CTC Rm: 338 Hurdle-Bradford

**Ayn Rand**

Russian-born Ayn Rand's concepts of individualism and objectivism are part of her astonishing popularity, with books as "The Fountainhead" and "Atlas Shrugged" still on bestseller lists. One of the most controversial figures of the 20th Century, who was she and how did she launch a philosophic movement with such impact still today?

9065 8/14 Th 1:30-3:20PM  
 \$15 SHL Rm: 0216 B. Boger

**Sarah & Angelina Grimke**

The Grimkes grew up on a South Carolina plantation in the 1820's, witnessing slavery first hand. Their crusade was to free the enslaved and to end racial discrimination. This made them more radical than many of the reformers who advocated an end to slavery, but who could not envision true social and political equality for the freedmen and women.

### Seattle Mariners vs Oakland A's Baseball Excursion

Travel to Safeco Field in the Clark bus to see two teams with young and talented line-ups! Watch the Mariners try to reignite their past magic to beat the Oakland A's. The A's don't boast big names but the Money Ball era is alive and well with this year's team who enter the season as back-to-back division champs in arguably the toughest division in Baseball. Play Baseball Trivia on the way up. Meet at Yellow Parking Lot #2.

K201	7/13 Su	8AM-8PM
\$99	See description	T. Reilly Kelly

### Washington County Vineyard & Valley Scenic Tour

Take a trip to experience the summer bounties of the Tualatin Valley with Foodie Guide Gayle Starbuck. Explore the u-pick Smith Berry Barn and the Mountainside Lavender Farm and Gift Shop, ending the day at a boutique family-run winery Center Raptor Ridge Winery. Lunch will be included at the 100 year old South Store Café. Meet the College Bus at Yellow Parking Lot #2.

K202	7/18 F	9AM-4:30PM
\$65	See description	G. Starbuck

### Lewis & Clark in the Gorge

Travel with a Lewis & Clark historian visiting Gorge spots, including Vista House, Rock Fort Site near The Dalles, Horsethief Lake State Park and its authentic pictographs, Catherine Creek, Beacon Rock and William Clark Park. See wildflowers and enjoy the lively stories! Includes short walks at a leisurely pace. Bring a sack lunch. Meet the College Bus at Yellow Parking Lot #2.

K203	7/23 W	8:30AM-4:30PM
\$65	See description	R. Wendlick

*Roger Wendlick is a fantastic storyteller - Lewis & Clark came alive with his passion!*

### Cartlandia

Portland is famous for its Food Cart culture. Located in "pods" in different neighborhoods, let a "Foodie" take you on a culinary journey across the city, with recommendations of what to get where. Visit six pods plus walk through the Rose Garden at Peninsula Park. Meet the College Bus at Yellow Parking Lot #2.

K205	7/30 W	9AM-4:30PM
\$49	See description	T. Reilly Kelly

### Craft Breweries Tour

Confused by the difference between an ale and a lager? Want to know the difference between a pale ale and a kolsh? Led by a certified craft brewer, learn about beer styles on a tour of several Portland craft brewing sites. Includes a tour and meal at a brewpub. Enjoy informal and informative lecture and tasting. Meet the College Bus at Yellow Parking Lot #2.

K206	8/16 Sa	10:30AM-5PM
\$60	See description	S. King

### Artburst NW

View the art show for art lovers at Marylhurst University. ArtBurst is a show that focuses on the artists and their work, student art, art guilds and organizations. See 100 local and PNW artists with art from painting to garden art, jewelry, ceramics, glass to woodworking. Meet the College Bus at Yellow Parking Lot #2.

K207	8/2 Sa	9:30AM-4PM
\$35	See description	K. Sandy

## EXCURSIONS

### Mount St. Helens Geology Excursion

Travel with a geologist on our "rolling classroom" to understand the five phases of the eruption, the mudflow damage along the Toutle, and the three lakes that were created post eruption. Watch the wide-screen movie at Johnson Ridge and take time to view the interpretive exhibits. Light walking. Meet the coach at Yellow Parking Lot #2. Bring a sack lunch.

**K208** 8/1 F 8AM-5PM  
**\$65** See description S. Carlson

### Northwest Trek Wildlife Park Escape!

Discover the PNW's premier wildlife and adventure park! See animals from an enclosed tram and walk a paved path through the forest to see animals in naturalistic exhibits. Fun for anyone - artists will profit from shooting subject matter for future paintings! Gather for a no-host dinner in Olympia at the Bayside. Meet the College Bus at Yellow Parking Lot #2.

**K209** 8/22 F 8AM-9PM  
**\$79** See description S. Cowan

### Oregon Ballet Theatre Exposed

At the end of every summer OBT moves its dance studios outdoors to Pioneer Square. Sneak a peek inside the process of staging a ballet. Watch the dancers take their daily class and rehearse the fall program. Observe how they develop the virtuoso athleticism and artistic qualities to be classical dancers. Lunch will be on your own nearby. Meet the College Bus at Yellow Parking Lot #2.

**K210** 8/27 W 11AM-4:30PM  
**\$40** See description T. Reilly Kelly

## Explore: Student Stories

*"I like to be with people who are vital,  
involved and well informed."*

*- Laura Stephens*

Laura retired from a career in sales and marketing. She fell in love with the Mature Learning program because she was impressed at the caliber of the instructors and fellow students. Now she gets involved as an escort and organizer for Excursions – "It's exciting to have an insider's view – to feel the creative energy of a group when immersed in onsite learning and see the whole program unfold."

## POLICIES & DISCLAIMERS

### CHANGES/CLOSURES:

Due to circumstances beyond our control, locations and times may be changed during the quarter. If we cannot contact you by phone or mail, we will post the correct information at the class location listed in this publication.

### DISABILITY SUPPORT SERVICES:

Clark and DSS are committed to assuring Clark College, its services, programs, and activities are accessible to individuals with disabilities. DSS assures nondiscrimination on the basis of disability. Through DSS, qualified persons with disabilities can address their concerns regarding attitudinal or procedural barriers, as well as any need for academic adjustments or auxiliary aids. Call 360-992-2314 or 360-991-0901 (video phone).

### DISCLAIMERS

This class schedule is published for information purpose only. Although every effort is made to ensure accuracy at the time of publication, this class schedule shall not be construed to be an irrevocable contract between the student and Clark College. The College reserves the right to make any changes in the content and provisions of this class schedule without notice and reserves the right to cancel classes and to change class fees, instructors, or meeting dates/times at any time. Many classes require a minimum enrollment of 15. Early enrollment is encouraged to prevent class cancellation. If a class in which you are enrolled is cancelled, contact Registration at (360) 992-2939 to assist in selecting a suitable alternative.
